Building a Rainbow

A History of the Buildings and Grounds of the University of Hawaii's Manoa Campus

Edited by Victor N. Kobayashi

1983
Published by Hui O Students
University of Hawaii at Manoa

Published in part with a grant from
The Associated Students of the University of Hawaii

This Project is also partially funded by the University of Hawaii in order to gather information helpful in identifying and preserving historic sites and buildings on the Manoa Campus.
Dedicated
To Beatrice Krauss and Masao Miyamoto
To the workers in Facilities Management
And to all who have contributed to
building a rainbow
