

AMERICAN LEGION SECTION

THE BONUS

Apparently the American Legion of Hawaii has never been very keen about the soldiers' bonus. When first came up before the territorial department of the Legion it was voted down; at the next yearly convention the voting was for a compensation bonus. Regardless of the Hawaiian posts' opinions on the subject the bonus is now almost a certainty. It has passed the house by an overwhelming majority. The measure goes to the senate and although results there are regarded as uncertain there is undoubtedly enough pressure behind the bill to force it through.

Personal opinion of Kauai Legionaires on the subject differ. There are some who feel that it is hardly the right thing for a soldier to accept a bonus for such an honorable privilege as serving one's country in times of stress. Would they feel any less reluctant if they knew that George Washington received a bonus?

The following are some points in favor of the bonus as brought out by a mainland paper:

WHY THIS CONGRESS SHOULD PROMPTLY PASS THE SOLDIERS' BONUS:

FIRST, the Republican party which controls the present Congress, declared in its national platform in favor of the soldiers' bonus and went before the country with that as one of its main issues.

SECOND, because it is the established principal of this country to give soldiers' bonuses.

After the Civil War bonuses were given to the soldiers, and even some of the congressional opponents of the bonus like Senator Knute Nelson, of Minnesota and Senator Francis E. Warren of Wyoming, received their bonuses after the Civil War without protest.

Even so distinguished a soldier and patriot as General George Washington received a large bonus of public lands for his services during the Revolutionary war, and did not hesitate to accept it.

THIRD, because England and France and most of the allies engaged in the present great war have paid their soldiers bonuses, and have paid the bonuses out of our money.

And there seems to be no good reason why we should not use some of our money to pay our own soldiers a bonus instead of providing it so liberally to other nations to pay THEIR soldiers bonuses.

FOURTH, because the average wage before the war was at least five dollars a day. But during the war the soldiers who went abroad and fought in the trenches received only one dollar a day, while the workers who stayed at home and worked in the factories under high war wages received approximately ten dollars a day.

The men who did the fighting got one-fifth the average wage, while the men who did not do the fighting got twice the average wage.

It is but poor and inadequate compensation to give those men who fought so bravely, who ran so much risk and endured so much hardship and privation, a very small part of what they were deprived of during the war which they won.

FIFTH, because the will of the people of the United States should be the guiding principle in legislation, and in nearly every state where the question of a soldier bonus has come before the people in a referendum, the people have voted by large majorities in favor of the soldier bonus.

SIXTH, because the classes who are opposed to the soldier bonus are largely the big business interests, and the privileged financial and social classes, who are afraid that they will have to pay heavy taxes for the soldier bonus.

These big financial leaders and social leaders are the people who wanted the war and clamored for the war and finally succeeded in projecting the United States into the war, largely on account of their sympathies with foreign countries with which they had connections.

Now, they have had their war and they do not want to pay for it. They profited during the war and made millions and hundreds of millions of dollars, but they do not want to give any part of their profiteering to the men who went abroad and lived in the trenches and sacrificed their health, their youth, their opportunities, in order to uphold the honor of their country and win the war that these profiteers and patrioters were so deeply interested in, sentimentally and financially.

THAT DANCE

Remember to hold April 23 open. That's the date of the "Night in

the Orient" ball and it's an event you don't want to miss. The plans for the pageant that is to precede the ball is being kept well under cover. All they'll tell is that after we have seen it, we'll quit talking about those swell barge parties that Cleopatra used to give on Saturday nights.

A newspaper heading says: Dizzy Spells Due to Undigested Food. And I thought it was love.

Pat, while in the army, ran short of money and was really up against it, so he went over to the Y. M. C. A. to see if he couldn't negotiate a loan for a short time. The Y. M. C. A. official told him it was impossible to do this for him but suggested to Pat to pray and ask the good Lord for it. Pat finally decided to write to the good Lord and ask him for \$25. He dropped the letter in the Y. M. C. A. mail box and went about his way. The letter finally wended its way into a group of officers and they decided to take up a collection for him. They got together \$15 and sent the money to Pat through the Y. M. C. A. A few days later he called and received the letter and was surprised that he had received an answer so quickly. Upon opening the money he saw that it totalled only \$15, so he immediately penned a few lines to the Lord that read:

"My Dear Lord:
"Received fifteen dollars. Next time do not send it through the Y. M. C. A."

PAT.

Don't you think that girl over there dresses beautifully?

Can't say; there's a tree between our houses.—Chaparral.

No; but they are fine for two—Jester.

And when I kissed her, I smelled tobacco on her lips.

You object to a woman who smokes?

No; but she doesn't smoke.—Jack-O-Lantern.

She—Have you ever talked this way to any other girl?

He—No, love; I am at my best tonight.—Punch Bowl.

Go fast around Calamity Corner and buy a new set of springs.

WHAT WOULD YOU DO?

Isn't it fun to come home unexpectedly after you have been away on a visit, and surprise your husband with your arrival? Yes, unless you find a bigger surprise in store for you. And that's what happened to Nora. She found another woman in her home who insisted that she was mistress of that apartment.

Yes, it turns out alright, but there are plenty of laughs in the morning "Facing the Music."

What would you do if you came to call on your neighbor and found your wife (who is supposed to be in Scotland on a visit) in a servant's dress in your neighbor's house? And what would you do if she handed you 200 pounds and told you it was alright, and you the rector of the church? You don't know. Of course you don't. And you never will unless you come and see "Facing the Music" at the Tip Top Theater, Wednesday, April 12.

ERNEST GIESECKE, PIANO EXPERT TO VISIT KAUAI

I am arranging to visit Kauai on my regular annual tuning trip early in April with headquarters at Lihue Hotel. Having had 14 years' experience in Hawaii, besides 18 on the mainland, enables me to give your piano or player piano just what care and adjustment it may require.

The piano is the most expensive and most abused article in the average home. It has about 230 highly tempered steel strings ranging in gauge from 13 to 22, when drawn to international pitch, exert a strain on the frame of the piano approximately 18 tons. Other stringed instruments with a few pounds strain are tuned every time they are played. A piano out of tune and out of adjustment is a handicap to the performer, as well as listener.

"Let me straighten out your discords and create harmony in your home."

Very truly yours,
ERNEST GIESECKE,
Piano Expert.

GIRL RESERVES

Koichi Kojima, Cactus Corps '25

Some of the high school Girl Reserves are trying to get honor points to win emblems of spirit, a small spirit lamp on the arm band. A few of them have been gaining points by writing an essay on "What Christianity has to Offer Girls of the Orient." This is the best of these that have been written so far:

What Christianity Has to Offer Girls of the Orient

The world's greatest religion today is Christianity. It leads to a great climax, happiness. If it were not for Christianity, this universe would be dreary. It is health, happiness, hope and self respect that this religion offers to the girls of the Orient. There is no greater or nobler gift to grant young women of the Orient than the ideas of Christianity.

Christ emphasized the importance of health and happiness in order to do and stand for something in this world and to help moral, spiritual and mental growth. Jesus loved out door life which shows that he valued good health. Eastern religions consider torture of the body necessary to religious ceremony. The old time custom of foot-binding of these Chinese shows that the body was not considered important, and the giving up of this custom, the enlightenment that Christianity has already brought.

Christianity also stands for democracy. The oriental religious teachers failed to teach the brotherhood of man. Jesus made no distinction between classes. We regard the cast system in India as undemocratic. We compare modern India to the ancient Romans, many years before Jesus was born, when there was strong class distinction among the people. When the Romans heard the Christian teachings many of them were filled with joy, especially the poor, degraded slaves. They eagerly listened and many were soon converted to Christianity. For although they were miserable and degraded in this life, they had a great goal for the future, Heaven. This the disciples of Jesus, taught to those slaves and poor farmers. And why will it not bring the same hope to the women of the Orient?

The Buddhist idea is to cease to care for life. Buddha did not tell the people to struggle, did not bid them repent, gave them no rules of conduct. He taught that life was sad and men should be disgusted with it. This makes indifference to suffering. The Christian believes that life is worth while and men should struggle for the good, "for great is your reward in heaven." Jesus healed the sick and comforted the poor. Confucius taught many good rules of conduct but he said nothing chivalrous or noble about women. He had no ideas about life after death. Think of the comfort and courage that Christianity will bring into the dark lives of the girls of the East.

Jesus was friendly to all people, whether they were sinning, good, rich or poor. We get an idea of this in this story:

Once Jesus sat at a feast and many publicans and sinners sat with him and his disciples. The scribes saw him eat with the publicans and sin-

ners, so they asked how it was that he ate with such people. Jesus said, "They that are whole have no need of the physician, but they that are sick. I come not to call the righteous, but sinners to repentance."

Jesus also washed the feet of his disciples for an example to show that the disciples should help one another. A knowledge of the friendly and democratic spirit of Jesus will give girls of the Orient hope and courage.

Oriental religions emphasize form, pomp and display more than doing what is right. Jesus taught that we must be kind and helpful to our fellow men before we can hope to be near God. He spoke this on a hill: "Not everyone that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven." And Jesus thought it wrong for anyone to offer a gift to God when he had wronged his brother. He said, "Leave there thy gift before the altar and go thy way, first be reconciled with thy brother, and then come and offer thy gift."

Christian teachings show respect for women, although the Oriental religions do not. Jesus taught that the souls of women are as valuable in the sight of God as those of men. In the East women have no opportunity for progress or advancement. They are not respected in their home, community or church. Since they regarded as bound to the duties of the house, their influence in the home is small. The man has all the influence over the family. Women often have to do all the hard and disagreeable work in the home as well as laborious work in the fields and this does not give them a chance to be good mothers. Often girls are not considered worth educating. But wherever Christianity is introduced, education goes with it. The ideals of Christianity will give self respect, hope and comfort to the humiliated, dull and miserable lives of many Oriental women.

University of Hawaii Makes Clean Sweep

The University of Hawaii basketball team invaded Kauai and won every game during their tour but not without being forced to fight all the way for their victory.

They opened their series with a 44 to 17 victory over the Kauai high school. The high school was plainly outclassed by their more experienced opponents, but fought gamely all the way. The shooting of the two Chung brothers at forward was the features of the evening, especially the work of Will Chung, who made eleven baskets. Hale Cheatham at guard for the high school was the particular star for the local team.

On Wednesday evening the university team met and defeated the Lihue team by the score of 35 to 19. The Lihue team was not as nervous as the high school team and put up a better battle. The first half was fast and furious and the varsity was leading by the score of 16 to 9. Lihue made three points in the beginning of the second half and for a short while the score stood 16 to 12, but the varsity put on a burst of speed and their better condition told and they led at the end of the third quarter by the score of 28 to 12. Both teams fought hard in the fourth quarter and Lihue managed to hold their own during this period scoring seven points to a like amount by the varsity. The shooting of Chong Wong and Farden and the defensive work of Longstreth and Crawford were the features of the evening's play. Though the play was fast and hard the game was exceptionally clean as the previous one was the evening before.

On Thursday the university team traveled to Makaweli where they were to play their last two games. They met the Makaweli team on Thursday evening and had their hardest battle during their visit. Makaweli played great basketball against the visitors and had them plainly worried. It must be said for the university team that they were having a great deal of trouble finding the basket against the wall during the first half, missing several easy shots.

Dankroger was the star on offense for Makaweli while Beecroft and Beam starred on defense. Chong Wong and Fuller were the university stars.

The last game, against the All-Kauai team, was won by the varsity by a score of 37 to 15. The All-Kauai team like most all-star teams, looked all right on paper but had quite a different appearance on the court. Lack of team play was noticeable, but there was no lack of fight. The varsity passed rings around the local team and scored almost at will.

Manuel Fernandes was the star for the All-Kauai team, making six of their 15 points.

The tour of the university boys has done a world of good for the game of basketball on Kauai. It has shown the local public that the class or games played here compares favorably with the game played in Honolulu and that in a few years there is no doubt that if the local

teams improve as rapidly as they have this year that the local teams will be heard from in the inter-island series.

The tour has shown that the local teams are weak in passing and that they should develop this part of their game. The series were successful in both a sporting and financial way.

The Hanamaulu team held on to first place in the Lihue Junior league by defeating the Braves in a wild battle by the score of 15 to 11. The Braves played ragged ball at the start and the Hanamaulu team took advantage of their errors to pile up a big enough addition to win. The Braves made a game try to overcome the Hanamaulu boys but were not equal to the occasion.

The Kapala team defeated the Sunrise team in a see-saw affair by the score of 10 to 9. It took eleven innings to decide this battle. The Sunrise apparently had the game sewed up in their half of the eleventh when they scored three runs. Kapala did not lose heart but came back and through a walk and an error, a two bagger, a single and a fielder's choice managed to win out. Umamoto, the little shortstop of the Sunrise team was the hitting star of the day, getting two triples and a single for his efforts.

WHAT WOULD YOU DO?

If a well dressed young lady, lost in a fog, fell fainting in your arms on a very dark night, wouldn't you offer to assist her home?

Of course you would. So did Mr. John Smith of Mona Mansions. But he hadn't gone very far when he was robbed of 200 pounds. Was the well dressed attractive young lady an accomplice? Come and see "Facing the Music" and find out.

Suppose you hired a detective to come to your house to help you find 200 pounds you had lost, and to solve a few other mysteries and the detective began by arresting your wife and then you, and demanded that you produce the rest of the accomplices.

Pretty bad, eh? Well, that's what happened to Mr. Smith. Come and see it all, at the Tip Top Theater.

BASKETBALL

EAST KAUI LEAGUE

OPENS SEASON FRIDAY

The first games of the East Kauai Basketball League will be played next Friday evening at the armory when the Kealia teams meets the second Kapaa team and the American Legion team meets the Kapaa first team. Both of these games should be fast as the Kapaa teams have been training hard for this league and are out to make a showing. The Kealia team is an unknown quantity, but as they have some very good material, they are expected to make a good showing. The Legion team will be made up of veterans from the Lihue team in the Kauai league and should make the other teams step to beat them. Other teams in the league are the Kauai high second team and the Lihue dormitory. It is not known at present whether there will be a team to represent Lihue in the League or not. The object of the league is to introduce the game to East Kauai so as to develop material for the Kauai League next year.

BASEBALL MEETING

There will be a meeting of the Kauai Athletic Association at the Lihue courthouse on Friday, March 31, to arrange plans for the coming baseball season. All teams intending to enter are urged to have a representative on hand.

A VICTORY FOR HAWAII

Hawaii proved by Saturday's election that she is wholeheartedly back of the Republican party that is now directing the affairs of these United States. She unreservedly endorsed the Republican party, its policies and the man that the local leaders had selected as the party's choice for delegate.

The election was not a victory for the Republican party only. It was a victory for all Hawaii. The results show that many men and women who formerly voted the Democratic ticket voted for Senator Baldwin. And these people, regardless of their party affiliation or political belief, are to be congratulated and thanked for their help. They disregarded party lines when they thought that in doing so they were working for the good of the territory as a whole.

No delegate has ever gone to Congress under more favorable auspices than Harry A. Baldwin is going. He has the confidence and the unlimited backing of all Hawaii. He is a leading member of the party in power and he is personally well fitted for the task before him in Washington.

Members of Congress are sure to be pleased with Hawaii's action. Congress is now Republican. The President is Republican. Our delegate is Republican. There is unity. When Delegate Baldwin asks for support for Hawaii or Hawaiian measures he is making his request from friends. Congressmen will listen to his requests with respect. They know who he is. And they know that any man that is respected and supported as Mr. Baldwin is at home must be fundamentally right.

Yes, Hawaii is to be congratulated on her decision. We predict that Delegate Baldwin's work will be worthy of his respected predecessor, Prince Kalaiana'ole.

AUTO MORE DEADLY THAN WAR

War has its horrors written into history and firmly planted in the minds of men who participated in the struggle; yet, with all its horrors, war is not to be more dreaded than the careless drivers of automobiles. According to a statement of Frederick B. House, magistrate of the New York traffic court, the automobile is far more deadly. In a recent declaration, Mr. House stated: "In the eighteen months that the American troops were engaged in fighting in France, 18,000 soldiers lost their lives on the battlefields. In exactly the same period 91,000 persons, 25,000 of them children, were killed by automobiles on the highways of the United States." It is not the fault of the automobile that these accidents happen. The variety of car or truck is no more liable than another to cause death. It may not be the fault of the driver in every case; but the tendency to high speed in congested districts, and flagrant violation of speed laws everywhere, combined with the carelessness of children and adults, results in a high death rate. Children persist in running across the street in front of automobiles; adults take a chance in dodging them; the careless driver disregards the rights of his fellowmen, and thus the conditions that bring death and disaster are multiplied and the death rate increased. More stringent laws are necessary, and careless drivers should be deprived of their licenses in the interest of public welfare. Children should be taught the dangers of the street and the importance of Safety First. The automobile has a right to the use of the street, and so has the pedestrian; but the driver should be impressed with the fact that he does not have the right of way in every case, and that he should not disregard the rights of others, whether on foot or on wheel.

THAT IS OUT

There probably was a house shortage when the song writer dashed off "Rock-a-Bye Baby in a Tree-top."

Many a man has found out that when they called it the "easy" payment plan they used the wrong adjective.

When a man gets ten years in the penitentiary his wife can truly lay claim to being legally separated from him.

The chap who likes to rock the boat does not mind striking a match to see how much gasoline is left in the tank.

Some motorists seem to think the roads in this section are a fine place to run across people.

THE HOUR OF NEED

In an emergency, you run to your local druggist for a prescription. Or, to finish a dress before starting on a trip you find you are in need of a wee bit of more cloth, and you run to the city dry goods store to purchase it. Or, in numerous other ways you find your local stores convenient and ready to supply your urgent need.

But if you patronize these stores only when you need something in a hurry—if you constantly send money to out of town concerns, the local stores cannot continue to exist. They must have your support at all times, not only when there is an emergency but during normal times if you want them here when your hour of actual need comes.

There is an old saying that "those who dance must pay the fiddler," and it could be turned around to read that those who only patronize a Kauai merchant when they are in need will be in need quite often before they get through with the mail-order concerns. There is no question but we would all fare better if we would confine our dealings to people we know. Instead of sending our money away to people we never saw, and never will see, let's spend it where we know who gets it, and where it will do us some good when they spend it. The fellow we know has to face us daily, so it stands to reason that he is not going to "sting us" as quickly as the fellow we may never see. Your home merchant has a reputation for square dealing, and he wants to keep it. So that is another guarantee you have of honest dealings when you spend the dollar you made at home right here where you made it.

DON'TS FOR OUR ISLAND

Don't fail to sound the praises of Kauai wherever you are.

Don't make your money off your neighbors and then spend it with strangers.

Don't frown on every public improvement simply because it may cost you a dollar or two.

Don't sneer at the efforts of your fellow citizens to build up the island, but lend a hand yourself.

Don't talk a great deal about what should be done and remain on the back seat waiting for someone else to do it.

Don't say the public schools are a failure because your boy has been upsetting the school's discipline and has been punished.

Don't stay at home on election day, but get out and hustle for good men and good government.

Don't let a good local paper, that is the untiring champion, abandon the business because of a lack of patronage.

Don't forget that in building up the island, hearty co-operation, united endeavor and a spirit of get-there are what win the day. There is no pull like a long pull, a strong pull, and a pull together.

If there is a joker in the new soldiers' bonus bill the soldiers fail to see where the laugh comes in. The soldiers want to be reimbursed, even in a slight degree for loss of time while they were in the service of their country and the good jobs were held by slackers and foreigners. There was no justice in forcing a well-bred American boy to go to the front to fight and die if need be while a foreign-born resident, having no interest in America, was given an opportunity to earn wages far above his worth.

Columbus Welfare Club To Make Drive for Funds

The Columbus Welfare Club, successor to the Knights of Columbus welfare work, which was such a notable success in Honolulu, during and immediately following the war, needs funds if it is to continue in existence. As previously announced beginning April 2nd, a week's drive will be made to raise \$15,000.

The work of the club has the highest endorsement of the Rt. Rev. Bishop Liebert and the Catholic clergy of Honolulu. The Columbus Welfare Club is a Catholic community organization and soliciting of subscriptions will be limited to the Catholic population of the islands. Although non-Catholics will not be specially solicited, it is hoped they will support the cause by volunteer subscriptions. For, while the welfare club is under the auspices of the Catholic church, the club house and all the club's activities are open to the entire public.

Unless the money is forthcoming, the club building on Fort street will have to be closed as the organization has no resources to fall back upon and is dependent upon the contributions of those interested in its success. Those in charge of the United Welfare Drive in Honolulu during November 1921, refused to include the Columbus Welfare Club in the list of beneficiaries so the club is compelled to ask assistance from the Catholics of Honolulu and the other islands.

The club though launched less than a year ago is doing a notable work in endeavoring to promote the general welfare of the community. Its scope includes all races, its program of activities is ambitious for Honolulu.

It aims to stimulate, individually and collectively, community activities; it offers a meeting place for Catholics as individuals or organizations; it seeks to give impetus to distinctly social affairs; to offer recreation and education to men, women, boys and girls, whose home environment or circumstances restrict their hours of freedom to shallow confines of a questionable nature; it hopes to be a moral factor for the good of all Christians and to offer them the opportunity of community center work.

It likewise maintains an employment bureau and has been successful in finding work for a large number in the past few months. It has a reading room, library and writing room.

Educational classes are also conducted in fundamental work for men and women, such as bookkeeping, mathematics, English, wireless telegraphy, and for the women there are classes in dressmaking and millinery, under competent instructors.

As a recreational center the club possesses a well equipped gymnasium where volleyball and basketball teams hold forth. There is a large variety of equipment and a course in gymnastics is conducted by Mr. Lee, assistant to Prof. Pierre Baron.

Every month social activities take different form, such as card parties, dances, social and entertainments. The club is a meeting place for young men and young women, surrounded by an atmosphere conducive to mutual enjoyment and presided over by a chaperone.

An information bureau is also maintained and is at the service of friends and strangers, alike.

The club also encourages and sponsors activities for men and boys. It has launched Boy Scout and Girl Scout troops and is providing instruction for the youth that aims to build and strengthen character and morals as well as physical development.

The club in its second year hopes to have a paid welfare director and a secretary for men's and boys' activities and this program can only be realized by a generous response on the part of Catholics of the territory.

The executive committee in charge of the drive consists of Judge Antonio Perry, chairman; Mrs. E. M. Watson, secretary; J. A. Hughes, Rev. Father Maximin, Mrs. Harold Dillingham, Mrs. George C. Potter and Thomas J. Fitzpatrick.

All districts in Honolulu and Oahu will be canvassed by teams and the clergy on the outside islands will co-operate in obtaining subscriptions.

It is expected that this drive will go over the top; as all drives do in our good community and as the Catholics themselves while they have always given freely to other drives, have asked for very little for their own activities.

With Safety

The outstanding feature of the market for bonds during recent months has been the heavy buying for permanent investment.

Notwithstanding that this demand has resulted in a substantial advance in prices for bonds in general, the present outlook indicates a gradual trend toward the level which prevailed some years ago, particularly as applied to issues of the better grade, which still yield a liberal return.

It is doubtful if it will be possible for several years to purchase bonds at prices which will yield the return now possible.

MRS. A. S. WILCOX GIVES
POI LUNCHEON, HANAIEI

One of the pleasant events of the week was the poi luncheon given by Mrs. Albert S. Wilcox at her home Hanaiei on Tuesday, in honor of Mrs. Charles H. Bishop, of San Francisco, and Mrs. Albert Waterhouse, of Honolulu, who are renewing old friendships on Kauai.

Hanaiei was particularly beautiful in its dress of vivid green with the white flecked, shimmering blue ocean at its foot. Mrs. Wilcox's poi luncheons are famed for their goodness and the guests upon this occasion vied with each other in expressing appreciation of the delicious viands set before them.

Following luncheon, bridge was the order of the day, and Mrs. Wm. Henry Rice and Mrs. Philip Rice were the proud possessors of mementos of the occasion.

Besides the hostess and guest of honor were Mrs. Hans Isenberg, Mrs. Deverill, Miss Zur Helle, Mrs. Sloggett, Mrs. R.L. Wilcox, Mrs. Paul Isenberg, Mrs. P. L. Rice, Mrs. Crawford, Mrs. W. H. Rice Jr., Mrs. Stewart, Mrs. C. A. Rice, Mrs. Swan, Mrs. Forster, Misses M. Wilcox, Elsie Wilcox, Damon, E. Rice, Gerda Isenberg, Inga Sjelcken, Miss Bodrero, Mrs. Sanborn, Rudolph Isenberg.

SHERIFF AND MRS. RICE
GIVE CHOP SUEY SUPPER

Mrs. Albert Waterhouse and Mrs. A. S. Wilcox were the motifs in a chop suey supper at the home of Sheriff and Mrs. Wm. Henry Rice, on Thursday evening. The sheriff's skill in preparing a culinary feast à la Chinese, is procuring him almost as much fame as his ability to carry a political campaign to a successful issue. Bridge occupied the attention of the guests after supper.

MRS. A. H. WATERHOUSE
HONORS MRS. CALEB BURNS

Mrs. A. H. Waterhouse of Koloa was the hostess on Monday of this week at a charmingly appointed tea, honoring Mrs. Caleb Burns, the wife of the new manager of Koloa Plantation. The beautiful old Smith home which Dr. and Mrs. Waterhouse are now occupying, made a most attractive setting for the event. Flowers in profusion adorned the reception rooms, and many of the guests wandered about in enjoyment of the beautiful grounds.

Mrs. Waterhouse was assisted in pouring tea and coffee by Mrs. Forster, Mrs. Charles Rice, Mrs. Frank Alexander and Mrs. Sloggett. Mrs. C. B. Hofgaard and Mrs. Wm. Henry Rice assisted at the punch table. Mrs. Burns is charmed with her new home and both Mr. and Mrs. Burns bid fair to become very popular in Koloa.

MRS. BISHOP, MRS. ALBERT
WATERHOUSE HONORED

Mrs. Bishop of San Francisco, and Mrs. Albert Waterhouse of Honolulu were the guests of honor at an informal luncheon given by Mrs. Charles Rice, at Kalapaki, on Thursday.

Various kinds of amaryllis and pond lilies were used for decorations. After luncheon bridge was indulged in by devotees of the game while others enjoyed the sociability of chatting and sewing.

Miss Elsie Wilcox won, as first prize, a Canton cup and saucer, while Mrs. Bishop was consoled with a dainty china box.

Mrs. Rice's guests were Mrs. Bishop, Mrs. Waterhouse, Mrs. Wm. Hyde Rice, Mrs. S. W. Wilcox, Mrs. A. S. Wilcox, Mrs. Sennel, Mrs. Swan, Mrs. Forster, Mrs. R. L. Wilcox, Mrs. W. H. Rice Jr., Mrs. Stewart, Miss Elsie Wilcox, Miss Mabel Wilcox, Mrs. Sloggett, Mrs. F. Crawford, Mrs. P. L. Rice, Mrs. Paul Isenberg, Mrs. Englehard, Miss Lydia Bodrero, and Miss Edith Rice.

MRS. RALPH BAYLESS
GIVES TWO TEAS

Wednesday—Mrs. C. A. Rice, Mrs. R. Hagood, Mrs. Albert Horner Jr., Mrs. C. H. Bishop, Mrs. James Corstorphine, Mrs. Frank Burns, Mrs. E. S. Swan, Mrs. J. H. Midkiff, Mrs. A. Englehard, Mrs. W. F. Crawford, Mrs. Clum, Mrs. Anna Wilcox, Mrs. Dora Isenberg, Mrs. P. Isenberg, Mrs. T. L. Morgan, Mrs. R. Middleton, Mrs. J. M. Kuhns, and Mrs. R. Carlinghouse.

Y. M. C. A. NOTES

HI-Y BOYS WILL
ATTEND CONFERENCE

Twelve delegates will represent the three HI-Y Clubs of Kauai at the fourth annual territorial Older Boys' Conference to be held in Honolulu March 30 to April 3.

The boys are going with a choice and well prepared stock of yells and songs. The folks will know they are there and where they are from. Sufficient funds were procured from the receipts of "The Love Pirates of Hawaii," given by the high school musical club to help defray the expenses of those who were chosen as delegates.

These conferences are a source of large inspiration and help and this one will not prove an exception. Each fellow takes camping equipment with him for the conference will be on Oahu.

The delegates are Richard Rice, William Moragne, Francis Chong, Coichi Kawahia, Todashi Nogaie, Hale Cheatham, Edward Peller, Tsunoto Nitta, Tadayoshi Yamada, Junichi Sakimae, Antone Camara, Jacob Naka.

Secretary Neil Locke will accompany the delegation.

LIHUE 3-C HAVE
A SOCIAL EVENING

The members of the Lihue Three-C Club, with their leader, Henry Wedemeyer, held their regular weekly meeting at the home of Secretary Locke last Friday.

A number of new games were played including basket ball, table polo and kum. A business meeting and refreshments were part of the evening's program.

KALAHEO BOYS ON
OVER NIGHT HIKE

With their leader, Mr. Tashiro, the Kalaheo Y. M. C. A. club spent the night at Lawai beach last Friday. Grab and other essentials were packed on the backs of the hikers and all the joys and discomforts of a night in the open was experienced.

Fishing, swimming and games occupied the daylight hours; swatting, shooting, rolling, snoring supplied diversion during the wee sma' hours. "We're going again soon," indicates the good time.

JAPANESE 3-C ENJOY HIKE

Thirty-two members of the Lihue Japanese Three-C Club left the school grounds at 3 o'clock Monday for a hike and swim at Niuaulu beach.

Water polo, tag, races and other sports kept things lively until the cry of "Drowning boy!" startled everyone and all rushed to the place where Mr. Locke was pulling one of the fellows out of the water and stretching him on the beach. The scare proved to be a demonstration of rescuing a drowning person. The boys were shown how to place a person who has been overcome with water and by artificial respiration revive him.

After the swim a fire was built and "hot dogs" were consigned to their final resting place.

The hike back returned every boy to his home before dark, tired but radiant in the glow of the outdoor exercise.

SETTLEMENT IS NAMED
AFTER LATE PRINCE KUHIU

"Kalaniana'ole" will be the name of the first settlement of 24 families to be located on the lower Kalamaula lands, now being developed by the Hawaiians Homes Commission states the Advertiser. This name was decided upon at a meeting of the commission Tuesday. The rehabilitation act is destined to become the national memorial to the late Prince Kuhio who gave so much during the final years of his service at Washington in behalf of the Hawaiian people. It was therefore considered appropriate to designate the first Homes community by his name.

WHAT WOULD YOU DO?

Suppose you came home some morning and found a charming young lady in your apartment who insisted that she was your wife and that if you did not leave at once she'd send for the police. What would you do? Come and see "Facing the Music" at the Tip Top Theater, Wednesday, April 12, and find out what Mr. Smith did.—Kam. Dramatic Club.

A. Rogers, Mrs. J. Jamleson, Mrs. P. L. Rice, Mrs. E. H. Case, Mrs. C. Scribner, Mrs. Sam Carter, Miss Edith Rice, Miss Elsie Wilcox, Miss Ethel Damon, Miss Lottie Jordan, Miss Agnes Dunn, Miss Dale and Miss Manning.

School Notes

KAPAA SCHOOL

School closes this week for Easter vacation and teachers and pupils are busy with term tests. Results so far are pleasing.

The contractor has finally turned over our new shop to us. The boys will begin the erection of work benches and other miscellaneous equipment immediately. We hope to be under this new roof when the new term begins.

The girls' volleyball team expects to play the deciding game of the season with the Hanamaulu team sometime in the near future.

The eighth grade pupils had charge of the bulletin board for the past two weeks and have shown excellent judgment in posting interesting instructive and amusing newspaper clippings.

Beginning with the new term, the seventh grade pupils will be given an opportunity to see what they can do with the bulletin board.

Miss Elsie Wilcox, commissioner of education, honored us with a visit last Friday.

Garden letters to the newspapers are now being written by the eighth grade girls as well as the boys. These letters have brought out some new features which the boys have previously overlooked.

WAIMEA SCHOOL

Chemical and physical supplies for the course in science for freshmen arrived on the last Hyades. Laboratory work will start with the new term April 10. The year's work will have to be done in the next twelve weeks.

Several years of Asia Magazine, National Geographic, Travel and other standard magazines have been given to the library. Miss Charman and her fourth grade class are binding them with flexible cloth covers. When the work is done the books will be a splendid addition to the library. The librarian is looking forward to the time when books will be issued from the new county library.

Small articles made by the shop during the term are on display at the Waimea bakery. The proprietor has given Mr. Ferreira a table and a corner of the bakery for the sale of the articles. They include baskets, towel racks, and numerous other articles. The prices are reasonable and we appreciate your looking at the display.

A concrete incinerator of the beehive type is to be built in a corner of the school yard. The Waimea Garage has offered old steel for the grate and re-inforcements, and Mr. Pugh has promised to construct it. The new shop is complete and is a source of pride to all the friends of the school. Mr. Ferreira will move in as soon as it is accepted. Mr. Pugh and Mr. Henke, from the university, made a hurried trip through the new shop and inspected the garden last Wednesday. Tools for the shop are on hand. They were delivered early in February.

The vaudeville on March 11 was a success financially. Plans are on foot to offer the show in Koloa sometime during the Easter vacation. The following acts will likely be shown: The world's strongest man, the famed Guchi wrestlers, tight-wire acts, Mystical Maurice, tumbling acts and pyramids, trapeze and horizontal bar specialties, blackface comedy, chin music on a Scotch piano, and other entirely new numbers. The purpose of the show is to build up a substantial school fund.

COLBURN IS APPOINTED
SUCCESSOR TO GLEASON

John F. Colburn III has been appointed to succeed Patrick H. Gleason, resigned as director for Hawaii, says the Advertiser, and assumed his new duties last Thursday. News of the appointment was received Wednesday afternoon by Mr. Gleason, who was instructed to turn over his office to his successor.

The new director enters office with the best wishes of the community. The choice is a popular one for Colburn has received the endorsement of the Republican central committee, the Anti-Saloon League and other civic organizations.

Patrick H. Gleason will return to his dual position as deputy territorial high sheriff and assistant warden of Oahu prison on April 1.

Colburn was appointed enforcement agent by Gleason when the latter became director last January and is well known here.

Sakuma, 82 Years Old Attends Reunion

Yonekichi Sakuma of Nawiliwili this island, one of the few living Japanese who came to Hawaii with the first batch of immigrants 52 years ago, has gone to Honolulu in response to the invitation of Sentaro Ishii, who came to Hawaii together with Sakuma, according to the Nippon Jiji, to hold a reunion of Japanese who came here half a century ago. Sakuma is 82 years old.

He is staying with his son James K. McW Sakuma at his home on Weaver Lane. He says it is a great pleasure to him to have a reunion with his countrymen who came to Hawaii half a century ago and whom he never met since arrival. He says he does not know his fellow passengers of 52 years ago by name but thinks he can recognize them if he sees them.

When he first came to Hawaii, says Sakuma, he, together with Kintaro Ozawa, father of Kenzaburo Ozawa, torney, who died a few years ago, worked for a man named Helbrand. "I came to Hawaii with a great ambition," he says, "but I became ill for about four months and instead of earning money, I was short of it. The pay then was only \$4 a month. I then went to Lihue, Kauai, and there I stayed until the present day, coming to Honolulu only two times during the half century of residence on the Garden Island."

Sakuma is married to a Hawaiian woman. He is a native of Chiba prefecture, Japan. He does not know what took place in the land of his nativity since he left there half a century ago. Great changes have undoubtedly taken place.

Although well advanced in age, Sakuma is still a vigorous man. His hearing, however, is considerably impaired. He is a devout Christian and goes to the Lihue Japanese Christian church every Sunday, walking all the way to the church from his home in Nawiliwili, the distance being more than a mile.

of upholding labors' freedom and integrity and promoting the happiness of the working men. The union's aim was to foster closer relation between capital and labor by co-operation, says the resolution, which regrets the serious misunderstanding developed from the plantation strike.

Deploing the conspiracy case and similar cases reported to be under investigation, the resolution says:

"We, as persons responsible for the conduct of the union taking into consideration the existing condition and making our stand clear, and in order to remove the distrust and suspicion on the part of the territorial citizens and the public in general, do hereby with regret, declare, at the request of the members that the union is dissolved."

T. Baba, president of the union, unable to furnish the \$5000 bond which the court demanded of him, will be sent to jail. He and fourteen others were recently sentenced to imprisonment for not less than four years nor more than ten years, following conviction in the Olua dynamiting case.

DE MILLE PARAMOUNT RELEASE AT TIP TOP

The success scored by Lila Lee in William de Mille's production of "Midsummer Madness," is apt to be duplicated by her artistic interpretation of the leading role in Mr. de Mille's latest Paramount release "After the Show," which comes to the Tip Top Theater Saturday night.

The story, which was written by Rita Weiman, author of "Footlights," Elsie Ferguson's starring vehicle, is one of stage life and stage people. The plot deals with a young actress who is guarded by a stern doorkeeper, whose protegee she is. When love enters her life, many dramatic scenes ensue, with plenty of conflict and emotional surprises. Chas. Ogle, veteran character actor, has the role of the old doorkeeper while Jack Holt plays the part of the "angel," who has backed the production.

"NO WOMAN KNOWS"

In addition to the superproduction which has created such a sensation on the mainland, "No Woman Knows," adapted from "Fanny Herself," by Edna Ferber, is given as a part of the regular program.

Mabel Julienne Scott as Fanny gives a characterization which has seldom if ever been surpassed on the screen. In this picture the star attains to unusual heights of dramatic emotional expression as the self sacrificing sister who, after devoting her life to a gifted brother, finds that he has, in a moment of weakness and on the very eve of a tremendous success, abandoned everything for an ungrateful wife, who, after leaving him, sends for him to return to her.

The scene when Fanny returns home with a doll for her brother's child, whom she has been supporting, only to find that both father and child have deserted her, is a new departure in screen expression, and Miss Scott refutes the old argument that great acting cannot be entirely descriptive without words.

"No Woman Knows" is filled with the home atmosphere and incidents in the lives of a typical small town family of the middle class and Miss Scott has a role unusually well-suited to her gifts.
