GREAT SOCIAL AFFAIR IS THE MCBRYDE BALL

Notwithstanding the inclement weather more than 200 of Kauai's representative people attended the Eleele dance last Saturday night the occasion being in the way of dedicating the new McBryde Hall, a gift to the community through private subscriptions and erected by McBryde Plantation. As the hour for the beginning of festivities approached, crowds of becomingly and tastefully gowned ladies accompanied by their gallant escorts, appeared from every direction and when at 9 o'clock the strains of sweet music signified that all was in readiness for the start, the hall with its shining waxed floor became the objective point for scores of eager dancers who lost no time in getting into the whirl. An oh, such a whirl! Richly gowned handsome, women glided over the floor with their attentive partners, the music never sounded sweeter, and the electric lights seemed to fairly sparkle as though they, too, shared in the delightful revelry beneath their rays.

Something of an innovation was the manner in which refreshments were served. On the makai side of the building a temporary room had been constructed of canvas. In this room were tables with places for fifty guests. The room was prettily decorated and from a cosy little buffet in one corner issued forth numerous little Japanese maids loaded down with an abundance of everything that only a woman of Mrs. Alexander's ability could think of. Refreshments were ready at 10:30 and here is where this "new" method of serving refreshments comes in. Any one who wished, might go right in and help himself when he felt inclined. The beautiful gown which is always the pride of the wearer, was not endangered by the wearer having to bend herself nearly double as she ate her ice cream and drank her coffee. She could repair to the cozy little retreat and there have her refreshments in perfect comfort. Mrs. Alexander's thoughtfulness in providing this arrangement, will probably be of lasting benefit to those who were there and saw the value of the scheme. Cigars, punch and soda were served in two places on the lanai.

Extending from all four corners of the hall were code flags, so hung as to form a cross over the center of the hall. Just enough green was used to daintily touch up the relief from newness. At the rear of the hall and as a background to the orchestra, a magnificent American flag was stretched.

Pretty Surprise party To Koolau's School Marm's

The school cottage of Koolau was the scene of an old fashioned surprise party the other evening. The young people of Kilauea under the leadership of Mrs. J. R. Myers fell upon the popular lady teachers Miss Keating and Miss Teft, like Indians out of the woods and proceeded to take possession of things for the evening. The dazed hosts were as clay in the hands of the moulder and couldn't resist the good time thus forcibly imposed upon them. As the chairs wouldn't go round the guests sat on the floor some of them comfortably and peacefully, others less so. "500" and other social games followed by refreshments made up a most enjoyable evening.

A Pretty Bridge Party By Mr. and Mrs. Hills

The beautiful home of Mr. and Mrs. A. D. Hills of Malumalu was the scene of an enjoyable bridge party last Friday evening the occasion being a farewell to Mr. and Mrs. A. H. Rice. Appropriate decoration greeted the eye from every direction while the hostess appeared in her usual pleasingly hospitable manner. The guests were Mr. and Mrs. A. H. Rice,

A brief description of the McBryde Hall will give the reader some idea of the commodious little building which stands as a monument to the thrift of the members of the community. The hall was planned and built by Mr. Moller, at a cost of a little more than \$2,000.00. The building is 40 x 70 over all, has lanais on two sides and in front, both lanais terminating in dressing and cloak rooms, with doors leading onto a twenty-foot crescent shaped stage. Foot-lights are conveniently placed along the front of the stage, and a fancy drop curtain is to be here in the near future. Three clusters of electric globes gives an abundance of light at night, while a sufficient number of windows furnish ample light during the day time. It is a very pretty structure and one with which every citizen who donated towards its existence, should feel extremely satisfied.

The following committees deserve much credit for the successful manner in which they did their various duties:

RECEPTION COMMITTEE
Mr. and Mrs. S. A. Alexander, Mr. and Mrs. R. D. Moler, Mr. and Mrs. Bole, and Mr. Walter McBryde.

INVITATIONS AND PROGRAMS
Mrs. Alexander, Misses May, Janet and Mable Hastie, Miss Mary Miller, and Mrs. Bole.

DECORATION COMMITTEE
Captain Leavitt, Messrs. Dillingham, H. Moler, Miss May Hastie, Miss Miller, Miss Mabel Hastie, Mr. and Mrs. Robertson.

FINANCE COMMITTEE
Messrs. Bole, Roendahl and Miller.

FLOOR DIRECTORS
Messrs. Piller, Miller and Rath.

FLOOR COMMITTEE
H. Moler and Captain Leavitt.

MUSIC COMMITTEE
Mr. Dillingham, Mr. Bole and Miss Mable Hastie.

REFRESHMENT COMMITTEE
Mrs. Alexander, Mrs. Bole, Mrs. Moler, Miss Janet Hastie, Mr. and Mrs. Robertson, Mr. Roendahl and Mr. Kruse.

The musicians deserve much praise for their excellent music while the various committees acquitted themselves in a manner which could leave nothing to be added. The huge success of McBryde's first big social function should, however, be accredited chiefly to the untiring efforts of Mrs. Alexander whose personal attention was given to every little detail.

To Capt. Leavitt who had entire charge of the decorative section, special mention is due.

Well-Known Kamaainas Will Reside in Manila

The many friends of Mr. and Mrs. Wm. Stodart will be interested to know that he has accepted an excellent position with the Honolulu Iron Works to represent them at Manila and that they are now on their way to the Islands. Mr. Stodart's large experience with sugar machinery as chief engineer at Specklesville and elsewhere and as manager at McBryde specially fit him for this position.

By a very narrow margin they missed the Titanic disaster, sailing from Liverpool a couple of days after that steamer. Mrs. Stodart will probably remain in Victoria until she regains her health more fully.

Mr. and Mrs. Hans Isenberg, Mr. and Mrs. F. Weber, Mr. and Mrs. A. S. Wilcox, Mr. and Mrs. R. L. Wilcox, Mr. and Mrs. Broadbent, Mr. and Mrs. E. Palmer, R. W. Purvis, Mr. and Mrs. Jack Coney, Mr. and Mrs. Philip Rice, Mr. and Mrs. W. H. Rice, Jr., Messrs. Chas. S. Dole, Frank Crawford, E. de Lacy, Misses Kauai Wilcox, Lulu Weber, Miss Soper, C. A. Mumford, M. McClymont, Miss C. Aver.

T. J. Fitzpatrick, the cigar man, returned to Honolulu Saturday.

BIG AUTO CONTEST OPENS WITH GREAT SHOW OF ENTHUSIASM

We have made a great start with our auto contest, records indicating that the young ladies of Kauai are entering into the race for the grand prize with great enthusiasm. Immediately upon the publication of our last issue, containing the contest announcement, we were besieged by numerous of our lady citizens all eager to win one of the valuable prizes.

Since then the number of nominations received by our contest manager shows the amount of appreciation of the magnificent offer THE GARDEN ISLAND is receiving at the hands of its contestants. If you are interested, whether you have been nominated or not, call us up and let us explain the full details of our great automobile race. Or if you rig up or write, full information will be forwarded. Now is the time to secure a strong hold

on an opportunity to get one of the classic little cars on the market, by getting your name on the list of nominations. Do it to-day?

Remember, it costs nothing to participate. Fill in the nomination blank in this issue and send it to us, you are then a candidate. By doing this you are under no obligation whatever—you simply commence seeing your friends to get them to vote for you.

On another page, we are publishing the names of those who have been nominated. Get in at once and have your name amongst the number. Don't forget that in taking subscriptions now due, you are entitled to the same number of votes as for new subscriptions secured. Further details of the contest will be gladly given by application to THE GARDEN ISLAND, Phone 241.

The new library books for the school have arrived, being more than a hundred and are a fine lot of books.

The moving picture show had crowded houses the three nights they were in Hanapepe. They carry an engine to manufacture electric lights and run the picture machine.

Waimea

By Yaecko Taki

One Sunday last month about 70 people attended the Waimea Foreign Church. Most of them came in autos several costing about \$5,000 each. If the 14 autos averaged \$2,000 each it would mean \$400 for every man woman and child in church. Is there another church like it?

Mr. and Mrs. T. Brandt are looking forward to an extended trip through the States and Canada, to Europe; where special attention will be given to Norway, but other countries will be visited. They will leave Waimea on the 18th. of May.

Mr. Geo. Waterhouse of Bishop's Bank is to take up his abode in the Brandt residence for the summer, with his family, and will be in charge of the local bank during the absence of Mr. Brandt. They will be a welcome addition to Waimea Society.

It is over a year and a half since the sheep pastures of our neighboring island Niihau have seen rain. What little grass is left is dry as a rope. The sheep are dying by hundreds and the cattle are no better off. What a pity that some of the 33 inches that fell about Wahiawa last August could not have been blown to Niihau.

Punilei, President of the Mormon Church at Waimea gave a luncheon on the first anniversary of his grandson's birth on Wednesday, May 1.

Most everybody from here attended the Eleele dance last Saturday night.

COUNTY FATHERS IN MONTHLY CONCLAVE

A duly called meeting of the Board of Supervisors of the County of Kauai, T. H., was held at the office of the Board in Lihue, on Tuesday, April 30th, 1912, at 10.00 A. M.

Present: Mr. H. D. Wishard, chairman; Mr. W. D. McBryde, Mr. Joe Rodrigues.

The minutes of the last meeting were read and the same as read were approved.

A report (P 703) from Dr. Glaisyer on the conditions of the County mules now in the different districts of the County of Kauai, was duly received and placed on file.

This report is as follows:

The Board of Supervisors:

Gentlemen:

In response to your request for an examination of the mules of the various districts, I have the honor to submit the following report.

1st: Hanalei District: Mules are all sound and good with the exception of one. Said mule is sound but very old and cannot do the work required of him, viz: working in a heavy cart.

2nd: Kawaihau District: Five sound, serviceable mules and two incapable of work. One of these is an 18-20 year old mule, chronic tendonitis in all four legs and incapable of doing a days work on the road.

The second is a mule with bad ringbone and goes dead lame when worked a few hours on the road and is incurable.

3rd: Lihue District: Three mules not serviceable to the County. The first two are very old 19-20 years. One is rheumatic and stiffened in the shoulders and incapable of doing an honest days work. The second has a shortening of the tendons behind, also unfitting him. The third is a younger mule that has now been under treatment for three months for dislocation of the stifle joint. This has happened twice before in the last three years. The mule might be all right for light work eventually but will always be liable to be laid up from any sudden strain such as he is constantly subjected to in County work.

Koloa District: One mule incapable of doing any work being lame and stiff, incurably so, front and behind. Also two small mules not really capable of handling carts, but in good condition for some time to come. One good large mule in fine condition.

Waimea District: Mules are mostly well along in age but are capable of doing the work required of them for some years yet.

I therefore suggest that the Board of Supervisors dispose of the following:

Hanalei: one mule, sound but old and weak.

Kawaihau: two mules, unsound and incapable of work.

Lihue: three mules, unsound and two of advanced age.

Koloa: one mule unsound and incapable of work.

If possible to do so to good advantage the other two, if they can be replaced by larger and more serviceable mules.

Respectfully submitted,
(Signed) A. REGINALD GLAISYER,
D. V. M.

Yes, we knew you would turn to this page the very first thing, just to see what we had to say. We won't say much, however--'tisn't at all necessary. On page 7 you will find that your name is among those nominated in our Big Automobile Contest which is now on in full blast. Working outfits will be mailed all candidates at once:

Next Sunday marks the opening of the 1912 baseball series and judging from the practice which has been going on for the past few weeks, Kauai will be given some good exhibitions of the game this season. All is in readiness for a glorious start and much speculation as to the outcome of Sunday's games is indulged in.

The Honolulu press suggests a St. Louis-Kauai team for an exhibition at Lihue on July 4th, but as our boys have heard nothing direct, are not giving the matter much consideration. However it is very likely that such an arrangement might be made.

The list of players composing the various teams in the series follows:

SCENES IN A SHOE STORE

(Scene—A shoe store during a marked down sale. The customers are being marshaled in order by urbane managers. Wild eyed clerks are trying to wait on three times as many persons as they can really satisfy by their attentions.)

Young girl (after gazing five minutes abstractedly at a bronze satin boot on her foot, during which time her clerk has told five women that he is busy)—"I don't know whether I want it or not. It'll go well with the green, but whether it'll look all right with my blue velvet I—"

Young girl's friend (jumping to her feet as though shot)—"Where is it? Oh, I can't have lost it! It was right here—excuse me, madam, but will you get up?"

Woman Next Her (frostily)—"I don't know what you've lost, but I assure you that I haven't it! I've got plenty of my own."

Clerk—"What have you lost?"
Young Girl's friend (pawing among the shoes on the floor)—"My cardcase Jessie, you saw me have it, didn't you? You know I had it at the other store and now it's gone!"

Clerk (soothingly)—"If your cards were in it possibly it will be returned to you."

Young Girl's friend—"No, they'll keep it! It was a silver one! I must have lost it! I'm going back to the other store."

Young Girl—"I'd go with you, dear, but I've just got to decide on these bronze boots! Do you think they'd look well with the blue?"

Young Girl's friend—"Uncle Jim gave it to me and I had it right on my arm in the other store. I'm going back there—"

Woman Next Her (sharply)—"Well, that's my m u f f you're grabbing up. It's funny the sort of people they let come into this shop!"

New Customer (to clerk)—"Can't you wait on me next? I've been standing here a half hour if I've been a minute! I just want to leave an order—"

Manager (soothingly)—"Sit right over there, madam, please!"

Woman Grenadier—"I shall stand right here till this young man has finished! I cannot waste all afternoon in one place. I wish to be waited on immediately!"

Manager (in sirup tones)—"At once, madam! Just be seated!"

Young Girl (still dreamily)—"Perhaps if you'd try on one a little narrower I'd like the bronze after all."

Young Girl's friend (gasping from the labor of elbowing through the crush)—"What do you think—just as I got to the corner I saw a woman with a silver card case hanging on her wrist exactly like mine and naturally I grabbed her and said it was mine and she was perfectly frightful! She said she would call a policeman! I'm all

in a tremble! I came back to rest a minute!"

Young Girl—"Why that's a shame, Mary. If I'd only brought along a sample of my blue dress—"

Young Girl's friend—"Now I must go and find my silver card case. If Uncle Jim—"

Woman Next Her (grabbing at the friend as she starts out again)—"I'll call the manager! That's the second time you've picked up my m u f f! You've had your eye on it all the time! I—"

Young Girl's friend (distractedly)—"Oh, I hate your old m u f f! I thought I laid mine there! If Uncle Jim finds that I've lost that card case I'll die!"

Newly Arrived Customers (all clamoring)—"Isn't there a soul in this place to wait on anybody? I've stood here an hour! I just want to see that pump in the window!"

Manager (swooping down at the clerks begin to paw the air)—

"Just be seated ladies and I'll have some one here at once! Be seat—"

Woman Grenadier—"That's what you said thirty-five minutes ago. I'll not sit down! I shall stand right here till this young woman makes up her mind about that bronze boot!"

Young Girl (quite unhearing)—"Maybe I'd better get a black satin. You can wear black satin with everything. Only they wear out so soon. Haven't you any that don't wear out?"

Woman Grenadier [to nobody in particular]—"I shall stand right ereh!"

Clerk [to woman who has tried to abduct him by main force]—"No, madam; can't you see I'm busy?"

Would Be Abductor—"I shall report you to the manager! Of all the impudence—when I've waited hours!"

Young Girl's friend [gasping for breath and waving the card case]—"I found it! I found it! I'd put it in my coat pocket!"

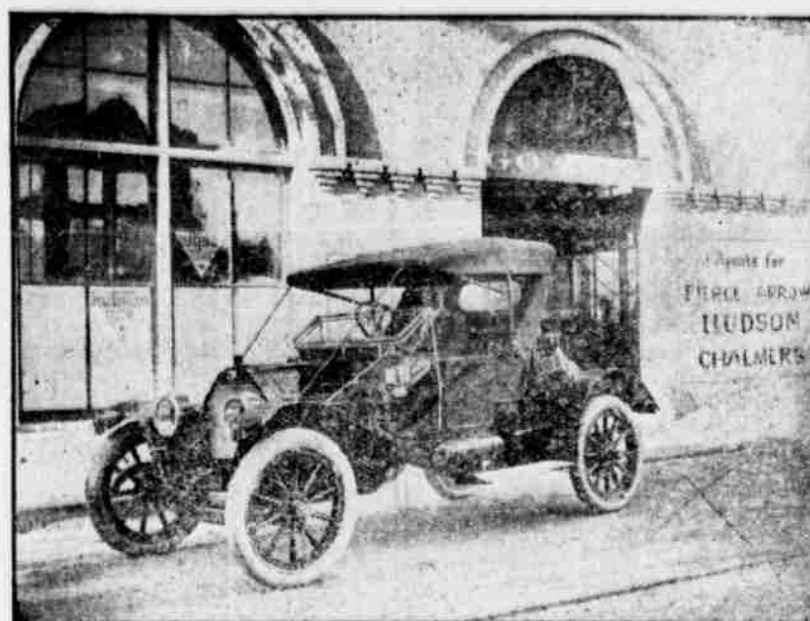

Young Girl—"How nice, Mary! [to clerk] What did you say is the price of these bronze boots? Seven and a half, marked down from ten! My goodness! Why didn't you tell me that before? At a marked down sale I shouldn't dream of paying over \$5 for anything! Here I've wasted all this time! It's most annoying!"

Clerk [gritting his teeth as he faces the woman grenadier]—"Now, madam, I can attend to you!"

Woman Grenadier—"Well, it's about time! I've shopped all my life and I never had to wait like this! I want two pairs of 10 cent shoe laces."

"From dust thou art, and unto
dust thou shalt return."—Kekaha.

THE Hotel Fairview robbery
last Friday night have been pre-
vented had the owner taken the
usual business-like precaution and
kept his money in the bank

Of course we may not know
what we are talking about, but it
strikes us as just a little strange
for the county to switch all its road
building machinery from Lawai to
Wailua and later on return to Ke-
kaha for the purpose of macadamiz-
ing three miles of road. To the
ordinary man it would seem less
expensive to move the machinery
over there and finish up while near
at hand, thus saving the expense
returning from the Hanalei side.

ARE you one of the mail order
fiends? Are you one of those mis-
guided mortals who think you can't
get what you want unless you send
"to the coast"? Don't be a sucker
any longer. Look about you; visit
the local stores, and see how their
goods and prices compare with
those of the big stores. You will
find, in nine cases out of ten, that
you can buy the self-same goods
from the local merchants just as
cheap as, or cheaper than, from
the coast mail order houses. In the
tenth case you may have to pay as
much more, but you know what
you are paying for. Your home
merchants let you see the goods
before you pay for them; while the
mail-order house makes you pay
before you see. It's "cash with
order," everytime with them. How
often have you had to pay for and
keep goods that you never would
have thought of buying had you
seen them first? Yet, some of you
continue to walk right into the
trap again, the very first chance
you get.

MR. EDITOR:

The scathing fires of criticism
hurled at me by you and "Tax-
payer" in the last issue of
GARDEN ISLAND prompt me to
suggest that in future you place
yourselves in possession of a few
"facts" before wasting valuable
space in your paper. At the time
the Koloa Hill was regraded, I
had not even a bowing acquaint-
ance with Kama, and therefore
must emphatically decline the
honors thrust upon me in crediting
me with the piece of engineering
work in question.

Yours truly,
J. B. KEIGHTLEY,
Engineer Loan Fund Commission.

In reference to the editorial ap-
pearing in our last issue, connect-
ing County Engineer Keightley
with the Koloa grade, we will say
that same was based upon a com-
munication to this office, and
which Mr. Keightley himself has
been shown. We will admit
having slightly changed the com-
munication, and feel sure that Mr.
Keightley will freely admit that
the changed form was mild indeed
in comparison to the original.

However, it seems that Mr.
Keightley did not run this grade,
and that therefore through our
communication he has been un-
justly "swatted."

The Koloa grade is an excellent
grade with the exception of a
stretch of some 200 feet at the top.
To take this down about 18 inches
would give us a grade such as we
might reasonably expect—6 per
cent.

A VITAL factor in advertising
is persistence. The poet, Alexand-
er Pope, said that "A little know-
ledge is a dangerous thing." Para-
phrasing this, it can be said that
"a little advertising is a wasteful
thing." In every phase of life,
what has been accomplished in the
past helps the present and the

future. This is particularly true
in advertising. It's accumulated
force is what makes it pay. The
size of an ad is not so nearly im-
portant as the regularity of it. If
you are a new advertiser, you will
get better results six months from
now than you will to-morrow, pro-
viding the selected newspaper has
the respect of the public and has a
good circulation throughout the
immediate district.

County Assistant Engineer J. B.
Keightley in a recent conversation
with a reporter, on being asked if
the Koloa hill grade is not seven
per cent instead of six per cent as
the specifications call for, replied
by telling the newspaper man to
mind his own business, and that if
he wished to know what grade he
had run, to take a line and go
over it. Now, in the first place,
we are not surveyors—don't pre-
tend to be, like some others—and
therefore cannot follow his in-
structions. In the second place,
we wouldn't do it if we could, for
we are voters and taxpayers, and
together with our readers who are
also both voters and taxpayers,
have a right to demand just such
information.

We therefore most respectfully
request Engineer Keightley or any
member of the Loan Fund Com-
mission to furnish this office for
our next issue with the per cent of
the Koloa grade.

Mr. Keightley's attitude smacks
of a Star Chamber procedure
which it would be wise for the
Loan Fund Commission to avoid.
There is a heavy grade between
Koloa and Wailua, which, when
wet cannot possibly be made with
a four horse load. Of course this
grade was completed long ago,
but to continue to construct such
grades—if such is being done,—
puts Kama in the class with Ho-
nolulu road workers.

Mr. and Mrs. Carter entertained
at an enjoyable bridge party last
Wednesday evening in honor of
Mr. and Mrs. A. H. Rice. Supper
was served at 11 o'clock. The
guests were Mr. and Mrs. A. H.
Rice, Mr. and Mrs. R. L. Wilcox,
Miss Roscoe, Miss Kauli Wilcox,
and Mr. Crawford. Mr. Wilcox
was declared winner of first prize
while Miss Roscoe carried away
the booty prize.

Friends, companions, subjects and guests: I shall endeavor to express the deep gratitude and other emotions which agitate my breast.

There is but one apology necessary for my lack of eloquence, and it is this: that perfect joy and unbounded affection can never be framed in words; and, if my utterance is feeble, my countenance must portray all I wish most to express.

If my eye is not bright and my cheek not aglow neither pictures the language of my heart; which is so full of bliss that every sigh of my life, heretofore, has retreated before the power of present happiness, except one, and that one I will thus attempt to portray:

A sigh that an end must come to the night that crowns me the Queen of a May-day so bright. Companions, schoolmates, little children! You wish me good fortune that I can ever expect or deserve. I thank you most sincerely—and trust you may one and all, each and every person present, enjoy this festival and a long life of happiness hereafter.

The Distribution of Prizes took place after the conclusion of the racing and vaulting. The prizes were presented to the successful competitors by the May Queen.

The prizes consisted of pieces of cloth and ribbons for the girls and caps, ties, knives, bats, mitts, and balls for the boys. There was a good attendance of the parents and friends of the children.

Household Hints

To make handkerchiefs that have been washed look like new put a very thin starch in them after washing—just suspicion of starch—and after they are dry, dampen slightly and let lie for half an hour. Place them on the ironing board with the embroidered side down, if they are embroidered, and over them put an old thin piece of muslin. Press with a hot iron, fold and press—always under the muslin. This keeps them from getting yellow and makes them look exactly like new.

Delicious Apple Dumplings

One pint of flour, one and one-half teaspoons baking powder, half teaspoon salt. Rub one-quarter cup of butter with the flour. Beat one egg very light, add to it three-quarters of a cup of sweet milk and stir into flour. Place in well buttered pan. Pare and core some apples to cover the top and sprinkle over them two tablespoons sugar. Bake quickly and serve at once with egg sauce. Sauce—One cup sugar, half cup butter, half cup hot milk. Separate two eggs and beat well. Add whites last.

Two Cinnamon Roll Recipes

One cupful butter, two cupfuls sugar, one cupful rich buttermilk, four and one-half cupfuls flour, three teaspoonfuls baking powder, one teaspoonful each cloves and cinnamon, one cupful stoned, chopped raisins. Mix soft as possible, lay a large spoonful for each jumble on buttered tins and sprinkle with sugar.

The ingredients for this are two eggs, half a cup of powdered sugar, half a cup of ground rice, half cup of butter, one-quarter pound currants, two ounces candied peel. Beat the eggs and sugar together and add the butter beaten to a cream. Stir in the rice, currants and candied peel and add as much flour as will make the mixture the consistency of biscuit dough. Mould into rolls and bake for about half an hour in a moderately brisk oven. The buns must be put in the oven as soon as moulded, or they will be heavy.

The aviator's wife was taking her first trip with her husband in his airship.

"Wait a minute, George," she said. "I'm afraid we will have to go down again."

"What's wrong?" asked the husband.

"I believe I have dropped one of the pearl buttons off my jacket. I think I can see it glistening on the ground."

"Keep your seat, my dear," said the aviator; "that's Lake Erie."

Dies In Italy

Last week Mrs. Francis Gay re-
ceived the cable news from her
sister of the death of her husband
Charles A. Elston, at Genoa, Italy.
The news was hardly a surprise
for he had put up a long fight
against consumption. Since re-
signing his position in the Hono-
lulu High School some years ago
he has been a familiar figure on
Kauai where he enjoyed the dryclimate of Waima with his sister
Mrs. Sandow. Last fall Mr.
and Mrs. Elston left their three
children with California relatives
and set out to find the location
best suited to failing health. In-
dia and Egypt, the pick of two
continents were tried. Then they
crossed the Mediterranean to the
sunny clime of Italy, where the
end came.
