JAPANESE AMERICANS PLEDGE LOYALTY TO EIGHT GOVERNORS

SALT LAKE CITY, Mar. 28.—Offering their allegiance in these troubled days of strained international relationships and hurried national defense programs, Utah citizens of Japanese ancestry gave Governor Herbert B. May assurance of loyal sympathies recently.

Their pledge was given to Governor May and accepted by the Governor at the latter's request. The pledge was made before the Utah Assembly last week, and was in response to a request by Governor May to the American Citizens' League for a statement of loyalty from the American citizens of Japanese ancestry in Utah.

FRONTIER THRILLER SLATED FOR KIDDIES AT PALACE THEATRE

A heart-pounding spectacle of American history, the exciting new serial, "RITTY CARSON," which will show tomorrow morning at the Palace Theatre, St. George, will be a history-making hit, according to those associated with its production.

"RITTY" will be presented for the first time in Utah, and will be released to theaters throughout the country this week.

Kilauea Crater was strong SSW. Microseismic motion of the ground around Kilauea crater led the scientists to believe that an eruption was imminent. However, a report from the Hawaiian Volcanoes National Park indicated that an eruption was unlikely in the near future.

The very late earthquake registered at 5:54 p.m. on March 22 and 7:00 a.m. on March 21, 7 opened, 7 closed, for a net gain of 0.6 magnitude.

The earthquake was felt in several counties in the intermountain district of the United States, including Salt Lake, Utah, and was accompanied by some damage to buildings and structures.

The Palais Theatre in St. George will be showing the newly released serial, "RITTY CARSON," which is set in the American West and features a young girl named Ritty Carson who becomes a heroine during the Mexican War.

Volcanic eruptions are a natural phenomenon that have been occurring on earth for millions of years. The last major eruption in the United States was the eruption of Mount St. Helens in 1980, which caused extensive damage and loss of life.

Volcanic eruptions can be dangerous and destructive, but they can also be awe-inspiring and beautiful. It is important to keep an eye on them and take necessary precautions to ensure the safety of those living in their vicinity.
