# PUKA PUKA CARNIVAL PARADE

This issue is the Carnival Parade. Every little help, every little bit by every little member---these things when added up will measure the success of the carnival.

Here's one way you can still help. If you are one of those who merely bought your \$20.00 worth of scrips for your own use, it's not too late to be of help.

To really make money, we have to extend the patronage to as many people as possible---not just club members. Therefore, if you haven't sold any scrip to your neighbors, friends and relatives, do so now. Even if it's just a couple of dollars worth, they'll have to come to the carnival to use the scrip and that's what we want. We want them to come to the carnival.

So, don't keep your scrips. Sell them to as many people as possible and buy your own scrips at the carnival. You'll be doing your share in a healthy way.

After reading this issue, show this copy to your neighbors, your friends---tell them about the big carnival of Aug. 5 & 6 and COLLECT THE SCRIP MONEY.

CARNIVAL PLANNING COMMITTEES - These people have been planning Operations Club 100 Carnival for almost a year. The tremendous amount of time spent by this group is aptly proved by Hideo Kon who was caught by the camera as he tried to steal a quick nap. Left to right front Kuulei Taira, Clothing; Yoshiharu Nishida, Sales; Mits Fukuda, Carnival chairman; Naoji Yamagata, Personnel. Standing: Tad Ohta, Layout, Donald Nagasaki, Finance; Paul Shirai, Food; Tomeki Nishioka, Food; Jim Akamine, Publicity; Hideo Kon, Executive Secretary, and Tad Kanda Supply.

## FALL FASHION FESTIVAL

One of the outstanding features of the Carnival will be our "Fall Fashion Festival". Forecasts of autumn fashions in dress and footwear will be from the Ritz and Manufacturer's Shoe stores.

The Fashion Show committee, headed by Joy Teraoka, is working diligently in its endeavor to present a most exciting show. Besides the three charming matrons of Club 100 members, (Juanita Miyake, Helen Kanda, and Joy Teraoka) some of the most beautiful Island girls of different nationalities have been enlisted to parade the fashions before you.

Those whose names may well bring a whooping and approving whistle from the audiences are Ka Palapala queens Mayette Lum and Cora Dulay, TV celebrities Jean Sera and Betty Tsukiyama, Maureen Alba and Jean Hayashi Ariyoshi, U.H. Beauties, and a few of the 1955 Miss Hawaii finalists.

Appearing before the public for the first time are lovely teen-agers Carol Ota, (niece of Fundi Shirai) and Geraldine Niiyama (niece of Masato Kondo). There will also be children

modeling in professional style for the youngest in our audience!

During a 15-minute intermission, our Fashion Show will feature some of the Islands' outstanding dancers exhibiting the latest in either ballroom Mambo, Western Swing, or Samba. For a treat we promise other exciting talent--plus a bit of hilarity.

With all this in store for our carnival crowds, we know no one will dare miss this tremendous show!

The date and time: August 5, 8:00 PM; August 6 at 7:30 and again at 9:00. Admission price: Adults, 50¢, children, 30¢ scrip. SEE YOU THERE!

## COUNTRY STORE

A rummage sale type of booth with hardware and household goods of all kinds can be found at the Country Store.

Tools, screws & bolts, nails, hooks & hinges, garbage cans, carts, dishes, cups, pitchers, spoons & forks, knives, trays, ash trays, bowls, tumblers, canned goods, shoes, socks, toys and practically every odd and end you can think of might be found there.

If you have anything usable that you wish to donate, don't hesitate any longer. The clubhouse is a White Elephant and we're open for business. We'll accept anything.

## CARNIVAL RIDES AND GAMES

This isn't just a bazaar, no siree! Your youngsters will be enjoying every minute of the time at the carnival because there'll be rides and games.

Mike Tokunaga, in charge of the rides and games, assures that Wallace Yee will provide the following rides:

- Merry Go-Round (Daddy has to go too)
- Ferris Wheel (For the whole family)
- Trains (Just like the choo choo twain)
- Caterpillar (O-oh I'm not as young as I used to be)
- Rocket (Bring your space suit, Jr.)
- Live Ponies (Just like the assino in Italy and Africa)

There'll be games too, for instance ---  
 Baseball      Darts      Rifle range  
 Rings          Fishing      Pop Gun

## SPOT ENTERTAINMENT AND PRIZES

A stage is being set up in the center of the clubgrounds where surprise entertainment and lively and exciting activities are being planned by Eugene Kawakami.

There'll be give-away prizes, auction sales, mystifying acts, and other demonstrations.

A vegetable-centerpiece and corsage making demonstration by Mr. Charles Miyashiro of the Moana Hotel will be a feature. Vegetable-centerpiece art is the cutting and shaping of vegetables or fruit into various shapes like flowers, leaves, nets, etc. and with these composing beautiful table centerpiece arrangements. Mr. Miyashiro is an expert in this field, and has been featured in television.

The kids will also love the real Army equipment on view. So, if your troubles are "little ones", bring them along.

- Men's shirts Infants' wear
- Children's dresses
- Seed jewelry

Prices are not only reasonable - they're CHEAP!

WANTED: Club 100 members and wives to be "behind the ball".

You still haven't responded to the call for odds and ends: Hardware goods, tools you may not want any more, rummage clothing, shoes, belts, outgrown children's wear, canned goods, plants which you may not care for but which others would like to have, foodstuffs, a package of frankfurters maybe, anything and everything that we might possibly use. Clothes hangers, empty jars and cans, if you're in doubt, bring them over anyway, you'd be delighted to find out that we're glad to receive them. Nothing is too small, nothing is too cheap or expensive.

Also, there are "beaucoup" things to be done before and during the carnival. For instance, booths have to be constructed. Meat will have to be prepared for barbecuing. Pressing of clothing, marking, pricing, sorting and inventories, skilled labor, unskilled labor, men with a lot of wind to blow up balloons maybe---we couldn't even begin to tell you how much we need you.

Won't you come to the clubhouse any day or night and help?

This means YOU. We need YOUR KO-KUAL

## MOLTO MANGIARE!

Don't come to the Carnival with full stomachs! Let Paul Shirai and his "A Co. boys Food Specialists" fill you up with enough food for seven armies!

There's sushi of all kinds. Maki-sushi Inari-sushi, Bara-sushi, Tamago-sushi, Kapa-lama sushi, Waialae sushi, rice-sushi---you just name them and they'll fix you right up.

If you like hot dogs, this is the right place. Paul and his helpers are experienced connoisseurs of hot dogs. They campaigned at the Cherry Blossom Fireworks and at the 49th State Fair and they know exactly how hot the dogs should be.

Talk about dogs and calves, you should try their bar-b-q meat. It's a long way from Anzio and they know exactly how to treat the meat to give YOU a treat. Just to help you swallow tons of bar-b-q meat, they even have saimin.

Have you heard of their "flying saucers"? They're out of this world -- from Mars or some unknown planet, according to latrine rumors.

(Continued on page 7)

## THE BATTLE OF THE BULGE

Several Puka Puka men have been complaining that they've grown heavy around the waist these last few weeks. They've wondered why the wives weren't so strict about the diet, feeding them good, rich, delicious and irresistible pastry.

Well, the secret is out! The wives have been practising their baking for the Club 100 Carnival Bake Sale. Their baking must be good, judging by the number of Puka Puka casualties in the "battle of the bulge".

Doris Kawano heads the Bake committees. Cakes, pies, cookies, Danish pastry, brownies, nut-bread, coffee cakes of various types and shape will be available at the Baked Goods booth.

Candy, both commercial and home-made, mango seed and cracked seeds, honey, sweet-sour seed, tsukemono, takuwan, kim chee, and many others can be had in exchange for your scrips.

A Coffee Shop will provide coffee with or without doughnuts and other pastries.

This is one carnival nobody needs to go hungry.

## PLANT SALE

This is your opportunity to acquire the plants you like. If it's orchids, both seedlings and flowering plants you want, there are Vandas, Dendrobiums, Cattleyas, Epidendrums and others.

Anthuriums including pearl and other varieties, colored ti plants, Philodendron of various species, Monstera, Dieffenbachias, Heliconias including the dwarf variety, variegated ginger, Sandpapyrus, marble green, yellow and white bougainvillea, Papyrus, Azaleas, Plumerias including the Singapore, the Scott Pratt varieties, Tiare, Stephanotis vine, Hibiscus of all kinds, African Violets, Bird of Paradise, Ferns, Cactons of every hue and fruit trees, even papaya seedlings are among the plants for you to choose from.

If your wife likes to putter with plants, here's a tip which we will pass on to you. Avail yourself of this chance to buy her her favorite plants, and watch that beaming smile. As a matter of fact, buy her several and we guarantee you that every time it's a Club 100 stag party, she'll grant you that pass.

Shinya Namiki heads the Plant Sale.

## PET FISH

You won't go wrong buying tropical fishes for your youngster's aquarium.

They're inexpensive but they give hours of joy. They cost much less than a David Crockett outfit and besides, once you have an aquarium, it's no problem to get something for your youngster's birthday. Just buy him a little fish and the feed for the fish is so cheap, you'd wish you were a fish yourself.

There'll be Funa (goldfish), the calico telescopic goldfish, the black telescopic goldfish, the Lyukin (fantail) goldfish, the Angel fish, the Catfish, the Wagtail, and the Black Mollie besides others.

MOLTO MANGIARE! (Cont. from page 6)

So, after pau hana, come directly to the carnival. Your wife won't have to cook and you don't have to wash the dishes. Tell your neighbors and friends too, because we got molto mangiare!!
