

CLUB 100

PUKA-PUKA

# PARADE

JUNE 1989

\*\*\*\*\*  
PUKA PUKA PARADE - JUNE 1989  
\*\*\*\*\*

President's Remarks:

It was gratifying to see so many members who shared their time and talent to make "Clean Up" Day a success. We even had members wives out there pitching in. Thank You, chairman Chicken Miyashiro and all those who came to help. The lunch, refreshments and fellowship was great. Reminds me of our shooting the bull when we were in the Army.

Martin Tohara & I attended the annual dinner at Hale Koa sponsored by "Go For Broke" reserve unit. They gave us a warm welcome with lots of respect. This is the unit that furnishes us the color guards at our annual memorial service at Punchbowl Cemetery. Martin Tohara won the Panasonic Rice Cooker as door prize.

I also had the honor to present Major Jack Johnson Memorial Award to Cadet Moniz on "Governor's Day" Award Ceremony at the University of Hawaii ROTC.

Every morning when I awake, I thank God that I am still alive and able to move my body. I always feel fortunate to come home from the war front and proud that I was a member of 100th INF Bn. We are a great organization and hope each member will keep it that way. Let us all respect, care and help each other. Life is getting shorter so try your best to do good especially for the good of Club 100. You will never regret this.

For the few who may not know or misunderstand what the president of the club does -- First, he does not make any rules or regulations of the Club 100. He leads, presides the board meetings and attends many functions thru invitations throughout the year to represent our club, spread good will and does public relations. He sacrifices many hours away from home without any compensation. The Board of Directors make the decisions and the rules & laws are promulgated by majority votes. Bring it up at your chapter meeting and if your chapter members votes for it, then your chapter president will bring it up with the Board of Directors for voting. If the majority of the Board votes in favor, the rule changes. This is the Democratic way. Supposing the members don't give a damn, and the Board do not function, the members will suffer, and the Club just folds up. Can you imagine, no office workers, no need to have keys, no security, no control, no privacy, anyone can come in and use our Club like a public park? All the dream we have of owning a PRIVATE club while we were in the military will be gone. I do care very much for the Club 100.

----- Ray Nosaka

Editorial:

Whoever take over the Editor of Puka Puka will expect to receive good or bad comments, criticisms and I would like to receive those in words and signed. That will be the guideline as to make the Parade newsy and enjoyable.

There are members who don't realize as to what the Parade staff go thru every month - the reporters, office staff and volunteers with the spirit of our motto, "For Continuing Service" - who gives whole heartily to get the Parade out in time. All the work is done at the clubhouse.

Why don't you find out for yourself by being part of the team and get the satisfaction that you had something to do by being a volunteer. It's open to all chapter members who are willing to help by leaving your name at the clubhouse and we'll call you whenever the issue is ready to put together. Kunio Fujimoto (A), Tsuneo Morikawa (A), Richard Miyashiro (A), Richard Arakaki (A) and Isamu Inouye (A) has already signed up as volunteers - we need more.

Would like to thank Mr. Arnold Hiura, the editor of Hawaii Herald for giving us a written permission to reprint the article on Hiroshi Miyamura in this issue - also to thank Ben Tamashiro. Arnold has really supported the Club 100 in the past by publicizing our activities - such as our Anniversary parties and Memorial Service plus timely articles and interviews as some of our members have done as a 100th. More importantly, help educate the public of the accomplishment of the 100th Infantry Battalion and it's effort for the future generations. Why don't you call and subscribe to Hawaii Herald and get all the publication about Asiatic people here and abroad - past, present and future. If not, you really are missing something.

Some of our members, wives or widows have shown their appreciation of receiving our Puka Puka Parade regularly by sending a thank you letter or note including monetary donation toward the Parade fund. A big "Thank You" to Mrs. Margaret Sakae (Hanapepe, Kauai), Colonel Kim (Cal) and Shiro Yamaguchi (Seattle, WA). ----- Blue Nagasaki

Able Chapter: Blue Nagasaki

At the Club 100 Mini Reunion Banquet at California Hotel in Vegas - sitting next to me was a couple Masaru & Mitsuko Fujimori. He was formally in E Co. - a local boy but finally ended in A Co. After serving and stationed all over the world and on states, he finally ended his 29½ years of military career - presently enjoying his retirement in Olympia, Washington which is his last post with his wife and two children. While stationed in Southern Japan, that's where he met his wife, and was called to wear combat boots in Korea, but came back okay even though he was wounded. Got to talk stories again with his former E and A buddies. Joined the club recently and will see more of him often since he will attend our club activities in the future.

It seems most every big event of Club 100 here and abroad - once again Larry and Jean Miyasato was there in Las Vegas and saying Aloha to all the A Company boys. Former Judge of his state of Montana, has retired from his law practices, went back to his home shoveling snow again.

Over 20 Able members and wives was there early to do the assigned chapter's jobs in the annual clubhouse Clean Up on May 13, 1989. Bringing along with their cleaning agents and "boro" were "regulars" Tom Nishioka, Tak Takahashi, Richard Arakaki, Isamu Inouye, Richard Miyashiro, Richard Ishimoto, Nick Nakabayashi, Kuni Fujimoto, Ed Kobata, Toku Hayashi, Tom Fujise, Don Matsuda, Bob Sato, Japan Nakahara, Biffa Moriguchi, Goro Sumida, Masaru Kadamoto and Howard Miyake. Taking Yoshio's place was Betsy Saito and Barbara Nishioka as the other wives team.

After looking over the April's meeting attendance list, it's about the same, "regulars" as the Clean-up Roster. First timer Howard Miyake has completely washed his hands from practicing law and other activities - promised and swore from now he will show up every fourth Saturday morning for our monthly meeting and clean up plus other activities.

Ask Mrs. Saito about Yoshio Saito's condition - now at least, he can do some walking. Hoping for faster recovery and would like to see him in all our activities soon.

Got a report that Shigeru Nakata was hospitalized from car accident. Hoping for a speedy recovery.

Charlie Chapter: George Hagiwara

1st Lt. Randy Uyeno, son of Kiyoshi and Gertrude Uyeno, has been spending his home leave with his family. Lt. Uyeno, a USAF ROTC graduate is currently serving his obligation tour, stationed with the AF in the Los Angeles area. An eligible bachelor, he is looking around. No stranger to the Club 100th, he is looking forward to visiting the Club in Los Angeles.

Clubhouse Clean Up - On our annual Clubhouse Clean Up, May 13th, 10 staunch able bodied members showed up with Chicken Miyashiro leading the way and supervising the clean up and renovations of the lounge area.

Dog Chapter: Helen Nikaido

Congratulations to Gary Yoshida, son of Jitsuri & Mildred Yoshida, on his appointment as Executive Director of the Japanese Cultural Center. The United Okinawa Association presented "1988-89 Uchinanchu of the Year" honors recently. One of the recipient was Karleen Chinen, daughter of Wallace Chinen. Congratulations Karleen!

Our deepest sympathy to Itsuto Okamoto and family whose mother, Satsuyo passed away on April 16 at the age of 91.

Headquarters Chapter: Kenichi Suehiro

I attended our first Saturday morning meeting and made notes for our next Puka Puka Parade. Must be old age because I simply could not find my notes until April 24th. Better late than never - so here goes.

No improvement in attendees. The regulars forget to come but we had several new faces. Judge Saruwatari confessed he and Vivian were busy spoiling their grandchild - and having fun too! Aki said his Ms went to Las Vegas with co workers from Liberty House. A 9-day trip. Hideo Ueno and the Ms also visited Las Vegas. Gary Uchida reports his son, son-in-law and grandson will be heading for the cold country to fish for salmon. Ketchikan to be exact.

Carl Shinoda gave up controlling our poker game and quit coming to the clubhouse. Sez he is not allowed to drive. We sure miss him.

Archie Kamisato is doing ok. Ms K reports that at this rate the doctor will be able to remove the device he now has attached to his body.

Our sympathy to the family of Tetsuo (Hash) Hayashi. He passed away on April 28 and services were held at the Mililani Mortuary near Wahiawa. The Rural Chapter sure was most effective.

We will eventually give up driving but we should never give up socializing with old time friends. And the best place for this activity is our clubhouse. Have someone drive you down to the clubhouse or catch the bus. And bring your own "bento". If you still enjoy a beer or two, bring a case - we have plenty of ice to cool your beer.

The popular card game at the clubhouse now is rummy. Poker is reserved for Saturday & Sunday - depending on the number of players.

The important thing is to meet and talk to friends. If a person does not use his brains and body, it will go to sleep and your response will deteriorate. There are some members who are going "down hill" which I'm sure is avoidable.

Drop off in the morning and pick up in the afternoon. I'm sure your family members can do this much. At least watch TV at the clubhouse and discuss the program with someone. At home you won't have anyone to talk to.

I go to the clubhouse every day - 7 days a week. Always for lunch. In the morning I drive my daughter and grandchildren to work and school. At 2:15 I pick up the small one and after that I take care of my orchids. At least I can still drive. When I can't, I will not stay home all day - never happen! That's what our clubhouse is for - some days I have a sandwich, saimin (instant) and/or musubi. My daughter makes my lunch and I have Mugi and Aki share my lunch.

The golfers of our club are the only ones I know of who are active as a group - not once a month but more frequently.

We have to get together somehow and figure out what we'd like to do at the clubhouse. If we don't start utilizing our clubhouse now, we'll never be able to if we give it away.

I'm trying to push for a new TV in hopes that members will enjoy watching TV together with friends.

By the way, I have to tell you what happened the 1st weekend in May. My daughter Carol raises beautiful lilies - "Lily of the Nile". She gave me over 24 for our clubhouse - Mugi placed 2 jars of flowers before our "altar" of KIA and it sure looked good. You know the whole bunch were stolen the next day! It's unbelievable when our clubhouse is supposedly open only to members and guests. The thief did the same thing last year about this time of the year. No shame when it was for our deceased friends.

Once again, the picture snacher hit the clubhouse by removing our president's picture. Any member who has done it shouldn't be a member and should turn in his membership. Or any outsider who do it shouldn't enter the clubhouse.

Hawaii Chapter: Jimmy Maeda

The first daytime meeting of Hawaii Chapter under the leadership of Charlie Nishimura, president was held on March 23. The gathering was very successful with 34 men attending. The affair started at 11:00 a.m. at the AJA Veterans Hall with fellowship hour and later followed with a delicious lunch. Members came to the meeting as far as from Pahala (Kau), Volcano, Ookala and Honokaa. Kazuma Taguchi and committee were in charge of food.

The April meeting will be a Ladies Night on April 27 from 6:00 p.m. at the AJA Veterans Hall. The ladies will be the guest of Hawaii Chapter. The club need to spend some money from its treasurer for the ladies. For the evening's activity Motoyoshi Tanaka will teach how to make things with coconut leaves. Motoyoshi is a very talented person. To those who are not aware he is also a good karaoke singer.

AJA Veterans Council. Hawaii Chapter president Charlie Nishimura reluctantly accepted the presidency of the Hilo AJA Veterans Council. He will be serving in dual capacity -- Hawaii Chapter Club 100 president and AJA Veterans Council president. Charlie ask for the cooperation and assistance by the Hawaii Chapter members. Residing in Honokaa and not been able to do much night driving is a disadvantage for him. The AJA Veterans Council meeting will also be held during day light hours. Charlie's first meeting last Friday afternoon he couldn't drive in from Honokaa heavy rainfall and dangerous road condition. How about that for starters?

Long Range Committee: Hilo's AJA Veterans Council thank the Club 100 Long Range Committee for sharing the proposed agreement for the establishment of a cultural center with the Honolulu JCC and the Honolulu Cultural Center. Members of the AJA Veterans Council are looking into the future of the clubhouse. We also are getting old. We cannot wait until the last 100th, 442nd or Interpreter veteran accept the call of His Maker. The planning and action must be done now.

Waichi Hiraoka of Kohala: Our prayers of sympathy to the family members of the late Waichi Hiraoka of Kynnersly, Kohala. Waichi passed away on April 13, at the age of 73 years. He served with Company "F" and Company "A". Waichi was a retired factory supervisor for the former Kohala Sugar Company. Funeral service for Waichi was held at Kohala Hongwanji on the afternoon of Sunday, April 16. Burial service was held at the Hawaii Veterans Cemetery #2, in Hilo with full military honors. Waichi is survived by his wife, Itsue Sumida Hiraoka and two married daughters. Several members of the Club 100 and DAV attended the final rites at the cemetery.

Kauai Chapter: Ben Morimoto

Our club celebrated Mothers' Day on May 7th at the Wailua Marina. It was a luncheon affair. The foods that we helped ourselves were plentiful. As a rule most of us daily have light lunches but on occasion like this we eat more than usual but even after seconds the food on the table was not empty. The Club, for a finish had a beautiful cake baked by Omoide in Hanapepe. The Marina took out ice cubes for those with their hard liquor.

Off hand my count was 50 heads present. I was suprised when I made the breakdown of the figure 50 (23 members, 23 wives, 3 widows equals 26). The one additional to make 50 was a guest. He was none other than Sunato Torigoe (D) who after many years of Mainland living finally made his mind to return to Kauai. At the present, he is residing with his brother in Lihue. Mrs. Grace Ahn a dear companion of Jack Hada was the donor of many door prizes. The next meeting of the Club will be held jointly on Fathers' Day luncheon on June 11 at Sumo. Sumo is at the Kukui Grove Shopping. This luncheon buffet will cost more than at the Marina. Whether the food will be tastier or better only time will tell when we eat and hear the comments. The Club will be participating in the coming Memorial Day event. Luncheon will be served at the Senior Center after the event. Members can drink more freely the cold beers knowing now that the Club has to pay the pro-rated charges.

Maui Chapter: Tom Nagata

The wives and widows of Maui Chapter members were treated to a delicious Chinese dinner on Wednesday evening, May 10 at the Red Dragon Restaurant, Kahului. Masao Sato was the MC for the evening and he called on chapter president Miles Shiroma for the welcoming address, and also called on

Mrs. Wallace Maeda to offer grace before dinner. There were close to 70 diners with Toshio Iwami assisting with the registration of incoming members and wives. Following the delicious Mother's Day dinner, names of wives were drawn for the handcrafted gift items that were donated by talented Mrs. Satoji Arisumi. Also, Wataru Michioka donated long stemmed roses from his daughter's rose farm to each wife and widow present. Masao Sato and Akira Ishikawa were in charge of the bingo games after dinner. President Miles Shiroma was in charge of the Mother's Day dinner party.

Next coming event will be the pulehu meat dinner at the Kepaniwai Park on Wednesday afternoon, June 14, starting at 5:30 p.m.

Bonsai Club: Warren Yamamoto

More on the International Bonsai Conference at Omiya, Japan. The Omiya Prince Hotel served as conference headquarters. It's a brand new hotel located a block away from the train station. This whole section of the city is being redeveloped with lots of new buildings popping up, including many department stores. But it seems sterile compared to older part of town across the train station with all the alleys and little shops. There aren't too many hotels in this town to serve the thousand or so conventioners, so many have to commute from Tokyo.

There is a large park next to the hotel where an open air bonsai bazaar was held. This is where the plants and some of the cheaper wares were sold. There was even a guy opening up his trench coat asking if you wanted to buy cheap pruning scissors. Although you could tell it was not quality stuff, the price was so cheap I ended up buying seven scissors. I also bought some small mame bonsai (Yoroku's specialty) pots, only because I didn't want to chance carrying larger pots.

There were many interesting plants for sale, but I didn't look all that carefully since we couldn't bring them back to Hawaii. Someone asked me what the "H" meant in the price, "180 H". It was not an H but the Japanese "man" character, or 10,000. The plant was selling for 1,800,000 yen or about \$14,000. Cheap by Japan standards.

There was also an indoor sales area where the more expensive bonsai items were sold. Anything remotely related to bonsai was available: tools, pots, stands, rocks, T shirts, books (a book on the Imperial Collection was available on sale for only 30,000 yen or about \$240), telephone cards and postage stamps, including demonstrations of pottery making and stand (dai) making. The stands were very beautiful with prices to match, in the thousands of dollars. Looking at all the tedious work involved, you can understand the high prices. Needless to say, I didn't get any.

There were three special exhibition areas, if you could find your way through the underground maze of the hotel. The first room contained samples from the Imperial Collection of plants and pots. Some of the pots were very unusual, (strange may be a better word), including one where crabs were crawling inside and out of the pot. We thought these plants were spectacular, until we reached the second room containing the collection of the late bonsai association president. These plants were even more awe inspiring. Then you entered the third room with the "Important Bonsai Masterpieces". There are only about 300 of these plants in Japan selected through a vigorous judging process. You just stood in awe looking at the 20 or so plants on exhibit. The Japanese seem to favor the "jin" or dead wood feature in their plants, which make the plants look old.

The bonsai convention also offered tours which I'll talk about next month. Despite what was said above, bonsai does not have to be an expensive hobby, and members are welcome to attend meeting of the Club 100 Bonsai on the fourth Thursdays of the month. The next meeting is on June 22. Come out and learn a hobby for your retirement.

Hawaii Chapter: James S. Maeda

The First Ladies Night under the leadership of president Charles Nishimura was held on Thursday night, April 27, at the AJA Veterans Hall. Although the weather was wet, 65 men and women attended the dinner-meeting hosted by Hawaii Chapter. Motoyoshi Tanaka got the ladies involved in making items from coconut leaves. Unfortunately Charlie Nishimura and wife had to drive back home to Honokaa in heavy rainfall.

The next meeting of Hawaii Chapter will be a day meeting on Thursday, May 25 at the AJA Veterans Hall, from 11:00 a.m. Let's hope the weather will be good for Charlie.

AJA Veterans hall clean-up has been scheduled for June before the annual June 4th get together. You will receive a phone call from your team captain on the exact day and time.

The Hawaii Chapter members and Hilo would like to welcome Hideo Kon and wife back to the Rainy City, from Honolulu. In spite of the continuous rainfall this year Hideo is happy to return to Hilo. He will now be able to raise fruits and vegetables. No stress whenever he drives his car to town or Club 100 meetings.

Pat Pavao's State Veterans Service office for the Big Island is now located at the Hilo Lagoon Center, 101 Aupuni Street, Suite #212, Hilo. The phone number is 961-7586/87.

Fish Poisoning -- Warning to Fish Eaters

There has been Ciguatera poisoning in Hawaii! Some fish caught on the coastline from Opolu Point (North Kohala) down to Kona and to South Point (Kau), and South Point to Kapoho (Puna) have been infected with ciguatera. Some of the fish suspected carrying the poison are: Waha Nui, Manini, Roi, Po'ou, Ulua, Papaio, Taape, Moana, Kole and others. The Hamakua coastline from Opolu Point to Kapoho seems to be o.k. to date. Be careful what fish you eat. For further information you may contact the State Health Department.

Fore - A golfer hit a new ball into the lake, another new ball out of bounds onto a highway, and another new ball into the woods.

"Why don't you use an old ball?", asked the caddy.

Replied the golfer in dismay, "I've never had an old ball".

Southern California: Tad T. Hashimoto

100th Infantry Battalion Chapter held a mini-reunion in Las Vegas, Nevada on April 9 to 13th, 1989 at the California Hotel.

100th member and 1989 president of the 100/442nd Ass'n. of Southern Calif. Mr. Ben Tagami and his charming wife, Jean manned the Hospitality Room the majority of the time with intermittent help from many volunteers. Since Ben and Jean also slept in the Hospitality Room, they really worked, not being able to go to sleep until the Hospitality Room was closed, and waking early with so many things to do before the Hospitality Room was opened. Our thanks to all their extra efforts in contributing to a successful reunion.

Thirty-two (32) of us went by a chartered bus (air conditioned) from West Los Angeles to Las Vegas, Nevada and back for the the five days, around a 5-hour drive one way. Bus and driver was with us for the five days, was used for several sightseeing tours and also for the golfers and bags back and forth. On bus we had entertainment, jokes and singing, lunch and lots of soft drinks so time went swiftly, and for more peace of mind, a rest-room in the back.

Had over 200 persons present, approximately half from Hawaii and half from the mainland from states of Illinois, Iowa, Colorado, Montana, New Mexico, Wyoming, Oregon and other parts of California and one from Japan. Had one guest from Japan - Mr. Yoshikatsu Mayeda, president of "BEST STAFF" recruitment and placement office in Japan. He is interested in the 100/442nd and has a friend writing about it. He had a big thrill of hitting a royal flush and winning a thousand bucks on a machine. Heard Lloyd Toda's wife Michi had some good luck and brought a little extra back home.

The only get together of the reunion was held on Tuesday evening, April 11th. It was a buffet style prime rib and teriyaki chicken dinner held in the Ohana Room at the California Hotel.

Ben Tagami president of the 100/442nd Ass'n. of Southern California, with assist from Dr. Harold Harada president of the 100th Club chapter of L.A. and Ray Nosaka president of Club 100 of Hawaii handling the Hawaiian portion of the evening, all went smoothly along informally. The evening began with Ben calling upon our Congressional Medal of Honor recipient to lead us in the pledge of allegiance Hiroshi Hershey Miyamura from Gallup, New Mexico. Guests were introduced. Golf prizes of cash was given out to the golfers. Our thanks to Ken Muranaga for his donation of hundred dollars worth of golf balls.

Toe Yoshino with Lloyd Toda's help took charge of Karaoke portion. However only several persons volunteered, Toe Yoshino himself sang. He has a pretty good voice and sings in English, Japanese and Hawaiian. Ben Tagami, Sam Fujikawa and Henry Sakato gave out the door prizes from the mainland section and Ray Nosaka gave out the door prizes all cash in different amounts which totaled a thousand dollars (I think) which the Hawaiians generously donated. We had one person there, Jake Mason from Los Angeles who was one of the survivors of the rescued "Lost Battalion".

Our May Fujita came to the reunion on a pair of crutches, legs black and blue and a slight fracture from a terrifying experience she had. We're happy it wasn't worse. Take care May and get yourself back to 100% again.

Joe Nakahara, Baker Chapter, Club 100 Honolulu donated \$50.00, Harold Harada \$20.00, Lil Sumii \$20.00, Kenji and Aileen Yoshino donated \$100 and Hawaii's Club 100 donated \$250. Our thanks for your generosity and my apologies if I missed anyone.

We had Jim Vaughn from Tucson, Arizona; James Metcalf from Struthers, Ohio; Ken Kaneko from Hawaii; Young Oak Kim now from San Diego and from the 34th Division, Warren Fencil of Illinois.

We saw many of our mainland and Hawaiian friends there. There were others who had not seen each other for over 40 or 45 years and met again at the reunion and remembered each other as young men. ○

Thanks to those who donated to the Hospitality Room, Ward Kawada, Pete Kawahara, Tamotsu Shimizu, Goro Sumida, Hakaru Taoka, Don Nagasaki, Frank Nishimura, Tom Kasai, Monte Fujita, George Mizuno, Allan Dong, Henry Hayashi, Ted Yoshiwara and thanks to anyone that brought some "goodies" and my apologies to anyone I missed. Sadie Yoshiwara made 21 rolls of sushi for the Hospitality Room.

Door prize donors were Harold Harada, Dental Electric Toothbrush, Monte Fujita donated 6 belt buckles and 6 license plate frames with 100/442 R.C.T. on them. Lloyd Toda and Toe Yoshino donated 5 pound bags each of pistachio nuts. Fumi Sakato made scarves for the ladies and hapi coat as door prize, Tad Hashimoto donated portable radio with ear speakers and Pola USA cosmetics.

May Fujita in charge of the goody bags given to everyone wishes to thank grapefruit and dates donated by Henry Arao of Thermal, Calif, 200 pens donated by Pacific Heritage Bank, Allan Dong for donating all the nice mini-reunion bags.

May wishes to thank all the ladies who help stuff the goody bags. They were Teri Fujikawa, Mitsui Fuchigami, Elsie Hayashi, Ruth Kasai, Nora Kim, Hanaye Mamiya, Lily Mamiya, Fumi Sakato, Jean Tagami, Jane Tanaka, Aileen Yoshino and Sadie Yoshiwara.

The reunion was a success and we had requests to hold one every year. This we will have to discuss at our monthly meetings.

Remember, the 100/442nd R.C.T. reunion to be held on the Big Island of Hawaii in Kona, June 27th to 30th, 1990. Attend the reunion and make plans to see all or one of the other islands, every one unique and something different to offer, see and do.

On April 22nd anti-tank held a very successful luau at the 100/442nd Memorial Hall. Over 200 persons attended.

With plenty of good Hawaiian food and good entertainment it was an enjoyable evening.

100th members attending were: M/M Lloyd Seki, M/M Toe Yoshino, M/M Eric Abe, M/M Sam Fujikawa, M/M Harold Harada, M/M Monte Fujita, M/M Lloyd Toda, M/M Mas Takahashi, M/M Tad Hashimoto, Fukio Endo, Matsuye Furuye, Tomoye Otsuji, Buddy Mamiya, Jean Tagami, Mike Miyake, Carlos and Beverly Picazo.

Club 100 Golf Club - Century Golf Club News: Tom Nosse

Ken Muroshige (Co. B) made his first Hole-in-One in his life at the Pali Golf Course on March 8, 1989. As Marshall Higa (Hq. Co.) remarked to Ken "your time is getting short to accomplish such a feat". We all know that Ken will be age 75 this year.

Twenty-six members of the Century Golf Club joined in celebration at our clubhouse on April 22. Before the dinner, Ken was looking for someone to say Grace. When he couldn't find, he became a self appointed Chaplain and delivered the Grace. Everyone was so impressed, Ken was called our new Reverend or Chaplain. We enjoyed our chef Arthur Tamashiro's juice and delicious sirloin steak.

Match play - 1st round was played at the Honolulu Country Club on May 17, for 18 qualified member. The following winners will play the second round match play at the Mililani Golf Course on May 31.

W. Fujishige	vs	E. Ikuma
T. Kitaoka	vs	T. Nakamura
M. Takahashi	vs	S. Matsunami
S. Nakamura	vs	R. Hosaka
M. Higa	vs	L. Amazaki
A. Arakaki	vs	J. Enomoto
M. Kigawa	vs	A. Akimoto
S. Takahashi	vs	K. Shimizu

Good luck to all of you! -----

# TRAVEL NOW !!

Relax and enjoy yourself. Don't worry and be happy!!

When was your last visit to the southern part of the United States? Why not plan on taking this cross-country tour and end up with 3 nights in Las Vegas!

## SOUTHERN PASSAGE + EPCOT Center and Disney World

October 3 to 20, 1989 (18 Days)

Tour Price: \$1,776.00 adult twin

We fly via United Airlines to Orlando, Florida. The tour begins with EPCOT and Disney World, and then by chartered motorcoach, we travel to Tallahassee, Mobile, New Orleans, Houma, Houston, San Antonio, Kerrville, Big Bend National Park, Carlsbad Cavern, White Sands, Mesilla, Tucson, Flagstaff, Grand Canyon and Las Vegas.

An ideal trip for the gamblers!

## LAS VEGAS, RENO, TAHOE, SAN FRANCISCO

November 29 to December 8, 1989 (10 Days)

Tour Price: \$750.00 adult twin

Fly on Delta Airlines. Spend 3 nights at the California Hotel in Las Vegas, 3 nights at the Reno Hilton in Reno, take a day-trip to Lake Tahoe and Virginia City while in Reno, motorcoach to San Francisco for 2 nights at the Hotel Union Square.

For further information on both tours, please call:  
Ray or Aki Nosaka (your tour escorts), ph. 737-4864
