

# Commercial

# Advertiser.

HONOLULU, HAWAIIAN ISLANDS, MARCH 5, 1857.

(SIX DOLLARS PER ANNUM. VOLUME I. NUMBER 33.)

## THE PACIFIC Commercial Advertiser.

Understand that the young people of Honolulu are preparing a flag, with appropriate designs to be carried to Capt. Moore of the brig *Morning Star*, on her arrival from Boston. She is expected here in six weeks. The following hymns have been prepared for that occasion. The first is selected, the last composed by Mrs. J. D. Strong.]

**"The Morning Star."**  
Star of the morn, whose placid ray  
Beam'd mildly o'er yon sacred hill,  
While whispering zephyrs seemed to say,  
As silence slept and earth was still,  
Hail, harbinger of gospel light!  
Dispel the shades of Nature's night!

I saw thee rise on Salem's towers,  
I saw thee shine on gospel lands,  
And Gabriel summon'd all his powers,  
And waked to ecstasy his hands;  
Sweet cherubs hail'd thy rising ray  
And sang the dawn of gospel day.

Sine, lovely star! on every clime,  
For bright thy peerless beauty be;  
With thy beams the wing of Time  
And shed thy rays from sea to sea;  
Then shall the world from darkness rise,  
Eternal glories cheer our eyes! E. B.

**The Missionary Packet.**  
BY MRS. M. D. STRONG.  
We hail thy white sails gleaming  
On this far distant strand,  
Thou "Star," whose welcome beaming  
Shall lighten many a land;  
We hail thee, gladly sharing  
In this best work of love,  
Our banner'd offering bearing,  
The star and peaceful dove.

Go, bear our youthful brother  
The Saviour's love to tell,  
Where many a heathen mother  
And dark-souled father dwell;  
Go, cheer our loved ones, toiling  
And cheer the weary ones,  
And where, from blue waves rolling,  
Marquesan shores arise;

Till, 'mid the sunny highlands  
And o'er the valleys green  
Of all our tropic islands,  
The dawn of light is seen;  
And news of grace surprising—  
Glad tidings from afar  
Attend the glorious rising  
Of thy our "Morning Star."

The white waves curl before thee—  
God shield thee on the deep!  
Their tireless vigils o'er thee  
May hoving angels keep!  
Our blended prayers ascending  
Thine ocean path shall mark.  
To God each day commending  
Our consecrated bark.

**VARIETY.**  
That's but an empty purse that's full of other folks' money.  
Men take less care of their conscience than their reputation.  
Moderation is commonly firm, and firmness is commonly successful.  
Those who are frugal by habit hardly know that temperance is a virtue.  
Finery is unbecoming in those who want the means of decency.

The nakedness of the indigent world might be clothed from the trimmings of the vain.  
**RATHER PERSONAL.**—"You look as though you were beside yourself," as the wag said to a fop who happened to be standing by a donkey.

Cox.—Why should a man who has left his landlord arrears be eligible for the army?  
Because he would be a left-tenant.  
As some men gaze with admiration at the colors of a butterfly or the wings of a butterfly, so I was by nature an admirer of happy human faces.

Dickens, in his *Little Dorrit*, tells us that a tender bird "dropped like a heavy stone into the well of humanity's heart, and splashed the water into his eyes!"

The wave of prosperity had risen up to his very eyes, and his ripples were forever breaking there in a succession of easy smiles.—*Miss Warner.*  
The soul needs a certain amount of intellectual enjoyment, to give it strength adequate for the daily struggle in which it is involved.

To MAKE WHITEWASH THAT WILL NOT RUB OFF.—Mix up half a pailful of lime and water ready to put on the wall; then take one gill of flour and mix it with the water; then pour on it boiling water sufficient to thicken it; pour it while hot into the whitewash; stir all well together and it is ready for use.

A female in the Utica Lunatic Asylum is a lady of large ideas. She talks of becoming the empress of the world, and using the next rain-bow for a waist ribbon. Only the bump of ambition extra developed.

A kiss on the forehead denotes respect and admiration; on the cheek, friendship; on the eyelids, tender affection; on the lips, love. The young men of our acquaintance have not much "respect" for the young ladies.  
Miss Brown, I have been to learn how to tell fortunes," said a young fellow to a brisk brunette; "just give me your hand, if you please." "La! Mr. White, my sudden your are! Well, go ask so."
