Edict For Destruction Of All Foreigners

Shanghai, July 16.—There are no details of the massacre in Peking, but the Chinese authorities, having given out the information and being alarmed at the effect it has produced, are attempting to deny or minimize it. No reliance whatever need be placed on this further evidence of their duplicity and unreliability. The object of these so-called friendly offices is to gain time.

The most serious development of the situation is that Chinese official sources indicate that the Boxers have been advised to come south and that they intend to make Ching Hang Po, at the head of the Grand canal, their objective point. Five regiments have started for that place with the idea of gathering recruits on the way.

This is likely to be the beginning of a big movement directed against foreigners in the central and south of China.

An Imperial edict dated July 3 has just been received by the Viceroy and Governors, ordering them to begin war against foreigners without delay, declaring officers of all rank who refuse to obey the edict will be summarily executed.

"American" Launched From Roach Yards

New York, July 13.—The steamship American, built for the American-Hawaiian Steamship Company, is to be launched tomorrow morning at Chester, Pa. A special train will carry a number of New York guests to the scene. The American is one of the fleet of six steamships to be put into the regular monthly service between New York and Honolulu as soon as they are completed. One of them, the Californian, was launched on the 12th of May last in San Francisco. The Union Iron Works is building another of the liners. One ship will be built by the New York Shipbuilding Company at Camden and the remaining three, including the American, by the John Roach Company at Chester. Four of the steamers are to be of 8500 tons and two of 11,500 tons. They are purely freight boats and will have no accommodations for passengers.

S. S. CALIFORNIAN NOW A TRANSPORT

Big Freighter Arrived
This Morning on Her
Maiden Trip.

OFF FOR PHILIPPINES
WITH CARGO OF STORES

Uncle Sam Made Arrangements on
July 10th to Take Over
the Boat for Transport
Service.

The big freighter Californian, one of the finest boats of her kind afloat, arrived in port this morning, a little less than 9 days from San Francisco. It was the intention of the American-Hawaiian Steamship Co., to which the Californian belongs, to send her north on her maiden trip, but on the 10th inst. the government suddenly made arrangements to charter her as a transport and she is now bound for the Philippines with a cargo of 5000 tons of government stores.

The officer of the Californian are as follows: Captain Harrison, commander; Frank Turner, First Officer; J. Blaine, Second Officer; H. Holmes, Third Officer; W. Chisholm, Chief Engineer; Robert Donaldson, First Assistant; George Laswell, Second Assistant, and M. Mackenzie, third assistant. The army men aboard are E. M. Huie, Quartermaster's Clerk, and A. J. Smith, Commissary Clerk.

Captain George D. Harrison is an old salt who has for many years commanded sailing vessels plying between New York and ports on the Pacific Coast. This is the very first trip the captain has made as commander of a steamship.

Frank Turner, the competent first officer, was last on the Transport Valencia in the same capacity. Previous to that he was third officer on the China. Mr. Turner has many warm friends in Honolulu, several of whom gave him a hearty welcome as he stood at the bow of the Californian this morning when she hauled alongside the Navy dock.

W. Chisholm, the chief engineer and Robert Donaldson, his first assistant, were both here in the Transport Senator. George Laswell, the second assistant, was for a long time on the Australia. Quartermaster Clerk Huie was formerly on the Morgan City.

The Californian was recently launched from the Union Iron Works and is intended for trade between New York, San Francisco and Hawaii. Her length over all is 435 feet, breadth 51 feet, depth 30 feet, gross tonnage 4597 and she has a carrying capacity of 8500 tons. Never has a more handsomely fitted up freighter ever entered this port. She cost in the neighborhood of \$500,000.

The trial trip of the Californian was made on the morning of the 17th, the day of her sailing for this port. There was not a single hitch and the freighter developed a speed of 11 knots. Directly after the trial trip she sailed for Honolulu, keeping at full speed until yesterday at noon when Captain Harrison decided to slow down in order to obviate arriving at night time. Had she kept up her speed she would have been outside at midnight last night. The Californian averaged 10 1/2 knots on the trip, an exceedingly good record for a freighter.

When the big freighter sailed from San Francisco, the Union Iron Works people were laying the keel for the Alaskan, another boat of the same kind for the same company, but of greater dimensions. The American, Oregon and Hawaiian are now being built in New York. These boats are also for the American-Hawaiian Line.

The Californian will sail tomorrow or next day.

FOURTH OF JULY.
A great number of Hawaiian and American flags can be gotten in Iwakami's store, Hotel street.

CHAPTER OF HORRORS ENACTED IN PEKING

American Minister and All Members of Legations
Murdered in Cold Blood—Husbands and Fathers
Shoot Wives and Children to Save Them
From Torture by Chinese
Hordes.

London, July 19, 4 a. m.—While evidence accumulates daily that China has long been preparing a formidable military organization in anticipation of the present conflict and that the area of the rebellion is continuously extending, harmony among the allies, which is necessary to meet such a grave situation, is deplorably lacking. The Russians have refused Admiral Seymour's request to hand over the restored Taku-Tien Tsin Railway to the English company, and it is rumored that Germany purposes taking a serious independent step, namely, to patrol the Yangtze Kiang with men-of-war. Such a step would be greatly resented by England.

Still more alarming news has been conveyed to the Daily Express from Tokyo, to the effect that the apparent reluctance of Germany and Russia to consent to a Japanese commander for the army corps has led the Japanese Government to delay the forwarding of the division already mobilized.

The Standard, in an alarmist editorial, says: "It is useless any longer to hide from ourselves the fact that China has declared war on civilization, and has plunged into the conflict with rabid frenzy. It is equally futile to discuss whether hostilities are being waged by the Chinese Government, inasmuch as it is evident that in addition to some kind exists and is directing the anti-foreign movement. Unless unmistakable evidence exculpating the Peking Government is promptly forthcoming, the powers should treat China as a belligerent state and act accordingly."

A similar line of comment is taken by the other morning papers. All applaud the course of Count von Buelow, the German Foreign Secretary, in stopping cipher telegrams from the Chinese Legation in Berlin, and all urge the other powers to follow Germany's example.

The Russian general staff denies the report that the Chinese captured Blagoveshensk, capital of the province of Amur, and it is rumored from Irkutsk that the Russians have taken Aigun.

The first Boxer proclamation has made its appearance in Shanghai. It declares that Kwan, the war god, desires the blood of foreigners and threatens ten plagues if the Boxer tenets are not followed and spread. The Governors of the province of Hunan, Hupeh and Honan have now openly joined Prince Tuan and are marching overland with their armies to Peking.

The German relief column sent into the interior of the province of Shantung to endeavor to rescue a party of thirty missionaries, German, American and English, has returned without having obtained any tidings of their whereabouts, and it is feared that all have been slain.

General War Mooted.

New York, July 18.—A World cable from London, July 19th, says: Russia is preparing to make a descent on China from Manchuria. She is massing there a great army of Cossacks and is using the Siberian Railway exclusively for military operations. An army of 200,000 Russians may invade China from the north by the 1st of August. This step makes a clash of nations in China possible. England has already withdrawn Admiral Seymour from the command of the allied foreign land forces at Tien Tsin because his services are needed in command of England's fleet. The Russian Admiral, Alexieff, who is, next to Seymour, the highest in rank of all foreign officers, succeeds Seymour as chief of the land forces.

Present international sympathies seem to make this alignment: United States, England and Japan against Russia, Germany and France. British statesmen and newspapers discredit the report that China has invaded Russian territory. China could not declare war against Russia. The Chinese attack on a Russian Manchuria settlement, Amur, yesterday is regarded as merely an extension of the Boxer movement. But the possibility of a detached hostility between Russia and China is a consideration of the gravest possible complications, bringing Russia to the front among the aggrieved powers with special ultimate claims for compensation. Russia is even suspected of provoking the hostilities to entitle her to the most injured nation treatment when the settlement comes.

Internationals Lose Heavily.
London, July 16.—The Evening News prints a despatch dated at Shanghai to

day giving a detailed account of the attack of the allied forces on the native city of Tien Tsin, as reported in the despatch to the Associated Press dated Tien Tsin, July 13, via Chefoo, July 15, and Shanghai, July 16. According to the Evening News' despatch the allies were repulsed and compelled to retreat with the loss of more than a hundred killed, the British losing forty and the Japanese sixty. The Americans and Russians, it is added, also suffered heavily. Among the Americans killed was Colonel Liscum of the Ninth Infantry. A Russian colonel of artillery was also killed.

The despatch adds that the Chinese fought with great desperation and their marksmanship was accurate and deadly.

News of Defeat Confirmed.

Washington, July 16.—The Navy Department this morning received official confirmation from Admiral Remy of the reverse of the allied forces at Tien Tsin on the morning of July 13. The despatch is dated Chefoo, July 15, and it says:

"It is reported that the allied forces attacked the native city on the morning of July 13, the Russians on the right, with the Ninth Infantry, and the marines on the left. The losses of the allied forces were large—the Russians 100, including the artillery; Americans, over 20; British, over 40; Japanese, 58, including their colonel; the French, 25. Colonel Emerson H. Liscum, Ninth Infantry, was killed, and Captain Davis of the United States Marine Corps, Captain Leary and Lieutenant Butler and Leonard were wounded. At 7 in the evening the allied attack on the native city was repulsed with great loss. Returns are yet incomplete; details not confirmed."

"REMEY."

Europeans Were Massacred.

London, July 16.—This despatch from its special correspondent is published by the Daily Mail:

"Shanghai, Sunday night (urgent).—I deeply regret to have to confirm absolutely and fully the announcement which I cabled on Friday to the effect that the legations in Peking were destroyed on the night of July 6-7 and all British and Europeans were massacred. Further official Chinese messages, one from the Governor of Shantung, were received here yesterday and Saturday confirming the dread tidings."

Killed Wives to Save Them.

New York, July 16.—A special despatch to the Journal from Shanghai, giving details of the massacre of the foreign Ministers in Peking, says:

"After having been repeatedly repulsed by the foreigners, Prince Tuan made a night attack July 6 and finally battered down the walls. The foreigners, when defeat seemed certain, killed the women and children so that they might not meet a worse fate at the hands of the fiendish Boxers. They first formed a hollow square with the women and children in the center, and tried to fight their way out to the gates. It was impossible."

"Those of the guard who were not shot down were roasted to death in the building, which the Chinese burned. After finishing the butchery of the foreigners the Boxers and Imperial troops set upon the native Christians, and all were put to death after the most horrible tortures."

The bark Mauna Ala from Honolulu, arrived in San Francisco from this port, July 16. The schooner John G. North from Honolulu arrived the same day.

Rally Postponed, Delegates Not Here

The Republican delegates did not arrive by the Rio this noon and the ratification this evening will be postponed till their arrival in the Australia next week.

Early this morning it was decided that the meeting and procession would be postponed on account of the horrible news received of the murder of members of European and American legations in Peking.

The reception committee, however, prepared to receive the delegates and went out in Larsen's launch only to find that John Wise and John D. Holt the Democratic representatives were the only delegates on board. The committee gave them a cheer and turned their launch toward the wharf. The Republican delegates will be here on the Australia.

Allied Forces Go Down in Defeat

Tien Tsin, July 13 (via Chefoo, July 15 and Shanghai, July 16).—At 12 o'clock this afternoon 7,000 of the allied troops were attempting to storm the wall of the city. The attack began at daylight. Its success is doubtful. The Chinese on the walls are estimated conservatively at 20,000. They are pouring a terrific hail of artillery, rifle and machine gun fire upon the attackers. The Americans, Japanese, British and French troops are attacking from the west and the Russians from the east.

The Americans suffered terribly. As the Associated Press representative left the field the chief surgeon of the Ninth Infantry said a conservative estimate was that 25 per cent of the Americans were hit. Colonel William H. Liscum is reported to have been mortally wounded as he was walking in front of his troops. Major Regan and Captains Bookmiller, Wilcox and Noyes are among the wounded.

The marines' losses included Captain Davis killed and Butler, Leonard and several others wounded. Officers declared that it was hotter than Santiago. When the correspondent left the Americans were lying in the plain between the wall and the river, under an enfilading and direct fire. It was equally difficult for them to advance or retire. The correspondent counted 300 wounded men of all nationalities.

Washington, July 16.—The officers of the United States Marine Corps mentioned in the foregoing dispatch are probably Captain Austin R. Davis, recently at Manila, killed, and First Lieutenant Smedley D. Butler of the United States vessel Newark and First Lieutenant Henry Leonard, recently on duty at Cavite and also of the Newark, wounded. It is stated at the War Department that no such person as Captain Wilcox, who was reported wounded, is in the Ninth Infantry. The officials here think it might be Major Wallace of the Ninth.

Diabolical Proposals Rejected.

London, July 19.—The Shanghai correspondent of the Daily Express asserts that when the question of an alliance between China and Japan was under consideration last autumn the Empress Dowager sent a commissioner to Tokio with secret proposals to the Mikado, having the object of destroying all European and American influence in both China and Japan, the wholesale massacre of foreigners and the division of the whole of Eastern Asia from Burma to Siberia between China and Japan.

The Democratic delegates, Holt and Wise, were driven up Fort street in a decorated wagonette, accompanied by members of the Territorial Central Committee. Col. C. J. McCarthy was shouting "16 to 1."

Many a man who does not know how to dance can do a quickstep in time of danger.

RALLY POSTPONED

Owing to the sad news received by the Transport "Californian" of the murder of the AMERICAN MINISTER in Peking and members of all foreign legations, the REPUBLICAN RATIFICATION MEETING and TORCHLIGHT PROCESSION for this evening

Is Postponed

till further notice.

GEORGE W. SMITH,
Chairman Territorial Committee.

Hope for Americans In Peking Abandoned

Washington, July 14.—Practically all hope that the Americans who were shut up in Peking are alive has been abandoned by administration officials. While not a word has been received from Peking that can be considered absolutely trustworthy, everything that comes from Chinese sources tends to show that a massacre has taken place. The only official cablegram received today was a short dispatch from Consul General Goodnow at Shanghai stating that the Governors of Honan and Shansi had issued a proclamation favorable to the Boxers. This is regarded as a very discouraging news, as it indicates that two of the powerful provincial Governors of China are inclined to side with the rioters. The province of Shansi lies directly west of the province of Chihli, in which Peking is located, and Honan adjoins it on the south. The two provinces together have an area of about 125,000 square miles and a combined population of about 35,000,000. By the Governors of such important provinces siding with the Boxers, the opposition of the allied powers is greatly strengthened.

A dispatch received last week from Consul General Goodnow foreshadowed this spreading of the rebellion. He said that delay in the advance of the allies on Peking would make it difficult to prevent the trouble reaching other provinces and Southern China.

Collector Haywood Knew Some Victims

William Haywood, Collector of Internal Revenue, was well acquainted with Minister Conger, Baron Kettler and others massacred in Peking. Mrs. Haywood writes from Washington that a young lady friend belonging to the capital was visiting Minister Conger, and her friends have given her up as among the victims of Chinese murderous rage.

Orpheum Opens Saturday.

The Orpheum theater, which has been closed since the opera season, will reopen its doors with a first class vaudeville performance Saturday evening, July 28.

A portion of the star performers of the MacAdoo Minstrel Company which crowded the opera house at a matinee performance about a year ago, and who were en route home to the Mainland, have been induced by the management of the Orpheum theater to remain over here. The performance will be strictly high class in every respect. Allan Dunn has specially prepared a neat skit as a curtain raiser. Other well known local talent will also be identified as well as some well known amateurs.

Reserved seat tickets were placed on sale at the box office this morning and by the demand a full house is practically assured.

City of Peking.

The story to the effect that the Peking will be three days late from the Orient finds no confirmation at the office of the agents. H. A. Iamberg stated this morning that no advice had been received by the agents and that, until the Rio de Janeiro arrived, nothing could be learned.

McGOVERN CHAMPION.

New York, July 16.—Tonight, in the
presence of 14,000 persons in Madison
Square Garden, Terry McGovern of
Brooklyn defeated Frank Erne of Buf-
falo, the lightweight champion of the
world in three rounds. It was a hurri-
cane fight from bell to bell, without a
second's let up except when one of the
contestants was lying on the floor of
the ring. McGovern used the tactics
he said he would. He rushed in on
Erne at the beginning and sent right
and left in such quick succession that
Erne, fast as he is, was nonplussed.
Erne was undoubtedly the cleverer of
the two, but his cleverness availed him
nothing against the bulldog rushes and
fiery attacks of the little feather-weight
champion.

Then again when kept clean

THURSDAY, JULY 26, 1900.

FOR PRESIDENT,
WM. MCKINLEY.
FOR VICE-PRESIDENT,
THEO. ROOSEVELT.

He laughs best who laughs last. The failure of the Republican delegates to arrive will only make their greeting when they finally do set foot on the Territory of Hawaii more enthusiastic and the rally a more unanimous jubilation.

CHINA IS DOOMED.

China has at last carried her barbaric warfare to the point that has brought the whole civilized world down upon her with a universal demand for revenge. Although members of the Legations at Peking early in the Boxer outbreak warned friends to prepare for the worst, the world has not prepared for the visitation of horrors which the weak and halting "government" at Peking has been powerless to prevent.

The nations are not at war with China because that conglomeration of ancient barbarism has no longer the standing of a nation. It has become merely a chaotic mass of anti-foreign hatred, fiendish wolves which eat over and tear limb from limb the bleeding carcasses though it be in the form of a human being.

There is one line of action and one alone for civilized nations to pursue. China must and will be reduced to that state where human life, at least that which represents the power and honor nations in a friendly court, will be protected at all hazards. If present Chinese rule is not doomed to destruction, civilization is a sham and the powers of the globe have neither dignity of character nor honesty of purpose.

BIDS FOR PACIFIC CABLE.

London, July 12.—In the House of Commons today the Secretary of State for the Colonies, Mr. Chamberlain, announced that tenders for laying the Pacific cable will be invited immediately the Government of Canada and the various colonial governments interested having accepted the recommendations of the committee.

Republican Clubs Meet.

St. Paul, July 15.—All is in readiness for the calling tomorrow at 10 o'clock of the national conference of Republican clubs. Between 1500 and 1800 delegates will be present. The sessions will be held in the Auditorium. Governor Roosevelt will arrive early tomorrow morning and is booked for an introduction at the opening session. Colonel George Stone of California, president of the league, will call the evening session to order. United States Senator Davis will preside and will make the address of welcome to the guest of the evening, Governor Roosevelt of New York. The Governor's reply is expected to be the future of the convention.

Colonel Stone says he will not accept a reelection. Isaac Miller Hamilton of Chicago probably will be chosen president in his place.

More Troops Wanted.

Manila, July 12.—"More soldiers" is the demand which is coming to General MacArthur from every department of the Islands. Recent events have worked to vindicate General Lawton's judgment that 100,000 troops would be needed to establish American sovereignty over the Philippines. Until they attempted to hold provinces of 200,000 or 300,000 hostile people with a regiment or two the American commanders hardly realized the size of the Philippine Islands.

Warships to Taku.

Washington, July 15.—Admiral Remey has ordered the Buffalo, now at Colombo, Ceylon, to proceed to Taku. The trip will take three weeks. She has on board about 400 fresh men to augment the naval forces now in China. The Princeton has sailed from Hongkong to Amoy. She has been going from port to port along the Chinese coast, displaying the American flag and looking after American interests.

Macabebe Cavalry.

Manila, July 10.—The military authorities have ordered the formation of four troops of native cavalry, to be recruited from the Macabebes, and offered by Americans. Major Batson, the originator of the idea of employing the Macabebe tribesmen as American scouts, is to be commander of the new squadron of Filipino horse.

Gets Clean Discharge.

J. Pierce, who was written up in other papers as having been arrested for immoral soliciting, was discharged without having to put on any defense in the District Court. There was simply no case against him.

PARKER WAS ON HAND

WM. MCKINLEY FORMALLY
NOTIFIED OF NOMINATION

President Speaks Forcefully for
Maintaining Integrity of Na-
tion -- Compliment to
Hawaii.

Canton, Ohio, July 12.—William McKinley was today officially notified of his second nomination by the Republican party for the highest office in the gift of the Republic. There was enthusiasm and to spare, and to many of the pointed utterances of both Senator Lodge and the President, hearty and cordial approval was shown.

Important features of the speech of notification by Senator Lodge and the response by President McKinley were the references to the Chinese situation. This caused a great deal of discussion during the conferences following the formal speech making, and the impression created was that these utterances were a notification to the world that the United States intended to preserve all its rights in China. The most impressive parts of the President's speech were his reference to the maintenance of the gold standard and the financial public faith, the preservation of a protective tariff, the enlargement of our market, especially the phrase "prosperity at home and prestige abroad."

When he asked, "Shall we go back to the tariff of four years ago?" there were shouts of "No, no!" from every part of the audience. Another prolonged cheer greeted his words relative to the maintenance of our authority in the Philippines.

While the speech of the President closed the formal notification, other speakers were called for. Senator Fairbanks of Indiana, Senator Hanna, chairman of the National Committee; Charles E. Smith, Postmaster General; Colonel Samuel Parker of Hawaii and Senator Lodge were heard. These speakers, with the exception of Colonel Parker, who was called out of compliment to the Pacific Islands, took occasion to refer to the recent action of the Democratic National Convention in Kansas City.

Roosevelt Notified.

Oyster Bay, L. I., July 12.—On the breeze swept veranda of Sagamore, his country home, Governor Roosevelt today was officially notified of his nomination for Vice President on the Republican National ticket. Surrounded by the members of the committee on notification, a little party of invited guests, Mrs. Roosevelt and the rest of the Governor's family, Governor Roosevelt listened to the address of notification by Senator Wolcott of Colorado, chairman of the committee.

WAS BOILED ALIVE

Chicago, July 14.—The Record this (Saturday) morning prints the following special cable:

"St. Petersburg, July 11 (via Paris, July 13).—The Czar has received with great emotion the dreadful details of the catastrophe at Peking from Admiral Alexeyeff at Port Arthur, confirming the horrible details of the assassination of M. de Giers, the Russian Minister to Peking.

The Admiral declares that the Russian Envoy was dragged through the streets by the Boxers, insulted, beaten and tortured, and even thrown in to a great kettle and boiled to death. Then the remains were thrown to the dogs. Mme. de Giers, Admiral Alexeyeff's wife, declared, suffered a fate worse than death, and was beaten and tortured with sharp sticks until life extinct. The legation officers are said to have been tortured fiendishly until death ended their sufferings.

M. de Giers and his legation officials resisted desperately, and his brave bodyguard killed many of the attacking mob. In the midst of his tortures the Envoy is said to have heroically proclaimed his faith in Christianity, encouraged by the wife who so soon shared his martyrdom.

CIRCUIT COURT NOTES

Kinney, Ballou & McClanahan for defendants have given notice to Gear & Davis for plaintiff, of motion for an alias commission to some proper person in place of Chas. T. Wilder, who has left San Francisco for an extensive tour, to take the testimony of Sarah A. Berger in her suit to set aside a deed against Chas. W. Booth and Charles S. Desky.

J. M. Monsarrat, guardian of Marion Comly Dowsett, minor, petitions for an allowance of accounts and discharge, alleging that the ward has come of age.

Judge Humphreys heard argument this morning in the Kamalo Sugar Co. controversy relative to the compensation the promoters took out of the assessments, which certain of the stockholders claim should be reimbursed to the company's treasury as having been excessive and illegal.

Mrs. Lawton's Gift.

Louisville, Ky., July 16.—Mrs. Mary Lawton, widow of the late General Lawton, today purchased \$100 worth of books to be sent to Mrs. Liscum at Manila when she heard of Colonel Lawton's death in China. Mrs. Lawton was greatly shocked by the news.

Boers Capture Guns and Garrison
at Ntatal's Nek—News Gives
Set Back to Promise of
Speedy Close of War

London, July 12.—Lord Roberts re-
ports to the War Office under date of
Pretoria, July 12th, as follows: "The
enemy having failed in their attack
upon our right rear, as mentioned in
my telegram of July 9th, made a de-
termined attack upon our right flank
yesterday, and I regret to say, suc-
ceeded in capturing Ntatal's Nek, which
was garrisoned by a squadron of the
Scots Greys with two guns of A Battery
of the Royal Artillery and five com-
panies of the Lincolnshire regiment.
The enemy attacked in superior num-
bers at dawn, and seizing the hills
commanding the nek, brought a heavy
gun fire to bear upon the small garri-
son.

"Ntatal's Nek is about eighteen miles
from here, near where the road crosses
the Crocodile river. It was held by
us in order to maintain road and tele-
graphic communication with Rusten-
burg. The fighting lasted more or less
throughout the day, and immediately
on receiving information this morning
of the enemy's strength I despatched
reinforcements from here under Col-
onel Godfrey of the King's Own Scot-
tish Borderers. Before, however, they
reached the spot the garrison had been
overpowered, the guns and a greater
portion of the squadron of the Greys
had been captured, owing to the horses
being shot, also about ninety men of
the Lincoln Regiment. A list of the
casualties has not been received, but
I fear they are heavy.

"Simultaneously an attack was made
on our outposts near Durdepot, north
of the town, in which the Seventh
Dragoons were engaged. The regiment
was handled with considerable skill
by Lieutenant Colonel Low, and sent
the enemy in check until they retired
on their supports, and would probably
have suffered but slight loss had not
our troops mistaken some Boers in
the bushes for our own men.

"Smith-Dorrien had a small engage-
ment with the enemy yesterday near
Krugersdorp and inflicted heavy loss
on them.
"Buller reports that the Boers who
were destroying his line of railway
near Paardekraal were driven off yester-
day after a short action.

"Hart reports from Hendenburg that
the surrendering of Boer arms and am-
munition continues in that district."

May Capture Pretoria.
London, July 13.—Lord Roberts' dis-
patch reporting still another unfor-
tunate occurrence throws a serious
light upon the state of affairs in South
Africa. There has been some comment
recently regarding the virtual absence
of progress by the immense army under
command of Lord Roberts, but few
could have been found to believe that
the scattered Boers were able to in-
flict such a defeat so near Pretoria.

Instead of the surrender of all the
remaining Boers being imminent, as
recent telegrams had hinted, it seems
they have been making a concerted at-
tempt to surround or recapture Pre-
toria with so much success that in the
region which was supposed to be pac-
ified, and in which no attack was ex-
pected, they succeeded in inflicting a
serious defeat and capturing two guns
and some 200 men. It is evident that
General Buller has a considerable force,
as he is able to press Lord Roberts'
hills at a half dozen points around
Pretoria, from the springs to the south-
east of the city, northward to Middle-
burg and Durdepot, and thence
southward to Ntatal's Nek and Krug-
ersdorp.

Lord Roberts omits to give the name
of the commander concerned, giving
rise to the belief that war remains to
be told.

Growth of a Century.
There were but 5,300,000 people in
America when this century opened.
France had five times as many people;
Germany and even Austria, had four
times America's population; Italy had
three times as many, and so had Great
Britain. Even Spain had double our
number of people, and little Portugal
was almost our rival in numbers. We
have more people now than any Euro-
pean nation except Russia, which alone
leads us.

The chances are that both vessels will leave for the Orient on August 1, while the Warren will go out under rush orders probably a week later. The big whaleback Universe has been chartered, and she will be put in commission as soon as her cargo of coal is out. She will carry provisions to Hongkong.

ACCIDENT TO PFLUGER.

Santa Barbara, Cal., July 16.—About 6 o'clock this morning the German bark J. C. Pfluger was towed into this port by a steam schooner. In a disabled condition, having lost both her mizzen and main masts. A telegram was sent to San Francisco ordering a tug to have her taken back to that place for repairs. The Pfluger cleared from San Francisco for Queens-town, Ireland, with flour. She had just passed the Farallones when a most peculiar accident happened. About 5 o'clock in the morning, with only a fair breeze blowing, the crew was surprised to see the main mast suddenly torn from the vessel and the mizzen mast snapped off. The wind which caused the damage was scarcely felt on the deck, and the supposition is that it came in the shape of a whirl wind and did not reach the deck of the ship.

With the use of the fore sail only and with the wind in a southerly direction the bark was sailed in toward the coast and early this morning was picked up near Goleta by a steam schooner and towed in to this port. It will probably be a day or two before the tug arrives to tow her back north. Aside from the loss of the masts and rigging the vessel is perfectly sound.

ATLANTIC RECORD.

New York, July 12.—The new express steamer Deutschland of the Hamburg American line arrived today from Hamburg, Cherbourg and Plymouth in the record time from the latter port of 5 days, 15 hours and 46 minutes, a distance of 3014 knots at an average of 22.42 knots per hour. The distance is six knots shorter than the distance made by the Kaiser Wilhelm der Grosse in November, 1899, when she made her best record of 5 days, 17 hours 37 minutes at an average speed of 22.19. This is the fastest initial trip over the Kaiser Wilhelm der Grosse was made in 5 days, 22 hours and 35 minutes over a distance of 3050 knots.
