Preface

The Bibliography covers the period of May 1, 1954 to April 30, 1956. Listed herein are the publications of general circulation and the noteworthy scholarly and professional activities of approximately 180 faculty and staff members from 30 departments and offices. University publications and theses presented for advanced degrees also are given. Independent but affiliated agencies which publish their own bibliographies are not represented.

A few items are included which were omitted from the preceding Bibliography (1952–54).

Standard abbreviations are used throughout. *Abbreviations Used in the Department of Agriculture for Titles of Publications*, edited by Carolyn Whitlock (Washington, D.C., 1939), was followed. The only unusual abbreviations are *Par. Pac.*, used for the regional periodical *Paradise of the Pacific*, and IRAC, used for the Industrial Research Advisory Council.
