## Insurance.

**WHY THE**

# Equitable Life

**Assurance Society**

of the United States is the Best company with which to Assure.

**I.—Because of its Safety.**

Its surplus is larger than that of any other assurance company.

**II.—Because of its Promptness.**

Of 1,043 death claims paid in 1885, nearly one-half were paid the *very day* proofs were received; while of the remainder, the majority were paid within the following three days. No other company can show such a record.

**III.—Because of its Liberality and Reforms.**

All policies are INCONTESTABLE after three years. All incontestable policies are payable immediately upon receipt of proofs of death. The Society's policy contract is clear and simple, and liberal in its conditions. Its Non-forfeiting Tontine (or Semi-Tontine) policy affords all the ultimate benefits of the full Tontine, and has during its earlier years the surrender value and other material advantages of ordinary life policies.

**IV.—Profit.**

No other company is paying on its policies, as large profits as are shown under the Equitable's matured Tontine policies with fifteen-year periods. Persons desiring assurance may obtain estimates of the probable results of similar policies, and of policies with twenty-year terms, which are expected to show even larger profits.

**V.—Prospective Advantages.**

The unexampled progress of the Equitable in the past is the best guarantee of the increasing future value of assurance with the Equitable.

### BEEF TREATMENT.

The beef which Honolulu people are compelled to subsist on is none too good at the best. The climate and fodder probably both help to make the best the market affords inferior to the best of cooler climates and better fodder. That which comes from the other islands by steamers is naturally somewhat deteriorated by handling and the sea voyage. These are causes which tend more or less to lower the quality of our general beef supply, to a grade below that of "first class," but are, nevertheless, obstacles in the way of what is desirable that may be borne with patience and an occasional harmless growl. But animals are sometimes maltreated just previous to being killed and prepared for market, to the injury of the beef which people buy and eat. This is a wrong to consumers, as well as an act of brutal cruelty to animals, not to be endured with equanimity. As an instance, reference is here made to an occurrence that took place last Sunday in a slaughter yard at Iwilei, to seaward of the jail. An animal which was about to be butchered for market, was worried with dogs and pelted with stones by the men in charge in a shameful manner, annoying and punishing the poor brute until it bellowed with rage and pain. What kind of beef was that, killed in such an irritated and bruised condition? Any body who knows anything of beef nature, knows that it must have been a poor article of diet.

### CARRYING CONCEALED WEAPONS.

The *Gazette* does not know "how many Chinese ride about in hacks carrying revolvers in their breeches' pockets, and are ready to fire at whoever does not get out of the way quickly enough." Neither do we. But we do know that the custom of carrying concealed firearms is practised somewhat extensively by Chinamen, particularly by those living a little way out of town. We can testify that it is the regular habit of some individuals of this nationality, when they visit the city at night time, to carry loaded revolvers in their pockets. Some fishermen who bring fish to Honolulu, from down the coast, at an early hour in the morning, are armed with the same description of weapon. Besides there are others living in the town, who seldom move from their residences or places of business, of an evening, without being armed. Certain members of the local Chinese Secret Societies have always concealed weapons about them. The fore-going are facts known to the writer. They are facts which cause much annoyance to respectable Chinamen. These are the people who are specially terrorized by the carrying of concealed weapons by their less respectable countrymen, and they above all others desire a rigid enforcement of the law. But, judging from the past, the police have but little encouragement to energetic action in that direction. They dare not take any chances whatever, and without doing so they can scarcely take any action at all in matters of this nature, because they are bound not to be supported if they make the slightest mistake

### A (POSTAL) REUNION.

A member of the G. A. R. residing in Honolulu received by the late mail a letter from an old comrade in arms who is now located in Oregon. The recipient informs us that since the muster out of his company in 1864 he has not heard before a word regarding the whereabouts of this comrade who for over three years was by his side, in the same company, during all the stirring events of camp-life.

It can be easily understood, how gratifying it must be to the surviving veterans of the late Civil War in the United States to receive news one from the other. It is one of the results of the organization of the Grand Army of the Republic, that those who fought together for so many years, and then disbanded and sought every quarter of the globe in the peaceful pursuits of life, should be re-united not only in person but in spirit.

### RACES AGAIN.

Last week, we denounced in plain language, the swindles that take place at Kapiolani Park on the occasion of so-called trotting matches. Saturday last, was witnessed another exhibition which we denounce in equally strong terms. When minors are allowed to enter and run ponies for $100 a side, what may the public expect to see next?

# THE LEGISLATURE.

112th DAY—CONTINUED.

AFTERNOON SESSION.

House resumed at 1:15. Continued third reading of the Appropriation Bill.

Rep. Kaulukou moved to add traveling expenses, $200, to salary of Circuit Judge, Hilo and Kau. Carried.

The same member moved, also, to add $200 for Circuit Judge, Kohala, Kona, etc. Carried.

Rep. Palohau moved to insert $100 for traveling expenses, Circuit Judge, Kauai. Carried.

Rep. Kaulukou moved to insert $7,000 instead of $6,000 for Police Justice, Honolulu.

Rep. Hayselden said he was sorry the hon. member for Hilo had made the motion he did; he (the speaker) had intended to move for $8,000.

Rep. Paehaole moved the item pass as in the bill.

Noble Dominis supported the last motion.

The item passed as in the bill.

Rep. Hayselden moved to add traveling expenses, Police Justice, Honolulu, $200. Lost.

Rep. Nahinu moved the item, District Judge, S. Kona, be $1,000 instead of $800. Carried.

Rep. Kaunamano moved the item, District Judge, S. Kohala, be $1,200 instead of $1,000. Carried.

Rep. Kalua moved the item, District Judge, Honuaula, be $1,000 instead of $800. Carried.

Rep. Pahia moved the item, District Judge, Hana, be $2,000 instead of $1,200.

Rep. Kaulia moved the item pass at $1,800. Carried.

Rep. Keau moved the item, District Judge, Lanai, be $800 instead of $600.

Rep. Kaulia supported the motion. The judge was a poor man, but a most exemplary officer, and probably the only intelligent native Hawaiian on the Island.

Rep. Dickey moved the item pass as in the bill. The judge had really nothing to do.

Noble Dominis supported the larger sum.

Passed at $800.

Rep. Kalua moved the item, District Judge, Molokai, pass at $1,800.

The same member moved the item, traveling expenses District Judge of Molokai $50, be struck out. Carried.

Rep. Amara moved the item, salary District Judge, Waialua, be $1,000 instead of $800. Carried.

Rep. Brown moved the item, salary District Judge, Koolauloa, be $1,000 instead of $800. Carried.

Rep. Palohau moved the item, salary of Police Justice, Lihue, be $1,800 instead of $1,200.

Rep Castle moved the item pass as in the bill.

Passed at $1,800.

Rep. Brown moved the item, pay of Messengers, Judiciary Department, be $2,000 instead of $2,400.

Rep. Kaulukou moved the item pass as in the bill. Carried.

The other items passed as in the bill.

*Department of Foreign Affairs.*

Rep. Palohau moved the item, salary of Secretary, pass at $6,000. Carried.

Noble Dominis moved to re-consider the vote of $2,400 for salary of Librarian and Curator. Carried.

The same member moved to amend the item by inserting $3,600.

Rep. Hayselden moved to pass this item at $3,000. Carried.

Minister Creighton moved to add to this item, a new item, Messenger and Janitor, $600. Carried.

Rep. Keau moved the item, salary of Messenger, be $1,200 instead of $1,000. Carried.

Rep. Dickey moved to amend the item, Secretary and Expenses of Legation at Washington, $5,000 by striking out the words "Secretary and."

Minister Creighton moved to amend the item to read Clerical Aid and Expenses of Legation at Washington, $6,000. Carried.

Rep. Dickey moved the item, expenses of Foreign Missions, $30,000, be changed to $20,000.

Rep. Kaulukou moved the item pass at $50,000.

Noble Cleghorn moved the item pass as in the bill.

Minister Creighton thought the sum proposed by the member for Hilo rather large. The sum of $30,000 would probably cover the ground. He moved the item pass at $35,000. Passed at $35,000.

Rep. Dickey moved to strike out the item, reception of official guests $6,000. Lost.

Rep. Kaulukou moved the item, Education of Hawaiian Youths abroad, $25,0000, be $35,000.

Rep. Brown was in favor of an appropriation for the purpose named, but thought $25,000 sufficient. Some system ought to be adopted of competitive examinations, to get the best material possible, instead of picking them out at hap hazard, as heretofore.

Rep. Dole moved an amendment providing that the youths to be educated abroad be selected by the Board of Education, after competitive examination.

Minister Creighton said the proposed item of $25,000 is to provide only for those now abroad.

Rep. Dickey informed the house there are now ten Hawaiian Youths abroad, and read a memorandum of the probable amounts required for each, during the next period, making a total of $19,500.

Minister Creighton said there are liabilities from last period of $3,000.

Rep. Castle said this brings up the question again if the Ministers intend to apply the appropriations for next biennial period to the payment of liabilities of last period.

Noble Dominis would support any vote up to 100,000 for educating Hawaiian youths abroad, provided boys are selected, who prove themselves in the schools at home to be possessed of intelligence and brains, and not picked up anywhere about the streets. He did not approve of a man worth $200,000, allowing the Government to educate his children abroad.

Rep. Kaulukou moved the item pass at $30,000.

Rep. Brown moved to amend this motion, by adding that the youths so educated in future be selected by the Board of Education after competitive examination.

The amendment was put and lost.

The item passed at $30,000.

Rep. Dickey moved the item, King's Guard be $50,000 instead of $78,000.

Rep. Brown moved the postponement of this item, pending the report of the Committee on Military.

Rep. Kaulukou moved the item pass at $90,000.

The motion to postpone was put and carried.

Rep. Brown moved the item Aid to Volunteer Military Companies $26,254.34 pass at $6,254.34, to pay outstanding debts, and no more.

Rep. Kaulukou moved the item be $46,254.34.

Rep. Castle moved the item pass as in the bill. Carried.

Rep. Kaulukou moved to insert, Royal Yacht for His Majesty's service, $100,000.

Rep. Dole said if the member for Hilo conducted the business of a private estate as he is attempting to direct the affairs of Government, he would be placed in the Lunatic Asylum. The purchase of a royal yacht was a matter pertaining to His Majesty's private affairs, and with which the nation has nothing to do.

Minister Gibson said it might be proper for the Government to possess a vessel, to act in the capacity of a revenue cutter, and which might also be at the disposal of His Majesty when required. He moved the further consideration of the proposal be postponed.

Rep. Kaulukou withdrew his motion.

*Interior Department.*

Rep. Dickey moved the item, salary of Minister pass at $10,000, according to the revised estimates.

Rep. Kaulukou moved it pass as in the bill, $12,000.

Passed as in the bill.

Rep. Hayselden moved the item, salary of Third Clerk, pass at $4,000 instead of $3,000. This clerk is bookkeeper of the department. Carried.

Rep. Kalua moved the item, salary of Governor of Oahu, pass at $4,000, instead of $3,000.

Rep. Dickey moved it pass as in the bill.

Passed at $4,000.

Rep. Kaunamano moved the item, Governor of Hawaii, pass at $4,000 instead of $3,000. Carried.

Rep. Kauai moved the item, Governor of Kauai, pass at $4,000 instead of $3,000. Carried.

Rep. Kalua moved the item, Clerk to Governor of Maui, pass at $2,400 instead of $1,800. Lost.

The same member moved the item pass at $2,000. Carried.

Rep. Kaulukou moved the item, Clerk to Governor of Hawaii, be $2,000 instead of $1,800. Carried.

Rep. Kauai moved the item, Clerk to Governor of Kauai, be $1,800 instead of $1,600. Lost.

Passed as in the bill.

Rep. Brown moved the item, Salaries of keepers of Mausoleums, $4,320, be struck out.

Rep. Dickey moved the item pass at $720.

Rep. Thurston moved the ayes and noes be taken.

Rep. Dole wanted to see a record of names of members who support this disgraceful item. The whole business is a fraud and an outrage.

Minister Gibson said he would vote for the item, and abide by the consequences.

Rep. Kaunamano spoke in support of the item.

Rep. Hayselden would support the item, if for no other reason, that the member for Molokai was against it. Any item in which that member's friends were interested was always sure of his support.

The ayes and noes were taken, when the item passed on the following division:—

For—Gibson, Kanoa, Dare, Kaae, Kapena, Hayselden, Lilikalani, Baker, Amara, Kaulia, Kaulukou, Pahia, Kaunamano, Nahale, Aholo, Nahinu, Kaukau, Kauai—18.

Against—Bush, Kauhi, Brown, Wight, Kalua, Castle, Dickey, Paehaole, Thurston, Dole, Palohau—11.

Rep. Brown moved the item, Relief of Crown Commissioners, $9,613.50, be struck out.

Rep Thurston moved the ayes and noes be taken. Carried.

For the motion to strike out—Dare, Brown, Wight, Castle, Dickey, Thurston, Palohau—7.

Against—Gibson, Creighton, Kanoa, Bush, Kaae, Kapena, Hayselden, Lilikalani, Baker, Amara, Kaulia, Kaulukou, Pahia, Kaunamano, Nahinu, Kalua, Aholo, Kaukau, Kauai—19.

Rep. Kaulukou moved to insert, Payment of Sundry Bills for Coronation and Repairs, etc., to Palace, $22,867.72. Carried.

House adjourned at 4:30 to 9:30 Tuesday morning.

ONE HUNDRED AND THIRTEENTH DAY.

TUESDAY, September 28th.

House met at 9:30. Prayer by the Chaplain. Present: Ministers Gibson, Creighton and Dare; Nobles Cleghorn, Bush, Walker (President), Parker; Reps. Hayselden, Keau, Lilikalani, Baker, Kauhi, Amara, Brown, Kaulia, Kaulukou, Pahia, Kaunamano, Wight, Nahale, Nahinu, Kalua, Aholo, Kaukau, Richardson, Dickey, Kaai, Paehaole, Kauai and Palohau. Minutes read and confirmed.

Minister Gibson reported certain bills printed.

Rep. Lilikalani presented the reports of the committee on commerce on the bill introduced by the member for Honolulu, Rep. Keau, to amend section 198 of the Civil Code, relative to the sale of stalls in the fish market. Part of the committee recommend that the Minister of Interior be forbidden to sell stalls at auction or to let stalls at $2.00 per week. The rest of the committee recommend that the law remain as it is. Both reports were laid on the table to be considered with the bill.

Minister Gibson rose to answer the question asked yesterday by the honorable member for Molokai relative to the cost of immigrants. The greater part of the information sought was printed in last report of the Bureau of Immigration. The Minister read from the printed report, several statistics of the cost of immigration, during last biennial period. The Government pays for women and children, and gets nothing from the planters for this class of immigrants. The Stirlingshire had cost $42,000, of which the planters had paid $16,000.

The Amana had brought 506 people. The cost will be about $41,000, of which the planters will pay about $15,000. The last mail from Japan had brought information from His Majesty's Minister at Tokio, that it was the desire of the Japanese Government that emigration from that country to the Hawaiian Islands be free. The Minister had applications from a number of agricultural laborers, who wished to emigrate to these Islands. They were willing to pay their own passages, come without contracts, provided the Hawaiian Government will rebate the passenger tax, relieve them of the payment of taxes for three years, and allow each passenger to bring 200 pounds of rice, free of duty.

Rep. Hayselden presented a report of special committee on the bill to amend section 62 of the Civil Code, relating to licenses, submitting a new bill. The report was adopted, and the bill read and passed to engrossment, to be read a third time on Thursday.

Rep. Brown moved the bill pass.

Bill passed to engrossment, to be read a third time on Thursday.

Rep. Richardson reported several bills engrossed.

Rep. Aholo moved that a bill relating to internal taxes, be taken from the table and placed on the special order of the day, after the bills on third reading. Carried.

The same member moved re-consideration of the vote of yesterday relative to the salaries of governors.

Rep. Dole asked the member's reasons, if they were in the direction of economy.

Rep. Aholo would give his reasons after the vote for re-consideration passed.

Rep. Dole wanted to know then, to be able to decide whether to vote for or against the motion.

Rep. Aholo said one of his reasons was in the line of economy.

Rep. Dickey asked if the intention was to reduce the Governors' salaries below $2,000, so that one Governor could draw two salaries.

The motion to reconsider was put and carried.

Rep. Aholo said he would introduce his amendments when the Appropriation Bill is next before the house.

The same member moved reconsideration of the vote on the salary of the Police Justice of Honolulu. Carried.

The same member further moved reconsideration of the item for volunteer military companies.

Rep. Dickey asked if that motion was in the interest of economy.

The motion passed.

Rep. Thurston moved the bill relating to the relief of residents of Makiki be taken from the table and placed next on the order of the day after the bill relating to internal taxes. Carried.

ORDER OF THE DAY.

Third reading of the act to amend an act approved the 30th day of April, 1886, "to authorize the Collector-General of Customs to permit the withdrawal of alcohol in certain cases."

Rep. Hayselden moved the bill pass.

Rep. Dickey moved to amend by inserting $2 instead of $3.

The bill passed.

Third reading of the act to relieve certain articles of import duties. Passed.

Third reading of the act to consolidate the laws relating to commissioners of private ways and water rights. Passed.

Third reading of the bill providing for a Hawaiian Board of Health.

Rep. Kaai moved the bill pass.

Rep. Dole moved the indefinite postponement of the bill.

The same member moved the ayes and noes be taken.

For indefinite postponement: Dare, Bishop, Brown, Pahia, Wight, Kalua, Richardson, Dickey, Thurston, Paehaole, Dole—11.

Against: Gibson, Kanoa, Bush, Hayselden, Keau, Lilikalani, Baker, Kauhi, Amara, Kaulia, Kaulukou, Kaunamano, Nahale, Nahinu, Aholo, Kaukau, Kaai, Kauai, Palohau—20.

The bill passed.

Third reading of the bill relating to the observance of Sunday.

Rep. Brown moved the bill be referred back to the revision committee to correct errors in the engrossment. Carried.

The same member stated that there is a vacancy on the revision committee, by Mr. Castle's absence.

The President appointed Mr. Hayselden to fill the vacancy.

House took recess to 1 o'clock P. M.

### DEATH OF HON. R. P. SPALDING.

By the steamer Wilmington news was received of the death of Hon. R. P. Spalding, the father of Col. Z. S. Spalding of Kealia, Kauai, which sad event took place at Cleveland, Ohio, on the 29th of August. The deceased, who had attained the ripe age of 89 years, twice visited these islands, and will be remembered by numerous friends.—[P. C. Advertiser.

### DEATH OF MONS. P. A. DE LA NUX.

After a long and painful illness, Mons. De La Nux, civil engineer and surveyor, passed away on Saturday last, Sept. 25th, at Kilauea, Kauai. Mons. De La Nux resided with his son, an overseer on the Kilauea plantation. He bore his sufferings with patience and fortitude, and submitted like a child to the directions of his medical adviser, Dr. Dugald Campbell. He leaves behind him, on the island of Kauai, monuments of his skill and ability. The great ditch, known as the Anahola ditch, 25 miles long, and the flume for the Kilauea Sugar Co.'s estate, are prominent and lasting evidences of Mons. De La Nux's energy. He was overflowing with knowledge on the various branches of plantation work; and when free from pain, he was an instructive and entertaining conversationalist. His son, August, bore up manfully with his father's irritable manner, and with true filial affection he stood by him to the last. The deceased was the recipient of frequent favors at the hands of Mr. R. A. Macfie, Jr., and other gentleman on Kilauea plantation.

The age of the deceased is unknown to the writer, but he was not less than 60 years old.

It is said that when the steamer Waialeale is sighted, on her return from Ocean Island, Lucas will blow six whistles, and that Col. Boyd will be given a reception by the members of Engine Co. No. 4.

The outfit which the Colonel takes with him weighs a ton and a half, and consists of hard tack. pemmican and other food, guns, rifles, revolvers and ammunition, scientific instruments, a hand-organ, baubles for the natives, etc. He also takes two sledges sixteen feet long and four feet wide. ## A Woman's Sufferings and Gratitude.

**A Voice from Austria.**

Near the village of Zillingdorf, in Lower Austria, lives Maria Haas, an intelligent and industrious woman, whose story of physical suffering and final relief, as related by herself, is of interest to English women. "I was employed," she says, "in the work of a large farmhouse. Over-work brought on sick headache, followed by a deathly fainting and sickness of the stomach, until I wa unable to retain either food or drink. I was compelled to take to my bed for several weeks. Getting a little better from rest and quiet, I sought t do some work, but was soon taken with a pain in my side, which in a little while seemed to spread over my whole body, and throbbed in my every limb. This was followed by a cough and shortness of breath, until finally I could not sew, and I took to my bed for the second, and, as I thought, for the last time. My friends told me that my time had nearly come, and that I could not live longer than when the trees put on their green once more. Then I happened to get one of the Seigel pamphlets. I read it, and my dear mother bought me a bottle of Seigel's Syrup, which I took exactly according to directions, and I had not taken the whole of it before I felt a great change for the better. My last illness began June , 1882, and continued to August 9th, when I began to take the Syrup. Very soon I could do a little light work. The cough left me, and I was no more troubled in breathing. Now I am perfectly cured. And oh, how happy I am! I cannot express gratitude enough for Seigel's Syrup. Now I must tell you that the doctors in our district distributed handbills cautioning people against the medicine, telling them it would do them no good, and many were thereby influenced to destroy the Seigel pamphlets; but now, wherever one is to be found, it is kept like a relic. The few preserved are borrowed to read, and I have lent mine for six miles around our district. People have come eighteen miles to get me to buy the medicine for them, knowing that it cured me, and to be sure to get the right kind. I know a woman who was looking like death, and who told them there was no help for her, that she had consulted several doctors, but none could help her. I told her of Seigel's Syrup, and wrote the name down for her that she might make no mistake. She took my advice and the Syrup, and now she is in perfect health, and the people around us are amazed. The medicine has made such progress in our neighborhood that people say they don't want the doctor any more, but they take the Syrup. Sufferers from gout who were confined to their bed and could hardly move a finger, have been cured by it. There is a girl in our district who caught a cold by going through some water, and was in bed five years with costiveness and rheumatic pains, and had to have an attendant to watch by her. There was not a doctor in the surrounding districts to whom her mother had not applied to relieve her child, but every one crossed themselves and said they could not help her. Whenever the little bell rang which is rung in our place when somebody is dead, we thought surely it was for her, but Seigel's Syrup and Pills saved her life, and now she is as healthy as anybody, goes to church, and can work even in the fields. Everybody was astonished when they saw her out, knowing how many years she had been in bed. To-day she adds her gratitude to mine for God's mercies and Seigel's Syrup. Maria Haas."

The people of England speak confirming the above.

**After Many Years.**

"Whittle-le-Woods, near Chorley,
"December 26, 1883.

"Dear Sir,—Mother Seigel's medicine sells exceeding well with us, all that try it speak highly in its favor. We had a case of a young lady that had been troubled many years with pains after eating. She tells us that the pains were entirely taken away after a few doses of your medicine.—Yours truly, E. Peel."

**After Several Years.**

"Stoke Ferry, January 9th, 1884.

"Gentlemen,—I have used Siegel's Syrup for several years, and have found it a most efficacious remedy for Liver complaints and general debility, and I always keep some by me, and cannot speak too highly in its praise.—I remain, yours truly, Harriett King."

**The Effects have been Wonderful.**

"Ilford Road Dispensary, Dukinfield,
May 3, 1884.

"Dear Sir,—I am happy to inform you that the sale of your Syrup and Pills increases here continually. Several of my customers speak of having derived more benefit from the use of these than from any other medicine. In some instances the effects have been wonderful.

Yours very respectfully,

TUESDAY, SEPT. 28, 1886.

### HONOKAA NOTES.

Misses Emma and Alice Renton and Miss Wells of Kohala, accompanied by Miss Pauahi Judd of Honolulu, returned to Kohala today on the schooner Moiwahine, after spending several weeks here as the guests of Mr. Jas. Renton.

Mr. and Mrs. J. D. Lightfoot, who are recent arrivals here, have concluded to make Honokaa their home. Mr. Lightfoot has opened a private school, which promises to be a success as he already has quite a large number of pupils.

The Government school was opened by Mrs. Overend as principal, assisted by Mrs. Cook, last Monday, the 13th.

Honokaa will soon boast of a sausage factory, to be opened in the building lately occupied by the Village Blacksmith.

It is raining and the cane is looking fine.

A party was given at the residence of Mr. Jas. Renton, manager of the Hamakua mill, last Saturday evening. The house and grounds were beautifully illuminated with lanterns and torches. Dancing was in the large and spacious dining room, music by two accomplished darkey musicians. Very good. The supper was fine, and everybody felt pleased at having a good time. The following ladies and gentlemen were present: Mr. Jas. Renton, Miss Emma Renton, Miss Alice Renton, Mr. and Mrs. Geo. Renton, Miss Lewis, Miss Pauahi Judd, Miss Annie Horner, Mrs. Blacow, Mr. and Mrs. Wilcox, Mr. and Mrs. Hughs, Miss Wells, Mr. Chas. J. Gunning, Mr. Chas. Notley, Mr. Albert Horner, Mr. Keyworth, Mr. Coterill, Mr. Madden, Mr. Zerby, Mr. and Mrs. Lightfoot, and Mr. Theo. P. Severin.

Honokaa, September 23rd.

### FRESH FRUIT SHIPMENTS.

The New York *Commercial Bulletin* is concerned about the efforts of California fruit-growers to send fresh shipments across country. It fears that the railroads will be ruined in attempting to transport such freight at rates low enough to leave any profit to growers, and thinks that the latter should devote themselves to canning. Our orchardists have reason to be fairly satisfied with the result of this season so far. The two associations which have undertaken the business of handling our Eastern shipments have made a very good beginning, and their action has had a favorable influence on prices, not only on fruit forwarded by them, but also upon individual shipments. Perhaps another year may show a still further improvement in our transportation and manufacturing methods. Undoubtedly the business of canning, drying, crystallizing and otherwise preparing fruit will greatly increase with the development of our orchards. Meantime, so long as fresh California fruit meets with sale in Eastern cities at remunerative rates, it will go there. The railroads are not likely to ruin themselves by carrying fruit at losing prices. They generally succeed in taking care of themselves, and the *Commercial Bulletin* need waste no solicitude on them.[—S. F. Bulletin.

Nollekins, the sculptor, was a paragon of parsimony. In his own house candles were never lighted at the commencement of the evening, and whenever he and his wife heard a knock at the door they would wait until they heard a second rap before they lit the candles, lest the first should have been a "runaway" and their candles should be wasted.

When the Princess Charlotte of Mecklenburg-Strelitz came over to be married to George III, she was ten days at sea, but kept gay the whole voyage, sang to her harpsichord, and left the cabin door open. When she first caught sight of St. James' palace she turned pale. The Duchess of Hamilton smiled. "My dear Duchess," said the Princess, "you may laugh. You have been married twice, but it is no joke to me."

They tell this story in Boston of Gilbert Stuart, the great painter. He was once met by a lady on the streets of that city, who said to him that she had just seen his likeness and had kissed it, because it was so much like him. "And did it kiss you in return?" he asked. "Why no," was the somewhat startled answer. "Then it was not like me," was Mr. Stuart's answer, but the lady didn't venture to try again.

**Great Excitement in Wales about a Marvellous Cure.**

**Living Six Years Without Going to Bed.**

MR. EDITOR:—While spending a few days at the pleasant seaside town of Aberystwith, Cardiganshire, Wales, I heard related what seemed to me either a fabulous story or a marvellous cure.

The story was that a poor sufferer who had not been able to lie down in bed for six long years, given up to die by all the Doctors, had been speedily cured by some Patent Medicine. It was related with the more implicit confidence from the circumstance, as was said, that the Vicar of Llanrystyd was familiar with the facts, and could vouch for the truth of the report.

Having a little curiosity to know how such stories grow in travelling, I took the liberty while at the village of Llanrystyd to call upon the Vicar, the Rev. T. Evans, and to enquire about this wonderful cure. Though a total stranger to him, both he and his wife most graciously entertained me in a half hour's conversation, principally touching the case of Mr. Pugh, in which they seemed to take a deep and sympathetic interest, having been familiar with his sufferings, and now rejoiced in what seemed to them a most remarkable cure.

The Vicar remarked that he presumed his name had been connected with the report from his having mentioned the case to Mr. John Thomas, a chemist of Llanon. He said Mr. Pugh was formerly a resident of their parish, but was now living in the parish of Llanddeinol.

He strongly vouched Mr. Wm. Pugh's character as a respectable farmer and worthy of credit. I left the venerable Vicar with a livelier sense of the happy relation of a pastor and people, feeling that he was one who truly sympathised with all who are afflicted in mind, body, or estate.

On my return to Aberystwith, I was impressed with a desire to see Mr. Pugh, whose reputation stood so high. His farm is called Pancom-Mawr, signifying "above the dingle," situated near the summit of a smooth round hill, overlooking a beautiful valley in which is situated the lovely ivymantled Church of Llanddeinol. I found Mr. Pugh, apparently about 40 years old, of medium height, rather slight, with a pleasant and intelligent face. I told him I had heard of his great affliction and of his remarkable and almost miraculous relief, and that I had come to learn from his own lips, what there was of truth in the reports.

Mr. Pugh remarked that his neighbors had taken a kindly and sympathetic interest in his case for many years, but of late their interest had been greatly awakened by a happy change in his condition. What you report as having heard abroad, said he, is substantially true, with one exception. I never understood that my case was ever given up as hopeless by any Physician. I have been treated by several Doctors hereabouts, as good as any in Wales, but unfortunately no prescription of theirs ever brought the desired relief.

Fifteen years ago, he said, I first became conscious of a sour and deranged stomach and loss of appetite, which the Doctors told me was Dyspepsia. What food I could hold in my stomach seemed to do me no good and was often thrown up with painful retchings. This was followed after a time with a hoarseness and a raw soreness of the throat which the Doctors called bronchitis, and I was treated for that, but with little success. Then came shortness of breath and a sense of suffocation, especially nights, with clammy sweat, and I would have to get out of bed and sometimes open a door or window in winter weather to fill my lungs with the cold air.

About six years ago I became so bad that I could not sleep in bed, but had to take my unquiet rest and dreamy sleep sitting in an armchair. My affliction seemed to be working downward into my bowels as well as upwards into my lungs and throat. In the violent coughing spasms which grew more frequent, my abdomen would expand and collapse and at times it would seem that I should suffocate. All this time I was reduced in strength so that I could perform no hard labor and my spirits were consequently much depressed.

Early in this last spring I had a still more severe spasmodic attack, and my family and neighbors became alarmed, believing that certainly I would not survive, when a neighbor, who had some knowledge, or had heard of the medicine, sent to Aberystwith by the driver of the Omnibus Post, some seven miles distant, and fetched a bottle of Mother Seigel's Curative Syrup.

This medicine they administered to me according to the directions, when to their surprise and delight no less than my own, the spasm ceased. I became at ease, and my stomach was calmed. My bowels were moved as by a gentle cathartic, and I felt a sense of quiet comfort all through such as I had not before realized in many years. I could walk around the house and breathe comfortably in a few hours after I had taken the medicine. I have continued to take the medicine daily now for something over two months, and I can lie down and sleep sweetly at nights and have not since had a recurrence of those terrible spasms and sweatings. I have been so long broken down and reduced in my whole system that I have not tried to perform any very hard outdoor labor, deeming it best to be prudent lest by over-exertion I may do myself injury before my strength is fully restored. I feel that my stomach and bowels have been and are being thoroughly renovated and renewed by the medicine. In fact I feel like a new man.

I have been much congratulated by my neighbors, especially by the good Vicar of Llanrystyd, who with his sympathetic wife have come three miles to shed tears of joy on my recovery.

I bade Mr. Pugh good-bye, happy that even one at least among thousands had found a remedy for an aggravating disease.

Believing this remarkable case of Dyspeptic Asthma should be known to the public, I beg to submit the above facts as they are related to me
