Dear Senator Inouye:

The Hawaii Housing Authority has successfully sold \$100,000,000 of mortgage revenue bonds on January 23, 1980 to a syndicate managed by Merrill Lynch White Weld Capital Markets Group. Blyth Eastman Paine Webber Inc. and Salomon Brothers also participated actively in this sale as co-managers. Closing of this bond sale occurred in New York on February 14, 1980. The net interest cost and true interest to the Authority on the bonds are 8.35% and 8.41%, respectively. The interest cost permits us to purchase mortgages from mortgage lenders at an attractive rate of 9-1/2%.

The Authority wishes to extend its appreciation to all who contributed their time and effort to make this landmark bond issue for the State of Hawaii a reality.

Enclosed is a copy of the resolution adopted unanimously by the Commission at their regular meeting on February 15, 1980, and a copy of our Official Statement used to sell our bonds.

With sincere aloha,

FRANKLIN Y. K. SUNN
Executive Director
