## SENATE VOTES ON FRESH PINE TARIFF IJICHI'S SQUADRON NOT YET REPORTED

### TRIAL POSTPONED FOR SPECIAL VENIRE

Conspiracy Case Goes Over Until Tomorrow—Present Venire About Exhausted—Examination Lengthy

The names of the men summoned in the second special venire are: Charles J. Hake, Farm Cann, Elijah K. Rathbun, George Malina, Rudolph Muller, Mareno Huhn, Henry H. Plemmer, George Townsend, James Grube, William D. McIntyre, Edward D. Grebb, Harold D. Hayseeden, John W. Schutte, Andrew J. Olson, David Rust, James Guild, William Lindsay, Frederick J. Smith, Charles W. Bridges, John D. Padakem, George J. Brown, Ernest A. R. Ross, David Kauwatu, Charles Wallace, William Thompson and William V. Kwai Tong.

The service was placed in the hands of Sheriff Jarrett, and his men are busy with the summons today. The new venire is ordered to report tomorrow morning in Judge De Bolt's court at 9 o'clock.

### ALL STRIKERS ARE WAITING FOR IJICHI

Meeting At Mililani Is Postponed Till Sunday

The Japanese of all classes, regardless of their standing, so far as the strike is concerned, are looking forward today to the arrival of Rear Admiral Ijichi, commander-in-chief of the Japanese training ships Aso and Soya.

The Japanese hotels, stores, tea-houses, restaurants, billiard parlors, commissary department and intelligence offices of the strikers on Aala Lane are decorated with the Japanese flags and greens.

The school children, attired in their European dress and kimono, the boys wearing the Japanese military and naval caps, are the features of the day.

Strikers to See Ijichi. The strikers are somewhat flustered in speaking about the strike today. They prefer to talk about the arrival of Admiral Ijichi.

### HORSE OR DAMSEL WHICH WAS MEANT?

Much amusement was caused on Nuuanu street this morning by a young lady who imagined that a Portuguese wagon driver had insulted her. The girl and her mother were walking down the street and as the wagon approached them, the driver chirped to his horse.

The sound was something like that said to emanate when two pairs of lips meet in osculatory exercise, and the Portuguese maiden at once became excited and accused the youth of insulting her. The mother concurred in the opinion, and things looked bad for the unfortunate driver, who could only gasp: "What for you to me speak like that? I no kiss you. I speak da horse. More better you look see first—son of a gun, whoa," the latter to the quadruped.

The damsel, however, would not be appeased and insisted that the youth had tried to captivate her with the chirp, chuckle or whatever it was.

Admiral Lamberon Blind—Washington, June 14.—Rear Admiral Benjamin Puffer Lamberon, who served as chief of staff to Dewey at the battle of Manila bay, has gone blind.

### STRIKERS AWAIT ARRIVAL OF SHIPS

Fish Market Shelters Patient Watching Multitude

Owing to the expected arrival of the Japanese cruisers Aso and Soya, in command of Rear Admiral Ijichi this morning, the Japanese strikers vacated their places of abode and assembled under the shelter of the old Alakea street fishmarket.

The strikers from Waipahu and Aiea, who are in town, accompanied by their wives and children, attired in their holiday dresses, patronized freely the Chinese shops there, while waiting for the appearance of the warships.

Before the noon hour, a large majority of them returned to their kahanas places to have their lunch. Those who had money remained under the cover of the fishmarket and lunched on bananas, soda water and ice cream.

This afternoon they will once more assemble in the hope of seeing their warships.

All along the waterfront in the vicinity of the Naval Station, the Japanese strikers walked about idly, watching the movements of the United States marines and waiting for the coming of the warships.

### JAPANESE SHIPS NOT YET REPORTED

Neither Consul-General Nor Naval Station Notified

His Imperial Japanese Majesty's training ships Aso and Soya, Rear Admiral Ijichi, commanding, have not yet been heard from. Consul General Uyeno and the Naval Station authorities were at a loss this morning to account for the silence of the commander-in-chief.

It is expected, however, that he will be heard from this afternoon. The cruisers will take their places at the naval wharf, where they docked on their last visit.

As soon as the cruisers arrive, Consul General and Mr. Tokieda, representing the reception committee of the local Japanese, will call on Admiral Ijichi, to make arrangements for the entertainment during their stay here.

C. C. Tuck of this city has been allowed a patent on an electrical generating machine, which, once started, furnishes its own operating energy. It is claimed that the machine solves the old perpetual motion problem.

### Thirty Men Entombed In Mine

WEHRUM, Pa., June 23.—Eighteen miners are dead, six fatally hurt and thirty are imprisoned in a burning coal mine at this place. The tragedy was brought about by an explosion of fire damp this morning. Every effort is being made to quench the fire in the mine, and it is possible reach the imprisoned men before their lives are sacrificed.

### Elsie Sigel Strangled, Says Chung

NEW YORK, June 23.—Chung Sin, one of the suspects arrested in connection with the murder of Elsie Sigel, was "sweated" by the police authorities today. He accuses Leon Ling with brutally strangling Miss Sigel. Chung stated yesterday that Ling was familiar with Miss Sigel and that he saw her body in Ling's room. The police are in pursuit of Ling, a call for his apprehension being sent to the police throughout the country.

### 9 Tourists Drowned

KILLARNEY, Ireland, June 23.—Nine American tourists and two boatmen were drowned on the lakes here today by the capsizing of a boat.

### LUMBER TARIFF UNCHANGED.

WASHINGTON, June 23.—The Senate today passed the lumber schedule, placing the duty on lumber at \$1.50 per thousand. This is the present tariff.

### COUNTRY CLUB MAY SOON OWN HOME

Deal For Purchase Of Land Is Nearing Completion

Plans for the purchase of the property now occupied by the Oahu Country Club have practically been settled upon, and the final negotiations may be completed at almost any time. The lease which the club holds on the property has still about two years to run, but it is the intention of the club members to take over the property just as soon as possible.

The owners of the land ask \$5000 for it, or approximately \$30,000. The plan is to take over the land and put a first mortgage on it for a sum sufficient to meet the entire purchase price. As the club owns improvements on the property, clear of all incumbrance, which cost more than \$12,000, it is believed that the necessary loan can be made without difficulty.

A sinking fund was established some time ago, and the club now has more than \$1400 in the treasury toward the purchase of the property. With the present easy condition of the money market, it is believed that the interest on the loan will amount to little more than the present annual rental.

When the deal has been closed, steps will probably be taken to enlarge the club house. The structure, which, at the time of its erection seemed ample to meet all requirements, is now proving entirely too small. The building, as it now stands, cost about \$6000. It is substantially constructed and can easily be enlarged to meet the increased requirements.

### PRATT TREASURER SAYS RUMOR BUT--

Executive Maintains His Sphinx-Like Attitude

That Governor Frear will ultimately appoint Land Commissioner Pratt to fill the post of Territorial Treasurer, seems to be the general impression, but the unaccountable delay on the part of His Excellency has given rise to considerable comment.

The failure of the Senate to confirm the appointment of A. J. Campbell put it up to the Chief Executive to make another choice, which it was supposed that he would do before the adjournment of the Legislature. Time has dragged on, however, and Hemenway continues to exercise the functions both of Attorney General and Treasurer.

Many rumors have been drifting around the Capitol, but the presiding genius of the Blue Room continues mum. Maybe there will soon be a Treasurer—maybe there will not.

Judge Long should have been presented with a pair of white gloves this morning at the Police Court, as there were no cases—not even a drunk—for him to try.

### FRESH PINE TARIFF

"Senate voted fresh pineapples eight dollars per thousand."

This is the text of a cablegram received this afternoon by Delegate Kihio from Secretary McClellan. The amount sought by the local pineapple men was fifteen dollars a thousand. The present tariff is seven dollars a thousand. So the Senate, while not giving all that was asked, has increased the tariff on fresh pines.

### AGRICULTURE BOARD HOLDS MEETING

Site For Quarantine Paddock Is Approved

At the meeting of the Board of Agriculture that was held this afternoon the minutes of the previous meeting were read and some reports read and adopted.

Those present at the meeting were J. M. Dowsett, Dr. Norgaard, E. W. Atchison, J. Gattenburg, D. P. R. Isenberg, Mr. von Holt and J. Kotinsky. A letter from Kotinsky, recommending that D. B. Kuhns be appointed Assistant Inspector at an increase of \$25 per month on his present salary of \$75, as Inspector's Assistant was read. The matter was referred to the Committee on Entomology for consideration.

L. Barkhausen, late inspector of forests at Lahaina, having left the country, L. Weinheimer was appointed in his place.

F. Judd, who at present is engaged in forestry work on the mainland, has been offered the position of assistant to Mr. Haughts at a salary of \$1400 per annum.

The application of the Hawaiian Development Company for the stumpage rights on some 12,000 acres of land near Pahoa, Hawaii, was denied, but, when cleared, be available for cultivation, was allowed. Five dollars an acre is the sum mentioned for the rights of stumpage.

The report of Mr. Hosmer was then read, and it appears that there is a (Continued on Page 4)

### STRIKE LEADERS PLAN CONFERENCE

It is understood that Makino, the strike leader and his associates were well pleased that their trial went over one day, as it gives them an opportunity to call on Admiral Ijichi, upon his arrival, if that venerable sea veteran consents to listen to the complaints of the Agitators. That a regular program is being arranged by Makino and Soga to interest the Admiral in the report on the street this afternoon, and Makino has promised that "something big will happen soon."

### WANTS TO DALLY AND DELAY CASE

Lightfoot Discovers A Reason To Postpone Riot Cases

A motion for continuance of the riot cases until the September term of court was filed in Judge Robinson's court this morning by Joseph Lightfoot. Among the reasons given for continuance are that he is engaged in another case; that the Japanese indicted in the case are unable to secure and pay for another attorney; that it is impossible to secure a reputable attorney to conduct the trial without the payment of a fee larger than his clients can pay; and that there is not sufficient time for another lawyer to become acquainted with the facts before going to trial. A motion is also served on Attorney General Hemenway of the motion to continue. It will be argued before Judge Robinson Friday morning.

### FRIVOLOUS FACTS NOT FACTS AT ALL

Ex cutrix Of Carter Will Alleged As Padding Report

A squabble in probate is on deck in Judge Robinson's division of the Circuit Court when the executive abilities of Jessie K. Kane will be questioned by Edgar Henriquez. Accompanying the schedules presented by Jessie Kane for reimbursement for expenses as the executrix of the estate of Margaret V. Carter is an affidavit by Edgar Henriquez charging her with failure to account for all funds connected with the estate and now in her possession.

He says that the presentation of the accounts of the estate as presented to the Court by the executrix is frivolous and incorrect and that reason requests the court to refuse the \$332.15 which she asks for as due for services rendered. Henriquez is acting in his official capacity as the guardian of the Wm. L., Eunice K., Beatrice K., Albert B., Harriet K., and Richard K. Carter.

## PART INHERITANCE TAX REMITTED

### Order Made By Judge Robinson In Estate of Charles Bishop

Upon a motion filed by E. Faxon Bishop, administrator of the estate of the late Charles Bishop, Judge Robinson this morning made an order remitting 10 per cent interest provided for by the inheritance tax law upon inheritances where tax had not been paid within eighteen months after Mr. Bishop's death, and under the provisions of Act 147 of the Laws of 1909, administrator is to pay only 7 per cent upon the amount of inheritance tax, as ascertained by Territorial Treasurer from date of testator's death to the present time.

A final order of garnishment was filed in the Circuit Court this morning in the case of the Territory by Worth O. Aiken, sub-agent of public lands for the Fourth district, against Harvey R. Hitchcock, defendant, and William G. Irwin, garnishee, doing business as Claus Spreckels & Co., Judge Robinson made an order on the showing made by E. W. Sutton, Deputy Attorney General, appearing for the Territory, that William G. Irwin be directed to pay to E. W. Sutton \$162.92, being the sum now held by Mr. Irwin belonging to H. R. Hitchcock.

In the matter of the estate of Paul Beamer, deceased, the accounts of the Bishop Trust Co., as ancillary administrator, were approved and the company was discharged from further liability. They are directed to pay the inheritance tax and turn over property to persons hereafter named.

The accounts of the Bishop Trust Co., administrators of the estate of Asa Hastings, were approved, and they were discharged from further responsibility.

### HAWAIIAN GUN CLUB SHOOT AT KAKAOKO.

This afternoon at the Kakaoko traps, the Hawaiian Gun Club will hold a twenty-bird handicap shoot. The first prize for the event will be a silver cup, and there will also be a suitable second trophy.

The shoot is a "sudden death" affair, and the winner takes the trophy outright. A large entry list is expected and some close shooting is sure to be seen.

The Leggett trap of which so much has been heard, is supposed to be on board the Lurline, and if that is so the machine will be fixed up and used for the shoot on Saturday next.

Today's shoot should try the mettle of the scratch men, and, although the handicap gunners are in good form, it is half expected that Harvey Porter will turn out to be the winner. The trophy can be won outright today, and that fact will make the shooters put in some of their best ticks and make an effort to capture the beautiful cup.

## SMALL LOSS IN THE ROBINSON ESTATE

### Purchase of Stocks And Failure of Company The Reason

According to the report of Master Henry Smith of the estate of James Robinson, deceased, the receipts for the year of 1908-9 were \$25,568.84, of which \$19,311.47 has been paid to beneficiaries, part remains as principal, and the balance was paid as taxes, repairs, commissions charged, etc.

The total investments and cash for the year of 1909 was \$332,915.84, which shows a discrepancy between that and the 1903 account of \$2,561.84, which was partly owing to the purchase of \$3,000 worth of Honokaa Sugar Co. stock, and partly to the failure of the Hawaii Hotel Company, in which the estate was largely interested. The failure lost for the estate \$6,254.33, dollar for dollar not being paid after adjustment.

Part of the holdings of the estate, according to the report, are 170 shares, \$1,000 par, Hilo R. R. Co. 6 per cent bonds, 1,045 shares in Kohala Sugar Co., 347 shares Walluku Sugar Co. and smaller amounts in various other corporations.

An interesting legal point comes up in the demise of Curtis P. Ward and Samuel C. Allen, two of the executors and trustees named in Jas. Robinson's will. No provision was made for such an exigency, and Mark P. Robinson is now the sole trustee, not knowing whether the death of his co-trustees places their powers on him or whether there is some legal provision by which other trustees can be appointed.

The present life tenants under the will are Mrs. Mary E. Foster, Mrs. Victoria Ward, Mrs. B. M. Allen, Mrs. Matilda A. Foster, Mrs. Annie Jaeger, Mrs. Lucy McWayne and Mark P. Robinson.

### Big Transportation Plans For Convenience of Public

Hon. J. H. Coney is in town today looking after the interests of the Coney Garage Company, Ltd., the thriving new Kauai transportation corporation of which he is the president and manager.

This new enterprise has recently been launched with headquarters at Nawiliwili and is in the class of immediate successes. The capital stock of the corporation is \$15,000, all paid in, and the charter will soon be filed with the Treasurer. The officers of the company are J. H. Coney, president and manager; Ed Broadbent, vice president; Arthur Rice, treasurer; G. E. H. Baker, secretary, and A. S. Wilcox, Auditor. These with George Fairchild and Ralph Wilcox, constitute the board of directors.

The principal garage is already constructed at Nawiliwili. Four automobiles are in the service and Mr. Coney is in town today to secure four more as soon as possible. The Kissel car is used. It is planned to add to the equipment as soon as possible several of the Logan trucks, built for carrying passengers and baggage. Special attention will be given the convenience of traveling salesmen.

In a very short time a schedule of rates will be published and particular attention will be given the rates for tourists and the hotel accommodations for them.

This company will be the Kauai agents of E. O. Hall & Sons.

The Rice stables have sold much of their equipment and gone in with this new automobile project, of which Arthur Rice is the treasurer.

## SNEAK THIEVES MAKE MISCELLANEOUS HAUL

There was a burglar scare out, Waikeke way last night and, although none of the houses were entered, the thieves made a haul of fruit, firewood, brooms and bathing suits, valued at least at \$20. The sufferers were the residents of the tract known as the Trentwell property, and the cottages of Messrs. Rivenburg, Cassidy and McLennan were all visited.

One of the house owners was awakened by a noise last night and, on visiting his back lanai, saw three men running through the yard. On arousing his neighbors it was found that the night prowlers had made a clean sweep of every portable article in the yards and outhouses.

Chief Leal got word of the affair this morning, and is convinced that the robbery was committed by some residents of the district. The sleuth's force will keep an eye on the houses at the marine suburb in future.

## UNWELCOME VISITORS

Chief Leal and two members of his force are making a trip to Watertown this morning to investigate several minor robberies that have occurred in that locality.

It appears that residents of Uncle Sam's reservation at Pearl Harbor have been troubled lately with visits of gentlemen who prefer to make their calls after dark, and especially when they are sure that their hosts will not be at home. Instead of leaving their cards the visitors have been in the habit of carrying off any portable object that might take their fancy.

The householders having become tired of such depredations, finally informed the Chief of the matter, and he at once started down to look into the whole business.

Kills Son and Herself.—Salem, O., June 7.—Mrs. Elizabeth Sharp, a prominent society woman and wife of G. V. Sharp, a politician and manufacturer, killed her 1 year old son Harold last night and then herself with a revolver.

## WOOLLEY ATTACKS SUNDAY SELLING

### Protests Against Whole- sale Liquor Dealer Retailing

If the formal protest filed by John G. Woolley, of the Anti-Saloon League, with the License Commissioners against the granting of retail licenses to wholesale liquor dealers, is considered seriously by that body, a reign of consternation will follow, and no doubt precipitate a warm fight between the wholesale dealers and the Commissioners.

Mr. Woolley appeared before the board yesterday afternoon and gave his reason for filing such a complaint, that it was because the privileges attached to a retail license had been abused to a large extent. The Commissioners are holding special meetings this afternoon, and will probably take some action in the matter.

The Anti-Saloon man also made an attack on Sunday privileges, taking for example the renewal of the Sunday license to the Union Grill. He argued that no liquor should be sold in Honolulu on Sunday in any place. He did not complain against the manner in which the Grill was conducted, but declared drinks were served there on Sunday, and should be stopped. The question of the Sunday privilege was discussed at length at yesterday's meeting, also at the executive session last night, but no decision was arrived at.

Action will be taken today on the renewals of licenses applied for by Ah Choa, of Heela; S. Kojima, wholesale to June 28; Sanouchi, restaurant; Tanaka, Honolulu, wholesale; Shigematsu, wholesale, Waipahu; Union Grill; H. Klemme, restaurant, Palama; Isaac Crockett, Kalihi, until June 28, and Mrs. Klemme, restaurant.

The following renewals were granted yesterday: D. H. Lewis & Company (Loveloy & Company) and retail licenses held by that firm for the Anchor and Mint saloons; F. R. Harvey, J. T. Silva, Pantheon; James T. Thompson, Kentucky Saloon; M. G. Silva, Kamehameha saloon; Ichiki, Waimalu, wholesale, and Wing Wo Tai, wholesale.

Passing of the Rice stubbles and the rise of the automobile on the island of Kauai is a guarantee of united sentiment for good roads throughout the county.

Mr. Woolley's protests appear merely as matters of principle. There has been no public protest against serving liquor in the well-regulated restaurants whenever called for with meals.

Since all these things concerning Mr. Breckons have been laid before the authorities in Washington, we cannot help being satisfied that they are well able to deal with the matter without further assistance.

Admiral Ijichi will find the aloha of Hawaii equally cordial on his return trip. No well-regulated family allows a little domestic difference to interfere with the cordiality with which the guests are received.

Mainland papers have taken the conspiracy feature of the strike in its most sinister sense. While they draw pretty broad conclusions, it is obvious that local conditions will create a stronger mainland sentiment in favor of European immigration.

The spirit in which some modern reformers go after their fellow men indicates that they either don't know or don't want to know that recently the people of Switzerland erected a monument to a man by way of apology for their narrow-minded ancestors who burned him at the stake.

The Governor's belief that the people of Hawaii would not understand the proposed land exchanges and leases involved in the famous Kapaa transaction makes it timely to suggest that the people of the Territory are in much the same position as the small boy in "The Two Orphans," who usually brings down the house by shouting to the villain "I know a d—n sight more than you think I do."

## THE FOLLY OF IT.

Governor Frear once having in mind a good plan for revising the land laws of the Territory and incidentally the Organic Act, waited until he was on board the steamer bearing him to Washington before framing the measure, and on his arrival at the national capital had the bill introduced.

The Governor was very much put out when the people of the Territory protested against the amendment of the Organic Act by a bill the details of which they knew nothing. But the local opposition aroused by the method of preparation and presentation blocked the bill in Congress, and also prevented the endorsement of the bill by the Legislature of Hawaii.

It was more a matter of distrust in an unAmerican method than of opposition to the general purpose of the bill.

While this lesson is fresh in the public mind, the Governor, apparently unmindful of his experience, has framed up a new plan for the disposal of some of the most valuable public lands in the Territory. Goodness knows, time enough has elapsed for forty new plans.

The letter of the Governor of this

Territory, setting forth a proposition for land exchange has been transmitted to the corporation specially interested in the exchange.

This letter the Governor of the Territory refuses to make public. He explains that the people might not understand. But how can they better understand it when the whole scheme is framed up and ready to spring as fully completed?

By such methods the Governor is fostering an injunction to put a stop to the whole business, besides engendering a wide-spread lack of confidence in the Territory's land policy.

## SALES MANY BUT SMALL ON 'CHANGE

Though there was considerable trading on the Exchange today, all of the deals were small. Prices showed a tendency to gyrate about somewhat, within a limited area, and there were several minor reversals of form.

Oahu Sugar, which yesterday stood strong at 30 and 30½, this morning slid down to 29½ and 30. Three small sales, totaling 190 shares, were made between boards at 30.

One thousand dollars worth of O. R. & L. 6s went at 102, two small blocks of Ewa brought 27½ and 100 shares of Oahu brought 4½. Oahu appeared at the session as 4 bid and 4½ asked, against 4½ and 4½ of yesterday.

Hawaiian Commercial & Sugar showed a tendency to strengthen somewhat. The quotations today were 30 and 30½ against 29½ and 30 of yesterday. Several small blocks aggregating 170 shares changed hands at 30.

Several of the high-priced stocks, of which sales are seldom made, took jumps in the bidding but no trading was done.

## SUPERVISOR KAHEE PLEADS NOT GUILTY

Supervisor Charles Kahee of Kauai was this morning arraigned before Judge Dole in the United States District Court to answer to the indictment found against him by the Federal Grand Jury for violation of the Edmunds Act. He pleaded not guilty and his case was postponed indefinitely.

Numerous other bench warrants were returned and six cases arraigned, all Japanese, and principally for violation of the Edmunds Act. Muta, a Jap, was arraigned for unlawful importation of women for immoral purposes on one indictment, and he was arraigned on two other charges under the Edmunds Act.

Other Japanese arraigned for violations of the same act were Nakano, on two charges, Masano Baba, Hattaro, Toudome on two charges, Tori Nakamura and Yoshida on two charges. In a few cases two were arraigned on the same indictments. All will plead next Monday. The jury will be sworn in on July 12, and the hearing of criminal cases in the Federal Court will begin on that date.

All of the Japanese arraigned in the Federal Court today were this afternoon admitted to \$500 bail, except Omuta. There was an immediate rush on the part of the prisoners' friends to secure the necessary bonds for their liberty.

## DID NOT RETURN HORSE TO OWNER

The Territorial Grand Jury this morning brought an indictment against Shigawara, a Japanese, on a charge of the embezzlement of a horse valued at \$125. A bench warrant was issued at once, and the accused man taken into custody. He will be arraigned tomorrow morning before Judge De Bolt.

It appears that on May 15 Tokutaro Shimabara, the owner of the horse, loaned the animal to Shigenaga to use, with the understanding that he could have him returned at any time he needed him. The borrower forgot

## STRIKE

(Continued from Page 1)  
Abraham D. Bolster, George H. Greene, Hiram Kolomoku, James H. of Admiral Ijichi, whom they are anxious to meet. All of them, of course, have seen his picture in the Japanese newspapers, but they said this morning that they want to see him personally.

According to one informant, the China, to arrive from San Francisco tomorrow morning, will bring a sack of money for the strikers. None of the leaders would say anything about it, but this is the story going about.

Another report is to the effect that the Hongkong Maru, which arrived from Japan today, also brought some money for the support of the strikers here.

Yesterday afternoon the Japanese strikers camped at Mollili attempted to hold a meeting for the stated purpose of raising an emergency fund. The meeting, however, did not materialize.

At 3.30, the hour set for the meeting, the word was quietly passed around to the effect that the meeting would be held next Sunday afternoon. This was decided on in order to allow the "Kumi-cho," section lunas, from all the camps to be present. According to one of the Japanese, the section lunas will be expected to express themselves on the financial situation of their sections.

Another man said that the meeting was postponed in order that the leaders, now on trial, may be able to attend. What they are expected to speak on at the meeting it is hard to say.

Should the meeting at Mollili materialize next Sunday afternoon, it is expected that all the strikers now in Honolulu, in all about 2,800, will be there in full force.

(Continued from Page 1)  
great demand for tree seedlings, no less than 30,000 young trees having been sent to Paahau plantation, where they are being planted along the coast line to act as a windbreak, and thus protect the cane on the bluffs from the salt air and spray which at present does so much damage.

Similar requests for seedlings have come from Honokaa and Kukuihaele plantations, where the salt wind has also injured the cane on the lower levels.

With reference to the Tantalus forest, it was reported that gangs of men had been sent out to beat down and burn the lantana bushes. This is done with the object of safeguarding against fires which spread through the low-lying scrub rapidly.

Chairman Isenberg read a report on Animal Industry and announced that a lease had been signed for some land to be used as a quarantine for diseased animals. The paddock is situated near Mrs. Ward's property on the beach, and is considered an ideal spot for the purpose.

A report of the Thimbleberry was turned in by Waterhouse, who asked for further time for investigation.

LIGHTFOOT ALSO SUGAWARA COUNSEL.

(Continued from Page 1)  
wara appeared with Joseph Lightfoot as counsel, and pleaded not guilty to the indictment brought against him by the Grand Jury on a charge of assault. His bond was fixed at \$500 and the case placed on the calendar for trial in regular order.

Makino, the strike leader, emphatically denied any knowledge of Sugawara, at the time the man was arrested or since for assault on a plantation worker for refusing to contribute to the funds, and the indicted man appeared alone in court when he was arraigned.

Sugawara was arrested about three weeks ago for an attack on Numato, a fellow workman, because he refused to contribute to the strike funds. The collector it is alleged struck Numato with a pocket knife, inflicting bad wounds, but not fatal. The Grand Jury later brought an indictment against Sugawara, and after he was arrested was placed in jail and remained there. None of the strike leaders would acknowledge any connection with him, and no effort was made to bail him out. It was on account of the cowardly attack and unwarranted action of Sugawara that the strike leaders repudiated him. Now that Mr. Lightfoot has been retained as his counsel, and the prisoner appeared to be poverty-stricken and alone, the connection is indicated between the collector and the agitators.

### Britain vs U.S.A. At Polo Game Today

Today the famous polo games between All England and the Meadowbrook, Long Island, team will begin, and one of the most exciting games of late years is looked forward to by both sides.

As will be seen by the London dispatch published below, Walter Buckmaster will not don the British colors today, and it is feared that his absence will make a great difference to the strength of the English team.

LONDON. — Walter Buckmaster, who is acknowledged to be the best polo player in Greater Britain, has declined to play for England in the games with the Meadowbrook, Long Island, team that begin here June 23 for the American polo cup. When this information is published it will undoubtedly send a cold chill down the British polo world, already shaken by the remarkable work done by the Meadowbrook players in the practice matches. It is explained officially that Mr. Buckmaster, who is a member of the stock exchange, bases his refusal on the ground that his present activities on the exchange make it impossible for him to devote sufficient time to practice, but those behind the scenes attribute his action to resentment at the tardiness of the selection committee in asking him to play.

Polo players have taken it for granted that Buckmaster would be a member of the British team, and they will be chagrined to learn that their favorite player was asked to participate only after the remainder of the quartet had been selected. There appears that there has been a factional fight among the members of the selection committee, a small minority, headed by Captain Miller, having been urging the choice of the captain's brother, C. D. Miller.

## Hilo Dope and Marathon Talk

By the Mauna Kea yesterday four speedy horses went to Hilo as to be ready to have a go at anything that looks good in the way of a purse. Judd shipped Captain Forsee and Boulton and Manuel Rodriguez went along with two others, Lizzie Moore and Clare C.

There are always match races arranged in addition to the regular program excursions, and some times more coin changes hands on a go between two plantation rigs, than on one of the big races. The public does not know so much about the merits of the match horses, and consequently business is brisk, whereas the principal events are more or less certainties and there is not much plunging done.

There should be one round of joy in Hilo from the moment the Honolulu tourists step off the Mauna Kea to the wharf till the start is made for home again.

The local Marathon runners are in fine shape and there will be some surprising sports in Hilo when Nige Jackson's time from Keau to town is made known. "Jack" is running better than ever, and he and Connel Hayes did a remarkably fast nine miles yesterday afternoon out at Kapiolani Park, when the twin out on the distance in 46 mins. 20 sec. That is wonderfully fast time and will take some beating sure, and as the copy from Keau to Hilo is down hill, the local runners should make any existing record for the distance look sick.

Dai Fahy is also going to make the trip and he is capable of doing record time over the ten miles, or so that have to be covered. Then the old reliable "Waiata Horse" is to be considered, and anyone who saw him plod along out at the ball grounds in the Marathon, must feel that he has a good show in the Hilo event. He never stopped for a rub-down in the Marathon and kept up the same even gallop through the race.

There will be a big bunch of sport on the Mauna Kea when she pulls out for the trip to Hilo on Saturday week and a good time is certain to be had in the Crescent City.

## BREWING COMPANY TO ENLARGE PLANT

For the purpose of enlarging its present plant and output, the Honolulu Brewing & Malting Company today acquired by lease from Albert Trask additional buildings and improvements at Kakaako, adjoining the present plant. The lease covers a period of three and a half years at a monthly rental of \$50. The Brewing Company will repair and convert the buildings into proper shape for their use. The papers were filed in the Bureau of Conveyances today.

Jack Cordell, the middleweight boxer, will work out at the Marine Camp today instead of at the Orpheum. The changing of training quarters now and again seems to brighten a man up a lot, and the fact that plenty of willing men are always ready to don the gloves with Cordell, is a factor that rather inclines him to the camp as a place to train.

## Boxing Stunts At Shafter and Orpheum

Both Sullivan and Cordell had a big crowd of fight fans at their training quarters yesterday afternoon. The former, who held court at Port Shafter, had a try out with a couple of would-be sparring partners, but they showed no class and had to be discarded. Miller, the heavyweight, seems to be the best of the bunch so far, and he will probably attend to the business of receiving Richard's stabs and jabs in various points of his anatomy.

Miller's showing yesterday was better than on his first appearance, and that is going some. He proved that he has a dirty left which he can use with effect at times; he is also able to smother up in good style and is not afraid of taking punishment.

Sullivan is already beginning to look well, and by the night of the great scrap should be fit to fight for his life. He has taken off a couple of pounds weight and will easily get down to 158 by July 3.

Cordell worked out at the Orpheum and took on no less than four men for two rounds each. He is looking very fit and is in excellent shape already; the more one sees of his boxing the more one wonders what will happen when he and Dick face one another. It will sure be a duel of lefts for a while, with both men waiting to bring their rights across and administer the coup de grace.

Sam Hop was on deck again yesterday and sparred in good shape with Cordell. The Chinese wonder did very well, but was not courting another wallop on the point like the one he stopped last week.

Sarconi, than whom there is not a more willing scrapper in this city, next put on the mitts with the middleweight, and he, as usual, came in and fought fiercely from the call of time. The lightweight is a trier all the time, and it is to be hoped that the public get a chance of seeing him in action once more before long.

Then, being through with the lightweight brigade, Cordell took on Richards for a couple of rounds. The Marine is improving a lot, and, being a husky guy, kept Cordell on the go all the time. This bout was much enjoyed by the fans, who simply delighted in the amount of stoush dealt out by both men.

After Richards got his little lot, Cordell looked around for some more fight, and Kid Franklin, who hails from the land of the Southern Cross, expressed his willingness to mix things with the middle. The Kid, whilst not in the Griffo or Cocker Tweedle class, gave a good exhibition of the glove game, and proved to be about as good as any man of his size we have seen in this city. Franklin is anxious to have a go

at some of the local pugs, and it is very probable that Joe Cohen will match him with someone in the near future.

After finishing his boxing stunts, Cordell went through the regular skipkin and shadow sparring work, and wound up a strenuous afternoon's exercise without showing the slightest fatigue. He sure is in splendid condition and will be even better the night of the fight.

The officers of the St. Louis College Alumni Association were selected on Sunday and are as follows: Dr. John F. Cowes, president; Julius W. Asche, vice president; Eugene P. McCann, secretary; Manuel K. Cook, treasurer; William Chung Hoon, Jr., auditor. Directors: William P. Jarrett, James Williams, E. A. Berndt and William L. Welsh.

There will be a meeting of the Regatta Committee at 1 o'clock today, when some business in connection with the Beckley cup will be considered.

## Soccer Team Shows Good Form

There was a good soccer practice out Makiki way in preparation for the Hilo trip, and some of the players showed fine form. Most of the men who intend making the trip to the rainy city for the Fourth, turned out to have a kick and, from the present look of things, the local team will make a good showing against the Hilo boys.

Most of the practice was confined to punting and sprinting down the field. McKinley, an old-time player from the British Isles, and later of South Africa, played a good game at back and gave a taste of his quality.

Eddie Fernandez was unable to be present, but will turn out to the next practice, which will be held this week. Dwight is playing in fine form and needs very little work to make him fit for a tough game. Brown and Bailey also showed first class form and the rest of the team are coming along in good style.

The players who turned out to practice are as follows: Craik, Greig, Chillingworth brothers, Rice, Sherwood, Brown, Bailey, McKinley, Norton, Catton and Dwight.

Much interest is being taken in the match between Hilo and Honolulu, as both teams have won one match each, and the winner of the game on Monday week will become the owner of the beautiful cup which has been donated for the series.

The Hilo team is reported to be hard at work practicing for the match and, as there are five or six men in the team who have played the game a lot in Scotland, they will be a tough bunch for the locals to go up against. Still the Honolulu team is a strong one and as each player has had much experience in the game, the combined efforts of the boys should just about give them the victory over the big island lads.

## MINOR LEAGUE GAMES FOR NEXT SATURDAY

The Minor League games which were postponed on account of the wet weather last Saturday, will be played on Sunday next. The A team will try conclusions with the Bs and a good tough go is expected.

The B team was beaten by the C last week, and it is expected that the A layout will also hand the Cs theirs on Sunday. Ah Hoe, who played centerfield in the previous game, will act as catcher for the As on Sunday, and he is expected to make good in that position.

Ah Hoe leaves for his home on Hilo wall in the near future, and during his absence, San Chin Wong will hold down the job a secretary of the club. The lineup of the teams for Sunday will be as follows: A team: Ah Hoe, c.; Ah Chop, p.; Ah Van, 1b.; Ah Chuck, 2b.; Kau, ss.; Akui, 3b.; Ah Pat, cf.; Tam Choek, rf.; C. K. Hi, lf. B team: Ah Min, c.; Hui Fat, p.; Ah Fung, 1b.; Pang, 2b.; Alina, ss.; Chi Hu, 3b.; Ah On, cf.; Ng Chow, rf.; Aki, lf.

The Oahu Baseball League expects to start up on July 11, or at least on the 18th.
