Band Concert.

The public band, under the leadership of Prof. Berger, will give a concert this afternoon at 4:30 o'clock, at Emma Square. Following is the program:
 March—The Life Guard.....Hilge
 Overture—Italian in Blue.....Hilge
 Gavotte—Daisy.....Hilge
 Selection—Italian Melodies.....Rempezzotti
 Waltz—Love's Old Sweet Song.....Bucalossi
 Galop—Street Scene.....Ardu
 Hawaii Fand.

J. J. EGAN

514 Fort Street.

In order to make room for an immense new stock of Dry and Fancy Goods, Millinery, Gents' Furnishings and Boy's Clothing, which will arrive shortly, I shall on Monday, July 23d, begin a grand clearance sale. Our prices will positively be so low that you will be ashamed to look elsewhere. There are plenty of ladies in Honolulu who do not wear silk dresses on account of the hard times. But we have some special patterns that we are offering at greatly reduced prices to make shelf room for our new goods. When ladies want society items they look in the society or local columns. When they want bargains they read the advertisements. For those who don't wish silk we have Serges in endless variety. Our Hosiery Department will satisfy the most fastidious, and some of our Laces are simply beautiful and at less than reasonable prices; and our Ribbons are—well, what's the use of going further? A call at our place of business, 514 Fort street, will convince you. I would be pleased to have you read this "ad" next week, as I intend quoting you some prices on Dress Goods, both Silk and Serge, Hosiery, Ladies' Underwear, etc., that will make you think I am constantly beating the Custom House, but a visit will convince the most skeptical that the cheapest place in Honolulu to trade at is J. J. EGAN's, at 514 Fort street.

LOCAL AND GENERAL NEWS

Band at Emma Square this afternoon.

John Tosh, head luna of Laupahoehoe, is in town.

Dr. Wood succeeds Dr. Miner in the Board of Health.

M. Davis left on the S. S. Australia to day for the Coast.

J. F. Morgan will sell several fine horses on Saturday next.

The Thistle club will give a concert in its hall on August 3.

J. C. Quinn is going to take a trip to the Coast next Australia.

The Kamehameha and Hawaii will cross bats this afternoon.

Mr. J. G. Spicer will lead the service at the Y. M. C. A. Sunday evening.

Mr. Garvin will deliver his postponed lecture at 3:30 p. m. Sunday, in Y. M. C. A. hall.

Officers re-elected by the Board of Fire Underwriters are announced in this paper.

At the California Fruit Market, fresh off the ice to-day, apricots, pears, uccatines, peaches, plums, etc.

The S. S. Australia departed for San Francisco at noon to-day. She took a mail of 7054 letters and 1645 papers.

Coe, a stowaway recently landed here on one of the O. S. S. Co's boats, was sent back to San Francisco to-day.

There is to be a dance held by a dancing society at the Thistle Club's hall the second Wednesday of each month.

Carl Leonard, the jockey, returned to San Francisco to-day. He will return in time for the next meeting of the Hawaiian Jockey Club.

Invitations are out for a social dance to be given next Wednesday evening, July 25, at the new pavilion, Independence Park, King street.

Mr. Crowley announces the presentation of his new Hawaiian drama next Saturday. A resume of the events and scenes to be depicted will appear later.

Remember that on every bar of Hawaiian Soap is stamped the name of the company in full, HONOLULU SOAP WORKS CO. Take no other. M. W. McHENNEY & SONS, Agents.

G. R. Harrison, practical piano and organ maker and tuner, can furnish best factory references. Orders left at Hawaiian News Co. will receive prompt attention. All work guaranteed to be the same as done in factory.

T. D. Garvin, the Evangelist, will give the second lecture of the course in the Y. M. C. A. hall Sunday, July 22, at 3:30 p. m. Subject, "The Golden Chain of the Bible," illustrated by special charts. This service was postponed last Sunday on account of the funeral of Mr. S. N. Castle.

The new Hawaiian Republic is to be blamed that soap dropped 10 percent and the price of the very best quality of a case of 100lbs, honest weight, is now only \$4.50, and instead of 15 bars before you get now 17 for \$1.25. But it does not affect soft soap, as the price is the same—42lbs. in a tin, \$1.25 per tin. N. BREHAM.

Remarks on the railway strike form the prelude to the Hawaiian Hardware Co's new weekly lecture. Wash in a clean and elegant bath, in the moral that follows. Don't spoil the bread or cake for want of the proper implement. Have your sewing done with the greatest saving of labor. These are also injunctions, there to be found, well worthy of being heeded.

Chamberlain's is the best of all. Vincent J. Barkl, of Danbury, Iowa, has used Chamberlain's Cough Remedy whenever in need of a medicine for coughs and colds, for the past five years and says: "It always helps me out. If anyone asks me what kind of cough medicine I use, I reply, Chamberlain's, that is the best of all. 25 and 50c. bottles for sale by all dealers. Benson, Smith & Co., Agents for the Hawaiian Islands."

IN THE HOSPITAL.

Condition of Sundry Sufferers in the Cots.

A visit was paid by a BULLETIN reporter to the Queen's Hospital this morning, for the purpose of ascertaining the condition of George Wood, the colored pitcher of the Crescents, who was shot by Arthur White, and West, the bluejacket from H. B. M. S. Champion, who fell from aloft. Miss Carroll the matron courteously escorted the reporter to West's bedside. His left arm lay in splints and bandages. It had been cut in two places near the shoulder. There are hopes of saving the arm, although a few days ago it was thought it would have to be amputated. "He is doing nicely," Miss Carroll said.

George Wood could not be seen, as the matron had received orders from the Marshal not to allow any visitors to see him. However, Miss Carroll said that the young man was doing well, and if required could attend court.

The injury is not considered serious.

Another patient in the hospital is Dick Brash the printer, who fell off a veranda and broke both legs. Dick has improved considerably.

A Spanish sailor from the steamer Claudine, who also had a broken leg, was doing well.

Kamao, the native who was assaulted with a billy, was "fired" from the hospital about a month ago. As will be remembered by BULLETIN readers a kahuna had contracted to cure his broken leg and arm in three weeks, refusing the option of one week longer. The time expired and the bones were not set, so the kahuna lost \$500 thereby. Kamao is at his home on Queen street and is able to be about with the assistance of a cane. The man was dismissed because he persisted in going outside.

CALL IT OFF.

Liable to Be No More Baseball if the Sold Game Goes.

The representatives of the Kamehameha baseball team have publicly declared that they have concluded that last Saturday's game was bought, and if the truth is known a young graduate of the school had something to do with the bribing. It has not been satisfactorily proved that members of the Kamehameha team were all innocent in the affair. Then why not call the game off? If the Kamehamehas persist in claiming the game, the Crescents will draw out from the league, and there won't be any more baseball in Honolulu. Call the game off!

GREAT BICYCLE RIDING

"Jack" Atkinson Makes a Fine Record on the Volcano Road.

By the Kinau road has been recorded the trip of A. L. C. Atkinson from Hilo to the Volcano. The distance is thirty miles, and there is a rise of 4010 feet in the road. Atkinson covered the route in the last time of 4 hours 10 minutes. What makes the feat more creditable is the fact that the cyclist had to carry his wheel one mile where the road is still rugged.

National Cane Shredder

PATENTED UNDER THE LAWS OF THE HAWAIIAN ISLANDS

THE UNDERSIGNED HAVE BEEN APPOINTED SOLE AGENTS FOR these SHREDDERS and are now prepared to receive orders. The great advantages to be derived from the use of the NATIONAL CANE SHREDDER are thoroughly established and acknowledged by Planters generally.

The large number of Planters using them in the United States, Cuba, Argentine Republic, Peru, Australia and elsewhere, bear witness to the above claim.

The use of the SHREDDER very largely augments the quantity of cane the mill can grind (25 to 50%), also the extraction of juice (5 to 12%).

It is a great safeguard, making known at once the presence of any pieces of iron, stakes from cane, or anything which would be liable to damage the mill, and allowing ample time to remove same before damaging the mill.

The SHREDDER is very strongly made, and from the manner of its operation it cuts or tears these pieces of wood or iron without often breaking the SHREDDER; and if anything breaks, it is simply some of the knives or cutters, which can be quickly and economically replaced. The SHREDDER, as its name indicates, tears the cane into shreds of varying lengths, perfectly opening it and allowing the mill to thoroughly press out the juices without requiring the immense extra power necessary to grind or crush the whole cane. The SHREDDER spreads the shredded cane uniformly and evenly to the mill rolls, and does away with the necessity of spreading the bagasse by hand between the mills, where regrinding is in use. No greater amount of boiler capacity is required to operate the SHREDDER than that which was sufficient for the mill, for the above reasons. We furnish full working drawings for the installation of our SHREDDERS, enabling any competent engineer to successfully install and start them.

In ordering SHREDDERS from us, please send small sketch, showing the diameter and width of the mill rolls with which SHREDDER is to be connected, also the side (either right or left hand as you face the delivery side of the mill), upon which the mill engine is located, also the height from floor line to center of front mill shaft, and distance center shaft to front end of bed plate. These SHREDDERS are now being used by the Hilo Sugar Co. and Hilo Mill, Kohala, where they are giving great satisfaction.

Prices and further particulars may be had by applying to

HOMES

— AT —

PEARL CITY

— THE —

Oahu Railway & Land Co.

OFFERS THE PUBLIC

Another Great Opportunity

To Secure Homes in One of the Most

Delightful Localities to be

Found in the Paradise

of the Pacific.

As a healthy resort—Pearl City has already established an enviable reputation. Many good citizens in this community have experienced the wonderful effect produced by a few days sojourn in that dry, cool atmosphere, and give grateful testimony to the relief they have almost instantly gained from severe and long continued attacks of asthma. Physicians acquainted with the climate of Pearl City recommend it as a natural sanitarium.

THE WATER SUPPLY IS AMPLE!

And can be increased to meet the needs of a population equal to the largest city in the world.

Prof. A. B. Lyons of Oahu College is our authority for stating that the water supply is the purest yet discovered in this country.

Special Inducements to Early Settlers:

For ninety days from date we will sell LOTS ON SPECIAL TERMS favorable to bona-fide settlers. For a term of three months from date, lumber and all building materials will be supplied, and delivered at Pearl City at much lower price than ever before obtained.

For further particulars, call at this office or on any of the lumber dealers in this city. Those who now own lots as well as those who propose to become residents of that growing city, will do well to embrace this opportunity. Those who avail themselves of this offer, within the time named, will be entitled to, and will receive the following benefits:

For a term of ten years, this Company will carry such residents and their families from Pearl City to Honolulu in the morning (arriving a little before seven o'clock), and from Honolulu to Pearl City in the evening (leaving Honolulu station a little after five o'clock), for ten cents each way, a rate less than one cent per mile. The rates on all other passenger trains running during the day or night will be 1 1/2 cents per mile first class, and 1 cent per mile second class.

A good school is about to be opened in the Peninsula, in the fine, large, new school-house erected by Mr. J. T. Waterhouse. Residents living at Pearl City heights, (above Pearl City station) and those having homes on the Peninsula, will be allowed to ride free on regular trains between Pearl City stations to and from the Peninsula.

Those who want to continue to send their children to schools in Honolulu, can have transportation on all regular trains to and from Pearl City, for the purpose of attending school, at five cents each way for each pupil. This is equal to 24 to 26 miles ride for ten cents.

Equal inducements for those desiring to secure homes in this country have never before been offered to the public.

This Company has been requested from abroad to name the price of all their land sold in that locality.

Should a clearance sale be made to a syndicate, no opportunity like the present would again occur for the purchase of homes at Pearl City.

"A Word to the Wise is Sufficient."

OAHU RAILWAY & LAND CO.

B. F. DILLINGHAM,

General Manager.

TO GET A MILLION.

More Wealth for Chicago University from Rich Men.

Mr. Rockefeller will have to give his promised \$500,000 to Chicago University, says a late Chicago despatch. When he made the donation it was on condition that the university trustees should raise \$350,000 by to-day to round out an even million.

His offer came at a time when money was fearfully tight, but Martin A. Ryerson said he would give \$100,000. That left \$250,000 to be raised. The trustees worked with nearly everybody who was suspected of having a large bank account, but still the donations came slowly and in small sums.

On Friday the trustees had all except \$12,500, and where to get that and so make sure of the million was a tough question. Finally Mr. Ryerson, Charles Hutchinson and Fred W. Peck, who had been soliciting for the fund, telegraphed to Silas B. Cobb, who is at his home at La Grange, Geneva, and explained the situation.

This morning Mr. Cobb sent a despatch saying he would give \$15,000. That settled the whole million. Mr. Rockefeller will be notified that \$350,000 has been pledged, and another of those big checks he has been sending to the university trustees will speedily follow.

Girls of the Right Sort.

"My daughter, unless you can work the ship off the coast, she will soon strike the rocks, and we shall all be lost."

So said the captain of a fine merchant vessel to his daughter. He was right; it was their only chance. The bark *Anina*, 700 tons, was bound from Cuzhaven to Rio with a general cargo. She had scarcely left port when the captain was disabled by a broken leg. A mutiny followed.

Under threat of bad weather the *Anina* anchored in a night of a bay on the dangerous coast of Cornwall. Here the officers and all of the crew deserted. A furious cyclonic southwest gale arose. The anchors dragged, and the girl burned a flare on deck. The lifeboat responded, but was staved against the ship's side by a sea. All the boat's crew were lost except the coxswain who gained the deck. He was not a sailor, yet, with his alone under her orders, this girl, who was a sailor, cut both cables, set some head-sail, and got out into the open. It was touch and go, but true grit won. Three weeks longer the girl commanded before help came. Yet it did come finally, and so did the wedding of the handsome young coxswain and the captain's beautiful and heroic daughter.

And yet there are some fools left who say we must look to men chiefly for courage and intelligence. Stupid and nonsense! Any woman will scream when she sees a mouse (that's more nerves), and ten minutes later she will meet disaster or death with a quiet smile. Then, too, women have a genius for throwing in a suggestion exactly when it is wanted.

A man writes this way:—"I came home dejected," so he goes on, "and didn't know what to do; but my daughter said—"

But wait a minute. Before we hear what his daughter said, let's have his story from the start, ship-shape and Bristol fashion. He says: "In December, 1890, I was suddenly taken one day with an excruciating pain in the pit of the stomach and in the right side. For twelve hours I could neither sit nor lie down. The medical man who examined me gave me some medicine, but on the second day jaundice set in, and from that time I suffered from a similar attack about once every three weeks. Every remedy was tried without avail; nothing did the slightest good. The kidney secretion was something frightful, being a mass of matter, blood, and bile."

"This continued five months, and I grew weaker and thinner every day. My friends thought nothing could save me. Many urged me to have further advice, as at this time the secretions were much worse, and the motions resembled white clay. Another attack came on, and as I was daily getting worse, I said, 'I will see the doctor first, and if he can do me no good, I will seek further medical help.'"

"Accordingly I went to see him, but he was from home, and would not return until late at night. I came home dejected and did not know what to do, but my daughter said, 'Why don't you try Mother Seigel's Curative Syrup? We hear it has cured so many. If it does you no good, it will do no harm.' 'Well,' I said to her, 'I will try a bottle.'"

"I then began to take it, and oh! how thankful I afterwards was, for on the third day I could see such a change. The secretion, instead of being nothing but corruption, became clear, and the motions a healthy color. From that time I daily gained health and strength, and in a short time I was as well as ever in my life, and have had no return of the disease."

"I can, therefore, speak of this medicine in the highest terms, for, under God's blessing, it cured me when nothing else had the slightest effect."

The above communication is from a business man of high character in the county of Brecon. For special reasons he desires his name to be withheld for the present, but we freely pledge our own reputation to the truth of his statement. The date is February 12, 1892.

The attacks which would probably have soon ended his life were of severe kidney and liver congestion, growing out of profound indigestion and dyspepsia. His system was flooded with bile acid poisons, and he may thank Heaven for having a daughter who made the right suggestion at a critical moment. In courage and good sense she is like the other noble girl who saved her father's ship from wreck while he lay helpless in his cabin. Success attend them in their own life voyages, say we.

Mr. Geo. E. Boardman is authorized collector for Hollister & Co.

LUCOL :-

IS THE

BEST PAINT OIL!

The following testimonial has been received from a prominent plantation owner and manager:

HONOLULU, H. I., May 29, 1894.
PACIFIC HARDWARE CO. L'D, Honolulu.

You ask my opinion of Lucol as a Paint Oil.

I have experimented with Lucol Oil for outside and inside work, also on iron work, painting my vacuum pans, machinery and centrifugals, with it and the result has been most satisfactory. It dries harder, makes a better finish, goes farther and is more satisfactory in every way than linseed oil.

Certain paint work which was always sticky with linseed oil, dried hard when Lucol Oil was used.

Yours truly, A. C. DENNIS.

Direction for Use.

Use LUCOL in every respect in the same manner as you would linseed oil, with the single exception that you may add fully one-quarter more LUCOL to the same quantity of pigment than you would of linseed.

In using metallic, Venetian red, the ochres, and other dry pigments, it is advisable to mix up the paint at least one day before it is to be used, then add a third more LUCOL, and the paint will be found to cover well and have a good gloss.

NEVER USE JAPANS.

Where hard surfaces such as floors, steps, etc., are required use Litharge only, never use Japans.

LUCOL MIXES WITH VARNISHES

and assists their working and improves their appearance BUT THEY SHOULD BE USED SAME DAY THEY ARE MIXED, otherwise the gum of the varnish may be precipitated or the mixture curdled.

The addition of from 1/4 to 1/2 of LUCOL to varnishes does not reduce their lustre nor retard their hardening and drying and it prevents their cracking.
