Subject: Report on D/S.

The annual convention of the Ministerium of Pennsylvania met in Allentown, Pennsylvania from May 24 to 27, 1943 inclusive. I attended the sessions of the 24th, 25th, and 26th.

Chaplains were recognized in the presentation to the Synod of two service flags: one honoring the Chaplains, the other the service men and women. Five Army Chaplains (self included) participated in this ceremony of presentation.

The Rev. Dr. N. M. Yliviesaker, President of the Chaplains' Association of the Army and Navy of the United States addressed the assembly; afterward the Chaplains present had the opportunity of meeting Dr. Yliviesaker and discussing the work of Chaplains informally.

Because of the press of business no opportunity was given the Chaplains to address the gathering, but in the debates on Church affairs we were given the floor freely.
