SUPPOSED DEPARTURE.

It is generally supposed that Col.
V. V. Ashford, who was a leader in
the Hawaiian Patriotic Association and
who was discharged by the decision of
Judge Dole in the preliminary
examination for treason, took his
departure for Mahukona by the
steamer Hawaii on Friday night. The
bark Harvester is at Hilo expected
to sail shortly for San Francisco, and
by that vessel it is believed the Col-
onel will take leave of the Kingdom.
Should he miss the Harvester, there
are two vessels up for San Francisco
at Mahukona.

A. B. Kerr, Frank Townsend and a
third person left rather abruptly
on Dr. J. S. McGrew's sloop on Sat-

wharf. Kerr said to a friend on Fri-
day that he had paid \$100 on account
for the sloop and that it was all the
boat was worth, and that they were
going to Hilo, Hawaii. There was an
abundance of provisions in the boat,
besides sundry wares and merchan-
dise bought at various stores on credit
or part credit.

Messrs. S. W. Lederer and J. E.
Gomes, creditors who went in pur-
suit of the fugitives, returned from
Ewa this afternoon with the news
that Kerr and Townsend are prison-
ers, the third man having escaped.
The sloop went ashore at Puuloa, on
the Pearl Harbor entrance, and the
goods have been recovered in a dam-

HAWAIIAN DERBY.

Ninth Annual Meeting of the Hawaiian Jockey Club.

Full Account of the Races at Kapiolani Park

The 11th of June races came off at
Kapiolani Park, with a fair degree of
success. Although the day was fine,
it was very sultry, more so than for
years back. There was a great turn-
out of the public. The grand stand,
the Jockey Club's stand, private
stands, and intervening spaces were
crowded. Although "that fence"
has been down these two years, the
number of people taking in the races
free, from the outside of the rails,
was comparatively small. The sport
began promptly at 10 o'clock, but
much time was lost in getting suc-
ceeding races off, in the forenoon, so
that only three races and part of
another were over at noon intermis-
sion.

Her Majesty arrived early accom-
panied by His Excellency Gov. Cleg-
horn, Princess Kawananakoa and Ka-
lanianakole and ladies-in-waiting. The
band played Hawaii Pono as the
royal party entered the grounds, and
Hon. C. O. Berger received the
Queen, as the guest of the Jockey
Club, at the gate of the clubhouse
and escorted her to the second floor.

First Race. 1 mile dash. Gold
and silver medals for first and second
prizes respectively. Entered: Henry
A. Giles, T. P. Cummins, D. J. Koi,
R. A. Dexter.

Cummins led at the start, but
Dexter pulled up with him, making
a close race from the quarter to the
half. Koi got lost and gave up at
the quarter. Dexter took the lead
a little beyond the half. Giles gained
second place at the third quarter,
and before turning into the home
stretch became the leader. Dexter
could not overtake him, Cummins
was left far in the rear, and Giles
led Dexter a length under the wire.
Time, 3:14½.

Second Race. Queen Liliuokalani Cup, \$100
added. Running race, ½ mile dash,
free for all. Entered: Lord
Brook, C. C., 3 years, Waikupu Stables
(W. H. Cornwell); Traveler,
s. g., aged, J. A. Cummins; Loloku-
lani, b. f., 4 years, H. Focke (for
Jas. Gay).

Lord Brook.....1
Traveler.....2
Lolokulani.....3

Lord Brook was ridden by Slocum.
Traveler by Cal. Leonard, Loloku-
lani by Jim Crow. Lord Brook had
the pole, and Traveler the outside.
Repeated efforts at a start failed
through Lolokulani's bucking and at
last, when she was got to the line
and the flag fell, the others bounded
off while she cavorted round and was
left out. Lord Brook led Traveler
all the way, although the space be-
tween them was cut down on the
home stretch. Lord Brook won by
half a length in 51 3/5. Mr. Cum-
mins' jockey claims he lost at the be-
ginning by thinking it was not a
start.

Third Race. Lunamakasana Plate, \$100, trot-
ting and pacing for Hawaiian bred
horses, to harness, mile heats, best
2 in 3. Entered: Waikupu Maid,
bay f., 4 years, Waikupu Stables;
Duke, c. c., C. W. Macfarlane.

Duke.....1
Waikupu Maid.....2

First heat. Waikupu Maid had
the pole and led from the start, be-
ing a length ahead at the quarter and
8 or 12 at the half. Duke came up
some thereafter, both racers making
an occasional break. The Maid passed
the wire five lengths ahead in 3m.

Second heat. Duke won the lead
just after the start, had a length's
advantage at the quarter, and half a
length more at the half, holding the
same at the third quarter and win-
ning by three lengths in 3:5.

Third heat. Duke led from the
start and was never overtaken, gain-
ing the heat and the race by four
lengths in 3:30.

Fourth Race. Governor's Cup, \$100 added.
Running race, ½ mile dash, for Ha-
waiian bred horses. Entered: Yum
Yum, g. m., aged, and Queen L.,
bl. f., 4 years, John A. Cummins;
Lolokulani, H. Focke.

Queen L.....1
Yum Yum.....2

Lolokulani played the same tricks
as before and was left under like
circumstances. The race was there-
fore all one owner's, which took from
it the great interest otherwise there
to belonging. Yum Yum's advantage
of having the pole availed nothing,
as the Queen took the lead, held it
and won by several lengths in 1:23.

Fifth Race. Kalakaua Cup, \$100 added.
Running race, 1 mile dash, for Ha-
waiian bred horses owned by members
of the Jockey Club. Cnp to become
the property of the one winning it
twice. Entered: Amrino, b. g., 3
years, Waikupu Stables; Yum Yum
and Ivory, w. m., aged, John A.
Cummins; Senator Stanford, g. h.,

5 years, and Koululani, bay m., 3
years, H. Focke.

Senator Stanford.....1
Amrino.....2
Yum Yum.....3

The positions relative to the pole
were: Yum Yum, Senator Stanford,
Ivory, Koululani, Amrino. After
two false starts the field got away in
fair shape. Koululani led at the
quarter. There was a bunch at the
half, out of which Amrino emerged
ahead, but was overhauled and passed
by the Senator, who led at the third
quarter, with a capital rush behind
him for second place. Koululani
brought up the rear without being
distanced. Senator Stanford led
Amrino for first place by nearly a
length. Time 1:48½. Had Yum
Yum won it would have been her
second and Mr. Cummins would have
carried away the cup.

SIXTH RACE.
Honolulu Plate, 3 minute class,
\$100. Trotting and pacing, mile
heats best 2 in 3. Entered: Nut-
grove, bay s., A. J. Cartwright, Jr.;
Josie K., bay m., A. R. Rowat, Josie
R. was ruled out for not coming to
time, and Nutgrove was driven round
once in 2:47½.

SEVENTH RACE.
Rosita Challenge Cup, \$100 added.
Running race, 1 mile dash, winner to
beat record of Angie A.—1:45½.
Free for all. Entered: Lord Brook,
Waikupu Stables; Alta Mia, b. f., 2
years, Hawaii Stables (A. Horner);
Joe Stacy, s. h., 3 years, Lahaina
Stables (C. F. Horner).

Lord Brook.....1
Joe Stacy.....2

Alta made a fine show at the start,
getting far ahead by the first quarter.
The others were close together and
passed Alta at the half, making a
fine race for the first place thencefor-
ward. Lord Brook came in first by
a length, in spite of the greatest ef-
forts of Stacy. Alta was distanced.
Time 1:49½.

EIGHTH RACE.
Kapiolani Park Purse, \$150. Trot-
ting and pacing to harness, mile heats,
best 3 in 5. Entered: Silky, ch. m.,
A. J. Cartwright, Jr.; Johnny Gold-
smith, br. g., T. Hollinger; Johnny
Hayward, g. h., Waikupu Stables;
Blitz, b. g., Lahaina Stables; Lot
Slocum, br. g., R. Ballentine.

Silky.....1
Johnny Hayward.....2

First heat. Silky led from the
start. Blitz was second at the quar-
ter, held down by Hayward. There
was a complete bunch on entering
the home stretch. The wire was
crossed in the following order: Silky,
Hayward, Slocum, Goldsmith, Blitz;
but Hayward was put back for run-
ning under the wire. Time 2:35.

Second heat. Another close con-
test for the lead, Hayward gaining it
over Silky by a length; Slocum third.
Time 2:35½.

Third heat. The issue was now
clearly between Silky and Hayward.
Goldsmith's lead in the first quarter
was therefore not accounted serious.
Hayward took second place from Silky
at the half, and the lead before the
third quarter pole. Silky was then
let out and won, with Hayward sec-
ond, Goldsmith third, the rest dis-
tanced. Time 2:33.

Fourth heat. Hayward won his
second this time, compelling the final
heat.

Fifth heat. Silky won the heat
and the race, reducing the time also
to 2:32. The winner was six lengths
ahead at the half, and 10 at the
finish.

Without attempting to detract
from the honors of Silky for winning
the pacing race, it is right that cred-
it should be given to Johnny Hay-
ward for trotting so game a race
against such pacers as Silky, Gold-
smith and Blitz. In the future it
would be advisable to have a trotting
and a pacing race, as the two classes
of traveling are now separated else-
where.

NINTH RACE.
Kamehameha Plate, \$100. Run-
ning race, 1½ mile dash. There be-
ing only two entries—Yum Yum and
Stanford—this race was passed.

TENTH RACE.
Jockey Club post match. No en-
tries.

ELEVENTH RACE.
Oceanic Steamship Co.'s Cup, \$75
added. Running race, ½ mile dash,
Hawaiian bred horses. Entered:
Amrino, Waikupu Stables; Ivory,
J. A. Cummins; Lolokulani, H.
Focke.

Lolokulani.....1
Amrino.....2

Lolokulani, after several attempts,
was got to the pole and, as she
dashed away, the flag fell. She had
an advantage by her abruptness,
variously estimated from two to six
lengths. Still she was not pushed
coming home, so that the race was
considered fair enough. Amrino
made a good race of it, however, up
to the home stretch. Ivory was
hardly in it. Time, 1:17.

TWELFTH RACE.
Pony Race—\$75 with racing sad-
dle from His Excellency H. A. Wide-
man added. Running race, 1 mile
dash, Hawaiian bred, for ponies 14
hands and under, catch-weight. En-
tered: Billy C., g. g., aged, Wal-
kupu Stables; Hot Stuff, g. m., 3
years, J. A. Cummins; Lucy, b. f.,
3 years, Hawaii Stables.

Billy C.....1
Hot Stuff.....2

Lucy took the lead at the start,
but was hauled in by Billy C. at the
quarter. Then it was an exciting
race between these two until the half.
After that point Billy C. took a
decided lead, reaching several
lengths at the third quarter. Hot
Stuff came up well on the home

stretch, but failed to abolish the
difference by two or three lengths at
the wire. Time, 1:53.

THIRTEENTH RACE.
Mule Race. Running 1 mile dash,
Hawaiian bred, catch-weight. En-
tered: Jack, R. L. Gilliland; Nioi,
Waikupu Stables; Lightning, Hawaii
Stables.

Lightning.....1
Jack.....2

Lightning, a gray beast, made lots
of fun by resisting efforts to make a
start. Its obstinacy being at length
overcome, all got away at a terrific
pace, Nioi, however, leaving the
race to the others. Between Light-
ning and Jack it was one of the
prettiest races of the day. They
were even at the quarter, but Light-
ning got its neck ahead at the half.
It was a sort of see-saw thence to
near the third pole, when Lightning
again forged ahead to stay. Light-
ning won by less than half a length
in 2:9.

FOURTEENTH RACE.
President's Cup, \$100. Running
race, 1½ mile dash, free for all. En-
tered Yum Yum, J. A. Cummins;
Senator Stanford, H. Focke; Rob
Roy, b. g., aged, Hawaii Stables.

Senator Stanford.....1
Yum Yum.....2

The lead was taken and held by
Yum Yum for the first half mile,
Stanford a hard-pushing second. By
the quarter pole the Senator took the
lead, never to let it go. Still it was
a race for blood to the finish, when
Yum Yum was two lengths behind the
winner. Rob Roy never saw a
chance for the prize. Time 2:52½.

NOTES.
The Hawaiian Jockey Club entertain-
ed many lady and gentleman
friends, besides the royal party, at
their clubhouse.

Her Majesty left at 2:20, the band
again playing the national anthem.

Notwithstanding the great crowds
on the grounds, there was the mini-
mum of unpleasant incidents. One
little rumpus was confined to two
belligerents, in separating whom the
Deputy-Marshal, two policemen, a
member of the Legislature and a
newspaper financier tendered their
kindly offices, with the assistance of
about fifty others.

A runaway on the outside made a
small sensation, and two wrecked
brakes marked the road to the Park.

Three hack horses are reported to
have succumbed to the inordinate
enterprise of their drivers.

The tramways did a jammed busi-
ness conveying people to and from
the races. In the forenoon the out-
ward cars were crowded to their ut-
most capacity, and it took till dark to
get all the crowd away from Waikiki.

There was very little heavy bet-
ting done openly at the course, but
there were heavy pools out from
auctions held previously. A charac-
teristic of the day was that the fa-
vorites in general were disappoint-
ments.

Refreshment tents, sundry games
of chance, and the "manish" had
about all the business they could
handle. Mariano had the usual
good custom for a dollar lunch under
the grand stand.

INSURE IN THE Equitable Life Assurance

Society of the United States.

An Eminently Conservative and Safe Company.

FINANCIAL STRENGTH.

The consideration of first importance in judging of the condition of any financial institution (and notably of a life assurance company, the majority of whose contracts extend over long periods of years) is its *surplus strength*. The Equitable has, over and above all liabilities, a larger surplus than any other assurance company.

Assets, Dec. 31, 1891, \$136,198,518.38

LIABILITIES, including the Reserve on all existing Policies, (4 per cent. Standard) and Special Reserve (toward the establishment of a 3 1/2 per cent. valuation) of \$1,500,000 109,905,537.82

Surplus, \$ 26,292,980.56

This Surplus remains after making provision for every obligation, on a rigid calculation of *Liabilities* based on the standard prescribed by the Insurance Law of the State of New York, which assumes that Assets will be invested so as to realize interest at the rate of 4 per cent. per annum. In addition to this, in a spirit of conservatism, the Directors of the Society, on the recommendation of its Finance Committee, have set aside a Special Additional Reserve, looking towards even a more stringent and conservative future standard of valuation than the law now prescribes.

WEST MAUI NOTES.

Tuesday, June 7, the Circuit Court of Maui, was convened by the honorable Judge Noah Kepoikai and then adjourned until Wednesday the 8th, to await the arrival from Honolulu of Judge Bickerton, together with the attorneys, officers and prisoners, all of whom arrived by the steamer Claudine. Upon the re-assembling of the Court Wednesday morning the empaneling of a jury to try the case entitled Regina vs. Pulolo, et al.,—five native men and five women—for the murder of Kalalili, a native boy, at Awala, Lanai, was commenced but it seemed impossible to get together twelve good men and true, who were not opposed to hanging a woman. At 6 p. m. the entire venire of jurymen having been exhausted, the Court adjourned after having sent out for fifty talesmen, and it was not until a quarter after 8 o'clock the following day that a jury was obtained and the trial commenced.

It is quite remarkable the amount of interest and feeling this case has excited amongst the natives and of anything but a friendly nature, as far as the principal defendant—the young woman Pulolo—is concerned, as evinced by the attacks made upon her while on her way from the depot to the jail Wednesday morning. Wailuku is thronged with men and women from all parts of Maui, Lanai and Molokai, who have come prepared to remain and watch the proceedings. The court-room is packed, all the approaches thereto are jammed and groups of natives may be seen seated upon the grounds about.

The prosecution is conducted by Hon. Antonio Rosa, assisted by Mr. Gardner Wilder, and the defense by Messrs. W. C. Achi and J. L. Kaulukou.

Friday, 4 p. m.—The case is closed. The Crown nol. pros'd five of the defendants, the other five offer no defense whatever. The attorneys are summing up.

A very interesting experiment in producing rain by explosives was made by the Wailuku Sugar Co., under the personal direction of Mr. H. H. Plummer, chief luna, Wednesday afternoon, the 8th inst. Fifty-four charges of giant powder were exploded on the mountain next to Iao Valley, and heavy rain fell in little less than two hours afterward, continuing through the afternoon and evening. Mr. Plummer informed your correspondent that the cost of materials used in this experiment was a trifle less than \$6, and that further experiments would follow from time to time.

Friday evening, June 10th, at 7 o'clock, Mary Ellen Lydia, eldest daughter of Judge and Mrs. Charles Copp, was married to Mr. W. B. Hardey of Hawaii, at the residence of her parents, Makawao, Maui. The Rev. Mr. Kiteat of Lahaina officiated. After the ceremony dancing was indulged in, to be followed on the 11th by a grand luau in honor of the newly married couple.

The bride has been well and favorably known in this community since early childhood. She resigned the position of first assistant teacher in the Government school at Makawao, which position she filled with great credit to herself and to the entire satisfaction of all concerned. A young lady of an exemplary character, prepossessing appearance and gentle, winning manners, a most affectionate and dutiful daughter, beloved and esteemed by all who have the pleasure of her acquaintance, we wish her a long and happy life and congratulate Mr. Hardey in the possession of such a treasure of which his life knows no greater.

We notice that the Advertiser of the 7th, with its customary reliability, has married the young lady above to a gentleman with the euphonious name of Smith. This is a mistake, dear reader.

Saturday the 11th will be generally observed as a holiday devoted to parties, balls, luau, picnics, etc.

The East Maui Polo Club have a tournament on that day. There are a number of other festive gatherings on the tapis, among which may be mentioned a grand picnic to Eleele Valley given by the scholars of the Wailuku Government School, for which extensive preparations have been made and a large number of invitations issued.

Our attention has been called to a public nuisance that should be abated at once. The Japanese residents of Wailuku are in the habit of bathing and making their toilets in the streams by the road-sides and in public, in broad day-light in *paris naturae*, with not even the conventional fig-leaf, often accompanying the disgusting exhibition of their bodies with improper gestures when ladies and children are passing. It is hoped that this complaint may reach the eye of our brave new sheriff, who, the ladies feel confident, will put a stop to this outrage upon public decency, immediately.

David N. Johnson, recently convicted as a gross cheat, who, by the assistance of Honolulu friends, was enabled to swindle Mr. Henry Roberts, of Wailuku, to the tune of \$50, has the effrontery to remain in Wailuku, a gentleman at leisure.

There is no shipping news from Kahului, as there are still no vessels in port. The John D. Spreckels, Christianson, master, is ten days out from San Francisco, therefore her arrival here is looked for daily.

The electric light plant has been accepted by the Maui Electric Light & Power Co., and has proved a success. Kahului is indeed brilliant at night with its new lights.

The weather is clear and dry with strong east winds blowing.

THE OLDEST DAILY in the Kingdom—The Daily Bulletin.

SWEET SEMINARIANS.

Closing Exhibition of Kawahao Girls' Seminary.

The annual exhibition of the Kawahao Seminary took place Thursday evening in Kawahao Church. The sacred stone edifice was filled to overflowing, many having to take standing room. Her Majesty the Queen graced the occasion with her presence in the royal pew. The program opened shortly before 8 o'clock with a march by the Royal Hawaiian orchestra. A chorus, "Welcome, We Sing," by the Seminary was a pleasant rendition. A Bible recitation from the Psalms was next, followed by prayer by the Rev. S. L. Desha, of Kona, Hawaii. Lucy Lefoe and Lucy Akai manipulated deftly the piano in a duet, the "Victoria Nocturne," in a pleasing manner. Two compositions, "How to Make Home Happy" and "House Keeping," by Emma Akana and Lydia Makaimoku were interesting reading and would prove profitable if followed by the rising generation of the Seminary at maturity. A historical sketch on "Alexander the Great," was also given by Louise Kahili.

The fan drill by twenty-four wee tots of the primary department, was gone through without a hitch. A chorus by the whole school, "Pauahi o Ka Lani," composed by her Majesty the Queen, was nicely sung, ending the first part of the program.

The primary department caused much laughter in their rendition of "Can Birds Talk?" A trio was pleasantly rendered, the school joining in the chorus. "Reveil du Lion," a piano duet by M. Powers and Louise Akana, was applauded. The grammar department then rendered a recitation simultaneously. A song by the school closed the evening's performance.

The exhibition throughout was a grand success, and credit in due the trainers of Hawaii's blooming young damsels. The musical department under Miss Armstrong has reached a high standard in that branch, and that lady deserves all commendation.

CHINESE COLONIZATION.

City of Mexico, May 16.—Ching Wun and Kong Foo, the former a wealthy Chinaman of San Francisco, and the latter of St. Louis, have been here for the past ten days and have had two audiences with President Diaz. The object of their visit here is to secure a colonization concession in the State of Tamaulipas for the purpose of removing almost the entire population of their countrymen who now reside in the United States.

They claim to represent a society of Chinese in the United States numbering several thousand, all of whom are pledged to leave that country on account of the Exclusion Act, and seek new homes in Mexico. The Mexican Government favors and encourages the immigration of Chinese, and there is little doubt of the desired concession being secured.

The land upon which the great colony proposes to settle is admirably adapted to the cultivation of sugar-cane, fruit and produce.

Mr. J. P. Blaize, an extensive real estate dealer in Des Moines, Iowa, narrowly escaped one of the severest attacks of pneumonia while in the northern part of that state during a recent blizzard, says the *Saturday Review*. Mr. Blaize had occasion to drive several miles during the storm and was so thoroughly chilled that he was unable to get warm, and inside of an hour after his return he was threatened with a severe case of pneumonia or lung fever. Mr. Blaize sent to the nearest drug store and got a bottle of Chamberlain's Cough Remedy, of which he had often heard, and took a number of large doses. He says the effect was wonderful and that in a short time he was breathing quite easily. He kept on taking the medicine and the next day was able to come to Des Moines. Mr. Blaize regards his cure as simply wonderful. Fifty cent bottles for sale by all dealers. Benson, Smith & Co., Agents.

The best thing to send to your friends abroad is King Bros' Illustrated Souvenir of Hawaii, which is gotten up for the purpose and is not an advertisement.
