## LOCAL NOTES

Enterprise Beer at the Pantheon saloon.

Judge Cooper has discharged Mrs. Ernestine Gray from bankruptcy.

The Thistle Club had a "full house" at their meeting last evening.

The Government band will give an open air concert at Emma Square this afternoon.

The traffic in Japanese females, introduced by the Christianized Chinese, is increasing in volume.

Emma street is being regraded and repaired as is also Nuanuu street from Kukui to School Sts.

Baseball this afternoon at 3:30 o'clock. The Kam's and the Crescent's will be the opposing teams.

The Pilot's office is now temporarily, at the Port Surveyor's office, at the Oceanic S. S. Co's dock.

Examinations in all the Government Schools have ended, and the long vacation is now before teachers and pupils.

An interesting series of events are on the programme to be performed at St. Louis College on Monday evening next.

The celebrated Wieland Lager Beer is for sale at the Criterion, where Larry Dee dispenses two schooners for 25 cts.

The Australia arrived on time this morning, but brings neither Eastern mail nor papers; railroad strikes preventing.

Admiral Walker will give a dinner to Minister Willis, on board the Flagship Philadelphia, next Wednesday evening.

Do not forget that Prof. Adelstein's mandolin musicale will take place on next Tuesday evening, at the Opera House.

A large and happy party enjoyed a ride over the Oahu Railroad and music and moonlight at Raymond Grove, last evening.

Mr. and Mrs. Frank Auerbach are receiving congratulations on the addition of a son and heir. Mother and child are doing well.

Cabin passengers by the steamer Rio de Janeiro have performed the quarantine duty and have been permitted to become residents.

Judge Cooper has allowed the bill of exception presented by counsel in the Ben Gallagher case and a new trial will be allowed.

Messrs. Charles B. Dwight and J. F. Bowler are busy laying new sidewalks in the Chinese quarter of the city. Much needed improvements.

Ground has already been broken by Mr. E. S. Cuhna on the lot adjoining Union alley for the foundation for a six story brick building.

The merry-go round will not dispense with its Pullman's cars, but Victor doesn't anticipate any strike. Try a ride and listen to Edison's loud talking telephone.

## An Afternoon Alarm.

At 12:55 this afternoon, an alarm was rung in from Box 5, for an incipient blaze in a huge coal-pile next to Wilder & Co's warehouse on the Esplanade. The alarm created the usual *furor* amongst the business portion of the community who feared that the scene of the fire might be located in the residence portions of the city, but the quick response and rapid run of the patrol wagon and engines along Fort street to the water front eased their minds of the location. There was grave doubts in the mind of the chief and his men how to properly tackle the mountain of coal and a delay of many minutes ensued before water was played on the heated coal through a line laid from No. 1 engine. The act of uncoupling several hundred feet of hose, unnecessarily laid, and the delivery of water was accomplished at 1.05 with a desired result. No damage.

The grounds of the St. Louis College will probably be well filled with the audience expected to be present at the concert, to be given by the College band at 3 o'clock this afternoon.

Mr. T. W. Rawlins after a long and stubborn contest, has at last obtained a decision which permits his case against the Honolulu Soap Works Co., to be remanded to the First Circuit Court for decision by a jury.

The largest invoice of beer ever imported here arrived this morning on the Australia. It was Enterprise beer, which the enterprising Jim Dodd entered. The railroads may be tied up in the States, the Pantheon won't be tied up before 10:30 p. m.

Quite a large delegation of friends bade goodbye, last evening, to Messrs. Samuel Parker and H. A. Widemann and J. A. Cummins, prior to their departure, by the steamship Rio Janeiro, for their mission "On to Washington."

It is reported that the mails from here by the Monowai for the East and Europe had to be forwarded by special boat to Port Townsend for transportation over the Canadian Pacific R. R. Co. on account of the strike of the American Railroad Union.

The Hawaiian contingent, men and women, which has been used for show purposes at the Sunset City fair returned home to Honolulu, this morning by the Australia. The girls say that they have had a good time, but as they returned in the steerage the prospects are that they are "busted."

The list of the arrivals by the steamer Australia from San Francisco this morning is as follows: Mesdames L C Ables child and nurse, C Brenig, J W M Caradaza and maid, C Dole, T S Douglas, Charles Foster, T R Foster, T Kay. Misses G Hamilton, Agnes E Judd, Rita Nolte. Mr and Mrs F A Hosmer, R O Spaulding. Messrs Paul Neumann, Hugh Center, W W Dimond, W Eassie, M V Holmes, G A Martin, W W Nott, C A Doyle, J J Slater, W C Wilder Jr, J T Waterhouse Sr, Charles Turner.

## PERSONAL NOTES.

Mr. Paul Neumann returned on the Australia this morning. The genial gentleman looks in excellent health.

Manager H. Center of Spreckelsville arrived this morning, after a short trip to the States.

Mr. Wm. Eassie of Kealia is back from the Coast.

Mrs. T. R. Foster arrived on the Australia.

Miss Nolte who has been absent for several months was a passenger on the Australia.

The "only" Doyle has come back. There will be moments, he says, when the *Advertiser* will wish to be left alone.

Judge Whiting has decided that the *Tiser* was in contempt in commenting on the Aldrich *ne exeat* case while the matter was *sub judice*. The editor-in-chief is, however, cleared of knowledge of intended publication and the city editor of the paper will probably be arrested.

Col. Samuel Norris, the defendant in the celebrated case of Emily de Herblay vs Norris, has had judgment rendered against him on his prayer for injunction against enforcement of a judgment for \$13,850 obtained by plaintiff. The Supreme Court decides that the plaintiff may now enforce judgment.

### Strike Off.

The Canadian Pacific Railroad Company has decided that it can get along better without Pullman cars than it can get along without any cars at all. The Pullmans being dropped the strike against that road is declared off.

### Born.

In this city, on the 12th inst., to the wife of Frank B. Auerbach, a son.

## HAWAII'S "BLUE" LAWS

## CONSTITUTION and LAWS

Framed by the Missionaries.

## LAWS of the HAWAIIAN ISLANDS.

Whenever a teacher is dismissed or dies, then his land, house and yard shall revert to the King, and shall be under the care of the school committee, who shall give them to another teacher. Though if he built his own house or paid his own property for it, or if his house was included in his wages which he received as teacher, then the house shall not be given up.

12. It shall be the duty of the school committee to encourage the parents in whatever will promote the education of their children, and shall also themselves encourage the children to go to school and acquire knowledge, and shall aid the teacher in whatever is necessary for the prosperity of the school. The school committee must do these things gratuitously—they will receive no pay, for it is but a small amount of labor which they will perform.

13. There shall also be annually appointed certain men of intelligence as general school agents, as follows, one for Hawaii, one for Maui, one for Molokai, one for Oahu, one for Kauai, and one superintendent of the whole. They shall be appointed by the legislature at their annual meeting. These persons shall be the school agents for the year.

14. The business of the general school agents shall be to consist with the school committees and teachers in accordance with what is before stated. The general school agents shall superintend, manage and provide for the teachers, and shall encourage them and their scholars. They also shall be the Judges of the law in relation to schools. The Supreme Judges are the only persons above them. They shall report to their superintendants their various acts, and the result of their observation, and the superintendant shall report to the legislature at the annual meeting. Their pay shall be as follows, when they are travelling to examine schools, the land agents shall furnish them food and necessities, and they shall be paid twenty-five dollars a year of government property, but not money.

15. Furthermore, those scholars which attend the Mission Seminary at Lahainaluna, shall be freed from the money tax, and all public labor of the chief, and all scholars that go to school to learn geography, arithmetic, and other higher branches taught in the higher schools, those scholars shall not go to the public labor of the chiefs and land agents till they become eighteen years of age.

16. The regulation of this section applies only to children born during the reign of Liholiho, and during the present reign of Kamehameha, but does not apply to those born previous to these reigns.

No man born since the commencement of the reign of Liholiho, who does not understand reading, writing, geography and arithmetic shall hold the office of Governor, Judge, Tax officer, nor land agent, nor hold any office over another man, nor shall a man who is unable to read and write marry a wife, nor a woman who is unable to read and write marry a husband. But this edict does not apply to those who were born previous to the reign of Liholiho.

17. If any one suffer a misfortune which is the cause of his ignorance, if his sight be defective, or if he lives in a solitary place distant from school, or is unfortunate in any other manner, which is the reason of his ignorance, and still his or her mind is made up to marry a wife or husband, then he or she may go to the Governor who shall make inquiry, and when it becomes clear to him that the person's ignorance is not the result of laziness but a real misfortune, it shall then be the duty of the Governor to give him or her a certificate of marriage.

(To Be Continued.)
