## JUST ARRIVED

Ex "Alameda"

HORSE SHOEING--par excellence.

## Whitman & Wright, TO THE FRONT AGAIN

NO more contracted hoofs, fever in feet, lameness and sore shoulders, forging or over-reaching, corns or quarter cracks.

The Patent Spring Horse Shoe does the business.

Recommended by the California Society of Prevention of Cruelty to Animals.

This shoe is the invention of an old horseman of 40 years experience, and is manufactured in New York City from steel prepared expressly for this purpose, and carefully tempered to retain the elasticity of the spring as long as in use. As the name implies the general principle, is to act as an assistant, where elasticity is natural in the foot.

The toes of these shoes being made heavier than those of the common kind, act as a toe weight, giving a horse a greater length of stride and naturally increasing his speed. For working, or driving, horses used on hard or stony roads and troubled with lameness or sore shoulders, these shoes are an infallible cure, while for sound horses that may become liable to the same complaint they are a certain preventative. They are a protection to corns on horses feet as they relieve the part on which the corns are produced.

Give them but one trial and you will us no other. Satisfaction guaranteed.

We have lately secured the services of a thorough, experienced, and reliable horse shoer of San Francisco who has charge of this branch of our business and who we can most fully recommend to our patrons.

We refer, by permission, to Mr. H. F. Hebbard, Express and Drayman, who has given these shoes a thorough trial, having used a sample set for the past month.

A SOLID COMBINATION!

United we Stand, Divided we Fall!

WISEMAN & ASHLEY,  
THE ONLY RECOGNIZED  
GENERAL BUSINESS AGENTS  
IN THE HAWAIIAN KINGDOM!

THE NEW FIRM TAKE MUCH PLEASURE IN STATING TO  
the Business Community and the Public Generally, that they have fitted up  
one of the Elegant Ground Floors in the

NEW CAMPBELL FIRE-PROOF BUILDING,  
On Merchant Street, Honolulu.

Where they will conduct their Business hereafter, and be most happy to see their  
patrons and friends who desire to bestow on them their patronage, feeling assured  
that all business transactions will be conducted by them in every particular to the  
best of their ability, and on the most reasonable basis.

Agencies: Wells, Fargo & Co.,  
HANBLE & ST. JO, AND  
CHICAGO, BURLINGTON & QUINCY RAILROADS,  
REAL ESTATE AND EMPLOYMENT,  
Mutual Life Insurance Company, New York,  
CITY OF LONDON FIRE INSURANCE CO.,  
House, Money & Custom House Brokers!

Special attention in the following Departments will be our aim, and we  
invite your careful perusal.

WELLS, FARGO & CO., GENERAL FORWARDING AND COMMISSION  
AGENTS.—We deliver Letters, Packages, Parcels and Money all over the World,  
send orders direct to our Agents likewise, to be filled and returned. Ship through-  
out the United States and Foreign Countries Merchandise, Curios, &c., from the  
Kingdom. Always advise your friends abroad to send Parcels, Packages,  
Letters and Money to you through WELLS, FARGO & CO., whose  
Agencies are established in all large cities on the globe. Don't consider the ex-  
pense when sending through us, as we will guarantee you satisfaction in every  
particular, and hold ourselves responsible in all our undertakings.

AGENT FOR THE HANBLE AND ST. JO, AND CHICAGO, BURLIN-  
GTON AND QUINCY RAILROADS.—These Roads are the most Comfortable and  
Inviting Roads going East. Tourists will find the Scenery, the Palace Cars, the  
Station Restaurants along these routes most inviting and superior, and Letters will  
be given to all Travelers and Tourists going either as 1st or 2nd class passengers  
to the Principal Agent in San Francisco, who will take special pains in making  
you acquainted with Railway Officials through letters, so that your trip will be  
most enjoyable to the end.

REAL ESTATE AGENTS. WE BUY AND SELL REAL ESTATE in all  
parts of the Kingdom. Search Records and attend completely to every branch  
in Selling Real and Leasehold Property. Our office will contain maps of all  
Properties left in our charge. We make a specialty in Collecting Rents, keep-  
ing Premises in repair, Paying and Discharging Taxes, Water Rates and effecting  
Insurances. Owners of Property should bear in mind that we will relieve them  
from given their attention to Property, guaranteeing at all times to act with care  
and for a nominal consideration for services in this department. Rooms, Cottages  
and Mansions to let at all times on application to us.

EMPLOYMENT AGENTS. WE SUPPLY ALL KINDS OF HELP, both  
Male and Female, in all the various branches of industry on these Islands.  
Agents, Planters, and Merchants generally should notify us when vacancies  
exist, as we will furnish no help such as Clerks, Salesmen, Book-keepers, Mechanics  
or Laborers unless well recommended to us.  
Chinese Servants and Female Servants will be supplied to families at short  
notice, for which a nominal commission is exacted.

LIFE AND FIRE INSURANCE AGENTS.—We feel it a duty to call every  
man's attention (particularly a man of family) to keep his Life insured for the  
benefit of his Family, who so often are dependent upon his labors for their sup-  
port. Young men and mechanics would find it the most pleasant duty of their  
lives to take out a Policy on the "Tontine" principal, when, in a few years,  
should they live, they will have sufficient funds to engage in business, with a neat  
little income to back them. We invite you to call on us when we will take  
pleasure in illustrating to you how beneficial it is for your welfare to be insured!  
Every man who owns Property should remember that "Fire," that grim  
messenger often makes the rich, or well-to-do, poor and poverty stricken. Let  
this be a warning to you, and call on us at once and protect yourselves against  
loss.

MONEY TO LOAN. FROM \$100 TO \$10,000 ON FIRST-CLASS SECURITY.

CUSTOM HOUSE BROKERS.—We have made special arrangements whereby  
we can enter Goods at the Custom House through Power of Attorney, and we call  
upon all Merchants and Store-keepers to make us their Agents at once. Our  
Charges for this work are very Reasonable, and we will Enter Goods, Pay and Dis-  
charge Freight and Duty Bills, and Deliver Your Goods direct to your places of  
business in prompt order. Merchants and Store-keepers will find this of great ad-  
vantage to them in every way.

GENERAL BUSINESS AGENTS.—Our long acquaintance with the Business  
Community is well known, and we invariably keep inviolate all business matters  
of a private nature. Business men who will intrust their commercial matters to us  
may always feel safe in so doing. We study the interests of our clients at all  
times, and advise on all business topics carefully, based on our best judgment.  
In the General Business Department we attend to everything in the Commer-  
cial line, such as the following, viz: Books and Accounts Kept and Adjusted Ac-  
curately, Neatly and Satisfactorily. Bills Collected Promptly, and Proceedings  
Taken Against Creditors when compulsion requires a speedy settlement. Legal  
Papers of every description, such as Deeds, Bonds, Mortgages, Bills of Sale,  
Leases, Wills, Partnership Papers, &c., drawn. ALSO—Advertisements, Notices,  
Articles, Communications and Correspondence written. ALSO—Memorials  
Drafted and Engrossed, Drafts, Notes, Bills of Exchange, Letters of Credit, and  
Banking Matters Generally attended to.

ALL ORDERS FROM THE VARIOUS ISLANDS to us will receive prompt-  
ness. We can purchase at the LOWEST MARKET RATES, and much more reason-  
ably than you can, and we inspect everything before we buy, and, therefore, it is  
to your interest to send your orders to us, as we then become responsible, and the  
small commission you pay us is less than what your purchases amount to buying  
as you have been doing direct.

All correspondence to us we take pleasure in answering without delay.  
We invite everyone to inspect our new and spacious offices, and have all  
our departments working under a systematic rule, with polite assistants, central  
location, and special advantages for conducting our business, we feel that the  
community at large will be gratified in knowing that such a beneficial institution  
has been established, where the wants of all may be supplied by  
Your Most Obedient Servants,

## A HINT FOR THE CLERGY.

This is a very useful hint for our present orators of all description. It is related that a Yankee chemist named Mitchell recently stepped into a Boston sale-room and purchased a box as to the contents of which he was totally ignorant. When he burst up the lid he found he had suddenly become the possessor of 2000 manuscript sermons that had formerly been the property of a clergyman. It need scarcely be said that he then cursed the parson in his own sinful style back as far as the 57th generation; for he fondly hoped he had scooped a box of stolen jewellery. Our orators needn't copy any of that part of the affair, of course; but here's where the hint fits in. The clergyman had written along the margin of his pages such suggestions to himself as the following—"Deliver this passage in solemn tones;" "Scornful smile after the word 'never';" "Pause long enough to count twenty-five after this passage;" "Close Bible with violent slam after this point;" "Sarcastic wave of hand;" "Rapid gesture;" &c. I have heard it said that the clergyman was Cook; but that can't be correct, for Joseph couldn't raise a "scornful smile" any more than the ceiling could. But the idea is good for all that.—*Federal Australian.*

## THE LAST FLAG.

"Talk about my war record" said an Arkansas orator at a political meeting: "my war record is a part of the State's history. Why, gentlemen, I carried the last Confederate flag through town." "Yes," replied a bystander, "for I was here at the time." "Thank you for your fortunate recollection," gratefully exclaimed the orator. "It is pleasant to know that there still live some men who move aside envy and testify to the courage of their fellow-beings. As I say, gentlemen, my war record is a part of the State's history, for the gentleman here will tell you that I carried the last Confederate flag through this town." "That's a fact," said the man who had witnessed the performance. "He carried the last Confederate flag through this town, and he carried it so blazed fast you couldn't have told whether it was a Union Jack or a small-pox warning."—*Arkansas Traveller.*

Imitation being popularly considered the sincerest form of flattery the manes of the ill-fated Captain Webb should be appeased by the action of the late Mr. Murphy, butcher, of Preston, who made a bet that he would swim across the River Ribble at its most dangerous point. On entering the water, in the presence of several people, he exclaimed, "I'm acting Captain Webb." The body, says the historian, somewhat abruptly, was afterwards recovered with grapples.—*Life.*

IMPORTANT DON'TS.

A little volume with the above expressive title has recently been published, in the interest of good deportment; but the book don't exhaust the subject by a good deal, and the following "don'ts," relative to street manners, jotted down as they come to mind, will prove interesting to gentlemen:

Don't keep to the right when walking upon the sidewalk. Should you do so, ten chances to one you will attract no notice from those you meet. Keep to the left if you would make a sensation.

Don't hide your umbrella under your coat as though you were afraid people would think you had stolen it. Make a Greek cross of yourself by carrying it under your arm at right angles with your body. Besides, this is the safest way to carry an umbrella. If any eyes are punched out with it you may be certain they won't be yours.

Don't carry your cane as though it was a third leg. Let it drag after you in a manner which shall trip up anybody who comes too near. How can you know that the man behind you is not a pickpocket, with designs on your wallet and watch?

Don't sit in the horse-car with your back square against the side of the car. Dispose yourself at an oblique angle, occupying the space of two or three seats. What is the use of being a hog unless you let folks know it?

Don't forget to puff vigorously at your cigar as you pass along a crowded sidewalk. It is only a mean man who would wish to keep all the smoke to himself. Gallantry to the fair sex should make you especially generous in your fumid benedictions when women are near you.

Don't apologize if you chance to step upon a gentleman's foot. It might make him feel awkward. But turn the matter off jocularly by reminding him that you must step somewhere, or advising him to keep his feet in his pocket. He cannot but admire your presence of mind and your ready wit.

Don't take any especial pains to point out the way to the stranger who asks to be directed. Just as like as not he won't remember aright. Tell him to follow his nose and he will find it, or push by without seeming to notice him.

Don't walk at one monotonous pace all the time. If you are in company walk slowly, two or three abreast. This will prove a trial of patience to the people behind you—but patience is a virtue and should be exercised. When you are alone go at railroad speed, elbowing your way vigorously through the crowd. Everybody admires activity and energy.

Don't, when two or three of you get together for a little chat, consider that you are blocking the sidewalk. The sidewalk was made for man, not man for the sidewalk, and it is your province to enjoy it to the full.

Don't forget to stare at the women folks. Your eyes were given you to stare with, and if the women don't like it let them remain indoors.

Don't pass by a lady without turning around to peer into her face. If you don't do this, she might think you were not a jackass, and it would be cruel to create a false impression in her mind.

Don't talk in a low tone of voice as you walk along, unless you have something really worth hearing. If your conversation is of your achievements in guzzling beer or mashing the girls—as, no doubt, it is—the more people who hear you the greater the number of those who will know you to be a superior being.

Don't miss the opportunity of exhibiting your fine clothes and refined manners in front of the liquor saloons, theatres and other places where your prominence will be effective.

Don't care for anybody but yourself. Remember that Providence helps those who help themselves.—*Boston Transcript.*

A very remarkable sunset, or what appeared to be a fine aurora, has been visible in the western sky. The heavy rain of the past two days have been followed by rapid evaporation, and the unusual electrical conditions produced the extraordinary combination of hues in the sky on the western horizon. Another beautiful sunset was witnessed this evening. The unusual phenomenon is attracting a good deal of attention.—*Australasian.*
