In spite of the fact that Wainaha is a quite a town, there is a proud group of residents who believe that the Wainaha newsletter is the only one in the United States that is published in Wainaha. The Editor of the Wainaha newsletter is a native of Wainaha, and he is the only one who has ever written for the Wainaha newsletter. He is known as a good writer, and his articles are widely read. The Wainaha newsletter is printed on fine paper, and it is bound in a hard cover. It is mailed to subscribers throughout the United States. It contains news of local events, articles on local history, and essays on local culture. The Wainaha newsletter is a valuable resource for anyone interested in the history and culture of Wainaha.
WE WILL MISS HIM
C. H. Wilson, who met his death Monday morning, was a man in mid-life. His early years were spent in the theatre and he had developed wealth and usefulness to be spared from the community. Born and brought up in our midst, and with large holdings here, naturally and necessarily his interests were those of the community. As a progressive and intelligent business man he was a safe man, whom every one had reason to respect. He was conservative, and yet progressive, and was looked upon like a hand in every worthy movement. His wealth and public capacity he will be sorely missed.

NAME THE MATTER WITH PREJUDICE?
The charge of vamoose with prejudice is very properly exercised, every united community. It is generally supposed that the country is split in two, or, because of, prohibition and wants to know why, and what can be done.

Amateur Dramatics
A very pretty presentation of "The Prison of Magic" was given by the 18th Street Drama Club on Wednesday evening. Miss Maude Nevin played the rôle of the Wizard, and Miss Allison, the rôle of the Princess. Miss Nevin's voice was beautiful and she handled the rôle admirably. Miss Allison, who has been written about and praised by the local critics, delivered her lines with such art that even the most critical ear found something to praise.

The Incident
The incident which occurred before the performance of "The Prison of Magic" on Thursday evening is still being talked about. It appears that a number of persons were not present at the time the play was to begin. When the curtain rose, the audience was surprised to see that the Princes were not present. The audience, who had been looking forward to the performance, were much disappointed and many of them left the theatre. The management promised to make up the performance on another night.

Park for Maipakes

A 14-inch exhibited a map of the
Maipake area near the sea at the
month of the show on the west side.
It was a stretch of about one acre
between the road and the Hilo
south railway. It was a flat stretch
overlooking the sea, and of a sand
form composition that would give
utopian form; ideal for all kinds of
grasses—and always clean.

It was noticed and caried that the
Board of Supervisors be requested to
present the governor and the land
for the benefit of the Maipakes
community, for park and playgrounds
purposes.

For the New Tank

Mr. W. F. Wichman reported informally on
the formation of the Pahoa tank, pipe line, etc. He had just recently
been up there with the engineers and
works and others. In regard to the
Pahoa tank, he understood it to be open
the greater part of the $90,000 in great
addition, and will be open upon about eight miles above the same fields.
This would be about a mile into a tube
where it would be about a mile of
distance, and it would be open in grading
and then make a future of a pipe
up to what is known as the Pahoa
area. Starting up, our beyond the
Pahoa tanks. The work will go forward
all through the summer, but it will
not interfere with the present road,
and is a different location.

Work was well along on the pipe line
for water supply. The pipe is all in line
initiated. The trench is well under
way, and the plan for it is to have
them properly well completed during the
summer.

Regal Shoe Store Announcement to Our Kauai Friends

When we opened our beautiful new store on Parr Street we closed our books, disposed of most of our office stock, and placed our fixtures on a "pay as you buy" basis. We have now been able to reduce the price of our shoes from 80c to $1.50, which is a direct saving to our customers.

We want our island customers to be in a position to take advantage of this price. We do not insist on filling your orders for shoes, and send them on approval, and carry the balance that is a CASH item in stock, realizing that if the shoes are not in every way satisfactory you return them. If they are satisfactory keep them, and send in your check or money order by return mail.

Our new CASH policy is meeting with splendid success, which proves that the public are only too willing to pay for what they get, when they can get first quality stuff, such as, either at a reduced and reasonable price. We respectfully solicit a confidence of your most valuable patronage.

Accident Board Makes Important Ruling

At a recent meeting of the Kauai Industrial Accident Board the matter of increasing the weekly compensation was brought up in the form of a question. A new order of proceedings was taken, a Government reporter being in attendance, to enable the Board to carry on its work in an orderly manner.

Under the new order of business the Board will have the opportunity of instituting a weekly compensation. The Board will consider the question of the amount to be paid and the weekly compensation. The Board will also be authorized to make such a compensation.

The new order of business will be in effect as follows: Where an employee is unable to work for one week, the average weekly wage is to be multiplied by the number of weeks he was unable to work, and divided by his salary, and the amount so determined is to be paid.
