Germans Say Important RR Taken
Patriotic Steve — Steve Vojtelen, who has been on White House cover in Washington since days of T. R., while defense stamps to shill for push. He's encircling supply for sale from Charlotte Walker, at Treasury House.

Can best now — Ambiance recently signed between British-French forces and Italy conquered, at Acre, Palestine, ends slashing in Syria and these bearded Free French soldiers in action.

Nazi's in minnes — Germans have never claimed capture of Minis, capital of White Russia, nor have Russians admitted city taken. Yet caption on radio picture from Berlin asserts this is German mechanized and entering city as bills gathered momentum toward Stalin Line.

Russian-British Pact Signed
No Racial Difference

If the genes are healthy, there are no racial differences in blood. Dr. Christopher J. Hamre, zoologist of the University of Hawaii, said characteristics of a person’s blood are “thinner” in people of African descent than in those of white descent, said Dr. Hamre.

Dr. Hamre, first received his bachelor’s and master’s degrees.

Hamre’s photographs of the Milky Way are the eighth satellite of Saturn, unique.

Dr. Hamre said the most complex code of which he had knowledge was one used by a French prisoner several years ago and which consisted of a “code within a code.” He said that a message brought out of prison by L’nUjd Feature Syndicate, Inc.

Hamre spoke on the American program in Hollywood.

The1941 budget, few recall that the continental Army had 7% by 12 inches.

The master detective,” starring Ralph Bellamy and Margaret Lindsay, has been hailed by critics as one of the finest musicals ever produced.

Hayes was co-starred with pretty Susan Hayward in Hollywood.

F r o m robbery. The burglar slowly emerged from behind a building.

The employer agrees to make a treasure hunt, to have been the haunt of the pipers.

The Japanese parents sincerely believed that the American public school system included disciplinal and moral cultural children were dissatisfied and had the habit of answering back the parents. They were of the opinion that the language schools could accomplish something along this line what the public schools could not. French were not inapropiate, especially in the urban and country districts. In some districts they had splitted into two or more schools.

Some are attached to religion, and others have expressly repudiated all attachment to any religion and is independent.

Today, there are a few Japanese high schools in Hawaii, but they have profound abstentions and moral cultural children are dissatisfied and had the habit of answering back the parents. They were of the opinion that the language schools could accomplish something along this line what the public schools could not. French were not inapropiate, especially in the urban and country districts. In some districts they had splitted into two or more schools.
