THE

National Brewery!

KALIHI VALLEY,

Is now one of the Permanently Established
Industries of the Hawaiian Kingdom, and the
Company to whose Enterprise its Existence is
due have for the first time solved the problem of
Brewing in this Country a

Pure, Wholesome, Palatable

BEER.

That it possesses these qualities in a very
marked degree, and is a beverage admirably
adapted for consumption in a tropical climate,
is admitted by all who have tried it. It was pre-
dicted at the outset that

THE STEAM BEER

OF THE

National Brewery Co.

Would soon find favor in the community
after it had been given a trial.

In the course of a few short months the pre-
diction has been amply realized.

The Reasons Why It Has Achieved
Success Are Not Far to Seek.

Scientific Experience and Practical Skill began
the work and have carried it through.

A Cool and Healthy Site was selected for the
Works.

An Absolutely Pure Water Supply has been ob-
tained from an artesian source 670 feet deep.

The ingredients used in the manufacture
are the best which the MARKETS OF THE
WORLD AFFORD.

THE MACHINERY is of the most modern and
improved type.
