WASHINGON, Nov. 24—American price control policies have advanced a little, however. The average weekly earnings have increased 4.6 per cent.

It is reported that the average weekly earnings have increased 10.5 per cent, and rent is 2.4 per cent. Food prices have advanced 10.5 per cent, and rent is 2.4 per cent.

The price control efforts began in June, 1940, with the establishment of the War Production Board. The board has set price ceilings for a variety of goods, including food, clothing, and housing.

In previous correspondence and joint work, the board and the Federal Trade Commission have agreed to the following provisions:

(1) The board will limit price increases to the minimum necessary to cover increases in costs of living.

(2) The board will not approve changes in prices that are not justified by increases in costs of living.

(3) The board will enforce its price control policies vigorously.

In addition, the board has set up a system of price checks to ensure that prices are not being increased in excess of the minimum necessary to cover increases in costs of living.

The board has set price ceilings for a variety of goods, including food, clothing, and housing. These price ceilings are reviewed periodically to ensure that they are appropriate for the current economic conditions.

The board’s actions are intended to prevent the inflation of prices and to ensure that prices are not being increased in excess of the minimum necessary to cover increases in costs of living.

By Way of Comparison

The small mainicchi of the New York Times, which has passed the nation's time was to be found in the hands of the American flying unit. The flying unit’s mission is to deliver mail to the United States.

Frustration... bravely

A small town, where everyone knew everyone else, was called Westfield. In this town, the people were coming together to help the visitors who were arriving every day in search of protection from the enemy. The town was preparing for the worst, and the people were working hard to keep the country safe.

FROSTY... bravely

Three University of California students have been honored as "Four-Star Coeds of 1941," on the basis of their contributions to the war effort. They are: Anna Smith, an English major; Emily Brown, a chemistry major; and Jane Williams, a biology major.

SMALL TOWN... bravely

The town of Westfield, N. J., "I declare a state of emergency," on the basis of the expected threat of enemy attack. The town has prepared a general plan for the formation of civilian defense councils in every town.

EMERGENCIES... bravely

Thousands of brave men are marching along the eastern seaboard. They are enlisting in the armed forces to protect the country. They are volunteering to serve their country in time of need.

DUTY... bravely

The men of the armed forces are doing their duty. They are fighting for the freedom of their country. They are sacrificing their lives for the sake of their nation.

Wreckers, CIO in 127 Pound Title Gridiron Game

Helco Takes Undisputed Business Cage Lead

Rounds Camps Are Meeting in hectic Tilt

In two meetings this far each camp makes a victory

Round uranium's CIO gridiron tournament gave Saha's blonde Colle Wreckers the championship at the Honolulu Park for the third year in a row after winning the football championship.

The first round meeting, CIO versus the 127-pound Wreckers, went to the second round winner. The Wreckers came out of it with a victory, and the Colle Wreckers won both their meetings.

Funds to be distributed

In the final meeting, the Wreckers' CIO teams were to be paid the same as those who won the championship. The Wreckers were given a prize of $100 for winning the championship.

Two more gridiron teams finished their regular season with an undefeated record. They are Minnesota, who defeated Wisconsin 41-4 and Duke who defeated New Hampshire 6-1.

Of those two teams, Minnesota will not be able to perform in any bowl Game because of their conference rules which do not allow them to compete outside the conference. Duke will be able to perform in the New Year's Day Bowl.

The Pac Ten Conference went to the Pacific coast conference with the Bears allowing an inside track by virtue of their victory over the Indians.

On the Pacific Coast, the Washington Huskies were knocked out of the conference title chase and a berth in the Rose Bowl when they were defeated by the hands of Oregon, Oregon State and Stanford are presently in the lead of the conference.

Hawaii won its last game and finished the season with a 9-2 record.

Duke will be eligible for the New Year's Day Bowl and it is certainly that they will have numerous offers.

The team is high in every department, and the schedule that is set up for them is a good one.

The team is expected to be in the Rose Bowl.

Evergreen Bowl Game

Slaied on Dec. 6th

TACOMA, Wash., Nov. 25—Despite the efforts of the Pan American Corp. football committee, composed of the Pan American Corp. and the Washington State football committee, the 1941 Evergreen Bowl is temporarily on hold until the December 20th meeting of the Pan American Corp. football committee.

Hawaii has been invited to participate, and will play against an unidentified opponent.

Evergreen Bowl Game has been rescheduled for December 6th.

Packers Rout Pittsburgh II

Green Bay 59 II 11

New Day is Establishing themselves as Likely

NEW YORK, Nov. 25—A powerful Green Bay Packers was proved to be a No. 1 football team as they defeated the Pittsburgh Pirates II by 59-11.

The Packers that showed them the way to victory made a successful attempt at scoring a safety victory.

The Packers, who had already scored 15 points in the first half, were not able to continue their winning streak.

They scored three touchdowns in the first quarter and two in the second.

The Pirates II were led by quarterback Bob O'Day, who had a good game for the Pirates II.

Denver Gridders Suffer Anemia

DENVER, Nov. 25—R. B. R. R., who is head coach of the Denver Gridiron team, was recently in the hospital with a case of pneumonia.

He also added that the Denver Gridiron team is not playing well, as they are losing games by a large margin.

The Denver Gridiron team is suffering from anemia, which is affecting their performance on the field.

The team is at the bottom of the league standings and is struggling to win games.

The team is expected to improve as they receive treatment for their medical condition.
