WASHINGTON, D.C.

December 11, 1967

Mr. John Lum
1317 Ulupani Street
Kailua, Hawaii

Dear John:

I know you have many demands upon your time. I sincerely appreciate your taking part of that time to come to the airport to greet me on my homecoming. It was a totally delightful and memorable experience. I am deeply grateful.

I would like to write everyone who came out to welcome me but as you can imagine this may be quite difficult to do. Would you therefore be kind enough to express my gratitude to any others who came out but whose names I may not have. I do not want to overlook anyone.

Again my sincere thanks.

Aloha,

DANIEL K. INOUE

DRAFT OF LETTER TO ~~#2~~ 4_H Girls

I want you to know how pleased I was that you went to the trouble of coming to the airport Saturday morning to greet me on my return to Hawaii.

I know that as members of the 4H you have the widest variety of constructive activities to which you may direct your creative energies.

It is a singular compliment to me that you took that morning off to come to welcome me. I am deeply honored.

May I wish you and the 4H a most happy holiday season and successful New Year.

DRAFT OF LETTER TO ST. FRANCIS SISTERS

Needless to say I was deeply moved by the appearance at the airport of the lovely honor guard which you so graciously arranged for me. It was as moving a tribute as I have ever received. I pray that I shall prove worthy of the trust and love you have placed in me.

I am delighted that you seized an opportunity to focus student attention upon politics and government. Each year larger and larger segments of our society become increasingly dependent upon one another as our way of life becomes more technical and sophisticated, and with this trend comes a ~~xx~~ tremendous burden upon government to act as a guide and ~~REFEREE~~ referee to insure that this growth is harmonious and healthy. Nothing is more important to the maintenance of a free society than that young people understand and sustain an interest in all its processes. To that end I trust that the Saturday morning "seminar" was as profitable to them as it was delightful to me.

My very best wishes.

Sincerely,

United States Senate
