WEDNESDAY, SEPTEMBER 12, 1888.

THE Appropriation Bill was passed finally yesterday and was signed by the King at once. The only remaining bill, the ramie, was returned signed, and the only matter remaining was the report on the bribery charges. A suspension of the five minute rule as to the four members involved in the report resulted in several very long and wearisome speeches. But members, tired as they were, excused them on the ground that they were in defense of the accused.

The total amount of the Appropriation Bill is $3,397,137.98, which includes $96,000 merely contingent, so that the amount appropriated may be called $3,300,000. It will be further analyzed at a future time. Seventy-six bills have become law. It is a singular coincidence that the only bill which failed to become law, over the veto, was number seventy-seven, the coffee bill. About seven o'clock the House voted on the bribery matters and expelled Messrs. Kauhi, Kamauoha and Luhiau, and censured Mr. Nawahine.

Salvage on Barkentine S. N. Castle.

This vessel, which went ashore on the windward side of this island last week, has now nearly discharged her cargo, which was a large and valuable one, and will go onto the Marine Railway this morning for repairs. So far as has been ascertained the only damage received is to her keel, which will probably have to be replaced with a new one. The place where she went ashore, although a coral reef, is not so dangerous as it might be, owing to the sand being thrown up by the sea and scattered over the reef, so as in some places to partially cover it. Fortunately it was calm and smooth while the barkentine was aground, otherwise she might have proved a total loss, for instance, had rough trades been blowing. As it was, the crew hauled the vessel from the reef into a shallow lagoon, where the steamer Waimanalo and Cummins found her, and towed her out into deep water, and thence towards this port till the Government tug Eleu met them and towed the barkentine into port. For the services rendered by Mr. Cummins' steamers he has been awarded one thousand dollars, which, under the circumstances, is considered a liberal and fair award. The Government's bill for towing her around and into port was $120. The expense falls partly on the underwriters, partly on the owners of the barkentine and of the cargo, there having to be made a general average and adjustment of the losses incurred.

In connection with this accident to the S. N. Castle, the value of the telephone is illustrated. Capt. Hubbard landed soon after the accident at daybreak in search of help, and meeting a native, asked him where to go to find a telephone station. But the Hawaiian, not understanding English, was at a loss to know what the Captain wanted, until by gestures he made him comprehend that it was where to talk by lightning. The native then led him to Col. Judd's house, a mile or two away, and the Captain was not long letting his agents know his pilikia. He says he never before appreciated what a blessing the telephone is to a ship in distress, and forty or fifty miles from port. Had it not been for the telephone, the barkentine might have been on Kualoa reef today—a complete wreck!

THE LEGISLATIVE ASSEMBLY.

Eighty-eighth Day.

TUESDAY, Sept. 11.

The House met at 10 o'clock, the President, Hon. W. R. Castle, in the chair. Present: Ministers Green, Thurston, Ashford; Nobles Wilder, Robinson, Young, Jaeger, Smith, Waterhouse, Luhiau, Wight, Notley, Wall, Hitchcock, Bailey, Richardson, Widemann, Makee, Wilcox, Dole; Reps. Hustace, Dowsett, Kalaukoa, Naone, Kauhi, C. Brown, F. Brown, Deacon, Kamai, Maguire, Kauhane, Kamauoha, Paris, Nawahine, Daniels, Helekunihi, Horner, Kawainui, Wilcox, Rice, Gay, Nakaleka, Paehaole. Minutes read and confirmed.

BILLS SIGNED BY THE KING.

Minister Thurston reported the following Acts signed by His Majesty:

To authorize and promote the construction of steam railroads on the island of Oahu.

To authorize the Minister of Interior to remit the postage on the "Paradise of the Pacific."

To authorize the Minister of the Interior to convey an acre of land on Pensacola street, to trustees, for charitable purposes.

REPORT OF COMMITTEE.

Noble Smith read the report, in English, of the special committee appointed, 8th inst., to investigate the charges of bribery preferred, same day, against Reps. Kamauoha and Kauhi, and with the report, the record of evidence taken at the meetings of the committee.

The reading of the English version occupied the time from 10:20 to 11:30.

Interpreter Wilcox then proceeded with the reading of the report in Hawaiian and continued until 12:07 p. m., when recess was taken until 1:15.

Afternoon.

Re-assembled at 1:15.

ORDER OF THE DAY.

The Appropriation bill passed third reading.

THE BRIBERY CASES.

Reading of Hawaiian version of committee report on the bribery charges, continued, and was got through with at 3 o'clock.

Following is the report:

Hon. W. R. Castle, President of the Legislature:

The select committee of inquiry, appointed to investigate the truth of certain charges preferred by the Attorney-General, against Representatives A. Kauhi and G. P. Kamauoha, beg leave to present the following report;

Pursuant to the notice given in the House, the committee met at 2 p. m., on Saturday the 8th inst. Copies of the resolution, in both the Hawaiian and English languages, were furnished to the said A. Kauhi and G. P. Kamauoha previous to the time of meeting, and witnesses named by the Attorney-General were cited. Upon the meeting of the committee at 2 o'clock, Reps. A. Kauhi and G. P. Kamauoha were present, and signified their readiness to proceed with the investigation.

A shorthand reporter was employed and sworn; the interpreter of the House was engaged to interpret.

A careful record of the proceedings, statements of parties, and the testimony of witnesses, was kept in shorthand by the clerk and copious notes were also taken by members of committee. The shorthand report has been carefully transcribed, and a copy of the same is herewith presented as a part of this report.

FINDINGS OF FACT.

After painstaking investigation, and careful hearing, the committee find the following facts to be substantiated by the evidence:

1. That money was provided by certain Chinese to be used in defeating the proposed constitutional amendment relating to Chinese, and to reward certain members of the Legislature who should vote to defeat the same.

2. That after the said amendment was indefinitely postponed certain of the said money was paid to certain of said members.

3. That there was a conspiracy between Representative A. Kauhi, Representative G. P. Kamauoha, and others to use the money to corruptly influence members of this House to defeat the passage of said amendment.

4. That in pursuance of said conspiracy said G. P. Kamauoha sought to persuade Representative A. P. Kalaukoa to vote against the passage of said amendment, and through said A. P. Kalaukoa to persuade other members of this House so to vote.

5. That said A. Kauhi, in pursuance of such conspiracy, received money from certain Chinese for the purpose of distributing the same among members of this House as a reward for their having voted to defeat said amendment, and gave fifty dollars of the same to each of the following named members of this House, to wit:

A. P. Kalaukoa, Representative from Honolulu; S. C. Luhiau, Noble from Hawaii; O. Nawahine, Representative from Wailuku; G. P. Kamauoha, Representative from S. Kona.

6. That said A. P. Kalaukoa took the fifty dollars so paid to him, for the purpose of exposing such conspiracy.

We would state as appears by the record that said S. C. Luhiau and O. Nawahine gave their evidence before the committee stating how, when and from whom they received the said money so paid them; but it is not clearly proved that, before they voted upon the passage of said amendment they were informed, or had knowledge of the reward so prepared for them.

RECOMMENDATIONS.

In view of the evidence and the foregoing findings of fact, we make the following recommendations, which we offer in the form of resolutions, to wit:

1. Resolved, That the conduct of Representative A. Kauhi, and of Representative G. P. Kamauoha, in the premises, establish the fact that sufficient cause exists to expel the said A. Kauhi and said G. P. Kamauoha from this House, and to declare their seats in the Legislature vacant.

2. Resolved, That the said A. Kauhi, Representative from Ewa and Waianae, is hereby expelled from the House, and his seat in the Legislature is declared vacant.

3. Resolved, That the said G. P. Kamauoha, Representative from S. Kona, is hereby expelled from the House, and his seat in the Legislature is declared vacant.

4. Resolved, That the conduct of Noble S. C. Luhiau, and of Representative O. Nawahine, in accepting the said sums of fifty dollars each is most reprehensible, and is deserving of punishment. But, that, in view of the fact of the free confessions made by them, and of the assistance which they rendered the committee in the course of the investigation, the imposing upon them of the censure of this House will be sufficient punishment.

5. Resolved, That Noble S. C. Luhiau be called before the bar of this House, there to receive, from the President of the Legislature, the censure of this House for the cause aforesaid.

6. Resolved, That Representative O. Nawahine be called before the bar of this House, there to receive, from the President of the Legislature, the censure of the House, for the cause aforesaid.

7. Resolved, That the Attorney-General be instructed to institute such prosecutions, as the facts shall, in his opinion, justify, against all persons engaged in such conspiracy.

Respectfully submitted,
W. O. SMITH, Chairman,
G. H. DOLE,
A. S. WILCOX.

Honolulu, Sept. 11, 1888.

MINORITY REPORT.

We, the undersigned, although agreeing with the majority report in most of its findings, do not concur in the recommendation concerning Noble Luhiau and Rep. Nawahine. Although it is a fact, that proof of their complicity in the matter before us, was almost wholly due to their own confessions, yet we believe that they received $50 each, knowing, at the time they received it, that it was given them by the Chinamen as a remuneration for having voted against the Constitutional amendment, and that had it not been for the exposure of the whole matter by Rep. Kalaukoa, they would have kept the same without ever reporting it to the House. We feel that it would not be right for this House to condone so grave an offence, but it is its bounden duty, as a Reform Legislature, to clear itself of the whole matter, and show to the country that it will not tolerate in the least any of those acts, which have disgraced past Legislatures.

We therefore recommend to this House that it do forthwith expel Noble Luhiau and Rep. Nawahine also from seats therein, and declare their seats vacant.

D. H. HITCHCOCK,
J. KAUHANE.

Evidence taken before the select committee appointed Sept. 8th, 1888, according to a resolution adopted by the Legislature to investigate the charges of bribery preferred against A. Kauhi and G. P. Kamauoha.

The Committee, consisting of W. O. Smith, G. H. Dole, A. S. Wilcox, J. Kauhane and D. H. Hitchcock (all being present), met in the ante-room of the Legislative Hall at 2:12 p. m. Saturday, Sept. 8th, 1888.

J. Alfred Magoon was sworn in as clerk.

Mr. Smith read resolution, containing the charges, to Messrs. Kauhi and Kamauoha and cautioned them that neither need make reply unless they chose to.

Mr. Kamauoha stated: I have heard the resolution and all I have to say to the Chairman and to the other members of the Committee: I am not guilty of the charge. I have not received anything myself from the Chinese. I have not been paid anything to change my vote. My opinion has been the same from the very beginning. What I have done was not with the idea that I was to receive any reward.

Mr. Kauhi stated: All the allegations in regard to my receiving or taking bribes are not true. I deny all of the allegations made concerning myself.

The Attorney-General here suggested that it would be desirable not to make the evidence public. The public were excluded and reporters cautioned not to publish the evidence till the report of the committee had been made to the House.

Attorney-General—I should like to ask the gentlemen a few questions. They can answer or not just as they like. To Kamauoha. Have you received either before or since the vote of Wednesday last on the Constitutional amendment any money from any one?

Kamauoha—I have received no money from any one before the vote was taken, but I have received money since the vote.

Attorney-General—Explain how you received it.

Kamauoha—Previous to the vote on the amendment, I had received nothing, and nothing had been said to me about any money; but yesterday I received $50, but nothing was said to me about what it was for. This morning, after the resolution was read, I spoke to Noble Luhiau if any approach had been made to him. He said that $50 had been paid to him yesterday, and I said that was the same as I had received. That is the reason that I said just now that I had received nothing for my vote. This money was brought yesterday and it was said to be a present; I don't think it was intended as a bribe, but the committee may think that it was. I have often expressed my opinion. I said I intended to vote against the constitutional amendment. I asked several members of the House what they thought of it, and I have been asked what I thought of it. I have opposed the amendment ever since it was first introduced, for two reasons: I had introduced two constitutional amendments myself, which had been voted down; and I have always been opposed to it on principle. I heard some of the members say we will be paid; I supposed it was a joke and didn't attach much importance to it. There have been like remarks made on every important vote of the House.

Smith—Do you recall who paid you?

Kamauoha—I received $50 from Mr. Kauhi.

Attorney-General—Where?

Kamauoha—I went down to the W. G. Hall. My mother was going. On the way up this money was given to me, but I did not open the package till I came up.

Attorney-General—How did you come up?

Kamauoha—I came up in a hack with Kauhi. The money was given to me in the hack.

Attorney-General—In what part of the town?

Kamauoha—It was Queen street, between Fort and Alakea.

Attorney-General—What was said?

Kamauoha—Here is your present.

Attorney-General—What did you understand by that?

Kamauoha—I did not understand that it was for my vote. The House has passed a good many important measures. He simply said, here is your present. I thought it was for some measure.

Attorney-General—In what shape was it?

Kamauoha—It was in paper, and that was all that was said.

The Attorney-General showed to Mr. Kamauoha a $50 bill. Was it similar to this?

Kamauoha—It was.

Attorney-General—Where is it now?

Kamauoha—I paid it to a Pake tailor on Nuuanu street.

Attorney-General—Did not you feel sufficient interest to ask what it was for, etc.?

Kamauoha—I did not.

Attorney-General—Was it a matter of such common occurrence that you did not feel sufficient interest to ask what it was for?

Kamauoha—I did not ask at that time. If the Attorney-General came to me and gave me a $50 bill I would think it was on account of some measure passed in the House.

Attorney-General—You thought it was on account of something passed in the House?

Kamauoha—Yes.

Attorney-General—What was passed of late to which you could have referred the gift?

Kamauoha—I associated the $50 00 with the defeat of the Constitutional amendment.

Attorney-General—Do you know the circumstances of Kauhi to be such that he could not have given the $50 00 out of his own pocket?

Kamauoha—I am not acquainted with his circumstances. I don't know where he lives.

Attorney-General—Did you suppose it was a present from Mr. Kauhi or that it was a present from some one else acting through him?

Kamauoha—I only thought it was Mr. Kauhi's own money he was giving to me.

Attorney-General—Did you not converse with Mr. Kauhi previous to the vote about the Constitutional amendment?

Kamauoha—Mr. Kauhi met me and asked me how I felt on the amendment. I said I was against it. Different members of the House have said to me how much have you been paid for your vote. Mr. Hitchcock said you divide with me what you got. There has been a good deal of bantering all along in that way.

Attorney-General—Have you told at any time that it was all arranged that any one who voted against the amendment would get $50?

Kamauoha—No.

Attorney-General—Do you know the store of L. Alo on the corner of Chaplain Lane and Nuuanu street?

Kamauoha—Yes.

Attorney-General—Have you been to that store with any members of this House within the last week?

Kamauoha—No.

Attorney-General—Do you know the store of Sing Chong on Maunakea street?

Kamauoha—No. On Monday I was with Mr. Achi, and I said I wanted to get two bags of rice to send to Kohala. He drove to a store on Maunakea street for the rice.

Attorney-General—Have you visited that store with any member of this House within the last week?

Kamauoha—No. That store is two or three stores from King street. The one I went to with Achi—on the Waikiki side. Mr. Achi went in and ordered the rice. I have no recollection of going there by myself. On his way home, Mr. Achi gets his bread there.

Attorney-General—On what day of this week was it that you went there with Kalaukoa?

Kamauoha—I have not been with Kalaukoa to any store, neither this week nor last week. Neither with any member of the House. I have met Kalaukoa on the street.

Attorney-General—Do you recollect going to the Pae Aina office one day this week?

Kamauoha—No. I think it was last week.

Attorney-General—Do you know whether you went to the Pae Aina office with Kalaukoa?

Kamauoha—We came to the House here. We first went to the post office,

Attorney-General—Are you sure you did not then go to Alo's store?

Kamauoha—No.

Attorney-General—Have you ever been there with Kalaukoa?

Kamauoha—No. I don't remember going anywhere with Kalaukoa, with the exception of during the special session, he took me to a Chinese tailor on Hotel street near Nuuanu.

Attorney-General—Do you recollect having gone to the store on the Waikiki side of Nuuanu street, makai of King street (Wing Wo Chan's) at night?

Kamauoha—No. I remember going there before the evening session; I, Kauhi, Nawahine and Paehaole, I am not sure about Paehaole.

Attorney-General—State the circumstances.

Kamauoha—It was in the evening, Kauhi said he was going to get something to eat. He went in and the rest of us followed. That was the time when the labor bill had been defeated. They (the Chinamen) asked about the vote and we talked with them about it. Afterwords I went home.

KALAUKOA QUESTIONED.

Kalaukoa sworn.

The Attorney-General requests that the Minister of the Interior be allowed to assist him in the examination.

Thurston to witness—Has anyone talked to you in the last week in regard to your vote on the anti-Chinese Constitutional Amendment?

Witness—Yes. Kamauoha and Paehaole by letter.

Thurston—When were you first spoken to on this subject?

Witness—On Saturday, 1st of this month, by Mr. Kamauoha.

Thurston—Give the tenor of the conversation.

Witness—He asked me what way I intended to vote on the amendment. Whether I was in favor of the passage or the indefinite postponement of it. I said I was in favor of it. That ended the conversation at that time. On Monday the 3d inst. we had another conversation. I met Kamauoha on Nuuanu street, near Awana's tailor shop. Kamauoha came out of the tailor shop, he said good morning. I said good morning. He said are you of the same opinion about the amendment as you were the other day. I said yes. And he said well, if you change your mind you will get coal enough to keep the steamer going. I said who is it? He said Chinamen. I said do you think the Chinaman will do as he says. He said yes, they are all ready. It was while we were walking down this street to the Paeaina office that we were talking in this strain. I said if the Chinese is going to do as he says I may change my vote. He said he will certainly do so if you will only change your vote, and you speak to Kawainui and the member from Makawao to change their votes. By that time we had got down to the place where Mossman's crockery store used to be. He said if you have any doubts we will go to Alo's, he is the head man. By that time we had got down about to the barber's shop on Merchant street. I said we won't go back now but we will go to the paper office (Paeaina) and then go up. These Chinese are slippery fellows. We went up to the Paeaina office and saw Kawainui in his private office. We went in there and remained about a quarter of an hour, I then said, let's go, meaning up to Alo's. We went to Alo's up Nuuanu street, Kamauoha before, I following. Mr. Alo's store has two doors. We went in there and the clerks greeted us. They appeared to know Kamauoha. Mr. Kamauoha asked them where Mr. Alo was. They said he had just gone down street. Kamauoha said let's go—no use waiting here; let's go to Sing Chong's. I said why. He said Sing Chong is one. I want to remove all your doubts, We went down to Sing Chong's and went in, it was the first time I had ever been there. There was a desk near the door, Kamauoha went further in the room into an office and spoke to the Chinaman, and he took us into a room where we could not be seen from the street. Kamauoha introduced me to the Chinese. He said this is Mr. Kalaukoa, a member from Honolulu; he wanted to see you and I have brought him here. The Chinaman said I have seen your name in the papers but this is the first time I have seen you. Kamauoha said to him this is one man who will help you, but he has some doubts, he wants to know what you will do. The Chinaman said if Kamauoha has told you we will pay you for voting against the law we will do so, we have told Kamauoha that we will pay each native $50 for voting against the amendment. Kamauoha said are your doubts removed now. I said, yes. That was the end of that conversation. I was satisfied that the coal to keep the steamer going was forthcoming. We then said good-bye, and started up King street to the Government building.

Thurston—Have you had any further conversation with Kamauoha about this matter?

Witness—When we got up here, it was about half-past 10 I think. The House was on the order of the day. Kawainui was away. Kamauoha came over and sat down and said you work on our friend Kawainui. I said, I'll talk to Kawainui. Afterwards I spoke to Kawainui upon the subject. He said get out. I said to Kawainui don't you think that you and I had better change our vote on this amendment. This amendment is contrary to Article 1 of the Constitution. He said you get out, that is foolish. I then dropped the subject till noon. I then went down to his house. I said there is something to be made. He said, you leave me out. You can go ahead and see what you can get out of it. On Tuesday, Kamauoha wrote me two notes, both urging me to go to work on Kawainui, and the member from Makawao. After writing the notes, he came over himself. I said, look here, I think we had better drop Kawainui, he has too big a mouth in that paper of his. Tuesday I wrote to Mr. Castle that I had been approached with $50 to vote against the amendment. He said I was very foolish if I did not try to get $250. On the same day I wrote to the Minister of the Interior that I had been approached for $50. The Minister advised me to get up and speak about it in the House. I said I thought it would be better to let the matter alone. I asked him to say nothing about it, but that I would work it up, and that I was going to vote in favor of it. That day, after the House adjourned, Kawainui, Kauhane and myself got into a hack and went down town. I rode with them to the corner of King and Fort streets, and got out and then went after my business. I went in quest of the Chinaman who had promised me something, near the old custom house, and asked for the man who had promised me something. He was out. I then went to Sing Chong. I said aloha. He asked me what is the news, and I said your side is victorious. I went in and saw the same man who had seen me before. He said, come in, and took me into the inner office. I showed him the list of ayes and noes on the amendment, and gave him a copy of it. I explained to him those who voted for and against the amendment. He said he was going to pay the Hawaiians who helped them; that they were all ready. You wait a little while, and he pulled off a red paper and sent it by one of the clerks. He said, come to-morrow morning. I then went up Maunakea street to Nuuanu street; intending to go to Alo's and show my ayes and noes. When I had gone about two stores, I saw Luhiau near McLean's. I was before, and went along up the street to Alo's store and went in. He said, how is it? I said, you are all right. He said, if the natives help us, we will help you. Then Luhiau came in, and I went around some goods so that he could not see me. I said to the Chinaman, if any more Representatives come in, don't you tell them I am here. Luhiau said to the Chinaman, you are victorious to-day, and showed him the ayes and noes and said the natives and half-whites helped the Chinamen. Luhiau asked for Alo. The Chinaman said he was out, but would be back in a little while. Luhiau went out and went across the street to a butcher shop. I said to the Chinaman, I don't want Luhiau to see me here. I saw Luhiau talking to a Chinaman that I have seen at Mr. Castle's office, and others. He told them that the amendment had been defeated. Luhiau did not see me, and I went past him down to Smith's bridge, to where I live. On Wednesday, before the House adjourned, Kamauoha said to me, you meet me at this 6 p. m.

Thurston—Was it before or after the vote?

Witness—It was after the vote.

Thurston—What was the next thing that happened?

Witness—Thursday morning I went down to Sing Chong's again. I went into the store and asked a man there where was the man with whom I was acquainted. He said he is out. He went to the meeting last night and has not come down yet. I left there and went down to the Paeaina office. One of the men in the store said, you come again this evening. Nothing happened till 6:30 that evening. I left my house to go to Sing Chong's. I got there about 7 o'clock. The man with whom I had had conversation was there. He greeted me and invited me in. He said Mr. Kauhi has just gone, he has not been away five minutes. I said to him, well, your man told me to come this evening. He said, Kauhi said to me that you have placed all the business in his hands, and so I have given all the money to him. I asked how the money was to be divided. He said he had given Kauhi $50 for each of you. Kauhi said he would put each man's in an envelope and send it to each of you in the morning in the House. I then went to Kawainui's house, for I had promised to let him know about getting the money. Kawainui said, what success has your machine had? I said to him that the Chinaman has given all the money to Kauhi, $50 each, according to that list of ayes and noes.

Kauhi—Do you know the name of that man?

Witness—No; but I can identify him. Kamauoha said we should go to Sing Chong. I do not know whether that is the name of the man or not. The next morning I went to Kawainui's house. I said, this is the morning they say they will pay, I said, you watch Kauhi closely. If you see him nudging me, you will know that is the money. That morning Kauhi and Kamauoha did not come till late. Kawainui said, where are those fellows? and I said, they are here. About the middle of the forenoon a hack stopped, and Kauhi and Kamauoha jumped out, and I said, here they are. Kamauoha got out of the hack and took his seat, and made some motion to me which I understood to mean that it is here, out there. I understood that he got his money, and that I would get mine. Kawainui said to me, where is Kauhi? I said he is talking to the hackman. Kauhi pulled the bench away and went in. Kawainui went away. Kauhi came up and squeezed my shoulder, and sat down and read the paper. He asked me if I had some matches. I said yes, and then asked me to go outside to take a smoke. I said you go out first, I have been running in and out and the President has been growling. He went out. I said to Kawainui, he has got the money, and he wanted me to go out and get it. He said, you go and get it. Just as I came out, Kauhi was lighting his pipe. I took the pipe from him, and he put his hand in his pocket and gave me something and said it was five dollars. I understood that to mean $50. The pipe went out. Kauhi said there is no tobacco in the pipe, let me fill it. I said to Mr. Logan, you see that Mr. Kauhi has no money. Kauhi said, keep silent. I said I'll keep it secret. I then came in. Kauhi came in through the main door. Kawainui's seat was empty. I motioned him (Kawainui) to come out, as I had got the money. I went out into the hall and he came out and said, let's go over there to the milk shake. We went over there, and Kawainui ordered two milk shakes. He tried to see what number was on the bill, but could not see at first. It was a Spreckels' certificate, No. 231. A $50 certificate was showed to witness and was identified by him as the certificate. I said to Kawainui, what had we better do, had we better tell Castle and Thurston, or had we better wait. Kawainui said, tell Thurston and write to Castle. I wrote a note to him (Castle).

Thurston—Had he (Kamauoha) told you who were in the business besides you?

Witness—Yes, he did tell me. The Monday that we were at Sing Chong's that Kamauoha, Kauhi, Kamai, Nakaleka, Paehaole, Nawahine, Luhiau, Daniels, Richardson and Kalaukoa were in it. No mention was made of Mr. Maguire, but at about 11:30 a. m. I saw Mr. Maguire and Kamauoha sitting together on the long bench in the back of the hall. Kamauoha saw me looking at them and he beckoned me to come over there. I went over and sat down. Kamauoha was in the middle. He said to me, have you got the coal for the steamer? I said, yes. He said, there is no harm in that, is there. I left the money with the Minister of the Interior. After the session, I went into the Minister of the Interior's room.

Smith—Who were present with you in the room?

Witness—The Attorney-General, Minister of the Interior, Smith, Castle and Kawainui, were in the Minister's room when I gave the money.

Minister Thurston moved the following ...amendments to the fourth and fifth recom- ...mendations of the committee:

4. Resolved that the conduct of Noble S. C. Luhiau, Noble for Hawaii, in accepting the said sum of $50, knowing or believing that the same was from the Chinamen, and a reward for his vote upon a question in which they were interested, is subversive of the dignity and honor of this House, and he is hereby expelled from the House and his seat in the Legislature is declared vacant.

5. That in view of the fact that there is no positive evidence that Hon. O. Nawahine, Representative for Wailuku, knew for what purpose the said $50 was given to him, or the amount of the same, and in view of his free confession and the assistance which he rendered the committee, that the censure of the House will be a sufficient punishment for his offence; therefore

Resolved, That he be called before the bar of the House, there to receive from the President of the Legislature the censure of this House.

The vote was taken, separately, on the first, second, and third recommendations of the committee, when there appeared on each:

Noes—0.

Rep. Kauhi and Rep. Kamauoha were severally declared expelled from the House and their seats declared vacant.

Rep. Nakaleka refused to record his vote on all three of the foregoing divisions, notwithstanding that the House declined, by vote, to excuse the member. The clerk was directed to enter the member's refusal on the record, for the future action of the House thereon.

Minister Thurston's amendment to the fourth recommendation of the committee, was adopted on the following division:

Ayes—Thurston, Ashford, Wilder, Robinson, Young, Jaeger, Waterhouse, Notley, Wall, Townsend, Hitchcock, Bailey, Richardson, Widemann, Makee, G. N. Wilcox, Hustace, Dowsett, jr., Kalaukoa, Naone, C. Brown, F. Brown, Deacon, Kauhane, Paris, Horner, Kawainui, Rice, Gay, Paehaole—30.

Noble Luhiau was thereupon declared expelled and his seat declared vacant.

Minister Thurston's amendment to the fifth recommendation was adopted, on the following division:

Noes—Wilder, Young, Jaeger, Townsend, Hitchcock, Richardson, Widemann, Makee, G. N. Wilcox, Hustace, Naone, F. Brown, Deacon, Maguire, Kauhane, Paehaole, Nakaleka—17.

Noble Widemann announced that he resigned his seat in the House.

Rep. Nawahine was conducted by the Sergeant-at-Arms to the bar, where he was addressed by the President as follows:

I must say that it causes me very great pain to be compelled by this House to administer to you the censure of this Legislature. It is with all the greater pain that I do this, so that I can scarce restrain the tears in my eyes, when I remember that two years ago you and I were standing together shoulder to shoulder, fighting the battles of good government. And now that right principles have triumphed in this country, you have been sent to discharge the solemn and responsible duties of representing the people and guarding their interests in all things. In order that the interests of a people be truly represented it is necessary that there should be absolute freedom from suspicion of the representatives of the people. It is proved that in connection with the Constitutional amendment before the House money has been given to influence the vote of this Legislature, and your name has been dragged into prominence in connection with this serious matter. And the House by a vote has declared, not by a large majority and not on a question of allowing you to go scot free, but that instead of being ignominiously expelled you should receive the censure of this honorable body. It is necessary in all matters of this kind that every man should keep himself absolutely free from all suspicious circumstances, and it was your duty to have spurned with scorn the money that Kauhi put into your possession, without hesitating, without waiting a moment. It is on account of your conduct at that time and in that matter that I now administer to you the censure and the reprimand of this House. Sergeant-at-Arms, you will conduct the member to his seat.

The member was conducted to his place accordingly.

The sixth recommendation of committee being included in Minister Thurston's amendments to the fourth and fifth, already adopted, no further action was taken on it.

The seventh recommendation was adopted.

ACTS SIGNED BY THE KING.

Minister Thurston announced two bills signed by the King:

For the encouragement of the growth and manufacture of ramie.

The Appropriation bill.

At 7:30, the House adjourned, without day, to meet at the call of the President.

Co. C of the Rifles have drill this evening.

A previous question—"What's going on in the House to-day?"

Two Chinese were arrested for vagrancy yesterday and deposited $25 bail.

The regular monthly meeting of the Myrtle Boat Club to-night at 7:30.

Fines and forfeitures in the Police Court on Tuesday amounted to $1,341 60.

Four arrests were made between yesterday morning and one o'clock this morning.

A moonlight concert will be given by the band at Thomas Square on Thursday evening.

Mr. Kerr's great sale of dry goods and tailoring cloths begins at Mr. Morgan's salesrooms at 10 o'clock.

On account of the press of matter in to-day's issue a considerable quantity of editorial matter is crowded out.

The penalty for unlawful landing by Chinese really amounts to an entry tax on that nationality of $50 a head.

The Legislature adjourned sine die, subject to the call of the President, about a quarter of eight Tuesday evening.

There will be a rehearsal and extra meeting of the Honolulu Arion this evening at the usual time and place.

Co. B of the Honolulu Rifles had a good attendance at drill under Lieut. E. F. Bishop commanding on Tuesday evening.

Mr. Nakaleka's case, for refusing to vote on the bribery resolutions, was apparently overlooked in the rush of closing proceedings.

A match game of baseball has been arranged for next Saturday afternoon between the Adventurers and the Household Guards.

Geo. W. DeLong Post, G. A. R., was in monthly session Tuesday evening. Post Commander Col. V. V. Ashford treated the veterans to ice cream at the Elite after the meeting.

The steamer Kinau did not leave for Maui and Hawaii until between eight and nine o'clock Tuesday evening, in order to afford the legislators from those islands a speedy return home at the close of the session of the Assembly.

Two strapping native youths came away from the Station together yesterday, one with an eye in deep mourning and the other with an eye in a sling. The incident is connected with the entry of a couple of Hawaiian names for affray with $15 bail.

Road Reconsideration.

Since the beginning of operations on the plan of cutting away the whole crown of the hill on King street at Leleo, there has been a good deal of agitation against the work at the instance largely of property-owners whose interests were to be affected by the change. It was also found as the work progressed that harder rock had to be encountered than was anticipated, also that the nature of the coral rock was against blasting having the full effect calculated, so that headway could be made by but slow and laborious degrees. In view of these facts Mr. W. E. Rowell, Superintendent of Public Works, and Captain Lawrence, of the Department, on Monday last took a fresh survey of the locality, in consequence of which the plan has been materially altered. The excavations will now be tapered off toward the comparative plane at the summit, while a portion of the road already excavated will be built up in accordance with the other change. There will be a gradient at the point in question of 2 8-10 per cent.

Opening of Government Schools.

All Government schools of the Kingdom will open after vacation on Monday next. The reconstructed faculty of Fort-street School is as follows: Prof. M. M. Scott, Principal as before; Mr. Gear, a new man, graduate of the Classical and Literary Department of the University of California; Mr. Wishard, late of the Lihue school, Kauai, in place of Mrs. Hendry, resigned; Miss Nannie Needham, Miss Florence Winter, Miss Walker and Miss Coursen, the latter one of the most successful primary teachers in the Kingdom.

In the Royal School—Rev. Alex. Mackintosh, Principal—the only change in the large staff of ten or twelve teachers is that of Miss Zoe Atkinson taking the place of Miss Prescott, resigned. Both schools have been renovated to a high pitch of the carpenter and painter's arts. Fort-street School will remain a select school where tuition fees are to be charged. The Royal School will under the legislation of the present Legislature become wholly free.

The Famous Aki Claim.

After two continuances, the case of A. H. Loo Ngwak and Tong Chong Soy, executors of the will of Aki, deceased testate, against A. J. Cartwright, S. M. Damon and Curtis P. Iaukea, trustees of the Estate of His Majesty Kalakaua, was due for hearing on Tuesday in Supreme Court Chambers. The case was again continued, owing to the inability of three Cabinet Ministers, witnesses, to attend. The suit is instituted for the purpose of having the claim of $70,000 and odd, alleged to have been paid the King by the late Aki for the opium franchise that the latter did not receive, placed among the regular creditors' claims against His Majesty's Estate.

The Late Mr. Wilder's Will,

A petition for probate of the last will and testament of the late Hon. S. G. Wilder, together with a codicil thereto, was filed in the Clerk's office of the Supreme Court on the 10th inst., by Hon. A. F. Judd, one of the executors. The other executors are Hon. W. C. Wilder, Messrs. C. L. Wight, G. P. Wilder and Samuel G. Wilder. Tuesday, October 2d, was appointed for hearing of the application for probate. Agreeable to the desire of the executors the list of devisees and value of the property devised are withheld from publication in the meantime.

Notes from Hongkong.

Capt. Duncan of the bark Lillian reports that Capt. Paul Bohm was released from prison before serving the full term of his sentence, and that his wife and family were staying in the convent at Hongkong. Bohm was imprisoned on account of transactions affecting Capt. Panlow of the bark Mercury.

Lieut. McDonald, of the Hawaiian training ship Kaimiloa that was, had been very sick in Hongkong, but Capt. Duncan has heard of his safe arrival in San Francisco.

The Captain of the bark Lady Harewood reported at Hongkong that when about ten miles off shore, the night that vessel left Honolulu, a Japanese sailor jumped overboard with a ladder and was seen no more. This incident left the vessel with only two men before the mast, and the probability is that the Japanese never reached dry land.

Value of Advertising.

Yesterday a young man inserted an advertisement in this paper, and in less than three hours after the distribution of the edition, the gentleman, in response to the notice, obtained a situation and is now probably on his way to engage in the service sought by him.

Again, last week, Mr. P. C. Jones advertised in this paper trust money to loan, and in less than twenty-four hours had it all invested, and could probably have let out a much larger amount.

It pays to advertise—at least it does in the PACIFIC COMMERCIAL ADVERTISER.

ROYAL

BAKING POWDER

Absolutely Pure.

For quick raising, the Royal Baking Powder is superior to all other leavening agents. It is absolutely pure and wholesome and of the highest leavening power. It is always uniform in strength and quality and never fails to make light, sweet, most palatable and nutritive food. Bread, biscuits, muffins, cake, etc., raised with Royal Baking Powder may be eaten hot without distressing results to the most delicate digestive organs. It will keep in any climate without deterioration.

Prof. H. A. Mott, U. S. Government Chemist, after examining officially the principal baking powders of the country, reported:

"The Royal Baking Powder is absolutely pure, for I have so found it in many tests made both for that company and the United States Government.

"Because of the facilities that company have for obtaining perfectly pure cream of tartar, and for other reasons dependent upon the proper proportions of the same, and the method of its preparation, the Royal Baking Powder is undoubtedly the purest and most reliable baking powder offered to the public.

Germicide Paint

THE MARINE GERMICIDE PAINT IS AN ANTI-FOULINE compound for IRON, COPPER, or WOOD, an absolute protection against Barnacles, Coral, Sea Grass, Teredos, and all Marine Parasites, and an unfailing preventive of rust on iron or steel.

The success of the Germicide Paint, in San Francisco, New York and the West Indies, has been phenomenal. The U. S. Navy Yard at Mare Island is using Germicide exclusively, after testing it against the best paint. Of 450 tests in 1886, they find that Germicide came out nineteen to one better. It is stated that the Naval authorities at Washington are about adopting it altogether for the U. S. Navy. We have numerous testimonials to prove its efficiency.
