ARMY OF "PINAFOLE."

An additional cause of congratulation is to be found in the fact that the late epidemic has been so far mastered as to enable the authorities to commence cautiously to raise the blockade, to relax the tabu, to let in light where the dark curtain of quarantine has so long hung over us.

THE SMALL-POX REPORTS.

The small-pox reports still show a progressive diminution in the number of cases, and concealment is again the cause of the continuance of the disease.
