

B (Health and Sanitation)
3 (Sub-Dispensaries, First Aid Stations, etc.):

30 June 47

Ponape District

Sub-dispensaries are located in the Metalanim and Kitti districts on Ponape and on the islands of Kusaie, Pingelap and Mokil and on Ngatic. A small first aid facility is being set up in U district under the Sanitary Inspector who is being given two weeks instruction at the Dispensary for this purpose.

(b) Employees, Rate of Pay and Earnings:

Place	Medical Practitioners	Corpsman 2nd Cl	Corpsman 5th Cl	Rate of pay	Earnings
Kusaie	1			\$ 75.00 (month)	\$ 225.00
Kusaie		1		20.00 (month)	60.00
Kusaie			1	10.00 (month)	30.00
Kitti		1		24.00 (month)	72.00
Metalanim		1		24.00 (month)	72.00
Pingelap		2		20.00 (month)	120.00
Ngatic		1		20.00 (month)	60.00
Mokil		1		20.00 (month)	60.00

(c) Supervision of outlying dispensaries is accomplished by periodic visits by M.D. personnel and in the case of those located on this island by having the native corpsman make frequent visits to the main dispensary for instruction and advise. The outlying dispensaries were all again visited in the past month.

(d) The following is an abstract of treatments given at the Kitti and Metalanim dispensaries during the period since last report:

0531

Kitti		Metalanim	
Arthritis	73	Arthritis	27
Asthma	12	Burns	2
