

Commercial Advertiser. LATER EASTERN NEWS

The clipper ship Colet touched at this port on the 4th, and left us only one paper—an Alta of December 16.

THE EASTERN NEWS.—We have only a brief telegram this morning says the Alta, of Dec. 16, from the East, but important news. Union victory in Western Virginia, and a rising of the slaves in South Carolina. The rumor that half of Charleston had been burned, does not come in a very trustworthy form, but there is no improbability about it. It is absurd to say slaves love slavery. That is not human nature, and never has been. The Helots of Sparta often fought against their masters, and often the slaves of Rome gave bloody battles to the legions.

CHARLESTON HALF DESTROYED! THE FIRE THE WORK OF NEGROES. The following brief telegram was all the news we received last evening. We may expect further details of both these important items at any moment.

FOREIGN SUMMARY. The last European news is that Napoleon III. has become a successful alchemist, the first ever known, and is engaged in converting lead and arsenic into gold.

THE ATLANTIC AND PACIFIC OCEAN.—The popular notion which had long prevailed, that the Atlantic Ocean was many feet higher than the Pacific, has been recently disproved.

THE RUSSIAN JOURNALS.—The Russian journals announce that a remarkable geological phenomenon has just occurred in the Caspian Sea, an island having risen from the waters near Baku on the western coast.

THE MEXICAN MOVEMENT.—The Mexican movement against the Emperor Maximilian, is now in progress. The Emperor has fled to the United States.

THE CHOLERA IN INDIA.—In India where the cholera, in its most malignant form, first emerged and spread throughout the country, has again made its appearance, and is terribly destructive of human life.

THE PRINCESS ALEXANDRA.—The Princess Alexandra, who is now in London, is expected to visit the United States.

THE NORTH CAROLINA CONFEDERATE REGIMENTS.—The North Carolina Confederate Regiments, which were organized in the State, are now being organized in the United States.

STATISTICS OF THE OLD FELLOWS.—At the annual Convention of the Grand Lodge of the Independent Order of Old Fellows, recently held in the city of Baltimore, returns were received from the Grand Lodges of the States and Territories.
