

B (Health and Sanitation)

1 April 1947

Saipan Dist.

2 (USNMG Leprosaria, Insane Asylum and Orphanages)

The Leprosarium is located one-half mile east of Military Government Unit Dispensary on Texas road. There are five (5) men and two (2) women in the leprosarium. The two-(2) babies previously reported as being in the Leprosarium have been taken out and are now in the care of relatives.

There are no Insane Asylums or facilities to care for the insane at Naval Military Government Unit Dispensary. There are no orphanages maintained on SAIPAN.

Medical care for the inmates is provided through bi-weekly visits of the Native Medical Practitioner and by Military Government Unit Dispensary when hospitalization is required.
