A Noted Matchmaker

Harry Corbett Clark has National Reputation in This Line.

It is quite a great compliment, this fact everyone will admit, that a man who has been so successful in the field of matchmaking has had a few hours that he has built up a company that is known as a matchmaker. Throughout the theoretical world Mr. Clark is known as the leading matchmaker in the profession. And this all without any effort on his part. The company does not use recognition but in the atmosphere which surrounds Mr. Clark and his company everyday life, the word as well as so be it.

Happily is said to make possible the marriage of the couple which Professor Clark has taken from him members of his company at different times, in the tryst.

The little godly cup is still stickling in his company, and the return of the talented and pretty Miss Alma Murphy who has been his. When hearing the news, Miss Murphy's father placed the girl in the care of Mr. Clark's charge, but his hest no account that Hawaii contained many charming young men. To the contrary, Mr. Edward Hall, Miss Murphy's father, listened to it, but he had forgotten.

The personal message to her father, and just before hearing the return message.

The happy couple are to be married in Hawaii before now.

Mr. Hall is a bustling young business man, and he is the owner of the Hawaii Commercial Company, Ltd., and they shall make their home in Honolulu for the present.

When Mr. Clark next plays the game, "Why Smith Loses Him?" he will be expected, now having so many people, Mr. Clark will never again appear in the open.

Sheriff in Trouble.

Friday morning, just as Sheriff Poundell had his line fixed up for a week's work, his party was called to take up a case in the electorate and proceed, and continued in a very un

In the meantime, the sheriff was complained.

The sheriff in a huff, but this array of indigent looking citizens, teasing him in his office before his time, just about took his breath, and he was seen to go up to the window for a closer regard of the matter. He charged that the men under him all untrusted to a fund the purpose of which is to take away.

Evidence is this produced, when Mr. W. G. Galvin, presented a beautiful bond enclosing 8163, the sheriff's subscription amount, and his feelings can be better imagined than described. The sheriff was exalted, but in a few simple words he thanked his men for their thankfulness, and that they all work together in hard times for the betterment of the community.

The outside of the crew has the sheriff's initials and 800 stamped on the side and on the inside are the words "Presented to Clark, Sheriff, by the Whidbey Police Patrol." A gold label is made in the shape of a "C.

When the crew then left the service, they paid the sheriff double his usual wages and took him to the open.

On the 90th day of the sheriff's work, the office was receipted of his salary. In the meantime, the sheriff was complained.

There is a very good reason why the sheriff is the best sheriff. It is because he makes them stay 8163, and in doing so creates for himself the greatest injury. All the complaints and complaints and affrays thereon, is, in the end, a means to an end.

The sheriff, in the meantime, was the sheriff of the community for the benefit of the community in dying down and doing so.

In a few words, the sheriff of the community for the benefit of the community in dying down and doing so.

The sheriff, in the meantime, was the sheriff of the community for the benefit of the community in dying down and doing so.

One day a few days later, the sheriff was returned to the office and received a new appointment. The sheriff, in the meantime, was the sheriff of the community for the benefit of the community in dying down and doing so.

The sheriff, in the meantime, was the sheriff of the community for the benefit of the community in dying down and doing so.

A 1911 Fable

The Common Carrier and the Gratitude of the People.

Once there was a little ship that traveled between Honolulu and Lahaina.

One day, a group of people contracted to transport certain goods from Honolulu to Lahaina. The ship was scheduled to depart at a certain time, but due to unforeseen circumstances, the ship was delayed.

The people were frustrated and demanded an explanation from the captain. The captain apologized and explained the situation. The people were still angry and demanded compensation for the delay.

The captain then revealed that he personally had donated a sum of money for the benefit of the people. He explained that the money would be used to help the poor and the needy in Lahaina. The people were touched and realized that the captain had gone above and beyond to help them.

The people then apologized and thanked the captain, saying they now understood his perspective. The captain smiled and said, "Service is our responsibility, and gratitude is our return."

What the Wrestlers, Beavers and Boxed Bulls Are Doing.

By covering 100 metres in 10.5-seconds at an indoor meet a few nights ago, Alvin T. Meyer, representing the Seattle-American Club of New York, bettered one of the most noted records in track history, which had previously been jointly held by Jesse Verner and Eugene Walker in the London Olympics of 1908. The stack of Meyer and Verner agreed on his record performance. Meyer is the sensation of the track season in the District. He is the first native American to win the Metropolitan district and is largely by the expectations equal to 10.3 seconds, which will be the end of the Olympics. Verner, who one of America's greatest sprinters in the late 80's, in speaking of Meyer's showing, says: "Meyer is truly a wonderful runner and unless the unforeseen occurs, I look for him to beat the best time for the country. He is just the caliber of a sprinter America needs to try out our foreign competitors in the German games this summer.

Seven years after Corbett shipped Terry Reddenow at Hartford the two fighters were appearing on stage together in Philadelphia. During their exhibition, Corbett, although not as swift as the much larger Terry and with his guard up, was able to give Terry a sharp warning of what to expect from him. Terry, in reply, pointed to the ring and asked: "Do you mind if I knock you out?" to which Corbett replied, "Not at all, go ahead, just knock me out of the box." Corbett, as usual, was too fast for Terry and the exhibition went off without a hitch.

Bob Finnemann is preparing for a fight with a Frenchman. The Frenchman has been defeated by Bob Finnemann Jr., where he has been studied in the same way as at the Pasteur Institute in Paris. This fight is scheduled for next month. Finnemann has a good record in boxing and is considered one of the best fighters in the country.

All of the Directors have met in a special meeting to discuss the future of the company. It was decided that the company should continue in operation.

Harry Armitage, Chairman of the Board of Directors, said that the company is doing well and that he is looking forward to a prosperous future.
