**CELEBRATING ARMISTICE DAY**

The feeling expressed by some people that we should not celebrate Armistice Day this year because westand on the brink of another war, seems to indicate a lack of understanding about what Armistice day stands for. Actually, we should have more reason to appreciate Armistice Day this year than we have in any year since the World War ended.

Armistice Day is a day for us to remember the sacrifices made by our soldiers and sailors in the past. It is also a day for us to think about the future and the problems that we may face.

After that victory, probably more than any other war, Armistice Day has been observed in this country. We should have been proud of the way in which we celebrated the fact that we were at peace—that we had at last won the war. And now that we are at war again, we should be more determined than ever to defeat our enemies.

**HILO THEATRE**

Miss Mabel Ohishi failed to break into the ranks of the NIDN Girls’ basketball league last night at the Kamehameha school where they were defeated by the Hilo Teachers, 21 to 13 in the back line.

The game was a rather close one, if anything, with the Teachers exhibiting as a big fourth quarter only to win healthy. Miss Mabel and the Hilo Girls were down by 13 points to 1 at the time of the first period, however, the girls were down by 13 points to 1 at the time of the second period.

The second period, however, saw the Teachers leading by 13-13 as they outscored Hilo Meat Mart 10-1 to make the final score 21-13.

The Teachers should be thankful to have won this game, as they have lost five of their last six games. They are all in 13-1-6, however, and will need to win at least one more game to make the final count of 14.

**Hilo Theatre**

Now goers take over every corner of the city by the buzz of crickets, the hum of a crowd of people, and the sound of music. The crickets are singing in the streets, and the people are singing in the parks.

The sound with which they are singing is a special one, a song that is sung as they pass through the streets.

The Hilo Theatre will show the latest music of the year, the latest film of the year, and the latest song of the year.

The theatre is located at the corner of the main street and the cross street, and is open to the public from 8:00 to 10:00 every night.
