We remember in our college days we  
used to sing:

There came as a boon and a blessing  
to men  
The Pickwick, the Owl, and the  
Waverley Pen.

But those days are gone, and so is the  
fame of those pens. We have new and  
better pens now, and a new and better  
song:

They came as a boon and a blessing  
to men  
The Railroad, the Stub and the Est-

These pens are made under the Stars  
and Stripes, consequently they are the  
best in the world.

Few people give enough thought to the earning  
capacity of a dollar. When you look at a dollar, do  
not think of how much it will buy, but

### HOW MUCH IT WILL EARN.

When you find yourself thinking of your dollars  
in this way, you are starting on the only straight  
and sure road to wealth. Idle dollars are of no more  
use to the world than idle men. Every dollar you  
make over the cost of actual necessities should be  
immediately placed under the safeguard of a strong  
bank and kept busily at work earning other dollars  
for you. We pay four per cent interest on savings  
accounts and figure the interest every six months.

## COUNTY BOARD OF SUPERVISORS' MEETING

Begin Second Year of County Government--  
Henry Reuter Assumes Office--Con-  
sumptives Sent to Leahi Home.

### WILL NOT PAY TERRITORY'S BILLS.

County to Bring Suit to Recover Delinquent Taxes Held by  
Territory--W. P. Haia Appointed Road Super-  
visor for the District of Hana.

#### COUNTY SUPERVISORS.

The first meeting of the county  
board during the second year of  
county government was held in  
their board rooms on the 3rd in-  
stant but as no quorum was present  
an adjournment was taken to July  
5th, at which time all of the mem-  
bers were present, including the  
newly appointed incumbent, Henry  
Reuter.

A communication was received  
from Attorney W. A. Kinney re-  
lative to pay of witness fees who  
were in attendance before the First  
Circuit Court from this island. The  
board held that as the fees were  
for attendance before a Territorial  
Court the matter was a Territorial  
one and the parties should look to  
the Territory for their pay.

The proposition of the Leahi  
Home for incurables was accepted  
and two consumptives sent there  
for care at the expense of the  
county.

The County Attorney was in-  
structed to communicate with the  
other counties relative to bringing  
suit against the Territory for the  
recovery of delinquent taxes due  
the county and now held by the  
Territory.

Honorable W. P. Haia was ap-  
pointed road supervisor in place of  
Henry Reuter resigned. Mr. Haia  
is the representative from the Hana  
District and as such has been a  
good legislator.

The board passed a resolution  
raising the bonds of the road su-  
pervisor of Lahaina, Wailuku and  
Makawao from \$1,000 to \$2,000.

A communication was received  
from Supt. of Public Works Hollo-  
way agreeing to pay for one half  
of the cost of laying the cement  
sidewalk in front of the Territorial  
buildings on High Street.

The pay of police officer Makai-  
wi was raised from \$25 to \$30. per  
month.

The County Engineer was in-  
structed to advertise for bids for a  
Kelley's Steam Roller. Bids to be  
opened at the next meeting of the  
board. This bid will include a stone  
crusher of from ten to twenty tons  
capacity per hour and is to be fit-  
ted with a twenty-five horse power  
gas engine.

As a result of the notice publish-  
ed in recent issues of the News a  
communication was received from  
the Kaeleku Sugar Company asking  
for permission to build permanent  
crossings over the public roads  
which were granted. The disposi-  
tion on the part of that company  
is a most commendable one. Their  
letter to the board is as follows:

Hana, Maui, June 26th, 1906.  
Hugh Howell, Esq., County Engineer,  
Wailuku, Maui.

Dear sir:  
We hereby beg to apply to you for  
permission as follows:

1. For permission to construct  
and operate a railroad across the  
Government road close to the mill at  
Hana, for the purpose of hauling  
sugar and freight between the mill  
and the warehouse at the beach.

2. To change the location of the  
present railroad crossing on the old  
trail at Honomale to a point about  
1000 feet further N. W. on the same  
trail.

In case permit is granted to do the  
above, we will agree to make the  
crossings on a level with the road,  
put plank guards along the rails and  
do the work in general to the satis-  
faction of yourself or deputy. As we  
are now negotiating for a right of  
way close to the beach, which we do  
not care to close until hearing from  
you, we should take it as a great  
favor if you would let us know per  
return.

Yours very truly,  
KAELEKU SUGAR Co., Ltd.,  
JNO. CHALMERS,  
Manager.

A communication from the Pioneer  
Mill Company to the same effect  
was received and like permission  
granted. Their letter asks for per-  
mission to use permanently rights  
of way that have been in use by  
the company for many years. The  
letter shows in what friendly  
attitude the company holds the  
County Board and is evidence of  
the fact that the Company wishes  
to work in harmony with the board  
in all matters for the public good.

## SINGER SEWING MACHINES

Cannot be obtained through merchandise dealers. They are delivered  
directly from maker to user only through the Company's own em-  
ployees. There is as great a difference in the cost of making sewing  
machines as there is in making watches. A cheap watch will indicate  
time with fair accuracy for a short time. Fairly good stitching can be  
done on some of the old patterns of cheap sewing machines when they  
are new, but they always work hard, are noisy and soon wear out.  
Every SINGER MACHINE is tested by actual sewing at the factory.  
It is always ready for every kind of stitching and will do better work  
and do it longer than any other because it is of better design and  
construction. A Postal Card to

Lahaina, Maui, July 2nd, 1906.  
To the Board of Supervisors,  
County of Maui, Wailuku, Maui.  
Gentlemen:

The Pioneer Mill Co., Ltd., makes  
application that you grant to it a  
permanent right of way for its rail-  
road track along, over and across  
such streets and roads in the District  
of Lahaina as it may, at the present  
time, be making use of. I may say  
that the Company does not ask for  
any privileges that it has not been  
enjoying for a good many years back,  
and it is only a continuance of these  
privileges along the highways and  
streets in the district named that the  
Company now prays your Honorable  
body to give it. A tracing submitted  
with this letter will show what Coun-  
ty roads and highways the Company  
desires to continue to use.

Should the County Board take  
favorable action upon this petition  
the Pioneer Mill Co., Ltd. agrees to  
at all times hereafter to conform to  
all regulations and rules covering the  
establishment of street lines, cross-  
ings, grades, etc., and to keep the  
various crossings over their trucks  
that maybe, on public property in  
such condition, as the County author-  
ities may deem for the best inter-  
ests of all concerned.

Respectfully submitted,  
PIONEER MILL Co., Ltd.,  
L. BARKHAUSEN,  
Manager.

The Chairman of the board and  
the clerk were instructed to en-  
dorse the petition of the residents  
of Kaupo for the building of the  
Mokulau Landing and approaches  
by the Territory. This work should  
have been done some time ago as  
the work was authorized by the  
last legislature and the money has  
been available for some time.

The County Engineer was in-  
structed to make proper surveys  
and estimates of the proposed road  
from Kiheti to Makena.

The Engineer was further in-  
structed to furnish plans for the  
further development of the Lao  
Valley road and present the same  
as soon as possible to the board.

The offer of the Maui Dry Goods  
and Grocery Company, J. N. K.  
Keola and Patrick Cockett to pay  
one half of the cost of the amount  
expended for the laying of a new  
sidewalk in front of their property  
on Main Street from the corner of  
Market to the new depot was taken  
up and the bids for the work order-  
ed advertised for. This will be  
another improvement that the  
whole town will much appreciate  
as a walk to the new depot will be  
made quite easy.

The bids for the laying of the  
new cement sidewalk along the  
makai side of High Street were  
opened and of the two bidders, T.  
B. Lyons was the lower by over  
four hundred dollars and was  
awarded the contract.

The county engineer was author-  
ized to advertise for bids for a two  
thousand gallon steel oil tank.

The County Sheriff was instruct-  
ed to require his officers to enforce  
the dog tax law at all times.

The clerk was instructed to write  
the Superintendent of the Insane  
Asylum as to the number of in-  
mates now in the asylum from the  
County of Maui.

On Saturday evening the Board  
adjourned.

**Extremely Patriotic.** During the past two or three months we have received several communications from Chinese charging that one of their countryman who holds a police commission is not a citizen of the United States, and seem extremely anxious to have him removed from the office he holds.

On looking into the matter we have ascertained that this same officer has caused the arrest of many gamblers, and we see the real motive for asking for the removal of their countryman.

The wording of the communications received ring with patriotic assertions, and the complaints claim to be actuated by the holiest motives possible, which must cause any one acquainted with their true character to smile.

We may be wrong, but we are of the opinion that the charges made against the officer are in reality the highest recommendations possible, and believe that the officer should be kept on the force in spite of the protests of the extremely patriotic Chinamen who are trying so hard to have him removed.

**The County Officers.** The county officers have completed one year of their term, and with this meeting have begun a new year. The task before them one year ago was by no means an easy one, as county government was to many here an unknown quantity. That local self government is a success is admitted by all. That some see errors and feel they could do better than the present officers and incidentally improve their own pockets is to be expected.

From a state of chaos all the county officers went to work to carry out the will of the legislature, and conduct the affairs of the county to the satisfaction of the people and the great majority of the people are satisfied with their work, and will unquestionably return them to the offices they now hold.

In every part of the Union an officer who fills his office properly is considered the only logical nominee for the position for a second term. This encourages efficient work and is a reward for good service.

This course should be pursued by the convention in the coming campaign in the matter of nominating officers for the county and Territory and should be pursued as far as possible.

This is the proper time to consider matters of this kind for the precedent once established will prove of great value to the public in securing efficient work in the future.

#### REPORT OF COUNTY ATTORNEY

For the Month of June, 1906.

To the Honorable Board of Supervisors, within and for the County of Maui.

Gentlemen:

I herewith submit my report for the month of June, 1906:

Circuit and District Courts. The past month has been an unusually busy one owing to the fact that the June term of the Circuit Court convened on the 14th day of the month. Presentments were made and indictments returned against ten persons charged with felonies. Before the Circuit Court these cases were disposed of as follows:

One forfeited bail, seven entered pleas of guilty, two were tried and convicted.

Two cases of felony continued from the March 1906 term were further continued to the October 1906 term by reason of the fact that all persons interested reside in Lahaina, where the next sitting of the Circuit Court will be had, thus saving much expense to the Territory as well as serving the convenience of all parties concerned.

In some twelve or fifteen appeal cases pending before the Circuit Court, by consent of the Territory parties' defendant, trial by Jury was waived and these cases set for trial before his Honor, A. N. Kepoikai, jury waived, thus likewise saving much expense that would necessarily follow in the trail of jury trials.

In so far as concerns the criminal work of the term it is safe to say that, considering the volume of business to be transacted, the present term of the Circuit Court has involved less expense than any term held in this Circuit for many years.

The report of the Deputy County Attorney attached hereto will show the volume and nature of business had in the District Court of Wailuku during the month.

In the Matter of the Petition of S. Ahmi and others, concerning the citizenship of L. K. Akana, and his removal as a police officer.

In this matter I may say that I am personally aware of the fact that Mr. Akana, in the performance of his official duties has made himself particularly objectionable to certain of the Chinese signers of the petition that is now before your Honorable body, requesting his removal, owing to the fact that he had rendered material assistance to the Department of the Police and County Attorney in their efforts to stamp out the gambling evil in this County. His honest and constant efforts as a police officer has been especially distasteful to those arrested and tried for assisting and maintaining games of Che Pa, and this department is firmly of the belief that all of this apparent righteous indignation on the part of the Chinese because a foreigner is holding an office under the County Government has not the true patriotic ring that comes from citizens who have at heart the best interests of the community.

I do not hesitate to say that, as a legal proposition, Mr. Akana is qualified to act as police officer whether he is or is not an American citizen. To properly police a County, and maintain a watchful eye on the foreign as well as the citizen population, it is not only advisable but oftentimes absolutely necessary to commission foreigners as police officers; and a police department that fails to take this view of the situation especially in view of our cosmopolitan population, would be derelict in the performance of its duty.

I still have under consideration the citizenship of Mr. Akana. I may add that the same question has also been referred to me for investigation by the Attorney General's department, a communication having been addressed to that department by Mr. S. Ahmi of Maui, with the request that the matter be kept from the newspaper men.

In so far as concerns the citizenship of Akana, I will be unable to report at this session, and would therefore respectfully request that the matter be passed until the regular August meeting of your Board.

In the Matter of Railroad tracks, flumes and ditches, upon, over and across public highway throughout the County of Maui.

As requested by the Board I prepared, and have inserted in the MAUI NEWS a notice to the public setting forth the manner in which railroad tracks, flumes and ditches upon, over and across public highways throughout the County, either for purposes temporary or permanent, might be constructed, a copy of which notice the Clerk of the Board undoubtedly has on file.

In the Matter of Ordinance looking to the protection of trees, along and upon public highways.

Upon an investigation of the Revised Laws of Hawaii I find that the existing Territorial laws with regard to the destruction of property are sufficient to insure the protection of such trees as may from time to time be planted upon and along our public highways, and that there is in fact no necessity for the passage of an ordinance having in view the protection of such property.

In the Matter of the complaint against J. H. Mahoe, Deputy Sheriff of Molokai for refusing to render assistance to citizens in distress.

Not deeming this a matter that would justify the expense that would necessarily be incurred in a personal trip to Molokai, I have addressed communications to several citizens of Molokai, whom I felt might be able to throw some light on the subject. Answers to these communications have not as yet been received. Mr. Mahoe has personally called at my office and given me his statement of what occurred, and insists that he made every endeavor to render all assistance possible, even taking the precaution to send a police officer with others to the small island on which Mr. Devauchelle was cast, and from which he swam to Molokai. However, with the information now at hand I am unable to make a satisfactory report.

Respectfully submitted,  
D. H. CASE,  
County Attorney.

#### BY AUTHORITY.

IN THE CIRCUIT COURT OF THE SECOND CIRCUIT, TERRITORY OF HAWAII.

June 1906 Term.

In the Matter of the Extension of the June 1906 Term of the Above Court.

WHEREAS, the present term of the Circuit Court of the Second Circuit, expires Friday, the 13th day of July, A. D. 1906, at 12 o'clock midnight; and

WHEREAS, the business of said Court requires a continuance of said term in order that such matters may be taken up and disposed of:

THEREFORE, IT IS HEREBY ORDERED, that the June 1906 Term of said Court may be extended for a period of twelve days from and after the expiration of the regular Term of said Court, to commence July 14th, 1906.

### Breaks Ground

#### For Third Time.

San Francisco, June 24. — On the afternoon of July 1st the members of St. Ignatius' College will, for the third time since a branch of the Jesuit order was established in this city, break ground for a new edifice. The first church here to bear the name of St. Ignatius was begun in 1855 and was located where the ruins of the Emporium now stand. Father Maraschi was in charge of the exercises at that time.

Twenty-five years later Father Varsi presided at the function which marked the beginning of the great St. Ignatius Cathedral, at the corner of Van Ness avenue and Hayes street, which was destroyed by the late fire.

The new building, which will consist of a church edifice, with quarters for the Jesuit college attached, after the plan of the burned cathedral, is to be located at the corner of Shrader and Grove streets. The exercises will be conducted by Rev. John Frieden, who will consecrate the work of turning the first shovelful of earth.

The alumni of the Jesuit College will meet at 1918 Eddy street on June 26th to register their names and prepare for the function. All records having been lost, it is necessary to prepare a new roster.

### Moody Explains

#### Rebate Cases.

Washington, June 23. — On being asked concerning the action of Judge McPherson at Kansas City Friday, in his decision against the Armour, Swift, Morris and Cudahy packing companies, the Burlington Railroad and the individual defendants, Taggart and Thomas, the Attorney-General said:

"The conspiracy was for obtaining rebates on a large scale, making discriminations to shippers highly injurious to the public welfare. The method adopted in concealing the true nature of the transaction showed clearly that the defendants willfully, knowingly and deliberately sought to defy the law and was a gross contempt of its prohibition. After giving it careful consideration I concluded that the extent of the discriminations practiced showed

that it was a case where the sentence of imprisonment was especially desirable, and I directed the District Attorney to urge on the Court, in case of their conviction, the desirability of such a sentence.

"I regard the outcome of this case as of the first importance. The sentence of imprisonment imposed for the first time on persons guilty of rebating will, in my judgment, have the most potent effect in checking the widespread practice of unlawful discriminations."

Attorney-General Moody has always been of the opinion that if a person guilty of rebating could be imprisoned for it, the practice would soon be broken. As, however, the Elkins law contained no provision for such a sentence, it became necessary for Moody, in order to put it into effect in this case, to find some other means for doing so. On an examination of the authorities Moody discovered that under the authority of the Supreme Court of the United States in the case of Cune vs. the United States a conspiracy to commit crime against the United States is self-punishable by fine, and the defendant might also be punished by imprisonment. He directed the United States Attorney in each district that in the event of obtaining a conviction on a charge of conspiracy of this kind, "you are directed to present to the Court the desirability of inflicting the penalty of imprisonment, to the end that unlawful practices, which have received almost universal condemnation, may be discouraged and prevented, as far as existing laws will accomplish that result."

### Passing of a Noted Boodler.

New York, June 23. — The funeral of Robert E. de Lacey, a member of the "boodle board" of Aldermen in 1885, was held last night in his home in a little Harlem street flat. De Lacey died Tuesday from rheumatic ailments of long standing, but his death was not generally known until today. De Lacey was a member of the Board of Aldermen in 1884 when the late Jacob Sharp obtained from the Board a franchise for the Broadway street railway. Charges of bribery were made against Sharp, who was convicted and went to prison, and against De Lacey and the several Aldermen of the Board receiving the popular appellation of the "boo-

dle Board." When the indictments were returned, in 1886, De Lacey and several of his fellow Aldermen fled to Canada and for four years lived in Montreal. Finally they returned, gave bail in \$40,000 each and were never tried.

De Lacey was nearly 70 years old, and for years had been in feeble health. He lived alone with his wife, who had stuck to her husband through all his life and was the only one with him when he died. She was practically the only one at the service over his body.

In efforts to keep his identity a secret the former Alderman had moved from one neighborhood to another, finally locating in the little flat in Harlem street ten years ago.

### Roots Visit

#### To Republics.

Washington, June 23. — Secretary Root will make three stops in Brazil before going to Rio Janeiro to attend the Pan-American Conference there July 21st. These will include Para, about July 15th; Pernambuco, July 19th, and Bahia, July 21st. He expects to reach Rio Janeiro July 25th. At each of the three ports added to his itinerary special honors will be shown him.

From Brazil Root will visit Uruguay and Argentina. He will then start for a long trip around the southern end of South America preparatory to making brief stops in Chile, Ecuador and Peru. He will probably visit Cartagena, Colombia, after crossing the isthmus of Panama.

### Conceals Body Of

#### Murdered Woman

The Chronicle of June 24 has the following:

The body of Mrs. Elizabeth Brandrup, formerly Elisabeth McDonald, was found Friday evening under some rubbish in a vacant room in the Linden Hotel in South San Francisco. She had been gagged, strangled and beaten upon the head and had evidently been dead several hours when found at 8:15 o'clock. J. C. B. Jones, a Hawaiian, occupying the room adjoining that of the murdered woman, in which was found much incriminat-

ing evidence, and Harry Capplund, who had been seen in the woman's company, are under arrest.

The woman was about 40 years of age and had four children, two daughters, aged respectively 17 and 18 years, and two sons, aged 12 and 7 years. These children were by her first husband from whom she was divorced several years ago. She afterward married Brandrup, who deserted her about a year ago. She has since kept her family together by hard work, with the assistance of her oldest daughter Lizzie, who was employed in the hotel where the body was found. She had recently engaged Attorney Harry E. Styles to bring suit for divorce.

Mrs. Brandrup called at the Linden Hotel about 9 o'clock on Friday morning and after talking with Mrs. Vanderbox, wife of the proprietor, for a while, she went on to the store of J. R. Luttrell where she bought some washing soda, a pair of black stockings and two bottles of beer. She left the store a little before 11 o'clock and that was the last seen of her until her stiffening body was found under the pile of waste in a vacant room of the hotel.

The room in which the body was found was one used for the storage of rubbish. At 8:15 P. M. her daughter Lizzie was passing along the corridor and for some unaccountable reason she entered the room. She says that she had no errand there and does not know why she went in, but on opening the door she saw what appeared to be a body under a pile of waste in one corner. She called for assistance and on examination the body was found to be that of her mother. She had been gagged by a handkerchief thrust into her mouth and then strangled, as finger marks on the neck showed plainly. In addition she had been beaten upon the head and her face was covered with blood from a severe wound over the left eye.

A hurried search was made for some clue to the murderer. Adjoining the room in which the body was found is No. 7, the room occupied by the porter of the hotel, J. C. B. Jones, a Hawaiian, who has been at the hotel about six months. In his room was found two empty beer bottles purchased that morning by the woman. Her stockings and the washing soda were also found in his room, and her hat was found crowded under his washstand. The sheet and pillowcases of his bed were bespattered with blood, and leading from

### Grave Condition Of

#### Mrs. Mizner

Chicago, June 23. — Mrs. Wilson Mizner—or Mrs. Charles T. Yerkes, as she prefers to be called—is ill of appendicitis at her residence, 3200 Michigan avenue. The first report was that her condition was exceedingly grave and that it was doubtful if she would recover.

Dr. William E. Quinne said last night, however, that Mizner was in no immediate danger. He said that if she died it would not be due to appendicitis or the operation, but in consequence of complications. He thought she might get well.

An emergency operation was performed Thursday, and yesterday the case appeared to be somewhat more hopeful. Dr. J. B. Murphy performed the operation at the residence.

Following a night of considerable pain, Mrs. Mizner said yesterday that she felt much easier and was sure she will be restored to health. Mizner has not been notified of his wife's illness.

Mrs. Mizner, under the will of Mr. Yerkes, received absolutely only \$200,000. She has during her life, however, a half interest in the estate, estimated to be worth \$15,000,000. Mrs. Mizner, several months ago, before she came to Chicago, announced her intention of giving \$1,000,000 to found a hospital in Chicago to the memory of Mr. Yerkes, and it was said that his will provided for a legacy of that amount.

## IT'S ALL IN THE LENS.

About six months ago we sold two kodaks fitted with special lenses.

The lenses cost more than the kodaks. But the work turned out by these two kodaks was so far superior to the ordinary that the owners became enthusiasts.

Others saw the pictures and ordered special lenses for their kodaks. As a result we have sold more Goetz and Zeiss lenses already this year than in all the years we have been in business. We have always recommended such an equipment but the price of the special lens made customers reluctant to try it. Since they have seen the advantage we are getting orders nearly every day.

If you want the BEST results get a Goetz or Zeiss lens. We have several very fine ones in stock and will quote prices.

## Colony For The "White Plague."

Kalamazoo (Mich.), June 23.—Situating on a pleasant elevated point on Dustin Lake, in Ostons township, is the Kalamazoo tuberculosis colony, the first of its kind established in Michigan. The site is ideal in every particular. There are eighty acres in the farm, and it is seven miles southwest of the city. The point is the highest land in Southwestern Michigan, and is 1000 feet above the sea level at Sandy Hook at low tide.

The colony was organized about six months ago. The primary object is not financial again, for the company is purely philanthropic, and scores of Kalamazoo citizens and those of surrounding cities and towns have become interested in it as a charitable institution.

The fact that the colony is a charitable institution, open to all persons from every state, has brought scores of inquiries, and since the first week of June patients from all parts of Michigan, Indiana and Ohio have been arriving. From the nature of its location and surroundings, as well as the purpose for which it was founded, Kalamazoo colony promises in a short time to be the largest institution for the treatment of the "white plague" in the world.

## Conspiracy In Insanity Case.

Kansas City, June 23.—Judge Smith McPherson, in the Federal Court here, today issued a temporary injunction to restrain proceedings in the Probate Court at St. Joseph, Mo., to declare Mary V. Burnes insane. Miss Burnes, who is now at Atlantic City, N. J., is the only surviving heir of the late Calvin F. Burnes, who owned one third of the \$3,000,000 Burns estate at St. Joseph.

The petition asserts that a recent movement made by James A. Gibson, Public Administrator of Buchanan county, Mo., to have Miss Burnes declared insane was the result of a conspiracy. The defendants include Judge A. M. Woodson, Democratic nominee for Judge of the State Supreme Court; Ralph A. Staber, one of the Republican leaders of Northwestern Missouri; James A. Gibson, Fielding Mason, C. F. Strop and James W. Boyd.

## Raid Made On Gasoline Tank.

Chicago, June 23.—With a force of twenty-five men, a tank wagon and several wagon loads of cinders, Superintendent of Streets Doherty began the removal of illegal gasoline tanks from public property yesterday.

"Automobile Row," on Michigan avenue, was the first territory invaded, and the appearance of the city laborers, with picks, shovels and crowbars, spread consternation among the dealers who had been violating the city ordinance.

Many of them protested that their business would be ruined and pleaded for more time.

Superintendent Doherty ignored their appeal and ordered the men to begin digging wherever a tank was located on public property. Last night there were many automobile stations without the necessary fuel and considerable embarrassment was caused to some of their patrons. Six tanks were covered by the early force. One automobile company dug up its own reservoir rather than leave it to the city.

## Mrs. Le Doux Convicted Of M'Vicar's Murder

Stockton, June 23.—With her head high and a smile on her face, Mrs. Emma De Doux, charged with the murder of A. N. McVicar, whose body was found in a trunk at the Southern Pacific depot in this city, tonight heard the foreman of the jury, which for over three weeks has been listening to the testimony, pronounce her guilty as charged, without recommendation of any kind. She did not even turn pale or show the least sign of excitement.

## Punctuation In A Will Contest.

Philadelphia, June 23.—Punctuation marks figure in a will case heard in Media yesterday. If a certain mark in the will is a comma, the property in question, a homestead worth \$125,000, remains in the possession of Miss Letitia Humphreys, who now lives upon it; but if the mark is a period, then the estate may go to Mrs. Grace Humphreys, second wife of Colonel Henry Hollingsworth Humphreys.

Attorneys have argued fluently on both sides, the will in question being that of Mrs. Rebecca Humphreys, widow of General Humphreys, whose father designed old Ironsides. The Court will settle the case with a microscope.

## Seek To Reach Spanish King.

La Granja, (Spain), June 23.—At the moment King Alfonso and Queen Victoria arrived here from the theater in their automobile last night a well-dressed individual evaded the guards and sought to intercept the royal couple. He was arrested and gave the name of Jose Maria de Madrid. When the prisoner was searched papers of a suspicious nature and considerable money were found.

An Italian who was acting in a strange manner was also arrested. He claimed that he was on his way to Bilbao, looking for work, but he was unable to account for his presence in this unfrequented place where the King and Queen are spending their honeymoon.

The authorities have adopted extreme vigilance owing to the reports that a number of dangerous anarchists are on their way to Spain and a rigid inspection has been established at the frontier. Nevertheless the King and Queen separately leave the palace unaccompanied and take walks in the parks.

After listening for hours to the closing argument of District Attorney Norton, the jury received Judge Nutter's instructions shortly before 2:30 this afternoon. It retired for deliberations to the large room in the southeastern corner of the Court-house, where it remained for six hours.

While the jurors refused to talk after being discharged, it was rumored that the delay in arriving at a verdict was due to two of them holding out for life imprisonment. It is said from the first ballot all voted her guilty, but two members refused to agree to making no recommendation to the Court.

The jurors were taken out to supper, and soon after returning to their room loud cheering was heard. People who did not know that the life of a human being was in jeopardy in that room were more surprised than those who had for hours been closely watching the jurymen with glasses from the opposite side of Main street.

In a few minutes the word was passed along that the jury had agreed. Mrs. Le Doux, who was taken back to jail for her supper, was sitting in front of the Judge's bench when the announcement was made that the jury was coming in. She did not give any indication of excitement, but calmly awaited her fate.

While Foreman W. H. Locke was announcing that the jury had agreed on a verdict the crowd surged into the room and almost forced people off their feet. The piece of paper was passed to Clerk Comstock, who read as follows:

"We, the jury in the above entitled cause, find the defendant, Mrs. Emma Le Doux, guilty of murder in the first degree."

July 9th was set as the date for passing sentence.

Every one who could get a view of the defendant closely watched her, but there was not even a movement of the muscles of her face except that a faint smile played over her features. The usual poll was taken and the jury dismissed, while Mrs. Le Doux discussed the verdict with her attorneys.

She was by far the most composed person in the room and on leaving kissed Mrs. C. C. Rucker good-bye and walked out of the room talking with the deputy sheriff.

Mrs. Le Doux's attorneys will ask for a new trial.

### Makawao's Fourth of July Celebration

Over five hundred of the best people on the island celebrated the Fourth at Makawao in a manner that was a credit to Makawao, and in a manner that was greatly appreciated by all who were fortunate enough to be present. Large numbers were present from Kula, Puu nene, Kahului and Wailuku and joined in the celebration enjoying a day of sports that ranks among the best ever seen on the island.

The ball game between the Puu nene Athletic Association and Maui Agricultural Co.'s nines was called at 10:30 a. m. T. M. Church acting as umpire.

The striking order of the teams was as follows:

P. A. A.—H. English, cf.; J. Hattie, p.; F. P. Rosecrans, ss.; Simpson, c. (capt.); Cogswell, lf.; Smith, 2b.; Walsh, 3b.; W. W. Wescoat, rf.; Vasconcellos, lf.

M. A. Co.—J. Kauka, lb.-c.; D. Morton, p.; McNichol, cf.; Bechert, c.-lb.; W. Langsie, lf.; C. C. Krumbhaar, 2b. (capt.); A. Taylor, ss.; Robinson, rf.; E. Morton 3b.

Score by innings:

	1	2	3	4	5	6	7	8	9
P. A. A.	0	3	3	0	2	3	4	11	0—26
M. A. Co.	0	0	0	2	1	1	0	0	5—9

The battery of the Puunenes out-classed the Makawaos. Hattie, an ex Punahou player, has developed recently into the best pitcher in the island and Simpson (ex captain of the Honolulu Mailes) catches him perfectly. Morton did fairly well until the 8th inning when he weakened. With the exception of the batteries, the nines were evenly matched and next year it is possible that the score will read differently.

Rosecrans made a four-base hit for Puunene and Bechert for Makawao. The Puunenes appeared to advantage in their pretty blue and white uniforms and the Maui Agricultural Co.'s men were attractive in red suits and white knickerbockers.

At the conclusion of the game Mrs. J. N. S. Williams presented a handsome silver loving cup mounted on an ebony pedestal to the winning nine. Hon. H. P. Baldwin, who was the donor of the trophy, explained that the cup was to be contested for each year on the 4th of July, between baseball nines from Puunene and Paia-Hamakuapoko.

Then came a most bountiful luncheon under the trees of the beautiful "Sunnyside" residence at which more than five hundred people were served with sandwiches, sliced ham, tongue, potato salad, olives, water-melons, grapes, cake, iced soda water, etc.

After luncheon there was some tennis playing and later in the afternoon, the following men took part in the tilting for rings: J. B. Thompson, V. Engle, G. S. Aiken, F. P. Baldwin, C. C. Krumbhaar, H. Rice and D. T. Fleming. After the three trials, it was announced that D. T. Fleming had won for 1906 the silver cup trophy with the record of 5 rings out of a possible nine.

At 3 o'clock the polo game took place but was not a tournament inasmuch as it was impossible to arrange for a Puunene quartet. As all the players were mounted on speedy ponies the play was fast and though errors were made now and then the large number of spectators present seemed to enjoy hugely the excitement of the sport.

Those playing in some or all of the periods of 15 minutes each were: Red—F. F. Baldwin (capt.), H. A. Baldwin, W. O. Aiken, C. C. Krumbhaar, G. S. Aiken. Whites—D. T. Fleming (capt.), C. de, D. C. Dinsday, W. Engle, J. Reid, Harold Rice.

ore by periods:

	1	2	3	4
Red	0	2	1	2
Whites	0	1	0	0

Inasmuch as the Whites were penalized for knocking the ball over its own goal line, the real score was 6 to 21. In the first period C. de made a goal after carrying a ball the entire length of the field and F. F. Baldwin performed the most brilliant play in the third period.

F. A. Alexander acted as referee and J. N. S. Williams as timekeeper.

Charles Aebi, the Honolulu politician paid Maui a flying visit, coming up Tuesday night and returning Wednesday afternoon. Charley Aebi thinks he will be the supervisor at large for the next two years from his district in Honolulu.

### Dance and Dinner at Kahului.

The Ladies Auxiliary of Kahului are giving a dinner and dance at the Tennis Court at Kahului tonight, which is expected to be a thorough success in every way and thoroughly enjoyed by all.

The ladies who have the affair in charge are sparing no efforts to make the same a complete success, and judging from the way the guests of the tennis club were royally entertained, this evening's event will be patronized by a great many people who wish to enjoy more such evenings as were spent in Kahului on the evening of the 3rd instant.

Funds have been subscribed to erect a church in Kahului and the ladies proposed to secure funds by means of a dinner and dance tonight to pay part for the necessary equipment of the same.

The dinner and dance are to be on the Kahului Tennis Court, where the Tennis Club recently entertained their friends.

Free trains are to be run from Paia, Puunene and Wailuku.

Invitations are already out and a great many people are expected to be present.

The entire cost for transportation, dinner and dance will be but one dollar, which will not be felt by the individual, but will as a whole aid the ladies in their cause.

### Gun Club Meeting at Kihei.

On Sunday, July 8th, the Puunene Gun Club came over to Kihei to shoot against the Kihei Gun Club in a friendly match. Some excellent scores were made by everybody.

Mr. Bell made the highest score, breaking 39 out of 45 birds. Mrs. Scott and Mr. Sparks shot a tie as second, both breaking 33 out of 45 birds, while George L. Keeney was a close third, breaking 32 out of 45 birds. It proved a most enthusiastic shoot and was kept up all day. A luncheon was served at noon, and the shooting resumed afterwards.

Those present were: Mr. and Mrs. G. L. Keeney, Mr. Wm. Lougher, Mr. R. Mayfield, Mr. and Mrs. J. Scott, Mr. and Mrs. W. Sparks, Mr. McCloud, Mr. M. Moura, Mr. Feuerpeil, Mr. J. Bell, Mr. G. Hofgaard, Mr. Theo. Nickelsen and Mr. C. Stroblin.

### IMPROVEMENT ASSOCIATION.

The monthly meeting of the Wailuku District Improvement Association was held in the Court House on Thursday evening last.

W. J. Coelho reported over seven hundred trees planted on the road to Kahului, and all of which are doing well.

Superintendent W. E. Bal of the Water Committee reported orally the need of extending the water mains and putting in larger pipes to Kahului. The report was accepted and a motion was made instructing the Secretary to write the Superintendent of Public Works endorsing Mr. Bal's recommendation. This carried unanimously.

The matter of the crooked line laid out by County Engineer Howell for the cement sidewalk on Market street was taken up and it was learned that the reason for the same was due to the stand taken by a few property owners.

Mr. Lufkin moved that a committee of three be appointed to wait on the property holders and secure their consent to straighten the sidewalk line. This motion carried unanimously and Mr. C. D. Lufkin, Geo. Weight and L. M. Baldwin were appointed.

### TEACHERS' EXAMINATION.

This week a teachers examination was held in the Wailuku School house for the accommodation of the teachers of this island and ten applicants were present to apply for certificates.

The examination was held by Inspector Wells. The persons applying were Miss Hattie Maule and Miss Lucy Lani of the Waihee School, Mrs. Kukahiko of Kihei, Mrs. Keawe of Kahakuloa, Mrs. D. Kapohakimohewa of Keokea, Mr. Kaiwiae of Kaupo, Mr. Ah You of Keanae, Mr. Cockett of Kealahou, Miss Kalino of Kealahou, Mr. Hoopii of Olowalu.

From the work seen it is safe to say that many of the teachers have studied hard during the year and will pass with a much higher average than they did a year ago.

There is one gross injustice done by the Department of Education that should be remedied by that body at the next meeting of the Board, and that is, the rule that excludes from the examinations all persons who have not had at least one year's training in the Normal School or at least one year's practice as a teacher, or a High School Diploma, or its equivalent. This rule prevented at least one young man from taking the examinations here and he is a native of Maui, a hard student, a young man of good moral character and qualified to pass the examinations, the rule is an injustice and should never have been passed, however much it may benefit the Normal School.

### MAKAWAO LINES.

An unusually large number of club members took part in the practice game of polo on the grounds at Paia last Saturday afternoon.

Those playing in a part of whole of the game were the following:

Reds.—F. F. Baldwin (capt.), H. A. Baldwin, W. O. Aiken, Harold Rice, J. B. Thompson, C. C. Krumbhaar, B. V. Bazata.

Whites.—L. von Tempeky (capt.), C. S. Dole, D. T. Fleming, Arthur D. Baldwin, Sam. Baldwin, W. Engle.

After a close contest the Reds won by a score of 8 goals to 5.

Saturday evening, the 7th a dancing party was given at Pieper's Hotel, Paia, by the Paia Social Club, in honor of Walter Engle, who is soon to leave Paia for Lahaina. The dance was a most successful social event. Mr. Engle who has been bookkeeper of the Paia Plantation Store for several years past is soon to accept a clerkship in Lahaina bank under Cashier C. D. Lufkin.

Tuesday afternoon the Makawao Ladies' Aid Society met at Mrs. W. F. McConkey's, Paia.

Thursday afternoon, the Ladies' Reading Club met at Mrs. Henry Alexander's, Haiku.

Friday evening, the 13th, the Literary Society will meet at Dr. and Mrs. F. McConkey's residence, Paia.

T. B. Birmingham, representing E. O. Hall & Son, is expected in town to day. He writes to his friends the following: Please chain the dog and hold your orders for yours in hope.

W. G. Scott left last Saturday for a trip back to England. During his absence his business will be in charge of John Medeiros.

### LOCALS

The Japanese have begun the publication of a newspaper in Wailuku which they call the Maui Shinbun and issue the same bi-weekly. The paper is issued each Wednesday and Saturday. Its editors and proprietors are K. Yokogawa and N. K. Otsuka. This is the first and only paper published regularly in the Japanese language on the island.

The dredger Reclamation has extended the breakwater at Kahului out to a considerable distance and are now working through a new pipe line across a part of the bay which was impossible to do before the breakwater was started. A vast difference is already noticeable in the waters at the landing and out in the bay. A few months more and the bay will all be as smooth as a mill pond.

Work on the new Masonic Temple is being pushed to completion at Kahului and the structure will be the most imposing of its kind on the island when completed.

The Baldwin National Bank of Kahului will be ready for business in a few weeks.

### LAHAINA LINES.

The Ilmas and Pioneers met again at Kilohana Park last Sunday. The Ilmas won by a score of eight to six.

Ex-Queen Liliuokalani came to Lahaina with her suite by Tuesday's boat. It looked like the olden days of Royalty, the wharf was packed with a moving mass of humanity all trying to get a glimpse of the Queen.

She is at present staying at the Pioneer Hotel.

Mr. McKenzie of the Waterhouse Trust Co. was a caller, coming to Lahaina from Kaholawe, where he was for a couple of days making a general inspection of the sheep ranch. Tuesday he accompanied a party of young ladies, chaperoned by Mrs. Minnie Kother of Lahaina to Molokai in the launch. They have gone on a deer hunting expedition as these have been getting more plentiful of late. They will be gone a couple of days and it is to be hoped that "Mac" will bring back a little venison for a few of his friends.

When Lydecker was here looking up old records, he called the attention of a few old Kamaainas to the fact that it was here, in this old historic spot, that Kamehameha, the Great, proclaimed his constitution. This spot, which is known to a few, should be marked with a tablet engraved with a suitable inscription and as they are now digging up the old cannons that were used as posts to adorn the Court House yard they could also be mounted and placed around this historic spot to commemorate this great event of history making in the early days.

Mr. Hugh Howell and his assistant, Mr. Foss, were in Lahaina for a few days, Mr. Foss will remain a little longer to finish up some very important work.

The Bishop Estate has given Lahaina a strip of land along its pomenade on Main Street. The property is opposite the Baldwin Home and now that it has a sidewalk three feet wide, this part of the town shows a wonderful improvement.

The Wailuku Minstrels were in our town last Saturday.
