Dear:

In every political contest someone must lose. Although you did not emerge victorious, by participating in the recent elections, you have made a valuable contribution to the democratic process. In the final analysis, by your spirited involvement in our political process, you have made it possible for the people to win by having the widest choice of candidates.

While you were not elected during this campaign, I urge your continued participation in Hawaii civic and political endeavors.

If I can be of service or assistance to you, please feel free to call on me.

Aloha,

DANIEL K. INOUYE
United States Senator

Dear Voter:

As a spokesman for the elected officials of those organizations that represent the many thousands of working men and women of Hawaii, I want to call your attention to the sorry background of a particular candidate for the State Senate in the Sixth District.

All of us expect our public officials to behave in a dignified manner in their discourse with other officials and citizens. It is certainly not too much to ask that they at least use decent and civil language in public.

We believe that Neil Abercrombie exposed his lack of character and qualification to hold public office as a State Representative on at least two occasions that outrage our moral sensibilities. On September 29, 1977, he had the unmitigated gall to use an unrepeatable obscenity in an official letter to the Chairman of the Board of Education. A copy of this letter is enclosed as proof of Abercrombie's arrogance.

His wanton disrespect for human feelings and his callous disrespect for people was again demonstrated by his recent charges that Con-Con delegates "stole" furniture and supplies. Again, of course, Mr. Abercrombie was not able to prove his charges to the Honolulu Police Department. Rather, he chose to embarrass and criticize other elected officials by his unfounded allegations.

We believe such behavior should not be condoned. The conduct of public officials should be above moral reproach.

We strongly urge that you vote for those Senate candidates who are known to have greater respect for you and your children. We believe that incumbent Senators Anson Chong and Wadsworth Yee are far superior choices who have proven they are worthy of your trust. We also believe that Dr. Richard Ando and Marion Heen Shim, new Senate candidates, will not violate your trust and confidence.

Sincerely,

Walter H. Kupau
President

Neighborhood Board Vote Summary
We Endorse DENNIS CALLAN for CITY COUNCIL

Marilyn Bornhorst  City Council Chairperson

George Ariyoshi  Governor
Jean King  Lt. Governor Candidate

Anson Chong  State Senator
WHY WE NEED DENNIS CALLAN ON THE CITY COUNCIL

The City Council sets island-wide growth policies through its planning and zoning powers. It decides what type of construction and development takes place in each neighborhood. Because of this, we need a Councilman with proven concern for the community — not one tied to special interests in finance and land speculation.

DENNIS CALLAN knows that vital decisions about highrises, open spaces and residential housing must reflect the desires of neighborhood residents. Dennis' top priority is to preserve and improve the communities in our district. He wants to protect residential communities and agricultural lands by channeling most new highrise development into the downtown and Kakaako areas.

We need a strong, knowledgeable person like DENNIS CALLAN on the City Council to speak for the people. Electing Callan your City Councilman will be a giant step towards returning political decision-making to the individual neighborhoods.

DENNIS CALLAN: ACCOMPLISHMENTS, NOT PROMISES

Every election year, politicians begin talking about neighborhood preservation, protecting our environment, and restricting highrise development. TALK AND PROMISES ARE CHEAP, especially among candidates for political office.

That's what makes DENNIS CALLAN such an exciting candidate. He doesn't just talk. He's been there, he's been involved, and his track record proves it:

• When Manoa was threatened by highrises, Callan organized a large campaign that changed the zoning and kept the highrises out.
• Dennis helped organize 9 Neighborhood Boards on Oahu, including those in Wai'ikiki, St. Louis Heights-Kapahulu, and Manoa.
• As former urban planner and director at Life of the Land, Dennis Callan knows the importance of protecting our fragile island environment.
• Chairman of Oahu Metropolitan Planning Organization's transportation advisory committee.

The State of Hawaii and the Democratic Party!
Their futures are linked.

The histories of the State of Hawaii and the Democratic Party of Hawaii are closely linked.
The Democratic Party successfully led the fight for Statehood.
And as our State has grown and prospered, so has the Democratic Party grown in public appeal.
The great leaders of our State have come from the Democratic Party—Governor John A. Burns, Senator Daniel K. Inouye, Senator Spark M. Matsunaga.
And, as we go into the 1978 elections, the Democratic Party again presents a great team of candidates:

- Governor George R. Ariyoshi for Governor.
- State Senator Jean King for Lt. Governor.
- Congressman Cec Heftel for Congress, 1st District.
- Congressman Daniel K. Akaka for Congress, 2nd District.

Plus a strong roster of vigorous, intelligent and reliable:

- Democratic candidates for the State Senate and the State House of Representatives.
- Democratic candidates for County Mayors and County Councils.
- Democratic candidates for the State Board of Education.

They deserve your support.

On November 7, Vote Democratic!
It's the winning ticket!
