FILIPINOS IN RURAL HAWAII by Robert N. Anderson, with Richard Collier and Rebecca Pestano

This thoughtful economic and social analysis gives the reader an inside look into Filipino rural life in Hawaii—working conditions, courtship patterns, living standards, celebrations, and even chicken-fighting. Filipino immigrants and their descendants' changing plantation lifestyle are studied on the islands of Kauai, Oahu, Molokai, and Hawaii. Books such as this will help to preserve the flavor and texture of a unique island lifestyle. \$12.95, paper

HOLY MAN by Gavan Daws

Available for the first time as a quality paperback, Daws' biography of the "leper priest" of Molokai has been called "the best account ever published of Father Damien." Daws uncovers the complex psychological link between the saintly public individual and the earthy private man—a man who made friends at a distance all over the world and formidable enemies close at hand. \$8.95, paper

UCHINANCHU: A History of Okinawans in Hawaii, *Ethnic Studies Oral History Project*, University of Hawaii, and United Okinawan Association of Hawaii

Uchinanchu is the term used by Okinawan immigrants and their descendants in Hawaii to identify themselves as an ethnic group distinct from the *Naichi* of Japan's four main islands. This book, returned to print by popular demand, supports and promotes pride in this unique culture and adds another chapter to our understanding of Hawaii's rich, diverse, multi-ethnic heritage. \$25.00

HULA KI'I: Hawaiian Puppetry by Katharine Luomala

Hula Ki'i offers a tantalizing glimpse into the little known world of Polynesian puppetry. In its 19th century heyday, this popular form of entertainment portrayed puppet figures dancing hulas, acting out ribald, slapstick skits full of wisecracks based on comic legend and current scandals. Luomala provides a solid description of the function and history of the craft with all of the color and fascination of a good novel. \$24.95

HOW TO ORDER: Send check or money order—or charge to MasterCard or VISA (include account number, expiration date, and signature). Please add \$1.00 per book for shipping.

Honolulu, HI 96822

Robert Louis Stevenson and *The Beach of Falesá*

A Study in Victorian Publishing

WITH THE ORIGINAL TEXT

Barry Menikoff. One of Stevenson's finest achievements, *Falesá* ranks among the masterpieces of English novellas. Yet until now, it has never appeared as it was written. The printed version became to Stevenson "the slashed and gaping ruins" of his art, as the original text was systematically corrupted by friends, editors, publishers, and printers with deeply held Victorian political, sexual, and religious convictions. The text of *Falesá*, faithfully transcribed from the original manuscript, is preceded by an analysis of what happens when a work of art is converted into a commodity to satisfy the tastes and prejudices of the period and a discussion of Stevenson's own role and responsibility in the process. Illus. About \$28.50
