(a) The necessity of finally locating the ex-Bikini people while a major problem is not an immediate problem due to their removal to Kwajalein. The Civil Administrator has scheduled a series of conferences with some of the paramount chiefs of the district and the subject of final location of the ex-Bikini people will be one of the subjects discussed in order to get their viewpoint on the subject.

(b) During the period of the final stages of the completion of the Ujelang project, investigations of locations for eventual location of the ex-Bikinians will continue.
