DISBURSEMENT OF FUNDS

Disbursement of funds appropriated by the Territorial Legislature of Hawaii for the support of the University is by the territorial treasurer upon warrants issued by the territorial auditor, upon vouchers approved by the Board of Regents.

Funds received by the University from other sources, except from the federal government, are turned into the territorial treasury and disbursed in the same manner as appropriated funds.

The University of Hawaii is a Land Grant College and as such shares on the same basis as the states in federal appropriations provided by the several Acts of Congress for the aid of agricultural instruction, extension and research. This money is disbursed by the treasurer of the university upon vouchers approved by the Board of Regents and subject to audit by the territorial auditor as well as by federal officers.
