BLAND ON SILVER COINAGE.

Washington, Dec. 29.—Representative Bland, chairman of the House Committee on Coinage, Weights and Measures, was interviewed to-day and in response to a question whether any act for the restriction of silver coinage would be passed this session, answered: "No, sir; not much. I suppose efforts will be made in that direction, but when the enemies of silver see that they can neither stop nor restrict its coinage below the existing law, perhaps they will consent to a sensible solution of the whole question, which is unlimited coinage. Silver only suffers in comparison with gold now because it is restricted, debarred, discredited and kicked about by law. Provide for unlimited coinage and it will then be equal to gold in all respects. We must come to that eventually, and the sooner the better."—S. F. Call.

Mr. Samuel Parker, with his usual kindness and forethought, arranged for the Pele to proceed outside the harbor yesterday to enable friends of departing friends to remain as long as possible, on the Mariposa. Before leaving the steamer Mr. Adolph Spreckels invited the stop-at-homes to a parting glass of champagne, and His Excellency Mr. Paul Neumann proposed "The noblest Roman of them all, Sam Parker." It is needless to say how this was received. As Mr. Berger left the Pele, the band boys played the beautiful German hymn, "What's become of the World if nobody drinks." The last selection given by the band was "Till we meet again," as the giant and the dwarf steamers parted company. At one o'clock the Mariposa fired a gun and she was last seen rounding Diamond Head. Among the gentlemen present on board the Mariposa were His Ex. Paul Neumann, His Ex. J. M. Kapena, The Governor of Oahu Prison (whom everybody wished to be friends with), Captain Hayley, Messrs. G. W. and E. C. Macfarlane, W. G. Irwin, S. Parker, J. Grant, Consul McKinley and Judge Widemann.

His Excellency the Attorney-General might have been lost to the community yesterday but for the tender care of a man with a thicker skull. The A. G. recklessly waived his hat to his parting friends, regardless of the hot Hawaiian sun pouring its rays upon his venerable head. A thicker skulled newspaper man, who did not again wish the country to be without an A. G., after the ad interim arrangement of so many months, unharmed himself and protected Paul, doubtless thinking that it were better to preserve the Paul we know than incur the risk of a possible Paul that we don't know.

BAZAAR is a chestnut horse, 15 1/2 hands high, and weighs 1,000 pounds, and is a very powerful and symmetrical built animal. He was bred by Robert Alexander, of Woodburn Farm, near Lexington, Kentucky; was foaled in 1873, and purchased when a 3-year-old for \$5,000, by W. L. Pritchard, of Sacramento, California. He has participated in a great many turf contests, both in California and in the East, and in a majority of them has carried his colors to the front. He is as sound as a colt at the present time, and is capable of going around Kapiolani Park faster than any horse has ever yet done in public, in case he reaches this port without accident. We are desirous of having all horse fanciers and stockmen inspect him as a sample of the stock that we are in the habit of bringing to this country. As proof that no greater bred horse ever lived, we will point to the fact that imported Australian, the sire of his dam, also sired the dam of Iroquois, the winner of the English Derby of 1881. We are yet undecided whether to stand, sell or run him the coming season.

THE house of Mr. W. E. Herrick, on Punchbowl Street, was entered by some unknown sneak thief on Monday night, and sundry articles of wearing apparel abstracted.

LAST night's performance at the Music Hall was another success. The hall was crowded and the people were pleased. The Symphony Club played selections during the intervals.

The new directory promises to be a comprehensive one, and although the job entails a vast amount of work, it will doubtless be accomplished satisfactorily. Messrs. REAL ESTATE AGENTS. WE BUY AND SELL REAL ESTATE in all parts of the Kingdom. Search Records and attend to every branch in Selling Real and Leasehold Property. Our office will contain maps of all Properties left in our charge. We make a specialty in Collecting Rents, keeping Premises in repair, Paying and Discharging Taxes, Water Rates and effecting Insurances. Owners of Property should bear in mind that we will relieve them from given their attention to Property, guaranteeing at all times to act with care and for a nominal consideration for services in this department. Rooms, Cottages and Mansions to let at all times on application to us.

EMPLOYMENT AGENTS. WE SUPPLY ALL KINDS OF HELP, both Male and Female, in all the various branches of industry on these Islands. Agents, Planters, and Merchants generally should notify us when vacancies exist, as we will furnish no help such as Clerks, Salesmen, Book-keepers, Mechanics or Laborers unless well recommended to us. Chinese Servants and Female Servants will be supplied to families at short notice, for which a nominal commission is exacted.

LIFE AND FIRE INSURANCE AGENTS.—We feel it a duty to call every man's attention (particularly a man of family) to keep his Life insured for the benefit of his Family, who so often are dependent upon his labors for their support. Young men and mechanics would find it the most pleasant duty of their lives to take out a Policy on the "Tontine" principle, when, in a few years, should they live, they will have sufficient funds to engage in business, with a neat little income to back them. We invite you to call on us when we will take pleasure in illustrating to you how beneficial it is for your welfare to be insured! Every man who owns Property should remember that "Fire," that grim messenger often makes the rich, or well-to-do, poor and poverty stricken. Let this be a warning to you, and call on us at once and protect yourselves against loss.

MONEY TO LOAN. FROM \$100 TO \$10,000 ON FIRST-CLASS SECURITY.

CUSTOM HOUSE BROKERS.—We have made special arrangements whereby we can enter Goods at the Custom House through Power of Attorney, and we call upon all Merchants and Store-keepers to make us their Agents at once. Business men who will intrust their commercial matters to us may always feel safe in so doing. We study the interests of our clients at all times, and advise on all business topics carefully, based on our best judgment. In the General Business Department we attend to everything in the Commercial line, such as the following, viz: Books and Accounts Kept and Adjusted Accurately, Neatly and Satisfactorily. Bills Collected Promptly, and Proceedings Taken Against Creditors when compulsion requires a speedy settlement. Legal Papers of every description, such as Deeds, Bonds, Mortgages, Bills of Sale, Leases, Wills, Partnership Papers, &c., drawn. ALSO—Advertisements, Notices, Articles, Communications and Correspondence written. ALSO—Memorials Drafted and Engrossed, Drafts, Notes, Bills of Exchange, Letters of Credit, and Banking Matters Generally attended to.

ALL ORDERS FROM THE VARIOUS ISLANDS to us will receive promptness. We can purchase at the LOWEST MARKET RATES, and much more reasonably than you can, and we inspect everything before we buy, and, therefore, it is to your interest to send your orders to us, as we then become responsible, and the small commission you pay us is less than what your purchases amount to buying as you have been doing direct.

All correspondence to us we take pleasure in answering without delay. We invite everyone to inspect our new and spacious offices, and have all our departments working under a systematic rule, with polite assistants, central location, and special advantages for conducting our business, we feel that the community at large will be gratified in knowing that such a beneficial institution has been established, where the wants of all may be supplied by Your Most Obedient Servants,
