TO THE

HAWAII HISTORICAL REVIEW

VOLUME II

OCTOBER, 1965 TO JULY, 1968

by

Laurence Goldstein

Honolulu, Hawaii
December, 1975
Note: Volume II, no. 4 (July, 1966) is paged 311 to 335. Volume II, No. 5 (October, 1966) is paged 316 to 336. Thus, the index contains citations under different subjects for both of these page sequences. It may be necessary when referring to these pages to check both issues if your material is not readily apparent where you first look.

Names with parenthetical portions have been verified in sources outside of the Hawaii Historical Review. Thus, a citation to

Carter, Judge A(lfred) W(ellington)

will be found in the Review as Judge A.W. Carter. I have tried to give as complete a citation as possible, using other sources of Hawaiian history for verification.
