Of manufacturers on a large scale there were few in Rome, though the most prominent nobles owned factories in Italy and the provinces. Even the emperors did not disdain to be interested in ventures of this kind.

country may be bi-metallic or mono-metallic, suits the pleasure of Secretary Sherman. Consequently the Treasury has the option of all demands against the United States of whatever name or nature either in gold or silver.

No Wonder They Love Them.

Any one who notices the inviting pose and tempting purses ladies offer to enterprising thieves, does not wonder that cases of women lose money through the kindly eyes of light-fingered gentlemen are common.

Prudence Market.

On the upper end of Gratiot avenue a fit old man, with a sort of grocery and dry store, and a few days ago a citizen wanted by him out, enlarge the building and establish a first-class store.

Petroleum in Napa Valley. C. Cutler has a mountain ranch on E. Coast, eight miles northwest of Napa, a while working out an aside on a road on the ranch some two months ago, he rolled on a chunk of blue clay, weighing some five pounds.
