ALOHA WEEK

For the past four years we have celebrated Aloha Week early in June. It has been a national vacation in Hawaii. It has been a celebration of Hawaii and its people. It has been a time to reflect on the gains and losses of our statehood and to reaffirm our ties to the United States.

Aloha Week is not just for tourists anymore. It is for all of us, both residents and visitors. It is a time to come together and celebrate the unique culture of Hawaii. It is a time to reflect on the past and look forward to the future.

Aloha Week is also a time to remember the sacrifices that our soldiers have made in defense of our country. It is a time to honor those who have served and to support those who continue to serve today.

So please join us in celebrating Aloha Week this year. Let's come together and enjoy the sun, sand, and surf. Let's celebrate the beauty of Hawaii and the spirit of Aloha.

PASSING ON CIGARETTE "I saw a cigarette on the car," said the man who gave it to a friend who was smoking. "I knew all about lotteries, so I thought I might as well take a chance on it."

The cigarette was not registered, so the friend decided not to smoke it. "You're wasting your money," he said to the man who gave it to him.

"It's my birthday today," said the man who gave it to his friend. "I thought I'd treat myself to a cigarette."
