Twin Foes to Life
Are Indigestion and Constipation.
Their primary symptoms are among the most distressing and dangerous of all ailments, and a host of diseases, especially their offspring, originate from their influence.

A Thorough Purgative
Indigestion is the first symptom of constipation. The cathartic effect must be maintained, in a mild degree, just sufficient to prevent the accumulation of waste matter in the bowels.

Aye's Pills
Accomplish the restorative work better than any other medicine. They are a powerful and thorough cathartic, and do not irritate the bowels, as is the effect of other cathartics.
