FROM THE EDITORS' PUKA

By Ray and Aki Nosaka

WE WISH YOU A MERRY CHRISTMAS AND A HAPPY NEW YEAR!

A small but happy group of carolers spent Sunday afternoon (December 4th) visiting and singing for Club 100 members who are confined in various nursing homes. Those visited were; Haruo Hayakawa, (B) in Aloha Care Nursing Home in Kailua; Toshio Kokubon(HQ) and Toshiro Iwamoto, Beverly Manor; and Noboru Kaneko and Mildred Nishigaya, Hale Pulamaumau.

Some tears and some smiles of appreciation showed on the patients faces as we wished them a Merry Christmas.

The carolers, including the young grandchildren of Warren Iwai, all felt touched and were grateful for having this chance to share some Christmas cheer with those less fortunate in health than us. After returning to the clubhouse, we all participated in enjoying the fabulous food and the live music provided for the Sons & Daughters Christmas party.

Special thanks to Marie Yoneshige, Sarah and Karen Swisher, Ann and Eugene Carvalho, their children, Aimee and Danny, Louise Morikawa and Cindy Morikawa, Kumiko and Jonathan Nosaka (guitarist) and Ray and Aki Nosaka. We look forward to next year when we hope more of you will turn out for this joy sharing event.

MAHALO NUI LOA - The Editors would like to take this opportunity to sincerely thank all of the chapter reporters who so faithfully submit their news every month. We realize that it isn't always easy to do. In behalf of the members and the other readers, we wish to express our heartfelt appreciation for keeping this paper alive. Without you, there would not be a Puka Puka Parade. Also, we wish to thank all of you who come out every month to collate, especially Evelyn Oshiro and that special core of people who show up every month regardless of which chapter's turn it is to prepare the paper for mailing. THANK YOU VERY MUCH!

The Nosakas wish you all a very Blessed Christmas and a peaceful, healthy New Year!

MINI REUNION LAS VEGAS October 9 - 13, 1995

We've had many inquiries about the 1995 mini reunion.

The location will be the same FOUR QUEENS HOTEL AND CASINO

Good news! The second floor banquet room has been reserved for our use as our hospitality room. This means that we can all sit comfortably and renew old acquaintances without stepping on each others toes and being crowded into one corner of the room. Thank you, Kiyoshi Kami, for making the arrangements. From what we have heard, this reunion might draw a larger crowd than in the previous years, so be sure to send in your application form with deposit as soon as it comes out in the Puka Puka Parade. Watch for further information which will be passed on to you as soon as we get it!
The first organizational meeting of the Camp Shelby tour was held on Saturday, December 3rd. Members, wives, sons & daughters and some friends were in attendance.

The basic itinerary was presented --Camp Shelby Celebration 6/15 - 6/17, Camp McCoy, Sparta, LaCrosse, Ft Snelling, Minneapolis (largest shopping mall in the U.S), and Las Vegas. Everyone was invited to express his opinion or suggestions, and the following comments were received:

1. "I want to show my grandchildren where we lived (Ship Island in the Gulf of Mexico) and where we trained with dogs (Cat Island) before we were sent to Camp Shelby"
2. "As long as we are going that far, we want to go to the Smithsonian Institute in Wash. D.C.
3. "Forget about Las Vegas—we'd rather go to Washington D.C."
4. "Go to Camp Shelby just to see the place - not for the celebration"

By show of hands, it was unanimously decided that the itinerary be revised and to be presented at the next meeting in January, 1995. In an effort to comply to the wishes of those who attended the meeting, the new itinerary will tentatively look like this:

LEGACY COOKBOOK - MEMORIES

by Marie Yamashita

My Dad, the late Minoru Yamashita (Service Company 442nd RCT) was a cook during the war, (he later became a chef with the SpenceCliff Corporation). I was lucky enough to meet two of this close friends (who served with him) last year in Hilo. They are, Mitsuomi Tanaka and Shun Hatada. Mr. Tanaka was Master Sergeant for Supply, so it was really good to know him well. Mr. Hatada was in the kitchen with my dad. (He is the owner of Hatada Bakery in Hilo).

Mr. Tanaka told me a story of the time they had to cook for the company. My dad told him, "let's make meatloaf!". My dad told him to put ketchup on the top of the loaf before baking it. Mr. Tanaka was not sure that was a good idea. Don't worry, they'll eat it" said my dad. When it came for chow time, both wondered how the meatloaf would taste. No sooner than the first servings went out, they came back for seconds. What a relief!

Mr. Tanaka told me a lot of things that I probably forgot about that my dad told us of the war. I found out a lot of things that I never did hear about from my dad also. I heard that he was able to make shoyu out of the beef bouillon cubes. He needed it to make shoyu for the guys. Also he told Mr. Tanaka that the secret of making good fried chicken was soaking it in salt water before frying it. The flavor will go right through the chicken down to the bone.

They also tried making kalua pork in the duffle bags. Local guys will get hungry for food back home so they wanted to eat kalua pig. The only problem was that they had to be careful about the kind of rocks they put in the imu. The rocks there were porous and if they were too big, they would explode when heated. Wow, what a sight that would have been! Flying pig!!!

Another story that I remember is that one night the officer in charge had to pick about six men to carry ammunition to a certain area. My dad and Mr. Tanaka just missed the count, they were next in line. Anyway, the men who were picked got caught on the way. The Germans took them to a deserted town to rest, then the 442 men got an idea. Of course if they talked in English they would be found out; they spoke in Japanese. They planned to ambush the Germans when they weren't looking. As small as they were they were able to overcome their captors.

Everyone had to take turns on guard duty. My dad nor Mr. Tanaka had a rifle assigned to them but they were given one when it was their turn. They both decided to be together at the same post. What a pair? Shelling was going on and of course both of them were really scared. My dad had this little pouch that his mom gave him (omamori?). It contained a few rice grains. My dad said a little prayer and ate one of the grains. Mr. Tanaka asked for one for good luck too. So both of them huddled in the foxhole and prayed that nothing would happen to them. Then my dad had to do a #2! He used his helmet since there was nowhere else to go. He washed it out with the dirt and sand around them. (Now this is the best part). Later, they were able to go back in the building, but there was still shelling outside. Then it stopped. Then men were getting hungry so my dad said he would go out and try and get some food from the camp. Because there was nothing available to put the food in, he put it in his helmet. He came to the great relief to the others that they had some food. He hesitated a long time but hunger took over and what the heck, he was hungry!

These are just a few things that happened to my dad. He died eleven years ago this month. He is greatly missed by all of us. We will never hear anymore stories from him, only through his friends. I was lucky to find these friends who could help me keep my memories of my dad alive. Don't wait till it's too late to do anything about these stories. I envy all of you who still have your fathers. Take care of them!

RURAL CHAPTER CHATTER by Ted Hamasu
Rural Chapter held its meeting on 18 October, 1994 from 11:30am at the Westgate Shopping Center office with 20 members and wives attending. A slate of officers to serve for the coming year was presented to the membership and was unanimously approved. The officers elected were:

President Ted. M. Hamasu
Vice-President Harry Kamikawa
Secretary Walter Iwasa
Treasurer Susumu Ota
Auditors Jerry Yamaki
Ex Officio Michael Hamamoto

Tamotsu Shimizu was appointed chairman of the installation and New Years Banquet to be held at the Wahiawa Hongwanji on Sunday, 5 February, 1995, from 11 am. Our Sons and Daughters are invited to join in this affair. It will be appreciated if our ladies will be kind enough to make some desserts for this occasion. We need some able-bodied person to help us set up the banquet hall for this shindig so come a little early.

We didn't see Lefty Misuzawa at our meetings for a while so I asked about him and was told that his wife Miyoko-san is not feeling well so he has to care for her. We pray that she will regain her health real soon.

'Tis the time of the year when we look back on the year just passed, then look ahead to the next, wondering what is in store for us. They say that you should live day by day, counting your blessings, so I'll count my blessing each day and wish all or the members and wives of Rural Chapter and the rest of the chapters a hearty, "MELE KALIKIMAKA HAUOLI MAKAHIKI HOU." "OKARADA WO ODAIJI NI."

Santa said our party is over for this year and left with his ho, ho, ho. But before he left he said he enjoyed all the activities like receiving gifts and Santa said that his arm felt like he couldn't hold another package to pat another child's head. Santa would also like to thank all who took the time to attend the party and to all the merry Santa's helpers who mirthfully helped to insure that the party was a success. Here are the list of all the merry Santa's helpers.

Happy Christmas to all and a healthy New Year to all.

MAUI CHAPTER NEWS by Tom Nagata
Maui Chapter's Christmas dinner party was held at the Kahului Community Center recreation hall on the evening of December 13, 1994. John Miyagawa's daughter Sandy, and Toshio Iwami's son Clyde, were the co-chairpersons of this final social gathering of the year. President
Miyagawa called on Wataru Kaneshina to bless the food, which was catered this year. There were 21 couples, 3 singles, 1 wife, and 4 widows. For the first time in ten years our sons and daughters and their families were invited, and about ten of them with their spouses and children were in attendance. Following a delicious dinner, Mrs. Wallace (Lillian) Maeda led the group in the singing of Christmas carols with Miyagawa playing the ukulele. After that, Miyagawa called to the front the following incoming officers for the next year: Tom Yamada, president; Jack Gushiken, 1st vice-president; Miles Shiroma, 2nd vice-president; Edward Nishihara, secretary; Tom Nagata, treasurer; Masao Sato, director. For the rest of the evening, bingo games were played, and door prizes were given out with Bert, son of Miles Shiroma, in charge. He was ably assisted by his daughter and niece. Lionel, John Miyagawa's son was a natural in his Santa Claus suit as he passed out candies and Christmas gifts to the children. We wish you all a Merry Christmas and a Happy New Year.

We extend our deepest sympathy to Lawrence Nashiwa and family. His mother, Mrs. Elsie Tamiye Nashiwa, widow of deceased Club 100 member Edward Nashiwa, passed away on December 3, 1994. Edward is buried in the Wailuku Maui Memorial Park, and close by is also the graves of Tadao Sato, and Sadami Katahara, former active members of the Club 100, Maui Chapter.

HQ NEWS

The regular quarterly meeting of the HQ Chapter was held on Tuesday, December 13 at the Clubhouse. Those present were: Ken Saruwatari, Mike Takahashi, Frank Nishimura, Gary Uchida, Tom Nosse, Archie Kamisato, Arthur Tamashiro, Ken Suehiro, Edward Ikuma, Wallace Teruya, Ken Otagaki, Bob Katayama.

The 1995 officers for HQ Chapter are as follows:

President: Ken Saruwatari
V. President-Secretary: Mike Takahashi
Treasurer: Frank Nishimura

The first meeting to be held in the new year is scheduled for Tuesday, January 17 at 9:30am at the clubhouse. Be sure to circle this date on your calendar and attend the meeting. Let's give our new officers a lot of encouragement and assistance.

They need our prayers. Mike Takahashi: After starting to feel better from bladder problems recently, Mike is now troubled by other ailments. He is undergoing various tests to determine the cause of his difficulties. As some of the tests are made in the Mayo Clinic in Rochester, Minnesota, the results take time in getting here. Tony Oshita: Due to lack of appetite, Tony has been getting dizzy spells and was unsteady on his feet. He recently fell on the stairway of his home and broke his left arm. Surgery is scheduled in the near future. He now requires assistance in getting dressed and has difficulty getting around. Raymond Arakaki: Three days after receiving a clean bill of health from his doctor following a routine physical exam in August, Raymond suffered chest pains and had to undergo heart bypass surgery. Shortly afterwards he suffered a stroke. Fortunately, it was not very severe. He has a slight speech defect but is able to walk and care for himself. Marshall Higa: Although he was sidelined for a couple of weeks recently due to back problems, he has been able to resume golfing. He is not yet quite up to par.

Take extra care, everyone. Almost all of us are now in the late 70s and early 80s so don't expect to reach there as fast as we used to 20 years ago. It is so easy to trip and fall or to make drip coffee without putting in the coffee grinds as I did recently.

Great Recovery: Richard Hamada who only recently resumed golfing after a 3-month recuperating period following a major heart surgery, is already winning golf tournaments. Nice going, Richard.

Reminder: Next meeting-- January 17, 9:30am.

Headquarters Chapter members extend to all

A MERRY CHRISTMAS and a HAPPY NEW YEAR
Speaking of happiness, Kenichi and Huma Iha celebrated their golden wedding anniversary on Saturday evening, November 12, 1994 at the Hawaii Okinawa Center. Since Bea and I were away on a tour of the Ryukyu Islands and Kyushu, I can't write anything more about the party except to say that I heard it was a huge success. However, fortunate for us, I was informed that a very capable reporter will cover the story of the festive occasion, so be sure to read Baker Chapter news. Thanks a lot, Evelyn.

Alas! The golden opportunity knocked at his door but he let absolute happiness slip by. If only he and needed the urging of the casino employee to keep on playing the machine, he would be walking on air today. Instead, Seiso and Kay Kamishita returned home from their annual December trip to Las Vegas with the same old remark, "deposited in the bank again."

Well, to get back to the story, Seiso said the casino employee urged him to keep on playing the machine because it was due to hit the big one. But since he had recouped some of their losses, Seiso decided to call it a night. What happened a short time later? A local wainhe played the machine and she hit the jackpot--Sixty-four thousand dollars ($64,000) and a Cadillac. She took cash inside of the car so her total earnings amounted to nearly a whopping one hundred thousand dollars ($100,000)!

Probably, the thought, "If I had kept on playing", may haunt Seiso for a while but having known him for many years, I am certain he will take the missed "gaming player dream" in stride and try his chances again. I hope he gets a second golden opportunity for the big one in 1995. Go for it!

The Shimizu left for the mainland on October 12, 1994 to visit their son Edwin and family. Albert wrote the following report about their trip.

My wife Evelyn, our daughter Carol Nakatsu, and I spent 2 weeks at our son's new home in Herndon, VA. Herndon is only 15 minutes drive to Washington Dulles Airport, but it takes an hour or more to my son's working place in DC. Our trip to Herndon was to see his new home and to celebrate our granddaughter's 7th birthday.

Prior to coming to DC our son was in Dallas for five years working for GTE. At the present time his position with GTE is Director of Regulatory Matters.

This is the fifth home he has purchased. In his last year of law school in SF he purchased a townhouse in South SF. At that time the price in SF are and Hawaii was about the same. After coming back to Honolulu he bought a condo in Franklin Tower in Salt Lake. The townhouse in South SF was slightly higher but it had 500 feet more floor area that the condo.

When he was transferred to Dallas from his job at Hawaiian Tel he bought a home within two days because the prices in Dallas were ridiculously low. A four bedroom, four bath, 3,500 square foot home with a swimming pool was less than $300,000.

Real properties in Dallas/Fort Worth are really depressed. On Fridays the HUD advertises on the Dallas Morning News about a dozen page supplement advertising the foreclosed properties. It shows about 20 or 30 homes and HUD advertises that it has 400 more foreclosed properties. In the ad, a 3 bedroom, 2 bath home was selling for less than $20,000.

In Northern Virginia the price is about 30 percent higher that Dallas. I understand even in Virginia the further away from DC the prices become lower.

We were able to see about 10 new developments in Herndon and nearby counties. Our son showed these developments because he knows that I am interested in real estate because I was a Real Estate Broker. These developments are in the wooded areas.

We bid farewell to the Year of the Dog and greet the Year of the Boar with a hearty, happy new year to all. May your lives be filled with good health and much happiness in 1995.
We received a brochure from a Developer's office and here is one of the ads. "3,000 to 4,000 sq. ft. home with half acre lot prices from $400,000 to $507,000." Land price is slightly over a dollar for a one foot square lot. Also there are quite a few amenities in these houses-- air condition, 2 or 3 large fireplaces, marble or hardwood foyer, hardwood the living and dining rooms, and about one third of the house is constructed of brick.

On the first evening we attended a Symphony Concert performed by the Australian National Symphony Orchestra at the Kennedy Concert Hall. The Kennedy Center is a huge complex. There are several halls, Center Theatre, Concert Hall, Opera House, Terrace Theatre, and Eisenhower Theatre. I believe, there was another event held that evening at the Kennedy Center.

On Saturday we visited DC and made a whole day tour of the Smithsonian Museum. I was able to see the Hope and Star of Asia diamonds. Before going to the Smithsonian we were three groups of people gathering for some kind of demonstration. One group was all black. One night, about ten thirty, we were about six or seven people sleeping in the Lafayette Park which is just across the White House.

On Tuesday, October 18, we visited the Capitol through the courtesy of Senator Inouye's office. One of the Senator's staff members gave us a thorough guided tour. The Jefferson Memorial was undergoing a major restoration work.

On Sunday my son took me to the football game between Redskins and Cardinals at the RFK Stadium. It was more of a defensive game but it was exciting because of the closeness of the game.

Everything is more expensive in Northern Virginia compared to Dallas--foods, meals, clothing, and of course real estate. But compared to Hawaii, Herndon prices are much cheaper. At one of the markets bananas were selling 3 pounds for 98 cents and string beans for 45 cents a pound.

The weather was just fine. It was very comfortable to walk; the temperature ranged from 40 to 70 degrees.

The drive through Shenandoah National Park was an exhilarating one. There are many vantage pints where one can take a "bird's eye view" of the vast countryside.

Northern Virginia is a beautiful country with rolling hills covered with trees. Especially in mid-October--each new day we could see the leaves turned into deep, golden colors and it was a wonderful sight to behold. Our drive to Alexandria was a great pleasure--the traffic was light, the highway in good condition, no litter, and the foliage on both sides of the the highway was at its peak of autumn colors. by Albert Shimizu

Pardon me. My article about our tour will appear in the next issue of the Puka Puka Parade. So sorry, not enough time in my busy schedule, ha, ha. December is a busy month doing "dis and dat." My lame excuses? Well, first of all, by the time we returned home on November 21, 1994, Bea and I were pooped period. Guess old age has caught up on us because it took quite a while to recuperate from the fast-paced 2-week tour.

After getting back on my two feet, I had to wade through a stack of mail, besides keeping up with the daily incoming ones. Then along came the Christmas season--shopping to do, packages to mail to the mainland, and plenty of cards to write. Also, there were year-end matters to do, doctor appointments and so on. Phew! Enough said.

During the month of November, Fox Company lost two popular members. Nobu Miyashiro who was a member of the third platoon passed away on Thursday, November 17, 1994. He was the younger brother of Takeichi "Chicken" Miyashiro of Charlie Chapter.

A few days later, Nobuo Okinaka of Pahala, Hawaii passed away on Sunday, November 20, 1994. Everyone in Fox Company knew him because Nobu, as we affectionately called him, was our well-liked mess sergeant. The gang will miss him at our annual reunions. Nobu could always be counted upon to belt out a song or two.
We extend our deepest condolences to the Miyashiro and the Okinaka families and relatives for the loss of their loved ones. May they rest in peace.

Roy Nakayama & Robert Arakaki

Warren Yamamoto, Pres. of the Sons & Daughters, was present at this meeting at the request of the S&D organization for the anniversary luncheon and other club functions. By the same token, Warren asked the Baker members for their cooperation in the S&Ds oral history program and other S&D projects and to encourage their children to join the group.

Someone who attends the monthly meetings quite faithfully was missing from the Nov. meeting. Roy Nakatani was convalescing after a fall which resulted in a blood clot in his brain. His doctor did a marvelous job and Roy is back to his normal self and is already helping on the farm.

The turnout at our Christmas party on December 11 was so good (a total of about 160) that it was reminiscent of our parties of long ago, except for the unique things we did this year, thanks to the innovative Sons' and Daughters' led by "Ahi" Kābašāwa. "We have this" energetic group of youngsters to thank for the huge success of this event.

During the happy hour, while the men enjoyed their drinks and animated conversations, some of the ladies and children enjoyed creating beautiful ornaments at the crafts table. (We have Carl Tonaki to thank for the craft supplies.) For entertainment, the Co. B. ukulele group got the people into the right mood with several Christmas songs. Then there were a couple of musical "games" which everyone participated in and enjoyed. Co-winners were Table #1 occupied by Harry Katahara's and Ken Iha's families (they sang the loudest) and Table #8, comprised of the Hiroshi Shimazu family.

The most exciting moment for the kiddies, of course, was when Santa (Conrad Kurahara) arrived during the singing of "Here Comes Santa Claus". While the kiddies opened their gifts, door prizes were passed out to the adults. A big MAHALO to the following who donated the door prizes: Yasuo Takata who brought numerous ceramic pieces crafted by his daughter Glenda, Robert Arakaki, Louise Ching, Priscilla Hirose, Robert Kadowaki, John Kihara, Conrad Kurahara, Joe Muramatsu, Ken Muroshige, Thelma Nakakura, Sonsei Nakamura, Roy Nakayama, Tokuji Ono, Drusilla Tanaka, Sakae Tanigawa, Tom Tsubota and Hazel Yokota.

As usual, our master chef Robert Aoki, assisted by Masa Toma (a master carpenter by trade), prepared a feast which was enjoyed by all. Adding to the spread were chirashizushi made by the Co. B. cook Hachiro Shikamura, and drinks, pupus, tsukemono, desserts, etc. donated by Priscilla Hirose, Bessie Ichimura, Ken Iha, Carol Inafuku, Amy Muroshige, Kaydi Ichimura-Yonaha, and Marie Yoneshige. (If I missed anyone, please forgive me.) Much thanks to all. Special thanks also to Henry Hayashi, who sent dried persimmons and pistachio nuts all the way from Pasadena, and to Shikamura for the fresh persimmons from his yard in Wahiawa.

It was a joy to see some faces we hadn't seen for several years. Yasu Takata showed up looking good. He said he has just completed one year of chemotherapy treatments and is feeling much
better. If you missed this year's party, plan to attend next year's. I'll guarantee you and your family will have fun.

As mentioned in the last issue of the PPP, Club 100 will be ordering new club shirts. Baker Chapter members wishing to order should call Evelyn Tsuda at 262-8285.

It's that time of the year when we should be thinking of resolutions for the new year. I would like to one suggestion to all the Baker members—stop looking for excuses not to attend the once-a-month meetings. Not only will you have a voice in your chapter activities but this is a wonderful way to keep in touch with your fellow members.

As the year draws to a close, I would like to wish you all good health and happiness during the coming year. Also, I would like to thank those who gave me news tips during the year and hope that more will do so next year.

CHARLIE CHAPTER NEWS
by Warren Iwai

The November meeting on the 21st had a good turn out or 18 members and two guests. Those present were: Stan Akita, Hideshi Niimi, Kiyoshi Uyeno, Kazuto Shimizu, Jack Mizushima, Kaoru Yonezawa, Toshimi Sodetani, Mike and Betty Tokunaga, Chester Hada, Hideo Doi, Yoshio Anzai, Masa Nakano, Kentoku Nakasone, Tad Umamoto, Hiromi Suehiro, and yours truly. One of the guests was Betty Tokunaga. There was a last minute invitation to the wives but she was the only one able to make it. The other guest was Hiromi Suehiro who was one of the early replacements from the 442, and was assigned to the 3rd platoon. Hiromi worked and lived in Japan for 28 years and returned to Hawaii eight years ago. He is presently working for the HMSA. Hiromi has since become a life member of Club 100 and Charlie Chapter.

Invitations were extended to the wives because Mrs. Kay K. Kauhini, a community service aide for the Information and Referral Services of the City and County of Honolulu, Department of Human Resources, Elderly Affairs Division was the guest speaker at this meeting. She told us of the numerous services available to senior citizens provided by the City and County of Honolulu and other agencies, so the seniors haven't been forgotten. We cannot remember them all but the thing to remember is where and who to call when you need some assistance. The person to call is Mrs. Kay K. Kauhini, telephone (808) 523-4545. I'm really glad that there are people like Mrs. Kauhini who are sincerely dedicated in assisting the seniors. I also wish to extend to her our appreciation and aloha.

The officers of Charlie Chapter for the year 1995 were elected at this meeting. They are: Stanley Akita, president; Kazuto Shimizu, vice-president; Mike Tokunaga, secretary; and Roy Nakamura, treasurer.

There is no meeting scheduled for December. January meeting will be at 10:00am, Monday, January 16, at the clubhouse.

LADIES CORNER: Luncheon, at Panda Cuisine Chinese Restaurant
641 Keeaumoku Street
Wednesday, January 25; 10:30 a.m.
RSVP: by January 16, to Lynn Shimizu 988-3937 or Betty Iwai, 734-0348
Husbands welcome.

The Charlie Chapter Christmas party was held on Sunday, December 18 at the clubhouse. About 100 adults and children gathered to celebrate this yuletide holiday. Jack Mizushima was the general chairman who recruited his son, Gary, as our new chef. The roast beef and barbecue chicken were delicious. Also the beef soup was ono. As always, the wives were generous with the many choices of desserts. The program was headed by Stanley Akita and Douglas Higa. We had carolling by the keikis, led by Douglas Higa with the entire party joining in. Douglas did a hula to the tune of White Christmas which was a hit. Santa Claus also came with presents for the little kiddies. Our new Santa was gentle with the children—just like a father. Our Santa was Calvert Hung, son-in-law of Chester Hada. The program ended with the bingo game. It was nice to have two widows, Marian (Richard) Yamamoto and Kay (James) Oshiro join us with their
families. The largest representation was by the Mizushimas with 13 members. It was a nice party enjoyed by a group spanning over four generations. There were two people who were not physically present but their hearts were with us. Mrs. Alice (Bo) Shiozaki sent her greetings with 3 cases of apples, oranges and pears. Seiju Ifuku sent his greetings with piles of senbei packages. Stan Akita and Jack Mizushima wish to thank the members and their families for coming to make a party and for the many generous donations of food, refreshments and cash to make this a successful event.

The 1994 officers, Stanley Akita, Hideshi Niimi, Kiyoshi Uyeno, and Kazuto Shimizu wish all of you a very MERRY CHRISTMAS and a HAPPY NEW YEAR. And from me to you where ever you may be Mele Kalikimaka paesanos.

HAWAII CHAPTER NEWS

by Jimmy Maeda

About 75 members, ladies and guests turned out for the Hawaii Chapter end of the year get together. The Japanese call it "bonen-kai". It was held on Sunday, December 10, at the AJA Veterans Memorial Hall on Hahai Street. The food and fellowship were excellent. Bingo games, door prizes and talk stories occupied the time for the people. Or thanks to the dessert and other food donors. The special plate for the day was "namako". We also thank Isami Jako Mayahara for the boxes of delicious tangelo and tangerine. Some people were lucky to take home enough fruits to make juices for breakfast the next day.

Hawaii Chapter will hold its election and installation luncheon on Friday, January 20, 1994 at Fuji Restaurant. The cost for lunch will be $12.50. Your team captains will call you.

NOBUO OKINAKA of Pahala, Kau, Hawaii passed away on November 20, 1994. He was a former member of Hawaii Chapter and Company "F". At the time of death, Nobu was 80 years old. Nobu and his wife Hinae came to settle in Pahala from Kilauea, Kauai. Nobu was a very active member of the Pahala Hongwanji Mission, the community of Pahala and Hawaii Chapter of Club 100 and Company F. Hinae was the cafeteria manager for Pahala High School, active with her church and the community. After their retirement, the Okinakas regularly drove to Hilo on the days Hawaii Chapter had their luncheon meeting.

Funeral service was held at Pahala Hongwanji Mission. Members of Hawaii Chapters stood as honor guard. Our prayers of condolence to Hinae Okinaka and daughter Wanda Lau and her family.

Eulogy for James J. Akamine

James J. Akamine, a member of "A" Chapter accepted the call of His Maker last month at the age of 75 years. At this time, this writer would like to pay tribute to Jimmy for his work and support of his family, Club 100, Hilo Hi School Class of 1937 and many organizations. Who was James "Jimmy" Akamine?

James Akamine was a country boy and island boy. He was born and raised, in a sugar plantation camp near Hilo, the Waiakea Mill Camp #4. A narrow gauge railroad track for trains to haul sugar cane went through their camp. The life there was a typical plantation life pre-World War II. The youngsters there attended a small school—Waiakea Uka School at Waiakea Uka Camp #6. It had maybe 3 or 4 classrooms, and went up to the 9th grade. Some of Jimmy's classmates were former members of the 100 Inf. Bn: Yasu Iwasaki and Joe Yamachi; the late Tom Matsumura, Sejin Takaesu and Janada Matsushige. These country boys attended Hilo High School in Hilo in their 10th grade. We got to know Jimmy as "Dusty". He played QB for the Hilo Hi Vikings in his senior year. After high school Jimmy left Hilo for Honolulu.

Jimmy was one of the first to get wounded with Company "E" in Italy and spent many months in the army hospitals getting well and rehabilitated. After his disability discharge he returned home and began working for the Fisher Printing Co. He learned the printing business. Jimmy worked hard attending the school of experience and later became the manager of the company. Jimmy enjoyed reading the newspapers, enjoyed people and sports.
We thank Jimmy Akamine for his many years of support and interest in the activities of Club 100 and its membership. As a member of Hilo High School Class of 1937, I would like to extend our thanks to Jimmy for his unselfish support. To Jimmy’s wife Dora, and other members of the family, we thank you for being good caregivers during Jimmy’s illness. We extend of prayers of condolence to you.

Greetings for the Holiday Season From the Big Island
Here we are at the most wonderful of all Seasons--Christmas and New Years! It is the time to greet our friends and loved ones and to express our gratitude for the interests and ties. It is also a time for compassion, love, hope and faith.

This year has been the year Mother Nature has brought a year of tears. It was a year of floods, hurricane, and tsunami alerts. The 4 or 5 hurricane scares were traumatic for many people. In August, Hilo and surrounding communities got heavy rainfall of 14 inches in one day, which caused flooding. People here have learned to be prepared with emergency supplies. For many new persons living in Hawaii, the tsunami alert was a new experience. As for Hilo's rainfall, we've had 32 days of continuous rain during the latter part of October and all of November. By the end of December, we might go close to 200 inches.

We pray that continued good health and blessings of peace be with you. WISHING YOU ALL
A MERRY CHRISTMAS & A HAPPY NEW YEAR!

Kauai Chapter News

November 11 was the 50th Anniversary of the marriage of Kazuo and Kinue Mizuno. Their three children had a wonderful party for them at Conrad's and Wong's in Hanapepe. Many from the 100th had been invited, and we enjoyed it. Shown on a large screen were pictures that showed them in the early years, their wedding, and the addition of the family.

A fun time was had by all who attended our annual Christmas party on December 4, 1994 at the Kauai Coconut Beach Chart Room. Lillian Takiguchi assisted Shinee Mukai and Norma Senda, led us in many interesting games. To include the men in, a jar was filled with many items of different sizes and they guessed how many were in there. Maggie Watanabe won the first prize. Nancy Yamase made several prizes that she donated. I was fortunate in winning one and it will decorate my sister's room at Wilcox Hospital Long Term Care Center.

Only piece of business conducted was $40. donated for a Christmas tree for one of the group homes which opened in May. There are four homes and those fortunate enough to get into one, really enjoy living there. Our daughter Lei, likes it. Thanks, fellows.

Digging for news produced some sad/glad type. Mitsuru Doi is recovering from prostate cancer; Sadao Kawamoto looks perkier that before but continues to take it easy; Larry said he had the balloon thing at Straub and now taking medication; Ko Takemoto had a cataract removed and it is just as well as the other eye is being lost to glaucoma.

The reason Esther Shigeta was not at our Christmas party was that she was in Las Vegas and enjoying it.

During the holidays I hope to find time to make some lap robes for my sister and others confined at the long-term care center. There seems to be a shortage and I know you can't buy them. But first it is off to Honolulu for a meeting with the American Legion Auxiliary National President who is making her yearly visit.

A MERRY CHRISTMAS & A HAPPY NEW YEAR TO ALL OF YOU FROM ALL OF US

"OUR HEARTS WERE TOUCH WITH FIRE"

On November 13, 1994, the Sons and Daughters of the 100th and 442nd sponsored a showing of Ed Sakamoto’s "Our Hearts were Touched with Fire" at Kennedy Theater. Those of you who did not attend missed out on a "chicken skin" showing of a play giving us an essence of what occurred that led up too veterans going to war, war time and the effects on three families before, during and after the war. There were lots of laughter, tears and reflections of a very poignant past.

After the play a reception was held at Jefferson Hall through the efforts of William Feltz of the Arts Program of the East-West Center who enabled us getting Jefferson Hall. Generously donating our refreshments of sushi for the reception were Jay Kadowaki, son of Robert Kadowaki of Co. B and nephew of Gordon Kadowaki of Headquarters, Dennis Taira, son of the late Bob Taira of Co. D; Fukuyas; and AKYTH.

It was a great joy to work with the 442nd Sons and Daughters on sponsoring the showing and reception of our Club 100 Ohana. We couldn't have done all of this without the efforts of our executive secretary Iris Yamoto who coordinated the tickets, distribution and lots of wonderful ideas and energy for the event.

For all of you who were not able to attend the play, Ft. Derussy Museum is trying to find out how many people would be interested in seeing the play. They are looking into having the same play at Kennedy Theater if there is enough response. Please call Ann Kabasawa at 734-0841 if you are interested.

Thank you to Sharon Tanaka and Alan Nakamura for coordinating this reception.

DELTA PACIFIC CORPORATION

We have been commissioned to publish a hardcover book that will offer you a wonderful opportunity to preserve the legacy of your father's "chow time" memories during World War II through stories (i.e. bootcamp blues, missing home-cooked meals, resourceful gathering of ingredients for meals in the field, and mess hall mischief) and photographs.
