their reports should agree with
their pay rolls. On Thursday a
committee of citizens consisting of
C. B. Wells R. A. Wadsworth and
C. D. Lufkin appeared before the
Board and asked to be heard.

Mr. Wells stated that he had
lived in the Territory twenty-seven
years and in Wailuku seventeen
years during which time he had
lived under four different govern-
ments but at no time had the roads
been in such wretched condition in
which they are now.

He spoke particularly of the
Wailuku Kahului road of the
Vineyard street, Waihee road and
Maalaea road. He said he was
giving free of charge the gravel for
the Maalaea road but that by the
middle of August the fields would
be fenced up and plowed and the
gravel could not then be had. He
urged the Board to take advantage
of the gravel now available as de-
lay would mean the loss of thou-
sands of dollars to the taxpayers.

The suggestions were favorably re-
ceived by the Board and more ac-
tivity on this road may be expect-
ed.

Mr. Lufkin testified to the
wretched condition of these roads.

Mr. Wadsworth agreed with the
other gentlemen and called the at-
tention of the Board to the fact
that many cattle roam the streets
and public roads, doing damage to
the trees and frighten horses driven
by citizens at night.

HONOLULU, July 11.—Congressman Higgins in a speech at a
banquet last night denounced the lack of Americanism of the Islands
in general and Hilo in particular. He said they had been entertained
listening to Hawaiian music and witnessed Hawaiian dances; they had
seen the celebration of the Fourth of July by Japanese horse races and
Chinese baseball but heard no patriotic addresses nor the Star Spangled
Banner. They saw American machinery in the sugar mills but few
Americans. He declared the Islands a thousand years from State-
hood.

W. O. Smith answered testily and scored the Congressmen while
defending the planters. It is the general opinion that Smith made a
mistake.

division officer from Russia that Japan has 4000 veterans and three
officers of the general staff in Hawaii. Many of the veterans have been
ordered to the Coast on the steamer Kumeric which is still here.

Japanese leaders here would deplete the Islands of laborers as
satisfaction for the importation of Europeans. Many thousands are
now awaiting transportation to Mexico as the northern boundary is too
well guarded. A French vessel will shortly carry 300.

The Kumeric is to return when free from her present entangle-
ment.

County Attorney's Report.

That part of the report of the County Attorney that relates to the police that was submitted this week to the County Board is as follows:

POLICE DEPARTMENT. I regret exceedingly that duty requires that I call to the attention of this Board certain reports that, since the 4th day of July, have been brought to my notice in my capacity as County Attorney. I have been informed (and the information is of such a character as to make it impossible, in fact, improper, for me as a public official to ignore it) that certain of the police officers of the District of Wailuku, while on duty during the 4th day of July last, or supposed to have been on duty, were in a state of intoxication. If these reports are not true these men should be given an opportunity of vindicating themselves before your Honorable body. If they are true, the situation calls for such action as will once and for all put a stop to such disgraceful practices. I also very much regret being under the necessity of calling your attention to the fact that the last Grand Jury of this Circuit recommended the discharge of Solomon Kawaihoa because of being intoxicated. I have to report that this police officer is still a member of the Wailuku police force, wearing the badge of authority, and being an authorized representative of this administration; an evidence of the truth of the statement that has been repeatedly made throughout this community by many reputable citizens, to-wit, that the recommendations of a Grand Jury have little or no value here.

I conscientiously believe that the members of our police force, as a body, are good, reliable, sober and industrious men, who desire and from day to day endeavor to the best of their ability to perform the sometimes arduous, as well as dangerous duties assigned to them. I have great respect for a police officer of the right kind. There is not a day that he does not place his life at stake for the protection of those whom he is serving. In the interests of this class of officers, as well as in interest of good citizenship and good politics (Republican politics in this particular instance) I feel certain that this Board will quite agree with this department that an investigation of those charges of drunkenness should be had, and, if true, the guilty parties either removed, or emphatically given to understand that a repetition of the offence or offences in the future will be dealt with severity.

The information concerning these matters and things in the hands of this department is at your disposal whenever wanted.

Respectfully submitted,
County Attorney.

Wine Growers Hold Annual Election.

On Saturday the annual election of the Kaupakalua Wine and Liquor Company was held in the public school house.

J. M. Vivas declined a re-election as President on account of ill health. The election resulted in the following men being chosen.

J. Aheong, President; A. F. Tavares, Treasurer; J. Garcia, Secretary, and J. V. Maciel, Jardine, and A. R. Souza Directors.

Nearly all of the stock was represented at the meeting.

The affairs of the company are in a flourishing condition and they will turn out twelve thousand gallons of first class wine this year.

It is stated that there are thousands of acres of land extending toward Kula and including the Pihilo lands that are ideal for the successful cultivation of grapes and that in time this industry will be one of the leading industries of the Territory and give employment to thousands of people.

Fire Company Meeting.

The Wailuku, Kahului Volunteer Fire Company held a special meeting on Monday evening for the purpose of hearing the report of the committee on rules and regulations.

The company discussed various needs for the better protection of the towns. One was that a hose be stationed on Market street near a hydrant and that the Board of County Supervisors be requested to pass an ordinance making it a misdemeanor for any one not connected with the department to molest the same except in case of fire.

It was decided to ask the Board of Supervisors to have the Rules and Regulations of the Company printed for the proper edification of the members.

As the Fire station will soon be completed and equipped the company should be of much service in case of fire.

Hilo Out for Petrie.

Honolulu, July 6.—They say that somebody handed it to L. Petrie at Hilo this week. Petrie went to Hilo last Fourth of July and is said to have made quite a killing. He won various races and his string of races put him on the right side of the ledger. Hiloites paid their bets and said nothing. They wait until last Thursday.

Petrie went to Hilo with two horses, Bruner and Indigo. Bruner, who is a good, game horse, was entered in the \$1,000 stake race. Racine Murphy was another locally owned horse entered. Lazelle, a horse that was brought from the Coast, was also in, and a fourth animal that did not even finish, was entered. The local horse owner took up a very clever native jockey to ride Bruner. But—so the story that came by the Kinau today goes—somebody got hold of the jockey after his arrival at Hilo and proceeded to give him a "good time." By the time that the "good time" was over, the jockey was in such shape that he could not ride Bruner. Whether this report be entirely correct, only those closely on the "inside" can say. In any event the jockey did not ride the horse and somebody who rode as if he had been the jockey on Barnum's famous horse with its head where its tail ought to be, was up.

And Bruner came second. Lazelle first. And the story that came down by the Kinau today is that certain Hiloites say they got even with Petrie for last Fourth of July.—Star.

EDITOR MAUI NEWS,
Dear Sir: Kindly insert the following few lines in the next issue of the MAUI NEWS, and thereby dispel the wrong impression created by the article published in the ADVERTISER, in the Sporting Column, signed D. CARRYME.

I have not written the article nor any part of it, neither have I authorized any one to write it, I have not even seen the original in letter form. In short I first saw it in the Advertiser, my attention being called to same.

The one who wrote the article, evidently did not dare to use my name, and therefore took these means to mislead the Public, doubtless with mischievous intent.

Yours Respectfully,
D. T. CAREY.

A distinct earthquake was felt on Maui and throughout the group last Friday night at 11.45. The shock lasted some seconds but did no damage.

An order came from Washington Saturday from the Department of Commerce and Labor, to release all the 72 stowaways on the Kumeric and allow them to land, excepting 6 criminals classed as "undesirable citizens."

They were all immediately allowed to land and are now free on shore, including the five-year old boy who stowed away to join his father here.

The order is a complete reversal of previous orders by the department. It was just in time to stop habeas corpus proceedings in behalf of the stowaways, in the federal court.

Tax Appeal Court Holds Session.

The Tax Appeal Court met Monday of this week to hear the testimony in the appeals of the H. C. & S. Co. and of the Wailuku Sugar Co.

The former company appealed from the action of the Board of Equalization in its refusal to allow deductions aggregating \$186,221 for depreciation of its machinery.

The company claimed this deduction in its income as the plant had depreciated this amount by reason of its use during the year. The contention of the Government is that while the depreciation of the amount returned by the company may be correct it should have been deducted from the value of the plant and not from the income. The case occupied two days of time in the hearing and will be decided soon.

The appeal of the Wailuku Sugar Company was from the aggregate amount of the valuation of the property of the company. The company returned the property as being worth \$1,700,000 while the Board of Equalization raised the valuation to \$2,360,000.

Manager C. B. Wells was the only witness for the Company and Tax Assessor W. T. Robinson was the only witness for the Government.

Mr. Wells testified that the acreage of the holding of the plantation was fourteen or fifteen thousand acres of which 4997 acres are cane lands, valued at \$100 per acre, 136 acres of taro lands valued at \$300 per acre, 20 acres of rice lands valued at \$200 or \$300 per acre, 2321 acres of pasture lands valued at \$3 per acre and about 5180 acres of forest lands that are valueless.

He stated that the cost of the mature crop on January first of this year was \$149,000 while the Board doubled that amount as the valuation for taxation purposes. The crop of 1905 was 7828 tons while the crop of 1906 was but 7469 tons. He showed that taxation per ton of sugar on the Wailuku Sugar Co. was higher than on any plantation in the islands.

On cross examination he admitted that much of the land that is now classed as cane land was formerly taro land. In the matter of town lots he said he had returned them as cane land and that while none were for sale he was offering to exchange them at the rate of from one to three and one to four of taro lands with water right. He said he reserved the water right on the lands he exchanged and acquired those rights on the lands he got in ex-

change. Questioned as to the value of the shares of the company he stated that he had offered twenty of his own shares at \$200 per share.

Assessor Robinson testified that he had valued the property at \$2,000,000 but the other members of the Board had over-riden him in the valuation.

He said he had bought many pieces of land in Wailuku, Walehu and Waiakapu and that he valued taro lands in these places at from \$340 per acre to \$700 per acre. He estimated the amount of land in and around Wailuku that should be classed as town property at about thirty acres.

The testimony showed that many acres of lands that are now classed as cane lands are in reality taro lands. County Attorney represented the Government in the cases and Attorney J. L. Coke represented the companies.

Neither of the cases have as yet been decided by the Tax Court.

The Court consists of C. D. Lufkin, Chairman, and J. N. S. Williams, and L. von Tempsky.

Resignation of Rev. B. V. Bazata.

Rev. Benjamin V. Bazata, who for a little more than two years has been pastor of the Foreign Church of Makawao resigned his charge on the first of June last. His letter to the church and congregation is as follows: Paia, June 1, 1907. Maui T. H. To the Foreign Church of Makawao, Dearly Beloved:—

Your pastor begs leave to resign from his pastoral charge and in accordance with the provision stipulated in the call, that should the pastor at any time wish to vacate his charge, six months notice should be given. It is the wish of your pastor that his relation with the Foreign Church of Makawao shall terminate at the end of six months and that the church and society concur with him in this matter, and that all needful and appropriate measures be taken to bring the relation to an end by a unanimous consent.

The reason for this action could not be explained in a few words or in a letter of this character; and as your pastor feels constrained to resign his pastoral charge for various vital and sufficient reasons, known best to himself and family, he wishes to say to the church and community, in which it was his privilege to labor for two years, that he has no personal grievance and that he is leaving with a heart freighted with happy memories for the measureless kindness and good will tendered his family and himself by one and all. He would also say that the encouragement and cooperation, which he has received in his work and for the cause of Christ are very much appreciated.

Your pastor shares with you great hopes for Christ's work here in this growing field and his prayer is that under the leadership of his successor the work may prosper increasingly, marked by a feeling of love and sympathy, inexhaustible and unalloyed for one another as has never been realized before.

Now may the hope of God fill you with all joy and peace in believing that we may abound in hope through the power of the Holy Ghost.

Your affectionate pastor and friend,
BENJAMIN V. BAZATA.

The following is a copy of the resolution passed at a meeting of the Church held June 16th, 1907.

Whereas the Pastor of this Church, the Rev. Benjamin V. Bazata, has, for vital and important reasons known best to himself and family, tendered his resignation as Pastor, and in conversation states that he cannot reconsider it.

Therefore Be It Resolved, by this church and congregation today assembled, that his resignation be accepted subject to the advice of the council to be hereafter assembled and that we hereby express our deep regret at the necessity for such acceptance.

D. C. LINDSAY,
Clerk.

The council of the churches of Central Maui was called last Wednesday at ten o'clock to take action upon the resignation of Rev. B. V. Bazata. The record of the scribe of the council is as follows:

Paia July 10th 1907.

Pursuant to the latter missive under date of June 19th an ecclesiastical council convened at the Foreign Protestant Church of Makawao on this tenth day of July at ten o'clock in the morning.

Upon motion of Hon. H. P. Baldwin, Rev. W. D. Westervelt was

A verbal statement concerning the action of the church was then given by Hon. H. P. Baldwin. In the absence of the clerk of the church, the scribe of the council read the resignation of Rev. B. V. Bazata under date of June 1st, 1907, and also a copy of the resolution adopted by the church.

The retiring pastor, Rev. B. V. Bazata spoke a few words of his appreciation of the kindness of the church and people and of his deep interest in the missionary work of the Island.

Upon motion by Rev. John E. Dodge the council voted to approve the acceptance by the church of the resignation of the Rev. B. V. Bazata as pastor, to take effect at such time as shall be mutually agreeable to the church and pastor, and hereby formally dissolve the relation as now sustained between the church and its pastor.

Upon motion, the council voted that the scribe present in person to the congregation upon the next Sunday the action of the council, and that a copy of the doings of the council be given the church, the parish and the Congregational Library of Boston.

Upon motion, the moderator appointed a committee the scribe, Rev. M. G. Santos, and Rev. John Nua to draft resolutions of regret upon the loss to the church and community of Rev. B. V. Bazata.

After prayer by the moderator it was voted to adjourn.

Rowland B. Dodge, Scribe of the Council.

Resolutions adopted by the Council which convened July 19th, 1907.

Whereas our co-workers and brother Rev. Benjamin V. Bazata has resigned his pastorate of the Foreign Protestant Church of Makawao.

Whereas a council convened July 10th. has approved the dissolution of this pastorate.

Therefore be it resolved by the brethren assembled in council that we hereby put on record our feeling of personal sorrow in the departure from our Island work of Rev. B. V. Mr. Otsuka announces that it will be his aim to promote the social and moral status of the Japanese people and bring a better understanding and friendlier feeling between the Japanese and the other races here.
