ANGELTOWN NEWS

By Kay Hironaka

Big news of the past month, besides the landing on the moon, of course, is the annual 442nd picnic at Peck Park, San Pedro, California, but more about that later...

Secretary Tad Hashimoto was hospitalized for eye surgery and while he has not returned to work yet, is coming along fine. He must have gotten excellent care at the hospital and no wonder—the nurses, volunteers, and aides were all so charming and pretty as well as efficient.

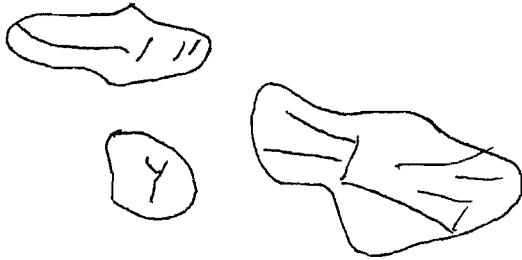

Those perennial travelers, Monte, May and Wayne Fujita of Altadena have returned from their trip to Japan and stopped in Honolulu for two days where they were given the "royal treatment" as Monte said. Our many thanks to all of them, notably Harry Katahara and Roy Nakayama, who we understand sent the unusual type of orchids which were truly lovely. The pineapples and sweet bread were terrific—funny how we never seem to tire of these products from Hawaii. It's fortunate indeed that we have such generous and thoughtful friends over there.

Speaking of travelers, Mr. and Mrs. Ben Otsuji (Chick's relatives) headed for Michigan for their son's wedding combining the event with a vacation back east. We wish them a safe return as they are a couple of our favorite people.

The annual picnic of the 442nd Veterans Association of Southern California, held on July 27th can be hailed a success, judging by the beautiful weather, excellent food and plenty of it, and everyone indulging in good conversation. What more could one ask? Among those present were Lloyd and Chuckie Seki and children (their flank steak teriyaki was excellent), Ken and Eileen Yoshino and family, the Eric Abes (nice to have you back in the circle), Tad and Sue Hashimoto, the Monte Fujitas, Bill and Aki Miyagi who came late with a big pan of luscious sashimi, which we feasted on later in the day, Fuji and Harry Fukasawa and their two daughters. Mr. and Mrs. Al Takahashi and daughter were also among those enjoying the festivities. Chick and Matsu Furuya had to beg off because of conflicting dates on their busy social calendar. Sat Nakamura apparently could not be persuaded to join us. Perhaps next time, huh? As mentioned before, good conversation seemed to be the order of the day among our group, which is great, inasmuch as communication (that overworked word these days) is

MAUI CHAPTER NEWS

By Tom Nagata

Maui Chapter members held their monthly meeting on August 7 with Pres. Takashi Kitaoka presiding. Report received from Doc Ikeda, co-chairman for the Investment Committee, that the club may lose its non-profit status with the tax people if

the scholarship grant is open only to members of Club 100. To forestall any complications, members voted to drop the awarding of scholarship grants.

The club's shave ice booth at the Kahului Fairgrounds has been moved about five feet away from the next booth. Butch Arisumi has been authorized to use professional carpenters to get the booth into serviceable condition again.

For Continuing Service - Baldwin High School tennis coach Wallace Maeda has given many hours of his own time to develop top-flite tennis players and championship teams; Masao Sato has led the Waikapu boys as Scoutmaster for many years, devoting many hours of his time to developing good scouts and good citizens; Tadayoshi Hamasaki has given many hours of his time as tennis instructor for the Maui County sponsored grade school age boys and girls tennis class at the Wailuku tennis courts. Mahalo to all you good people.

Kiyoshi Ikeda and Goichi Shimanuki will co-chair Maui Chapter's KIA Memorial Service in September. September 29 being the day that the first man of the 100th Battalion was killed in action 26 years ago, the Sunday before that date will be set aside to observe this Memorial Service. Let us all devote one Sunday afternoon to this service for the men who made the supreme sacrifice.

ANGELTOWN NEWS - continued from Page 1
supposed to be a thing of the past. All in all it was a most wonderful respite from the hectic pace which we all keep up during the week. As the park began to thin out, we all reluctantly gathered our belongings and headed for home with another picnic to remember.

Warrant Officer Leonard James Sugimoto, 22-year old son of Bakerite Ray and Fumi Sugimoto, of Gardena, California, has been on his tour of duty in South Vietnam for several months now. He is a helicopter pilot and logs about 160 hours flying time a month. Combat day missions require six hours. We wish him the very best of luck and an early cessation of hostilities.

Until next month, ciao!

ABLE CHAPTER NEWS

By Blue Nagasaki

September is almost here again and once again, the Club 100 and Able Chapter Representative Paul Shirai request you to take time off to attend the Annual Memorial Service to be held on September 28, Sunday morning, at Punchbowl Memorial Cemetery. Be sure to come early so you have the opportunity to place the flowers

on one of your best fallen comrade's or fox hole buddie's graves.

Do you remember Kewalo Inn on Ala Moana Blvd.? That's where and when the last time when one of Able Chapter's bowling team was awarded the championship of the Club 100 Bowling League. Boy! That was a very long time ago. This year, things have changed for the good in our sports program. Early this year, the Able Softball Team (Manoa Finance) nailed down the championship of the Club 100 Invitational Softball League. Also, on August 15, at the Stadium Bowl-O-Drome, one of two Able bowling teams wrapped up the 1969 bowling title of the Club 100 Bowling League - two weeks before the league conclude its schedule. Congratulations to Kanraku Teahouse and to the members - Capt. Paul Shirai, Kunio Fujimoto, Dan Yoshikawa, Kaname Yui, Tom Nishioka, Sam Hanashiro and Blue Nagasaki.

To make it a clean sweep for the year for Able, here's hoping one of the Able golfers in the Club 100 Golf Club will concentrate more on the 18 holes instead of the 19th hole and come thru as the "Colfer of the year."

To those who didn't show up at the membership meeting at the Clubhouse on August 13, Joe Hironaka from LA was here with a tentative plan or schedule of the Nisei Veterans Reunion which is to be held on July 1 to July 5, 1970 in LA, plus post tours to Las Vegas - 2 nights and 3 days deal, and those who want to go further East. Sporting events - such as fishing, golf, bowling, major baseball, horse race plus banquets, fashion shows, tours to Disneyland, Universal Studio, Busch Garden, fireworks, Memorial Service, chapter nites, programs for children and teenagers are some of the events planned for this Reunion. When a definite brochure is printed, you will hear about it.

Our condolence to Jiro Matsui and his family. Father passed away on July 24 due to illness.

BAKER CHAPTER NEWS

BON JEUR!!! BAKERITES!

I hope JI has not flubbed writing the August issue of Baker Chapter news. This is intended only to be a side dish for those who care to read about one vagabond on the Grayhound "See America" Tour for \$99 a month! And as a filler if no mo Baker news.

Had hoped to be in Alaska on Western Airlines. But due to mechanics on strike, had to settle for a flight out to Seattle and a subsequent West-to-East tour of Canada via the trans Canada Hi-way.

Departed Hon. on Friday nite, 11 P.M. (was to have flown 12 noon that day. How come beeg mistake like that, KI???) Was on standby-but luckily got a seat. And flight time was 9:30 PM via Hilo. Arrived Seattle 5:30 AM. Called Olympic Hotel to ascertain availability of room - \$15.00 a night - Nuts! Took limousine to Olympic anyway. Lugged baggage two blocks down - 4th Ave. at Pike and stepped into first hotel sighted. No room until 10 - 11 AM but checked baggage anyway. \$8.50 per day bath, shower, TV - had breakfast and waited for room to open.

Took in a tour for that afternoon. As luck would have it, came just in time to see a parade sheduled for that night. And 4th Ave. was the main thoroughfare! Seattle was celebrating a Sea Fair annual activity. Talk about a parade - marching units, floats (gorgeous!) And a clown corp. Duration of parade - 2 hours. And standing in front of Hotel Imperial - Saw it all!

Next day, took an all day ferry boat cruise to Victoria, B.C. 8 AM to 10 PM - \$8.50 round trip plus \$4.50 for Victoria Island tour (Graylines) made up for having missed Victoria with its buchbreast gardens back in 1967 when we by passed it after staying in Vancouver and being so close.

After two days of relaxation, bussed to Vancouver to begin the See America Tour. That was Monday, August 4. 5 days and 4 nights later, ended up here in Quebec - over 4,000 miles, I think. One night to Caggary, 2 days to Winnepeg and 2 days to Quebec.- Page 5

BAKER CHAPTER - Continued from page 4

Rode the same bus all the way from Winnipeg to Montreal! Never had a shave or a bath until the end of the line. I can see why now Hippies don't shave or take a bath. Being on the move all the time, they just don't have the time! I was beginning to feel like one myself?

Came to Quebec with no reservations at all 3 in the morning - the usual time for us to be getting home back home especially on Friday nights so that was normal. Took a taxi, rather the taxi solicited me. First hotel he tried, they refused. I wonder if it was the color barrier. 'Twas the best hotel in Quebec.

Second hotel he brought me to was this one. The clerk was kinda skeptical too and I thought I detected a resentful look. But he offered me a room with running water! And I took it. Because he stated that I could ask for a room with shower and toilet later in the day. Filled out the room form and after looking it over, stated "From Hawaii". Running water meant a basin! That's all the room contained besides a twin bed! So just hung my clothes up, washed my face only and fell asleep on the bed! Was about 9 AM when I awoke. Hurried down to inquire if another room was available. Hawaii must have been the magic word as with a smile and a flourish, I was given this room with shower, toilet and basin pronto!

Have spent two days and have taken two tours already. Of course one covered the historic battlegrounds of Wolfe and Montcalm. And am getting the itch to move. Eventual destination Miami Beach in Florida.

Thought I had better get in this bit before I begin hopping buses again because I'll never have the chance. I may go Hippie all the way to Florida from Maine. Which is my intended next hop. Who knows. Necessity has made the Hippies live economically. And another thing that I have learned is that if you want to save on hotel lodgings, ride the Grayhound. At least you get to get some sleep and you can subsist on coffee and apple pie or coke and hamburgers!

NISEI VETERANS REUNION

JULY 1 - 5, 1970

LOS ANGELES

DOG CHAPTER NEWS

By Helen Nikaido

The July meeting turned out to be a very disappointing one. At this meeting, the wives were invited too, to help make plans for the family overnite outing which was scheduled for July 26th, but I was the only one present. Since the Sunset beach house was unavailable, we planned on going to an Ewa beach house but due to the poor response by the members, the outing was cancelled.

We have some hard working daughters and sons among the members. Carolyn Noji works at the City Bank and also part-time at Sears. Judith Noji is taking life easy at the moment but will be a junior in high school come September. They are both daughters of Mr. & Mrs. James Noji. Richard Hara's daughter, Helen, works at La Ronde part-time. Jitsuri's son, Clyde is working at Dole (how come you're not working for Del Monte?) for the summer. Another son, Gary, who graduated from high school, is working for Hawaiian Packing & Crating for the summer and will be enrolling at Lewis & Clark College at Portland, Oregon. George Kurisu, Jr. is in the Army Reserve and is now at Fort Leonardwood, Missouri for his basic training. Sister Amy will be a senior this fall at the U.H. majoring in teaching. A very successful young man is Neal Taira. He is Assistant Manager of the First Hawaiian Bank at the Kalihi Branch. Brother Dennis is sweating it out at Schofield with the 29th Brigade. He'll be getting out in August and will be back at the UH. Both are sons of Kuuulei and Bob Taira.

After a long winter, Nick finally caught a 10 lb. papio on July 20 and a 16 lb. ulua on August 1st. Funny thing, though, whenever I'm not around, he brings in those big ones.

Wonder what happened to members like Kazuso Yoshioka, Harry Hirata, Thomas Nikaido, Eddie Yoshimasu (when we do see him, he's either just back from the states or he's gone to the states can't keep up), Tony Kinoshita; Ben Kobayashi, Denis Teraoka (get to see him once in a while to have my buck tooth checked), Francis Takemoto, Ben Tamashiro, Itsuto Okamoto, Roy Kitaoka, Yoshio Yanagawa, David Oyama. You know, Yoshinao (Turtle) Omiya comes to our family nights. Why can't you?

Come around so the fellows can compare who's more bald, who's grayer, whose stomach is rounder. We might even have a contest too. Sure would like to have you Paisans around. Think about it.

HAWAII CHAPTER NEWS

By Walter Kadota

We missed the boat the last time and did we get reminded. We may miss this one too, so someone may have to start paging Jimmy Maeda.

It's like this. Like Journeyman Tarush we just wrangled a job transfer bearing a fancy title tag International Control Auditor to the Mayor, a one-man operation that sure keeps them hormones jumping with damn little time to go scrounging for news items in the men's room in the County Building. 'as why hard!

Speaking of Jimmy, we hear he was appointed to the Hawaii School Advisory Council by Gov. Burns and he won't find time to go scrounging also, so forget about the page boy and geeve 'em, Jim.

Joe Hironaka, ex-Wailua boy was in town with wife Kay to do a selling job on the coming Nisei Veterans Reunion in L.A. July 1-5, 1970. After offering his belated congratulations to his old crony, Roger Kawasaki, on fathering the Carnation Milk Healthiest Baby of the Year, he made a pitch for the reunion, saying the package deal will cost \$325 per for us Hilo-based veterans who'll be flying Pan Am, staying at the Statler-Hilton for five days and taking in the sights. There'll be Chapter Night dinners, banquets, fishing, bowling, golfing, shopping tours, fashion shows, Fourth of July fireworks, horse racing, Major League baseball, visits to Universal City studios, live TV shows, maybe, and of course to Disneyland, Busch Gardens and plenty of free time sandwiched in on the deal with rate adjustments for them two-timers who don't care for a repeat performance of Disneyland. If George Taketa wants to put in some golfing at Fox Hills or Stanley Ushijima wants to go hunting, his home town pal Douglas Tanaka the L.A. boys will gladly oblige taking care of the arrangement - just don't forget your lapel card that will spell out you're from Hilo.

Two nights in Las Vegas will cost an extra \$70 per head for plane, motel, floor shows and banquets. And if a party of 30 or more can get together, there'll be tours of Grand Canyon, Mexico City, Washington, D.C. and points East.

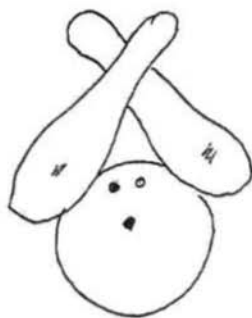

Skinny Hagiwara and Sus Nakagawa have been appointed as chairmen to shepherd all the Hilo flock to L.A. and they'll forward any (Page 8)

HAWAII CHAPTER NEWS - continued from page 7
suggestions to the command post twixt now and D-Day. So here's ours. How about having Mark Clark there? There's a certain picture in our living room that will brighten up the parlor with his autograph signature on it.

Joe says the boys will have to start getting used to Budweiser beer; and don't go knocking the pale, anemic tidbit that passes for sashimi in J-Town; Don Drysdale is pau and pleeze no go wearing zoris in the hotel lobby.

Kay Hironaka was jotting down notes in her pad for her column and probably was scribbling, "these rubes squawk about Hilo rain - they should've been in Tujunga last March."

When last seen, both Larry Hirokawa and Roger Kawasaki were in heated debate, each one arguing his point as to why he should be squiring the Hironakas around Kona over the weekend.
