## Paul de Bretteville Goes To His Death In Collision

Former Kauai Boy, Ground To  
Death Under Wheels Of  
An Automobile

Lihue was thrown into a state of  
profound grief Sunday evening  
when a wireless was received by  
Mr. and Mrs. de Bretteville, an-  
nouncing the death of their son  
Paul as the result of a collision  
with an automobile, while riding a  
motorcycle. The remains will be  
brought to Lihue for interment.

Paul was an employee of the C.  
M. Cooke Co. Ltd., in the capac-  
ity of stenographer, was a highly  
trusted young man and esteemed  
by all of his associates. He was  
born and raised on Kauai and a  
graduate of Punahou. To the be-  
lieved family, THE GARDEN IS-  
land extends its heartfelt sym-  
pathy.

THE GARDEN ISLAND wishes to  
announce to the visiting delegates,  
that they will confer a favor upon  
us by making this office their chief  
headquarters where they will find  
free stationery, a typewriter and a  
welcoming smile big enough to go  
around, and then some. Come  
right in! You are WELCOME!

## GARDEN ISLAND GRATEFUL

THE GARDEN ISLAND wishes to  
express its appreciation to the  
young ladies for their untiring  
efforts in promoting its subscrip-  
tion list. To those who so valiantly  
supported the various contestants,  
we are equally thankful and ap-  
preciative and all who contributed  
their mite to the cause can rest  
assured that the policy of this pa-  
per will never fail in its endeavor  
to reciprocate.

Last, but by no means least, we  
by the privilege of boasting just a  
trifle, sufficient to congratulate our-  
selves in the successful termination  
of the first contest we ever en-  
gineered. We refer to the general  
satisfaction of all concerned. There  
has not been a single indication of  
dissention from any source, which  
fact our readers will admit entitles  
us to "just a little boasting."

To the judges, Messrs. Wishard,  
Grote and Spitz, we are also duly  
grateful for assistance in rendering  
the last act to one of the most po-  
pular contests ever held in the  
Territory.

## Kauai Establishes One More Record

Kauai has added another Terri-  
torial record to her long list. Judge  
Robinson arrived last Wednes-  
day morning, and in compliance  
with instructions, held the shortest  
term of the circuit court ever re-  
corded, opening court, and closing  
it all within five minute's time.

The conditions under which the  
judge was given the opportunity  
to establish this record, was the  
non appointment of a circuit judge  
for Kauai within the time-limit  
for the July term. When Judge  
Lyle A. Dickey arrives, provi-  
sions will probably be made, where-  
by the cases which have been  
carried over the July term will be  
heard.

## GAY KAUAI

THOUSANDS OF HAPPY PEOPLE  
THROUGH KAUAI'S PLEASURE SPOTS  
TO CELEBRATE INDEPENDENCE

Never before in the history of  
the "Garden Island" has there  
been so much enjoyment crowded  
into a single day's pleasure as was  
the experience of the multitude of  
joy seekers who gathered at the  
various centers of sports last  
Thursday. Thousands were on the  
move bright and early, that they  
might reach the parks in time to  
see the elaborate programs begin.  
If any there are, who entertain  
doubt as to the Americanization of  
Hawaii in so much as Kauai is con-  
cerned, they are lacking in good  
judgment.

By one o'clock, the Lihue Park  
had taken on a scene of gaiety;  
flags fluttered to the breezes from  
artificially decorated autos, pretty  
maids, wore red, white and blue  
dress trimmings, and from the ice  
cream stand waved flags of the  
leading nations. From the left  
corner of the stand, floated Old  
Glory, then the colors of the new  
Chinese flag stood out upon the  
breeze; a magnificent Hawaiian  
flag was next flung to the breeze,  
accompanied on the right by a  
Japanese flag. From the right cor-  
ner, flapped an immense German  
flag, which seemed to convey to  
Old Glory which occupied the op-  
posite corner, "we two stand as  
protectors of the people, for whom  
these flags between us, wave."

The sports program was begun  
at 2 o'clock, the majority of which  
were pulled off in front of the  
grand stand which was filled to  
running over with spectators.  
Messrs. Maser and Rutch had the  
program in charge and they did  
their part in the same highly sat-  
isfactory manner as in the past.

However, there were divisions  
in the program. Miss Brewer, for  
instance, carried out a very pleas-  
ing program of contests among the  
tiny little tots, which included  
games most delightful to their little  
hearts.

The climax to the affair however,  
was the announcement of "ice  
cream and doughnuts." Behind a  
table forty feet in length, upon  
which appeared handsome bouquets  
of shasta daisies, stood ten of our  
popular ladies, daintily attired and  
faces wreathed in happy smiles,  
with nothing to do but to fill four  
thousand cornucopias with ice  
cream and to dole out eight hun-  
dred doughnuts. Hundreds of chil-  
dren, and grown-ups with but the  
minds of children, swarmed around  
this booth and for nearly two  
hours, one of the most elaborate  
ice cream feasts ever witnessed on  
Kauai was participated in by a  
throng numbering nearly six hun-  
dred people. One hundred gallons  
of cream, four thousand cornu-  
copias and eight hundred dough-  
nuts were distributed, which pro-  
ved a great sufficiency for every  
man, woman and child on the  
ground. Those who so efficiently  
attended the booth were Mrs.  
Hans Isenberg, Miss Brewer, Mrs.  
Charlie Wilcox, Mrs. Hogg, Mrs.  
R. Wilcox, Mrs. Wedemeyer, Miss  
Daisy Sheldon, Miss Hannah Shel-  
don, Mrs. Maser, and Mrs. Theil-  
en.

The cream, doughnuts and cor-  
nucopias were testimonials of the  
generosity of our worthy towns-  
man, Hon. Geo. W. Wilcox and  
Mrs. Hans Isenberg.  
Rev. Hans Isenberg, chief direc-  
tor of the entire program, had the  
happy faculty of appearing every-  
where at the same time and his  
personal interest in everything  
which went on, was responsible to  
a great measure for the very suc-  
cessful event.

## Japanese Lantern Drill.

At 7:30 p. m., Japanese children  
between the ages of four and fifteen,

from Hanamau, Kapaia and Li-  
hue, to the number of five hundred,  
each bearing a lighted Japanese  
lantern, met at the Lihue Store  
corner, approaching from each  
direction, forming a double line,  
and, with banners, bearing  
patriotic inscriptions, American  
flags flying and to the music of a  
Japanese life and drum corps,  
marched down main street and in-  
to the park. A line was formed,  
encircling the entire park, and as  
hundreds of little voices rang out  
on the night air in an attempt to  
render homage to Uncle Sam, in  
patriotic airs, red skyrockets made  
their escape heavenward, where  
they burst forth in all their dazzling  
beauty sending showers of patriotic  
sparks to the winds. Loud and  
prolonged applause followed, after  
which the great line of march was  
resumed, the lights in the distant  
darkness now bobbing up and d-  
own and again swinging in circles  
overhead in unison with luscious  
"banzais." As the fireworks con-  
tinued, special drills were execu-  
ted, ending in a formation fronting  
the spectators, where "America"  
was rendered by a chorus of five  
hundred voices, after which,  
amidst deafening applause the Ha-  
namau and Kapaia line marched  
out the front entrance to the park  
and the Lihue, out at the side en-  
trance. Thus terminated what is  
conceded by all to have been the  
greatest celebration of our Inde-  
pendence Day ever held in Lihue.  
This, however, did not quite sat-  
isfy everybody, as you'll learn, for,  
At The Kegel Club

Hon. D. P. R. Isenberg, who is  
making a visit to his Kauai friends  
preparatory to a business trip to  
the coast, had invited the Kegel  
members to a "sure enough" feast.  
The Hon. Paul has a reputation as  
a host which is too widely known  
to refuse invitations to become his  
guest, so as a result, thirty or  
more were counted "there" after  
the "fireworks"—at the park.

"Paul," as the boys are wont to  
term him, is not only a King of  
entertainers, but he showed his  
prowess as a bowler by entering  
right into the game—as a coach—in  
which capacity he proved a  
winner by big odds.

At ten o'clock, President Wol-  
ters, called the members to order  
and in the following well chosen  
remarks said:  
"Gentlemen:

I would like to say that we are  
indebted to Mr. Paul Isenberg for  
the excellent spread which is about  
to be placed at your disposal this  
evening, and in behalf of the club  
I wish to assure Mr. Isenberg of  
our appreciation. This is not, as  
you all know, the first spread the  
honorable gentlemen has given the  
club, and now as he is about to  
depart on a long journey, let us  
prosit to a pleasant, successful  
trip, and a safe return to his mul-  
titude of friends."

In response, Mr. Isenberg said:  
"Gentlemen:

I thank you for your kind ex-  
pressions. It gives me pleasure to  
see so many strange faces here  
among you. In our spirit of  
joy, as our cup of bliss is brimming  
full, let us remember our absent  
ones at present—I refer to Mr.  
Mahn and Mr. Rhorig. Let us  
prosit, then, to their health and  
happiness and their speedy re-  
turn."

Following the speeches a feast—  
"fit for a king"—was spread on  
the club room's triangular table.  
Among the invited guests were R.  
P. Spaulding of Kealia and Dr.  
Thompson. Prominent members  
present included Rev. Hans Isen-  
berg and Manager Weber.

Kukuilono Park Was In Gala Attire, Too  
From one o'clock until nearly  
dark, there was something doing  
at this delightful park. Every  
number on the elaborate program  
was rendered, with a snap which  
indicated that those taking part  
were mindful of the spirit of the  
occasion.

The Park was encircled by a row of  
bamboo poles stationed twenty feet  
apart, from the tops of which Old  
Glory fluttered to the breezes.  
Gaily dressed people, decorated  
cars and carriages, vied with the  
beautiful landscape, dotted here  
and there with flower gardens,  
filled with flowers whose bright  
hues lent enthusiasm to the happy  
gathering which numbered nearly  
three thousand. The signal for the  
opening exercises, was the arrival  
of five hundred Japanese school  
children, who had formed a line at  
the station, and together with their  
teachers, marched to the grounds,  
arriving promptly at one o'clock.  
The children were provided with  
American flags, and bore banners

direction one of the most suc-  
cessful Fourth of July celebra-  
tions ever held in Lihue was  
held last Thursday.

of artistic designs. "America"  
was enthusiastically rendered for  
which a thunderous applause was  
given. Various drills were then ex-  
ecuted after which the hord of  
"young Americans" swarmed  
around the "lemonade" stand  
where they drank to their heart's  
content.

The program of sports then  
opened, and the prizes and win-  
ners were so numerous, as to pro-  
hibit time and space to mention  
Suffice to say however, that never  
in the history of the children of  
the district has anything equaled  
this occasion in delightful plea-  
sure.

The game of baseball was one of  
the hottest of the season as the  
score of 11 to 9 would indicate.  
The teams were pick ups, compos-  
ed of Japanese and Portuguese.  
Great enthusiasm followed the  
game from start to finish. The Ja-  
panese won however, and as a re-  
sult became the proud possessors  
of a silver trophy in the shape of a  
cup with appropriate engravings.

Forty-two handsomely decorat-  
ed automobiles lined the field, and the  
thoughtfulness of Mr. Walter Mc-  
Bryde in allowing plenty of room  
for an auto stand was most hearti-  
ly appreciated. Not a single acci-  
dent occurred during the entire  
day.

Save an accident of minor im-  
portance, which occurred on the  
Lihue ball ground when a Porto

K. C. HOPPER, MANAGER

INDEPENDENCE Day, 1912, had a new meaning. It stood for liberation from the old idea that the only way to celebrate the birthday of the country was by a saturnalia of noise, destruction and death. So many better, more enjoyable and more fitting observances of the day have been devised and proved out, that there is now no excuse for allowing the anniversary to degenerate into a mere matter of noise. The same Fourth idea is no longer a fad. It is an established fact in such centers as New York and Chicago, and if these large cities can control and prohibit the nuisances of dangerous explosives there is little wonder that thousands of smaller cities and towns have also barred the old-time riot of death and destruction.

As a result of this movement the Fourth of July deaths last year, as recorded by the Journal of the American Medical Association, were only 57, as compared with 131 in 1910 and 215 in 1909, while the roll of injuries was reduced in equal proportion. The fire losses due to the celebration were almost negligible in the cities in which the same Fourth was observed, as against the former expectation that the day would break all records for the number of alarms. These benefits should be made general, and they will be if the municipalities will enact and enforce the necessary ordinances and the public sentiment of the community will stand behind them. Independence Day should mean too much to the nation and the individual in these times of change and progress to permit its lessons to be obscured by an orgy of fire and noise. Conservation is now the watchword, and a proper celebration of the day saves the lives and limbs of thousands of victims to the cannon cracker and toy pistol and prevents the destruction of millions of dollars, worth of property by fire.

One of the strongest impulses in all life is that of sport. It is manifested in the colt as it gambols over the field; in the cat, playing with the ball; in the dog, running hither and thither, chasing a stick. The child has it and is ready from infancy to play with doll or ball. All nature is playful. It is in play that life forgets itself and really enjoys things. Under present conditions the boy and girl have to cease playing at an early age, but it doesn't follow by any means that the natural desire for enjoyment is gone. Most people would like to travel and see things; most people enjoy entertainment. The increased interest in sports which prompt newspapers to devote page after page to reporting what other people do in games and contests is proof that the people enjoy play even after having grown up. The fact, also, that newspapers devote many columns to theaters, that the picture shows are growing so rapidly in influence, and that novels, written only for entertainment, are selling by the millions and being written by the thousands every year, is proof that there is a hunger for entertainment that has never yet been adequately supplied.

The Chicago Convention, the Baltimore Convention and now the Lihue Convention. Kauai certainly is in the pool with the big fish.

Teddy R. Roosevelt, leader of famous Ananias Club, only "Third Term," and peoples' Savior, died on the floor at the Republican convention in Chicago. Funeral at once from "Billy" Taft's undertaking parlors, White House, D. C.

## ENGAGED, YES?

Now, do not get excited, do not be alarmed, this heading does not signify that any friend of yours has gone and done it. This time it is simply the name of a farce presented by the Ilima Club at Makaweli.

The Ilima Club at Makaweli is an organization maintained by the young people of the place and a few outsiders under the patronage of Mr. and Mrs. Baldwin. Its object is to have a good time and they have succeeded to live up to their object. Lately they have studied a very modern play named "Engaged" the cast being as follows:

CHEVIOT HILL. J. P. M. Thomson. A wealthy but close fisted young bachelor of fickle nature. BELINDA TREHERNE. Mattie Jordan. Loves all men—but mostly their money.

SYMPERSON. H. N. Browne. Uncle to Cheviot Hill—also out for money.

MINNIE. Etta Lee. His daughter—a simple young woman.

PARKER. Marie Anderson. Her maid.

BELVAWNEY. H. A. Fergie. Exercises a mysterious influence over Cheviot Hill—in love with Belinda Treherne.

MRS. MACFARLANE. Etta Lee. A Scotch widow of the border.

MEG. Gertrude Hofgaard. Her daughter.

ANGUS MACALLISTER. E. D. Murdoch. A country lad—in love with Meg.

MAJOR MCGILLICUDDY. E. K. Deverill. A reckless fire eater—engaged to Belinda Treherne.

It is hard to say who played her or his part the best, the play was so well prepared and so well presented, that for amateur performers, they all did wonderfully well and the house was packed.

Much praise is due to Miss Woodman for her thorough drilling of the performers, but unfortunately she had to leave the island before the play was presented and the finishing touches were by Mrs. E. E. Mahlum, to whom the company is very thankful for valuable assistance.

We have found out:  
That we have considerable theatrical talent in the district.  
That it is wonderful what we can do, we try.

That a man should be temperate in love affairs and not have more than one girl at any one time.

That all a man can attend to, is one girl.

That Widow Macfarlane was evidently married to a large, fair Scotchman and that her daughter looked like her father.

That Meg Macfarlane could not make a living by spinning, even if she could make her wheel run the way she wanted it.

That Belinda Treherne looked stunning in her assortment of dresses and hats.

That Mr. Symperson was a poor specimen of a father; off the stage he is not married yet, and therefore has time to study paternal duties.

That Minnie Symperson was the woman for whom the playwright wrote the play.

That Parker did a poor job dusting and tidying the room. She is young, however, so there is hope for improvement.

That Belawney with the mysterious eyes was a charmer of men—on the stage.

That Angus MacAllister was "a right brew lad" but too "Scotch" by selling his "lassie" for "twaw poon." The mitigating circumstance was, however, the fact that the girl was willing.

That Major Gilcuddy, poor fellow, was cheated out of his girl, but judging from his looks we congratulate the girl.

Taking it all in all it was cleverly played and did not vacation, summer school for teachers, and plantation work interfere it would be a good plan to let the balance of the continent of Kauai see a clever play by clever young people.

## Sporting Notes

At last the Kilaeas were walloped.  
The Koloa team is putting up much better ball.

The sport program arranged for the convention folk next Saturday is attracting considerable attention. It is said that a certain fat man has challenged a skinny brethren for a 10 mile marathon.

Kauai contains more sport enthusiasts today than the balance of the Territory combined.

**CONVENTION NOTES**

Our fellow townsman Rev. J. M. Lydgate will be the moderator of the association. This is an honor seldom conferred upon a white man largely because of language limitations. Mr. Lydgate however, will be quite at home among the Hawaiian orators.

Rev. S. L. Desha the silver tongued orator of Hilo will be a prominent and welcome factor of the convention. Those who know his charm as a speaker look forward with pleasure to the treat that is in store for them.

Mr. Butler, an evangelistic singer of the world-wide fame will attend the convention and will sing on several occasions.

There will be a very fine quartet from Honolulu under the leadership of Mr. Theo. Richards, as well as other trained and gifted singers, local and otherwise, who will contribute generously to the interest of the convention.

The promoter editor of the "Kohala Midget," Mr. J. F. Cowan will be a prominent factor in the convention. The GARDEN ISLAND will sit at his feet with great respect.

Miss Warinner of "The Friend" staff will attend the convention to write it up for a special edition of that paper. We lift our Editorial Hat to Miss Warinner in fraternal greeting.

Through the kindness of Miss Mumford, the school cottage, thoroughly furnished, has been placed at the disposal of the committee and will be used as rest and lunch rooms for the foreign delegates. Lunch and afternoon tea will be provided daily by the ladies of Lihue.

The afternoon tea will be from 4 to 5 p. m. The Lihue friends are cordially invited to drop in and meet the visiting delegates.

A specially interesting feature of the coming convention will be the Saturday's outing.

At 9 a. m. the association, in a body will board the train in front of the church as the guests of the Lihue Plantation and make a tour of Grove Farm and Lihue Plantations, including a visit to Wailua falls and the Hanamau bridge. Returning to the church grounds a luau lunch will be enjoyed after which there will be short after dinner speeches and music by the quartets. At 3 p. m. the convention will adjourn to the park for sports in which the lay delegates will endeavor to "lay out" the ministers.

In the evening there will be a concert with competitive singing by the different islands and the awarding of a prize to the winners.

**Charles Rattery Goes Free**

Chas. Rattery against whom charges of rape had been filed, had his case dismissed by Judge C. Dole last week, due to lack of evidence on the part of the prosecution. W. J. Sheldon appeared for defendant. Attorney Sheldon also defended Zoller who was discharged last week from a similar charge.

#### Tuberculosis Exhibit

To-morrow night, (Wednesday) Prof. Barrios will give a free exhibition and lecture on tuberculosis, at the Lihue Hall. Lantern slides will be used to illustrate the lecture.

The Board of Health has placed this valuable exhibit before the people, that they might become more familiar with means of defense against a disease which has gotten such a foothold on our fair island.

Prof. Barrios will explain in his lecture, how to "prevent" the disease, and the proper mode of living in order to immune one's self from its attack. Everybody is invited. There will be but one exhibition here and it is something none should miss.

The exhibition will be made at Koloa Friday night, after which stop-overs will be made at Elele, Makaweli, Waimea and Kekaha.

## SPORTS!

## SUNDAY'S GAMES

The resumption of baseball last Sunday, marked some changes which, if the two leading teams should lose no game in the second series, will give the fans an opportunity to see the tie pulled off on an outside ground. The suggestion has been made, (and we think it a good one) to the effect that in case of a tie, Kukuilono Park would be the most desirable spot for the final battle.

## KILAUEA

Smarting under their defeat at the hands of the Kilaueas early in the season and the promise of another the Makaweli team took one huge brace in the ninth inning Sunday at Kilauea and changed a score of 4-2 against them to 6-4 in their favor. The opening inning was scoreless on both sides, the second brought in two runs for the home team, Wood went out pitcher to first Joe Pacheco let loose a single and scored on T. Pacheco's wall for three bases. The latter came home when Lorenzo made first fielder's choice. Again they brought in two runs in the sixth. Sanborn singled and stole second. Wood failed to connect with Honan. Joe Pacheco doubled scoring Sanborn, T. Pacheco stroled to first Joe Pacheco was out trying to steal 3rd. T. Pacheco stole both 2nd, and 3rd. Lorenzo got safe on first baseman's error. But was out stealing 2nd. Wood held Makaweli down until the fifth inning when they scared their first Tally Akina got a free pass. Ed. Honan flew to rf. J. Honan sent Eddie to second, but was out third to first. Oneha walked. Kane singled and made second on error while Akina came home. Zerbe went out p. to 1st. base.

The seventh brought in another run Akina reached first on error 3rd. baseman. Ed. Honan did likewise, J. Honan hit into a double play, pitcher to 3rd, to 1st. On a passed ball Ed. Honan scored. Oneha flew to lf. with the score 4-2 the Makaweli team scored four runs in the last inning. Keola touched up Wood for a single and state second. A. Johnson reached first base, Akina then bunted and made first when Sanborn muffed the ball which let two men score. Ed. Honan reached second on fielder's choice. Fassoth let loose a single which scored Akina and Honan, but was out at second. Oneha singled, Kane fauned, Zerbe reached first on a muff, left field. J. Fassoth flew to cf.

The McBrydes met the Koloas on the Alexander field Sunday in a game which made the big Mac's sit up and take notice. The game started off with everything Koloa's way, and ere the home team had recovered from the onslaught of the visitors the game had all but

been taken from them. As it was, the scores of 6-5 would indicate that excellent playing was done on both sides.

The Lihue's, back-numbers in the first series and whose playing prowess has been greatly augmented by the appearance of some of our school boys, took a fall out of the K. A. C. bunch Sunday, but only after a fierce struggle, for the K. A. C. boys played the game as never before and to defeat them required skill and the ability to take long chances.

The K. A. C's are developing into a team worthy of their old reputation and bid fair to cause some of our "know-it-alls" to take a second rate seat.

The scores made by the various teams Sunday show most conclusively that the practice gained in the first series is paying big dividends.

## LIHUE JUNIORS

The Lihue Juniors played an unusually good game at the Lihue park Sunday afternoon, the players showing up in splendid form. Manager W. H. Rice Jr., is to be congratulated on his success as a baseball manager, and the developing of first-class ball material. He is certainly doing excellent promotion work for senior team interests in the coming year.

## "4TH." AT THE OLD KAPAA RACE-TRACK

More than two thousand persons attended the races at the Kapaa race track, which clearly indicated the fact that the race-track spirit is by no means buried. Roads leading to the grounds from all directions were literally lined with people as early as four o'clock in the morning, and until at the appointed time for starting, the two thousand mark had been passed.

The entire program was so well managed that no dissention arose to mar the well laid plans. Kealia got the lion's share of first prizes, due chiefly to possessing superior stock, but in one instance to superior jockey-ship. The jockies, however, showed to the good, some excellent material being evidenced.

All the officers of this, the most successful race meet we have ever held acquitted themselves in a highly credible manner, each doing his utmost to do or die, and the fact that all are still alive, is further testimony to their having succeeded in "doing."
