She was not talking, but only breathing. The thought of what had happened seemed to be closing her heart... Until then, he had been unable to understand the full extent of his realization. Michael had made it plain. He had told her the truth.

Tonia sat up suddenly. "You've been stringing me along, haven't you? You've been making a fool of me all this time. I want the truth!"

Michael looked at her, his face expressionless. "Do you know what you are asking?"

"Yes, I know!" Tonia exclaimed. "I want to know the truth!"

Michael sat up, his face stern. "You want to know the truth, Tonia. But you don't want to hear it!"

"I want to hear it!" Tonia cried.

"You can't have it both ways, Tonia. You can't have the truth and the comfort. You can't have them both!"

"I want the truth!" Tonia shouted.

"You will have to decide which you want," Michael said coldly.

Tonia turned and walked out of the room. Michael stood for a moment, then turned and departed from the night club.

Then, it turned hard.

She gazed at herself— at the glasses. She gazed at her unattractive hair, at the plain, unfashionable dress, and almost tore the oil-

In the center of the baseball world, the Detroit Tigers are leading the American League by 6 games over the New York Yankees. With three games scheduled this week against the Yankees, we can see if the Tigers can maintain their lead or if the Yankees will make a comeback.

The Tigers' lead is due in part to the excellent pitching of Hal Newcomb, who has a 10-0 record with a 2.14 ERA. The Tigers' offense is also strong, with outfielder Al Kaline hitting .320 with 15 home runs.

On the other hand, the Yankees have been struggling lately, with a .275 team batting average and a 13-16 record. Their starting pitching has been inconsistent, with several pitchers having ERA's over 5.00.

The three games this week should be exciting, with the Tigers looking to increase their lead and the Yankees trying to make up ground. It will be interesting to see how the Tigers' pitching holds up against the Yankees' offense.
