Dear _____

Please accept my sincere appreciation of your service on behalf of my campaign. I understand that you have volunteered to help with our Speakers Bureau and I know you have also been assisting in other ways.

Our campaign office has prepared material which is now ready for distribution to our campaign workers including information which can be used by speakers. You may already have received your supply by the time this letter reaches you. I hope that you will also feel free to call our campaign headquarters to advise them of any problems or any issues you feel need our attention.

Finally, let me reaffirm that the weeks ahead are going to demand a real determined effort on the part of all of us and it gives me confidence to know that I can count on your support.

Mrs. Bessie Ozaki

Dear Bessie,

Thank you so much for opening your home on Monday morning so that I may meet your interesting neighbors and friends. The refreshments were wonderful, and the evening, most relaxing and enjoyable!

As the campaign progresses and as I meet more and more friends, I am increasingly grateful that I am a politician's wife. The many opportunities afforded me in meeting kind and warm people throughout our State are the most enriching experiences in human relationship that I have ever had.

We shall continue to put our best foot forward and do our utmost to merit your support and confidence in Dan's candidacy.

Thank you again.

Sincerely,

Mrs. Eileen O'Brien

Dear Eileen,

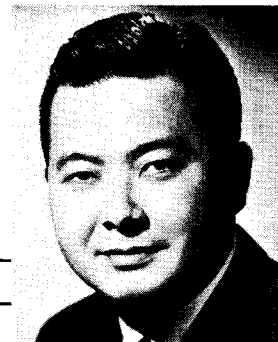

My admission with you and our friends was most delightful. Thank you so much for opening your home to us so that I may meet your interesting neighbors and friends. Chatting over your delicious refreshments was a treat, too. I enjoyed the music very much.

It is heartening to hear expressions of approval and support in Dan's election campaign, but even more meaningful, when they come from sincere friends such as you and our friends who were at your get-together on Saturday.

We shall continue to do our very best and work hard to merit your help and confidence in Dan's candidacy.

Sincerely,

My sincerest congratulations on your recent election to the school advisory council.

I believe that a good education is the strongest weapon in our cold war arsenal. Each of us must work hard to achieve and maintain the highest possible standards for public school education in Hawaii.

Only in this way can we rest assured that we have done everything we can to prepare our children to meet the complexities of the space age.

If there is anything I can do to be of assistance at any time, please do not hesitate to call upon me. The services of my Washington office are at your disposal.

I know you share with me a great elation following the smashing Democratic victory Tuesday.

Without your interest and willingness to be a candidate, such a great victory would not have been possible. Your hard work and the support of your many friends contributed in a large measure to the Democratic sweep.

Each of us must now continue our teamwork to carry out our party programs and show the people of Hawaii that the Democratic Party is the party of all the people.

Please accept my sincerest appreciation of your aid and team effort.

Dear

My very best wishes and congratulations following your Tuesday victory.

Without such fine candidates as yourself, the Democratic Party could never expect such a smashing success.

Now that the voters of Hawaii have given us such an overwhelming vote of confidence, it is up to us to carry out the programs and policies we discussed in the campaign.

To do this we must start at the grass roots in our counties and carry through the state and national levels. I know we can count on all Democrats to shoulder the mandate of the people with progressive and forward-moving legislation in the best interests of Hawaii.

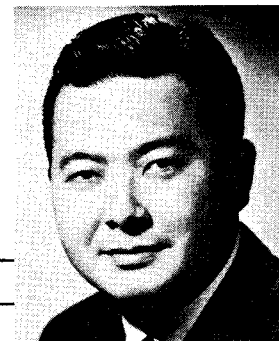

I look forward to working with you toward this end.

But the real test lies before us. The opportunity given to us by the voters is one which we must cherish. We presented our program and now we must make these programs come true.

Let us continue our teamwork and shoulder the mandate of the people with a program of effective and forward-moving legislation.

I am confident we can do this together.

Dear

Maggie and I have been thanking our friends and voters throughout my political life but have never been able to find adequate words of appreciation. This year is no exception. We are overwhelmed by the kind and enthusiastic response to my campaign for the United States Senate.

We would like, in this very inadequate way, to thank you for inviting me or my representative to meet with your friends and voters. We are aware of the great impositions on your time and money and doubly appreciate your kindness and generosity.

Please be assured that Maggie and I will attempt to serve you, in a manner that will reflect upon the people of Hawaii.

Best wishes and aloha.

Dear _____;

I was disturbed by word being spread among our Filipino friends, inadvertently or otherwise, as to Congressman Dan Inouye's position on the Philippine War Damage Claims Bill.

I am enclosing a copy of a letter from Dan which shows his sincere support of the bill. I hope you can aid us in setting the record straight by giving this information to your membership.

The amended version of the bill (HR 11721) may have been acted on by the time you receive this letter since it is tentatively scheduled for Congressional action on August 1, 1962. Please be assured of Dan's support of the measure.

Best wishes.

Dear Morio:

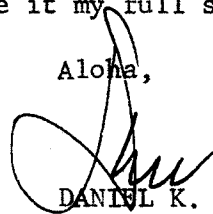

I have received several inquiries in Washington as to how I voted on HR 8617, the Philippine War Damage Claims Bill, which was defeated in the House of Representatives on May 9, 1962. I presume that you must likewise have had these inquiries from many of our friends in Hawaii.

For your information, and in order to keep the record from being distorted, may I state that I was among the minority that VOTED FOR PASSAGE of the Bill for I believed, and still do, that this is an obligation which required fulfillment. It may be interesting to note the lineup on the voting which was as follows:

| <u>FOR PASSAGE</u> | <u>AGAINST PASSAGE</u> | <u>NOT VOTING</u> |
|--------------------|------------------------|-------------------|
| 128 Democrats | 115 Republicans | 65 |
| 43 Republicans | 86 Democrats | |
| <u>171 Total</u> | <u>201 Total</u> | |

Soon after this bill was defeated, an amended version was introduced (HR 11721) and is now pending in the House. You may assure our many friends that when HR 11721 is brought up for a vote before the House that I will once again give it my full support.

Aloha,

Dan needs your help more than ever this year. Your contribution and support to his candidacy will always be cherished.

Mr. George Inouye

Dear George:

The only regret I have as a result of my participation in the campaign just ended is that I did not have the opportunity to visit Hawaii and meet with you and other members of your committee on your home ground. However, the better than three-to-one vote that Dan received on Hawaii is evidence of your effectiveness.

I wish to thank you most sincerely for the dedicated, loyal efforts you made in Dan's behalf. It is a genuine pleasure for me to be associated in this campaign with persons such as yourself.

Thank you very much.

Yours sincerely,

Mr. Nickey Iwai
Koloa, Kauai

Dear Nickey:

I may be seeing you again shortly but I wanted to send you this letter anyway to thank you for the wonderful work done by yourself and your committee for Dan on Kauai. The better than two-to-one vote in his favor is evidence of your effectiveness.

It was a great pleasure for me to be associated with such dedicated friends of Dan. In addition both Mrs. Norwood and I appreciated your cordial hospitality during our visit last weekend.

Yours most sincerely,

November 8, 1962

Mr. James Murakami
Maui Publishing Company
Wailuku, Maui

Dear Jimmy:

Now that I am beginning to recover from the effect of the landslide, I wanted to tell you how much I appreciate the work you and your committee did on Maui. The two-to-one vote Dan got on your island is evidence of your effectiveness.

It is rather amusing to look back now on my concern and nervousness when I visited Maui in August and saw all those Dillingham posters up in Lahaina. On the other hand I suppose if we had been complacent and not worked as hard as we did, our victory would not have been as great as it was.

I feel fortunate that Mrs. Norwood and I had the opportunity to enjoy your personal hospitality and we both hope that we will be able to return to Maui and visit with you again. We hope also that when you come to Honolulu, you will be sure to call on us.

Yours most sincerely,

October 31, 1962

Mr. Carlo Panfiglio
American Electric Co.
645 Halekauwila Street

Dear Mr. Panfiglio:

Through our mutual good friend, Gordon Weggeland, I have received a generous campaign contribution from you. I appreciate this help very much and you may be sure that I will do my utmost to justify the confidence you have expressed in me in this way.

Sincerely,

October 31, 1962

Mr. George Ignacio

Dear George:

Bill Norwood tells me you have collected some contributions for my campaign fund and have made a contribution yourself. I certainly appreciate your help and you may be sure that one of the most rewarding features of a trying campaign such as this one has been is the knowledge that I have the loyal support of such people as yourself.

Sincerely,

October 31, 1962

Mr. Roy Y. Uto

Dear Roy:

Thank you very much for your contribution to my campaign fund. I not only appreciate the financial assistance but the fact that by contributing you have expressed confidence in me. I assure you I will do everything I can to justify your support.

Sincerely,

October 31, 1962

Mr. David W. Eyre

Dear Mr. Eyre:

I recently received a campaign contribution from you relayed to me by the Democratic Party of Hawaii. I understand this was in part the result of Dole Corporation's efforts to encourage employees to take an interest in the political affairs of the community and to contribute to parties or candidates of their choice. I not only appreciate receiving this help from you but I particularly commend the attitude of your company.

Sincerely,

October 31, 1962

Mr. Harold S. Y. Hee

Dear Harold:

I wish to acknowledge receipt of your contribution to my campaign fund. I am grateful for this help and I also am aware that you have contributed liberally of your time to serve with our speakers' bureau and to make TV appearances for me. You may be sure that I will do all I can to justify your confidence in me and the fact that I have persons such as yourself working in my behalf is a source of inspiration and strength.

Sincerely,

October 31, 1962

Mr. Shigeno Shimokawa

Dear Mr. Shimokawa:

I am grateful for the contribution you have made to my campaign fund. Not only do I welcome this important help, but I also value it as evidence of your confidence in me. You may be sure I will do all I can to justify your support.

Sincerely,

October 31, 1962

Mr. Man Kwong Au

Dear Man Kwong:

Bill Norwood tells me you have been most helpful and effective in helping to raise funds for our campaign. You may be sure I sincerely appreciate your efforts in my behalf and feel fortunate that a person of your wide acquaintance in the community, with all the demands on your time, has found the opportunity to help me. You may be sure I will do all I can to justify your confidence and support.

Sincerely,

October 31, 1962

Mr. Harry Albright

Dear Harry:

I will attempt to make this two letters in one. First, let me say how much I appreciate your contribution to my campaign fund. Secondly, may I express my deep appreciation to all the efforts you have made in my behalf, particularly the time you have devoted to my campaign needs in your district.

Your interested and loyal participation has made a valued contribution to our campaign committee.

You may be sure I will do all I can to justify your friendship and support.

Sincerely,

October 31, 1962

Dear Mr. Won Pat:

Because of the heavy schedule of these past few days of campaigning, I have delayed acknowledging the very welcome and generous help I have received from yourself and other members of the Guam Committee. The financial assistance which you made possible is most appreciated, and the fact that you would take the time to form a committee on Guam in behalf of my campaign is heartening. It is an expression of confidence and loyalty which I will strive mightily to justify in my future political endeavor.

Sincerely,

P. O. Box 1625

Dear Earl:

Bill Norwood has advised me of the generous contributions received from yourself and members of the Guam organization.

I certainly appreciate this financial assistance, but even more important to me is the fact that I have such loyal friends in Guam. It is heartening to know that while you have been somewhat removed from the atmosphere of the campaign here in Hawaii, you have maintained a dedicated, helpful interest in my candidacy. Such loyalty and confidence is a source of strength to me and you and my other friends on Guam may be sure that if I am elected I will do my utmost to justify your support.

Mr. Earl C. Conway
P. O. Box 1625
Agana, Guam

Dear Earl:

This is a preliminary expression of thanks for your recent letter, together with the numerous enclosed checks. This form of help by yourself and your associates is appreciated not only because of the monetary assistance which you have provided, but because it is heartening to us to know that Dan has such staunch friends on Guam who are working for him.

Each of the contributors will receive a personal letter as soon as the heavy schedule of this final campaign week is behind us and we can move into our clean-up phase.

May I express my own personal gratitude and hope that we may have the opportunity to get better acquainted.

From the outset of this campaign I have tried to hold firmly to a very conservative estimate of our chances and a determination to take nothing for granted and to do everything we could from hour to hour, day to day to assure Dan of success. At this point in the campaign, however, with just a week to go, I now believe that there is no question of the outcome. The only question is how large Dan's margin of victory will be.

Gentlemen:

I have just been advised by our mutual friend, Ben Takayasu, of your most gracious assistance in furthering my candidacy to the United States Senate.

As your Congressman for the past three years, I have had the opportunity of writing many thousands of letters and I find that the most difficult letter to compose is one which expresses warmth and gratitude. Somehow, the dictionary fails to come forth with a word that adequately expresses my thoughts. So may I simply but with all sincerity say to you "mahalo".

Some day I hope I may be able to express my gratitude to you in person. Until then,

Mr. Nadao Honda
Wailuku, Maui
Hawaii

Dear Nadao:

Conducting a political campaign at a locale 5,000 miles away from the scene of activity is a most difficult chore. However, I have been very fortunate to have many friends who have carried on my banner in my behalf.

It is most touching to me to have people helping me without any pressure or coercion or without any hope or promise of remuneration. I have no political IOUs in Hawaii, because in my chosen career as a public servant, I have made it very clear to those I have helped that I expect nothing in return. The inner sense of satisfaction of the knowledge that I have tried my best to do a good job more than compensates me for my work here and in Hawaii.

During the past three years as Hawaii's Congressman, I have had the opportunity of writing thousands of letters and I find from experience that the most difficult letter to compose is one expressing thanks and gratitude. Somehow, among the thousands of words found in the dictionary, there is not one that fully expresses the warmth and gratitude one has for his fellowmen. I want you to know that I most sincerely appreciate your help in this, our most important election campaign.

Some day I hope I may be able to more personally express to you my gratitude. Until then,

I realize that this is a great imposition but felt that the high recommendation of you from our friend, Paul Takara, could not be ignored.

I know that I will not be able to materially repay you for any assistance you may render. In fact, I feel that you would be insulted if I offered to pay you. However, I make one solemn promise: In all my activities, I shall never knowingly do or say anything that will bring discredit and dishonor to you or the people of Hawaii; I will do my very best to legislatively carry out the ideals and aspirations of our people.

Mrs. Jean Sharpless

Dear Jean:

The last two days have been very hectic days involving much legislative and administrative activities concerning Hawaii. My hours have been long and tedious but I feel that much has been accomplished. For example, on Monday, the House passed my bill, HR 7279, the Kahului Airport Bill. The enactment of this bill permits the exchanging, selling or leasing of certain structures and parcels of land located at the Kahului Airport, and will enable the extension of the Kahului Airport runways from its present 7,000 feet to a 10,000 foot first-class jet runway.

Also on Monday, the Secretary of Agriculture announced that the Department will purchase Hawaiian pineapples for use in the federal school lunch program.

Also on that day, the President announced his approval of the Honolulu Harbor Project. The total construction cost of this project is estimated at \$6,621,500.

On Monday also, the House of Representatives completed its debate on the Sugar Act. On Tuesday, by a vote of 319-72, the House passed the Sugar Act.

Now that the session is coming into its final round, the pressures are getting heavier and the hours much longer. I know from the schedule that our legislative activities on the Floor will become exceedingly heavy beginning a week from now. Because of such activity, I find it very difficult to return to Hawaii to carry on my campaign. Therefore, I am especially grateful to you for your gracious and unselfish help in furthering my candidacy. My office has told me of the many hours you spend in my campaign headquarters. From past experience, I know that these hours can be at times dull and tedious.

Dear Larry:

I have just been advised by Jimmy Marshall that you will be carving with him on the Maui campaign committee. I am truly grateful for your friendship and support.

As you know, the Fall elections will not be easy. We will have opposed against us a formidable opponent with unlimited sums of money, a fast-stopping public relations organization, a corps of paid workers, and a well known name. However, I am confident that with your help we will emerge from this campaign successfully. Unlike my opponent, I will not be able to pay you for your help. However, I wish to you a very personal and sincere promise--that whether elected or not, I shall continue to serve the people of Hawaii in an honest and conscientious manner. I assure you that in all of my activities I will try to conduct myself in a way that will bring to all of us.

Despite the apparent personalized campaign that the opponent is carrying on, I will not indulge in injecting personalities, nor slinging, or sneering into my campaign. I intend to carry on a campaign that would meet the approval of the people. I am looking forward to working with you.

Huggie joins me in extending to you our warm aloha.

Dear Pablo:

Yesterday I received a most encouraging letter from our mutual friend, Ed Shinn, advising me that you have most graciously agreed to be in charge of my election campaign on the Island of Hawaii. I am truly at a loss for words to express my deep and sincere gratitude. May I simply, but with all sincerity, thank you.

As you know, the Fall election will be a most significant and hard-fought one. I need not tell you that the opposition will have unlimited sums of money. They have employed one of the nation's most impeccable relations organizations, and some of their techniques may be vicious and underhanded. The organization opposing us may be a well oiled and well oiled one; however, I am extremely confident that with the help of people like you, your brother-in-law Gage, and others, the Fall election could be a resounding success. Please be assured that I am in no way afraid of my opponent. I shall be always willing to publicly discuss the issues with him.

During the course of my political activities, I have been asked many times by reporters and students, "What do you pay your supporters?" My answer has always been, "I have been very fortunate because my supporters do not expect any pay." In the first place, I am not in a position to pay my supporters nor make such political promises to them. The only promise I will make is that in all of my activities now and hereafter, I shall conduct myself in a manner that will not bring discredit to you or the people of Hawaii. If elected, I shall do my utmost to represent the people of Hawaii in the very best way possible, with honesty and integrity.
