US Asks Aid Nation’ Cut In Expenses

WASHINGTON — The United States is pressing its European allies for some belt-tightening if they want their share of the U.S. aid program.

The aid, valued at several hundred million dollars, is being offered by Dr. Francis J. Robinson, Undersecretary of State, who is now in London.

Addressing a meeting of the international committee of the Red Cross, Dr. Robinson said today that “the United States will not demand strict ‘auspicious’ about getting the house to re-

US and Allies Cautious On
Truce Offer

WASHINGTON — The United States and its Korean war allies cautioned today that any possible resumption of armistice talks must be regarded as “a step toward peace, but not as a peace.”

The statement came as the conference for the purpose held this morning by Gen. Douglas MacArthur, commander-in-chief of the United Nations forces in Korea, was opened by a speech by Gen. George C. Marshall, chairman of the United Nations Command.

Mr. Marshall said that the United States and its allies were “cautious” about the possibility of a truce offer and stood by for further developments.

The conference was called to discuss the possibilities of a truce offer, which has been suggested by the North Korean and Chinese Communist authorities.

NEW YORK — Stan Musial of the Cardinals led the National League in home runs with 26, passing the Boston Bees' Billy Herman, who had been at the top since last week. Musial's performance has earned him the consideration of being the league's MVP for the second straight year.

In the American League, Ted Williams of the Red Sox and Jackie Robinson of the Dodgers remain in the top two spots, with Williams holding a slight lead. Both players have continued to perform at an exceptional level, with Williams hitting .386 and Robinson hitting .353.

In the batting race, Musial leads by a slim margin over Ferris Fain of the White Sox and Orestes Minoso of the Chicago White Sox. Musial's .333 average is just ahead of Fain's .339 and Minoso's .339, with Minoso having taken over fifth place last week.

The pitching race remains tight, with Bob Feller of the Indians maintaining his lead. He has a 2.79 ERA and a 13-4 record, while Tim Treadwell of the Giants trails him by a game with a 3.33 ERA and a 12-9 record.

Musial's consistent performance has helped the Cardinals maintain their lead in the National League, with the St. Louis Giants and Chicago Cubs just behind them. Musial's contributions have been crucial to the team's success, and he continues to be a dominant force in the league.
