President Roosevelt today announced that the passage of the Lend-Lease measure is no longer a question of months but of hours. The bill will be considered by the Senate tomorrow and the President expressed the hope that the measure will be passed without further delay.

The President said that the measure was introduced in the House and was passed by the Senate in a remarkably short time. He said that the measure was a matter of great importance to the United States and that it was essential for the defense of democracy throughout the world.

The measure provides for the transfer of arms and equipment to the Allied powers, and it is expected to be signed by the President on March 11th.

The President also spoke of the need for increased production of foodstuffs and other materials necessary for the defense of the United States.

The measure is expected to be signed on March 11th and will be followed by steps to increase the production of materials necessary for the defense of the United States.

Tomato Sentinel, in its issue of March 6th, publicizes the announcement that the tomato crop has been harvested this month. The total yield will be 100,000 pounds of head cabbage in the next two months. The total acreage of green corn increased 54 per cent over February. This month there are 179 acres in the next two months.

The Hawaiian government has announced that the annual spring planting will be held in April. This month there are 179 acres in the next two months.

The joint meeting of the Alumni and YPA (Young People's Association) will be held on Monday, March 10th, at the school. The three Germans were cleared and new crosses were erected on the German day after the national ceremonies were held over.

Tokimasa, born in Honolulu Hawaii, is 80 years old. The above statement is true in every respect. The President's aide will be present at the school and will be responsible for the administration of the office of the Secretary's staff. The Secretary's staff will be in charge of the administration of the office of the Secretary of State.

President Roosevelt said that the upper house will meet at 10 a.m. on March 11th. The House is expected to meet on March 11th and to be in session the following day.

President Roosevelt expressed the hope that the measure will be passed without further delay. The measure was introduced in the House and was passed by the Senate in a remarkably short time. He said that the measure was a matter of great importance to the United States and that it was essential for the defense of democracy throughout the world.

Humanitarianism in the Animal Kingdom

A mare on a ranch in California's Los Gatos Canyon practices a bit of “humanitarianism” by bringing a happy situation out of tragedy, in feeding an orphan calf along with her own colt.

Defense Work Booms Coast Lumber Industry

Construction of new redwood and Douglas fir sawmills and additional equipment for the manufacture of lumber and plywood is a boom industry along the Pacific Coast. New mills have been rushed into operation to meet the increased demand for lumber.
The University Extension Club of Papaikou met on February 28 at the Filipino Hall. The home agent discussed daily food requirements, as well as meal planning and the food dollar. All members present volunteered to keep records of food expenditures for a limited time, to get a check on how their food money is spent.

John M. Ross 4-H Club News

A judging contest on menu planning, table setting and nutritional facts was conducted by the assistant agent at the meeting of the John M. Ross 4-H Foods Club held on Thursday, March 6. Eleven demonstration teams were selected by the leader, Mrs. Alice Lujan, and they will participate in a demonstration contest to be held next month. The teams judged menu planning, table setting and nutritional facts which they have learned in club work.
