## Daily Bulletin

Pledged to neither Sect nor Party,  
But established for the benefit of all.

FRIDAY, JUNE 7, 1889.

The Illustrated London News has a favorable review with a page of illustrations, upon the "Antiquities of Guatemala," by Mr. W. T. Brigham, who is now here collecting material for a book on the Hawaiian Islands.

Instead of building him a monument, as at first proposed, the friends of the late Thomas J. Potter, formerly vice-president of the Union Pacific, have concluded to establish as a more fitting tribute to his memory a hospital for sick and disabled railroad men. This is a method of commemorating departed worth similar to that which the BULLETIN has suggested for the consideration of the late Father Damien's admirers in London.

The Advertiser has pirated our steamer personal items wholesale. As these have been gained by our reporter through no small expenditure of time and trouble, the morning paper has no right to make use of them without giving credit. Many matters of routine reporting are usually regarded as legitimate spoils of the news gatherer from exchanges, but such direct larceny of a specialty in the BULLETIN's local news as the Advertiser has committed is rather dishonorable.

Man's inhumanity to man has just had a striking illustration in disclosures of atrocious barbarities practiced in the Chicago public insane asylum. Geo. Hill, a railway locomotive engineer, was admitted to the institution in January, 1888, suffering from a slight mental derangement and was discharged as cured in May. He was met at entry on the very threshold with a brutal threat from an attendant that they would make him a "damned sight insufferable" than he was. For declining to sweep out a room Hill was knocked down, had two of his teeth kicked out, and his arm broken by an attendant upsetting on him a bench under which he tried to shield his face. The fracture was badly doctored, leaving the ends of bones sticking out in a lump, as Hill showed in court. He received similar outrageous treatment on other occasions, and in his evidence at the investigation tells of a patient actually done to death by the brutal wretches. Other witnesses gave testimony of the brutality of attendants, the miserable quality of food, etc.

## GETTING THE TOURISTS.

Mr. Peter Lee has given the country a good carriage road connecting the Inter-Island Steam Navigation Company's landing at Punahoa with the volcano of Kilauaea. The Government is providing a carriage road to the same place to connect with Wilder's Steamship Company's steamer at Hilo. Honolulu enterprise sustains the excellent periodical, Paradise of the Pacific, to advertise Hawaii everywhere for "health, pleasure and profit" to visitors. An observation driveway is building to the top of Punchbowl, whence a magnificent view of Honolulu and mountain and ocean scenery is obtained. When visitors come here they are treated to band concerts, dances, and so forth, at the Hawaiian Hotel, and there are many first class facilities for their treating themselves to delightful drives in the surrounding country, while comfortable passenger accommodation is obtainable by them on steamers running to all the islands. Other advantages might be mentioned going to show that the tourists will find in this country less necessity of "roughing it" for the pleasure of our stock sights, together with more conveniences for taking life easy amidst recuperative air and resplendent scenes, than in many another favored clime and country that bid for the world's patronage in similar respects. Yet a good deal might yet be done before we shall be in a position to rest satisfied with either the welcome or the accommodation of visitors for either health, pleasure or profit. The means already adopted by public and private enterprise will very probably increase the volume of travel to our shores. As every tourist who departs with feelings of pleasure that he has come will be a talking advertisement of the islands, it becomes increasingly

important that no pains should be spared to the end of having all "parting guests" dismissed in such happy frame of mind. There ought, if possible, to be some local organization with a bureau of information for the reception and direction of tourists. Then a movement should be started for securing hotel accommodations not only at steamer landings where they are now lacking, but at suitable points along overland routes of travel where the only reliance is local hospitality. Some of the finest air and scenery of the group is all but unattainable either to the denizen of Honolulu or to the stranger from this want of houses of entertainment. Imitation of the example of Col. Spaulding in providing a comfortable hotel at Kealia, incidentally a great boon to the European overseers and mechanics of the plantation and mill, might be made with little or no sacrifice and probably some profit by other plantation owners. Our leading industry of sugar growing and milling ought to be among not the least of Hawaiian attractions, and by bringing it easily under the eyes of visitors capital might be induced here for the further development of the country's resources. Another opening for improvement is in regard to a supply of horses and guides for tourists who may be disposed to explore the interior away from the regular highways and trails. These ought to be obtainable at moderate rates that should be known before leaving Honolulu, and not left to the chance of bargaining on the ground, where the circumstances would be all against the stranger getting just terms. Other things might be stated as being desirable to a proper working of our tourist business, but they may be left for further discussion of the subject. The matter is one that is worthy of general and persevering attention, in order to get the full benefit even of the expenditure already incurred for entertaining strangers.

## DINNER AND DANCE.

Last evening Capt. Arthur Clarke and Officers of H. B. M. S. Espiegle gave a dinner party on board that vessel followed by a dance. The ship was prettily decorated. Quite a number of invited guests were present and enjoyed the occasion very much. Mr. Berger and his string orchestra furnished the music for dancing which was kept up to a late hour.

## THE UMATILLA'S DEPARTURE.

The crowd on the decks of the S. S. Umatilla previous to her departure this noon was an enormous one. It was almost impossible to move around. Nearly all of the departing passengers wore hand-made leis while many also carried bouquets. The band was stationed on the wharf which was also crowded with people. After the gang plank had been lowered Judge Dole appeared at the deck rail and wanted to get ashore. He was offered a ride to the dock by means of a rope but declined and came ashore later in the pilot boat. Just as the steamer moved from the wharf the band struck up with Mendelssohn's wedding march in honor of Mr. and Mrs. J. N. S. Williams and Mr. and Mrs. J. M. Pickrell. The band also played the Swedish, British and Hawaiian National Anthems.

## SOME SUPERSTITIONS.

It is unlucky to enter a house with the left foot forward.  
It is unlucky to ride behind a bob-tailed horse at a funeral.  
It is unlucky to sneeze before breakfast or when you see the new moon.  
It is unlucky to own a crowing hen, a white horse, a white cow, a white cat, or to carry a white umbrella.

It is unlucky to whistle or sing before breakfast. It is also unlucky to tell your dreams before breakfast.  
If your right ear burns friends are talking about you. If your left ear burns enemies are scandalizing you.

If the palm of your right hand itches you will receive money or shake hands. If your left hand itches you will pay your debts.  
If you sneeze on Monday you sneeze for danger.  
Sneeze on Tuesday, kiss a stranger.  
Sneeze on Wednesday, sneeze for a letter.  
Sneeze on Thursday, something better.  
Sneeze on Friday, sneeze for sorrow.  
Sneeze on Saturday, see your sweetheart to-morrow.  
Sneeze on Sunday, and the devil will have dominion over you all the week.

See a pin and pick it up,  
All the day you'll have good luck;  
See a pin and let it lay,  
Bad luck you'll have all the day.

## A BEAUTIFUL WEDDING.

Mr. Pickrell and Miss Putnam Join Hands for Life and Depart for "Happy Land."

At 10:30 o'clock this morning, Mr. James M. Pickrell, P. A. Engineer U. S. A., and Miss Eva Putnam, daughter of Hon. J. H. Putnam, U. S. Consul-General, were united in marriage in the main parlor of the Dudoit House. Seldom have more beautiful floral decorations been seen at a wedding in this city. The parlor was one mass of the choicest flowers whose fragrance was shed all over the house. At one end of the room was an American flag, from the centre of which hung a small floral ship of white flowers. Under this the happy couple stood during the ceremony. To the right stood an easel which was a masterpiece of floral art. At the top was a full-rigged ship of plumerias. Below this was a silk American flag draped from the centre, and underneath the letters "U. S. N." worked in plumerias. It was much admired by those present. All over the room were bouquets of flowers and wreaths of evergreens.

The ceremony was performed in the most impressive manner by Rev. E. G. Beckwith, D. D., pastor of Central Union Church, who used the form of the American Episcopal Church. As the bridal party entered the parlor the Lohengrin bridal march was played on the piano by Mr. Wray Taylor. Miss Clara Fuller was maid of honor and Hon. Mr. Putnam gave the bride away. She was attired in a very neat traveling costume of gray and carried a bouquet of white flowers. At the conclusion of the ceremony the newly-married couple received the congratulations of their friends. A collation was served in an adjoining room, the health of the bride and groom being drunk. The wedding cake was a very handsome one.

Those present were: His Ex. Geo. W. Merrill, U. S. Minister Resident, and Mrs. Merrill, Judge and Mrs. W. Foster, Mrs. P. Neumann, Miss Finckler, Mrs. Capt. A. Fuller, Mr. and Mrs. F. L. Winter, Mrs. Dudoit, Miss Corney, Mr. and Mrs. John Dyer, Misses Winter (2), Miss Fuller and Miss Dudoit.

Mr. and Mrs. Pickrell left on the Umatilla for the States, their future home.

## ANNUAL TEA PARTY.

The Woman's Board of Missions gave their annual tea party Thursday afternoon in the parlors of the Central Union Church. There were present as invited guests the native pastors and delegates to the Evangelical Association along with their wives and friends. Over two hundred were present. The parlors were prettily decorated with flowers and evergreens. After all had sat down at the tables grace was said by Rev. S. K. Kekuwa. The tea was an excellent one in every respect, there being an abundance of good things and the guests were led in their praise of the kindness shown to them by the white ladies and gentlemen.

After the tea the Rev. Dr. Lowell Smith offered up a prayer in Hawaiian, the venerable gentleman being heard in every part of the parlors. A gospel hymn was sung, Mrs. C. M. Hyde presiding at the piano. Mrs. Bingham, President of the Woman's Board, gave an address in Hawaiian which was well received.

Dr. C. H. Wetmore spoke of his long associations with the Hawaiians. He had had many doubts, but after what he had seen that day he was sure the work of the Lord would not fail in these islands. Four of last year's students of the North Pacific Institute sang "The song of the Soldier" with fine effect. A young Chinese preacher just arrived was the next speaker. He spoke of the propagation of the gospel in China and said there were very hopeful signs for the future. Mr. F. W. Damon interpreted.

Mr. Mitani, a Japanese gentleman, was exceedingly happy in his remarks which were delivered in English. He spoke very particularly of Christian love.

Mr. P. C. Jones said that just thirty-two years ago that day he left Boston for the islands a godless young man. Three years later he gave his heart to God. He had told a friend that he would sooner be a member of the Hawaiian Band than a Noble of the King's. For nineteen years he had been a member of the band and thanked them for their confidence in him for that time.

The Rev. W. D. Westervelt also spoke in a very touching manner. There were other speakers. Rev. Dr. C. M. Hyde had charge of the exercises, which were exceedingly interesting.

## HONOLULU FIRE DEPARTMENT.

Regular Monthly Meeting of the Board of Representatives.

The monthly meeting of the Board of Delegates was held last evening at the usual place, thirteen members answering to the roll call. The chief engineer, Mr. C. B. Wilson, presided. A funeral benefit of \$78.50 was voted to cover burial expenses of the late Samuel Paniani, member of company No. 4.

Communications were read from Mechanic Engine Co. No. 2 and Hook & Ladder Company respecting certain members suspended from those companies for non-payment of dues.

The rolls of membership from Companies No. 2, No. 4 and Hook & Ladder were received by the Board preparatory to their being submitted to the Assessor of Taxes for Honolulu. The law passed by the last Legislature with respect to exempt firemen, is adhered to, i. e., that such lists must contain not more than fifty members in good standing from each company.

The committee of three to report discrepancies between the by-laws of the several companies and those recently passed by the department, reported having performed that duty, and they found that the only discrepancy was regarding the time for electing delegates, the old by-laws requiring that such elections be held in the month of July, whereas the new by-laws now require that it be held after the first Monday in December of every year. This change was necessary in order to conform with the legislative enactment.

It was then ordered that the Secretary notify the several companies to amend their by-laws in accordance with the committee's report.

The treasurer was directed to present at the next meeting of the Board a statement of expenditures covering the period of five years, made on account of relief claims presented by each company of the department.

An outline of the prospectus of the proposed Firemen's Relief Fund was presented to the meeting and further consideration was deferred. The meeting then adjourned.

AN INTERESTING LETTER FROM A VETERAN.  
As this is Jubilee year it tends to make one look back and think of the flight of time, and in this way I am reminded that I am one of the veterans in the sale of your valuable and successful medicine. I have sold it from the very first, and have sent it into every country in England and many parts of Scotland. Well do I remember the first circular you sent out some nine or ten years ago. You had come to England from America to introduce Mother Seigel's Curative Syrup, and I was struck by a paragraph in which you used these words:—"Being a stranger in a strange land, I do not wish the people to feel that I want to take the least advantage over them. I feel that I have a remedy that will cure disease, and I have so much confidence in it that I authorize my agents to refund the money if people should say that they have not benefited by its use." I felt at once that you would never say that unless the medicine had merit, and I applied for the agency, a step which I now look back upon with pride and satisfaction.  
Ever since that time I have found it by far the best remedy for Indi-  
gestion and Dyspepsia I have met with, and I have sold thousands of bottles. It has never failed in any case where there were any of the following symptoms:—Nervous or sick headache, sourness of the stom-  
ach, rising of the food after eat-  
ing, a sense of fullness and heaviness, dizziness, bad breath, slime  
and mucus on the gums and teeth,  
constipation, and yellowness of the  
eyes and skin, dull and sleepy sen-  
sations, ringing in the ears, heart-  
burn, loss of appetite, and, in short,  
wherever there are signs that the  
systems is clogged, and the blood is  
out of order. Upon repeated in-  
quiries, covering a great variety of  
ailments, my customers have always  
answered, "I am better," or "I am  
perfectly well." What I have sel-  
dom or never seen before in the  
case of any medicine is that people  
tell each other of its virtues, and  
those who have been cured say to  
the suffering: "Go and get Mother  
Seigel's Curative Syrup, it will  
make you well." Out of the hun-  
dreds of cures I will name one or  
two that happen to come into my  
mind.  
Two old gentlemen, whose names  
they would not like me to give you,  
had been martyrs to Indigestion  
and Dyspepsia for many years.  
They had tried all kinds of medi-  
cine without relief. One of them  
was so bad he could not bear a  
glass of ale. Both were advised to  
use the Syrup and both recovered,  
and were as hale and hearty as men  
in the prime of life.  
A remarkable case is that of a  
house painter named Jeffries, who  
lived at Penhurst, in Kent. His  
business obliged him to expose him-  
self a great deal to wind and weath-  
er, and he was seized with rheuma-  
tism, and his joints soon swelled up  
with dropsy, and were very stiff  
and painful. Nothing that the doc-  
tors could do seemed to reach the  
seat of the trouble. It so crippled  
him that he could do hardly any  
work, and for the whole of the win-  
ter of 1878 and '79, he had to give  
up and take to his bed. He had  
been afflicted in this sorry way for  
three years, and was getting worn  
out and discouraged. Besides, he  
had spent over £13 for what he  
called "doctor's stuff" without the  
least benefit. In the Spring he  
heard of what Mother Seigel's Cur-  
ative Syrup has done for others and  
bought a 2s. 6d. bottle of me. In  
a few days he sent me word he was  
much better—before he had finished  
the bottle. He then sent me for  
a 4s. 6d. bottle, and as I was going  
that way I carried it down to him  
myself. On getting to his house  
what was my astonishment and sur-  
prise to find him out in the garden  
weeding an onion bed. I could  
hardly believe my own eyes, and  
said:—"You ought not to be out here,  
man, it may be the death of you,  
after being laid up all winter with  
rheumatism and dropsy."  
His reply was:—"There is no  
danger. The weather is fine, and  
Mother Seigel's Curative Syrup has  
done for me in a few days what the  
doctors could not do in three years.  
I think I shall get well now."  
He kept on with the Syrup, and  
in three weeks he was at work again,  
and has had no return of the trou-  
ble for now nearly ten years. Any  
medicine can do this should be  
known all over the world.  
Yours faithfully,  
(Signed) RUPERT GRAHAM,  
Of Graham & Son,  
Holloway House, Sunbury,  
Middlesex.  
June 25th, 1887.  
The above wonderful cure of  
Rheumatism was the result of the  
remarkable power of Mother Seigel's  
Curative Syrup to cleanse the blood  
of the poisonous humours that arise  
from Indigestion and Dyspepsia.  
Mother Seigel's Curative Syrup  
is for sale by all chemists and med-  
icine vendors, and by the proprie-  
tors, A. J. White, Limited, 35,
