CHRISTMAS TIME

Has been prepared for by J. M. Oat, Jr., & Co. On entering their store, one does not see very much, but on walking through we were surprised at the quantity and variety of the goods, as well as the excellent choice made in the selection. In the stationery line there is everything that can possibly be required, the latest novelty being the alligator note paper, with a likeness of the creeping monster embossed on each sheet.

Oat remembers the days of his youth, and has provided tops, dominoes, loto, puzzles, cubes, backgammon and a nice assortment of illustrated children's books. There is a chatterbox that will silence the brightest little chatterbox in Hawaii; the puzzles, comprised of different nursery stories, are very amusing. Jolly Times, Christmas Treasures and Mother Goose (no stuffing).

The inkstands are a specialty, of every variety and kind, one, inlaid with jewels, being very handsome. Children guard some of them so that the writer should be careful what he puts on paper, as he is watched.

The glass paper weights are elegant, and by having a thimble case, there is no need for that rushing round at the last moment, when the husband's shirt buttons are off, and he wants to be off to town, and exclaiming "where's my thimble." If you purchase one of Oat's cases you will know that your thimble is in the bellows, and no blow about them.

The consignment of cheap and good standard works disappeared in the twinkling of an eye, but more are coming on the Alameda. There is a nice collection of ladies' bags and reticules in Russian leather and alligator skin. There are desks, pocketbooks, photograph and autograph albums, the latter being quite uncommon in their style; how nice it is to sign your name in a friendly way without being responsible for any amount. The Christmas cards, well, where can you beat them? All is the result of Oat's trip to the Coast. He wanted to take us with him, but we knew we'd spend all his money, so we didn't go, as we would have deprived Honolulu folks of the good things they can now possess.

Lost,

ON the 27th instant, a GREY HOUND SLUT. A suitable reward will be given to the person bringing said dog to

SOCIALISTS.

EDITOR BULLETIN—In your Saturday's paper I notice in the reports of the last meeting of the Working Men's Union, Mr. Danielwicz's remarks about Mr. Glade's speech in the German club, at the meeting of German residents on the 24 November. "Mr. Glade had called them socialists, cut-throats and nihilists." This is not the truth, Mr. Glade spoke of social democrats and nihilists, but never used the expression cut-throats, Whether it is generally understood, that nihilists are cut-throats, perhaps Mr. Danielwicz will best be able to explain.

It is hardly possible to misinterpret the word "Socialisten" which means social democrats, a class of people against whom the German Government had to make special laws, and in whose ranks assassins are found. It does not mean socialists, or promoters of good society as Mr. Danielwicz has found in Webster's dictionary.

I shall be glad, to see the laborer on Lihue plantation, on exhibition in the next agricultural show suggested by Mr. Kohm, so that he may explain to the workingmen, how money can be saved. It seems impossible, that Mr. Kohm should have intended to insinuate any doubt in Mr. Glade's statements.

I fail to see how Messrs. Kohm and Danielwicz, who have been present at the meeting of German residents, can possibly have misunderstood how the money subscribed by them was to be expended. It was very clearly said that such funds should be under the control of Mr. Schmidt, and that they would have nothing to do with the Workingmen's Union. A GERMAN.

Ex "Alameda"

HORSE SHOEING--par excellence.

Whitman & Wright,

TO THE FRONT AGAIN

NO more contracted hoofs, fever in feet, lameness and sore shoulders, forging or over-reaching, corns or quarter cracks.

The Patent Spring Horse Shoe does the business.

Recommended by the California Society of Prevention of Cruelty to Animals.

This shoe is the invention of an old horseman of 40 years experience, and is manufactured in New York City from steel prepared expressly for this purpose, and carefully tempered to retain the elasticity of the spring as long as in use. As the name implies the general principal, is to act as an assistant, where elasticity is natural in the foot.

The toes of these shoes being made heavier than those of the common kind, act as a toe weight, giving a horse a greater length of stride and naturally increasing his speed. For working, or driving, horses used on hard or stony roads and troubled with lameness or sore shoulders, these shoes are an infallible cure, while for sound horses that may become liable to the same complaint they are a certain preventative. They are a protection to corns on horses feet as they relieve the part on which the corns are produced.

Give them but one trial and you will us no other. Satisfaction guaranteed.

We have lately secured the services of a thorough, experienced, and reliable horse shoer of San Francisco who has charge of this branch of our business and who we can most fully recommend to our patrons.

We refer, by permission, to Mr. H. F. Hebbard, Express and Drayman, who has given these shoes a thorough trial, having used a sample set for the past month.

SHIPPING NOTES.

The schooner Anna has arrived at Kahului, 19 days from Eureka.

The s.s. Alameda sailed on Saturday, with 5253 bags of sugar, 194 kegs of sugar, 995 bags of rice, 1923 bunches of bananas, 150 bdls of sugarcane, 6 cases of leaves, 19 pkgs of sundries, 17 pkgs of junk. Total domestic value, $74,732.-24.

Stmr Kinau brought 1054 bags sugar, 115 bbls of molasses, 3 horses, 11 bdls of goat skins and 20 tins of powder. She came from Lahaina to Honolulu in 6 hours.

The bgtne Hazard, Capt. Tierney, 34 days from Juliet, arrived on Saturday with 126 laborers for the Planters Labor and Supply Co.

A final survey was held on the C. S. Hulbert on Saturday.

The schooners Nettie Merrill, Kamoi and Kauikeaouli went aground in the passage when coming in on their last trip; the Nettie Merrill had to be towed off, and the Kauikeouli was so badly damaged she was hove down for repairs.

THE Kinau arrived early on Saturday morning. Her time, from Lahaina to Honolulu, was 6 hours and 10 minutes.

LOCAL & GENERAL NEWS.

HEAVY rains at Wailuku on Friday; also at Kohala.

THE Spreckelsville nine are practicing with renewed vigor.

NO. 1, VOL. 2, of the *Anglican Church Chronicle* is to hand.

THE Hazard brought 126 South Sea Islanders. They were landed on Saturday afternoon.

FOR SALE.—The California Restaurant, with stock of groceries, fixtures, etc. Fifteen years lease. Price, $1, 00. 567 1w

DR. RODGERS has removed his office and residence to the *mauka* side of Hotel street, directly opposite the Young Men's Christian Association. 574 2t.

SOME of the large sheets of plate glass for Campbell's building, were found on Friday, when unpacked, smashed to atoms. The loss falls upon Mr. Lucas.

A GENTLEMAN was smoking on Friday evening, when a sudden fizz and crack from his cigar made him dream of dynamite. The cigar fell to the ground rather suddenly.

HEAVY storms, with strong winds from the north, have prevailed on the other islands. The Kinau was unable to land her freight for Laupahoehoe and brought it back to Honolulu. The sea was very rough all along the coast of Hawaii.

MR. Sigismund Danielewicz has sent us a reply to Working Man's letter. Our space is somewhat limited, and we are unable to devote the whole paper to Mr. Danielewicz for three days. If he'll cut down his ten pages of foolscap to half a page then we may find room for his communication.

THE earnings on the Sydney tramways average $40,710 per mile. Possibly the reason why the Premier would not allow Mr. Flowerdew to undertake the Kapiolani Park tramway is that there was too much money in it. Keep it for the country.

MARIA ROSA, for stealing a gold watch, value $95, was sentenced, on Saturday, to a year's imprisonment at hard labor, and to pay a fine of $25. Francisco Roderigue was charged with receiving the watch, but discharged. Six cases of drunkenness filled the bill.

THE Alameda sailed on Saturday at seven minutes past twelve. All the mercantile houses were represented to bid *bon voyage* to Mr. W. G. Irwin and Mr. S. Parker. The Premier was there to wish them a speedy return, and possibly a last fond whisper to send that coin along. Parting presents, in the shape of oranges, were showered upon them, and they will be much missed till their return.

A small, but genial, party of five, of which we were one, enjoyed a very pleasant little Thanksgiving dinner. Sundry turkeys, ducks and chickens disappeared with marvelous rapidity. Wit flowed freely, instead of wine, and "ebullition of enthusiasm" was in its "active state," without the "aid of Green Seal." Four of us were Americans, and the fifth, though being a "blasted Britisher," was warmly welcomed. Jake Fisher and party enlivened the evening's amusement by singing to us, through the telephone.

TWELVE new letter boxes have been received by the Postmaster General, and will shortly be distributed throughout the town. They are strong and handsome boxes, with patent locks, the key not being movable until the box is locked. They will be emptied at 8 a.m. and 2 p.m. daily, except on Sunday, and will be located as follows: No. 1, near the Reformatory school; No. 2, Corner of King and Liliha streets; No. 3, Corner of Liliha and School; No. 4, Corner of Judd and Nuuanu; No. 5, Corner of School and Nuuanu; No. 6, Corner of School and Emma; No. 7, Corner of Nuuanu and Beretania; No. 8 Corner of Emma and Beretania; No. 9, Corner of Punchbowl and Beretania; No. 10, at Thomas' Square and Beretania; No. 11, at Punahou avenue and Beretania; No. 12, Corner of King and Punchbowl. The Postmaster General wants twenty-four more boxes, but he hasn't got any more money.
