## Daily Bulletin

Pledged to neither Sect nor Party,  
But established for the benefit of all.

WEDNESDAY, JUNE 12, 1889.

The Advertiser, although posing as a purist of the first water, refers to a single runaway as a "stampede." This shows it to belong to the school of journalism which would call the burning of a building a "conflagration."

The small size of open cars designed to seat twenty average-sized passengers frequently carries from 60 to 70. It is therefore not so very surprising that on several occasions the large cars, seating 28, have carried over 100 persons.

If the Advertiser will risk the modest sum of five dollars for the Queen's Hospital on its contradiction of the statement that 115 persons were on one car Saturday night, it will be met with a similar amount for the same object which we will forfeit in the event of not being able to prove the statement in question. Come, now, make your reckless words good or accept the character of a wanton falsifier.

## A GROWING EVIL.

The crowding of people on the steamer for San Francisco during the hour previous to her departure has become a positive nuisance. It interferes with the necessary business of the agents, shippers and public officials. There is certainly no pleasure in such jams for passengers or their friends, and, unless by general consent people conclude to have their final farewells on shore, it may be necessary for the agents to employ some restrictive measure for the benefit of all concerned. It might be sufficient to at least greatly abate the evil if each passenger booking were granted a couple of passes to friends, none being allowed on board except bearers of passes and persons having business with the steamer requiring late attention. As it is now, while no passenger is so poor as not to have several friends go to see him off, many have fifty to a hundred anxious to tender parting alohas in person on deck. It would be hard if a person could not have the last possible opportunity of taking leave of a parent, child, brother or sister, but such a hardship would be obviated by the issuance of passes to persons in those relations. Something, at all events, will have to be done, as the evil is increasing.

## KAMEHAMEHA DAY.

## A Glorious Eleventh of June.

## Complete Report of the Horse Races.

The commemoration of the birth-day anniversary of the great Kamehameha I was observed in this city yesterday in many various ways. The weather was all that could be desired, the sun shining brightly all day. The town was astir at an early hour, and soon the streets were filled with people of all classes in holiday attire, many wearing leis or wreaths of flowers. The Government, diplomatic, consular and many private flags were flying gaily to the breeze, while H. B. M. S. Espiegle and other merchant vessels were prettily dressed with bunting. At noon a salute was fired from the shore battery at Kakaako and the Espiegle. The Central Union Sunday school held their annual picnic at the grounds of Oahu College and there were several other private picnic parties.

The principal attraction of the day was the races at Kapiolani Park under the auspices of the Hawaiian Jockey Club, being the Club's sixth annual meeting. As early as eight o'clock the train cars were filled with people going to the park and the road leading there was dotted with horse riders and private carriages. The races commenced at 10 o'clock and by that time a large crowd was in attendance. The grand stand and the enclosures were well filled all day. Their Majesties the King and Queen, attended by the Vice Chamberlain, J. W. Robertson, and Mrs. Robertson, arrived on the grounds at ten minutes past ten and took their seats in the Jockey Club stand while the band played Hawaiian Poni. Princes Kawanakoa and Kalaniana'ole, members of the diplomatic and consular corps and many prominent citizens were present. Hon. W. G. Irwin and Mrs. Irwin entertained a large number of friends in their private stand. The Hawaiian band was stationed in the stand next to the Jockey Club House and under direction of Mr. Berger played during the entire day. At noon the band boys played and sang Hawaiian Poni. The Jockey Club entertained a large number of guests in the most hospitable manner at its house.

There were many little incidents occurred during the day which helped to pass the time away. The two Clerks of the course were generally admired for their get up. Major Parker's boots, which were new and of enormous dimensions, attracted considerable attention. Paul Isenberg, Jr., looked unusually well in a bob tail coat with red sash. He carried a lasso on his saddle in case any of the horses attempted to run away. During recess he gave an exhibition of lassoing which "brought down the house."

A few minutes before eleven o'clock five young men rode into the enclosure in single file, each wearing a straw hat with yellow band and streamers. On the front of the band were the words "Johnson's Guards." The crowd at first thought they were escapees from Hotel Tucker. They were known among the crowd as "Johnson's small house boarders" and "The small pox brigade."

A pair of diminutive Shetland ponies, owned by Hon. Jas. Campbell and attached to a small carriage, attracted considerable attention. No accidents occurred during the day at the park and the races on the whole were a complete success. The officials were: Judges: Capt. J. H. Brown, F. S. Pratt and Col. Hauke; Starters: C. B. Wilson and J. I. Dowsett, Jr.; Stewards: Major S. Parker and Paul Isenberg, Jr.; Timekeepers: J. G. Spencer, H. Foeke and E. Suhr; Saddling Paddock: Capt. Tripp. The races were concluded at five minutes past 6 o'clock. Following is a summary:

## 1st QUEEN'S PLATE, \$100.

RUNNING RACE. 1/4 mile dash. Free for all.

J. A. Cummins' b m Ka Aolani aged 15. Leonard 1  
Kealia Ranch c f Miss Pritchard 1  
yrs. 113. Willie 2  
J. Dow's g Oscurois aged 117. Ferreira 3

Waterford Stables' b f Camilla, 3 yrs. 102. Kona 5  
N. Perry's b m Lalla Rookh aged 115. Maunakea 6

Several false starts were made, Lalla Rookh being somewhat refractory. At last the flag fell to a fair start, Oscurois and Miss Pritchard getting the best of it. Before the horses had gone fifty yards Ka Aolani shot to the front and soon held a lead of a length. Coming round the bend for home Ka Aolani was still leading and finally landed an easy winner by a good length, half a length between the second and third. Time, 50 1/2 seconds.

## 2nd HIS MAJESTY'S CUP, \$100 added.

RUNNING RACE. 1 mile dash.

There being only one entry for this race, J. A. Cummins' Ivory, it was declared off.

## 3rd KING'S PLATE, \$75.

TROTTING AND PACING. Mile heats; best 2 in 3 to harness. Hawaiian bred horses.

H. J. Agnew's c st Boswell, Jr. 1 1 1  
J. A. Cummins' c st Emperor 2 2 2  
Time, 2:53 1/2, 2:49 1/2.

First heat—Boswell Jr. was driven by his owner who carried 85 pounds overweight, while C. Storms held the lines over Emperor. At the word go Boswell took the lead and held it throughout, trotting the heat without a break. Emperor broke badly several times during the heat.

Second heat—Almost a repetition of the first, Boswell trotting in fine style and winning easily by three lengths.

## 4th GOVERNOR DOMINIS' CUP, \$75 added.

RUNNING RACE. 1/4 mile dash. Hawaiian bred horses.

J. A. Cummins' g m Ivory aged 115. Noble 1  
Waterford Stables' b g W. K. P. 3 yrs. 104. Kona 2  
Cecil Brown's b g Piko Nui aged 117. Howson 3

N. Perry's Bazaar Jr. and Waterford Stables' Mana were withdrawn. Perry paid \$10 under protest for withdrawing his horse on the day of the race. The flag fell to a good start, Ivory and Piko Nui running together to the half-mile post, with W. K. P. a couple of lengths behind. Rounding the lower turn Ivory took the lead and increasing it at every stride sailed home an easy winner by about six lengths. W. K. P. made up lost ground on coming up the home stretch and beat Piko Nui for second place by a full length. Time, 1:22 1/2.

## 5th HAWAIIAN HOTEL STABLES' PURSE OF \$100 and Cup added.

RUNNING RACE. 1/4 mile heats; best 2 in 3. Hawaiian bred horses.

Cup to become the property of the winner two consecutive years. Winner last year, Waterford Colt.

J. A. Cummins' g g Surprise aged 117. Noble 1 1  
Cecil Brown's b f Kikila aged 115. Howson 2 2  
E. R. Miles' b g Bonny 5 yrs. 117. Willie 3 3  
Time, 53 1-2, 54 1-5.

First heat—They were sent away at the first attempt, Kikila making the running with Surprise close up. After one hundred yards had been traversed Surprise passed Kikila and coming along won cleverly at the finish by a length and a half, Kikila second by two lengths.

Second heat—Kikila got the best of the start, but Surprise soon closed up and a pretty race ensued between the two to the quarter pole, when Surprise got his head in front and finally passed under the wire a winner by a length and a half, Bonny last throughout.

## 6th FUTURITY STAKES.

RUNNING RACE. Sweepstakes of \$25. 1/4 mile dash. For Hawaiian bred 2 year olds. 19 entries filled and closed 1888. 1st horse, \$300; 2nd horse, \$150; 3rd horse, saves entrance.

Kealia Ranch b f Wilhelmine 107. Willie 1  
Kealia Ranch b f Julia 8. Howson 2  
Chas. Lucard b f Lelekaio 107. David 3  
Waterford Stables' g h Troubadour 110. Kona 4

This race, a new departure by the Jockey Club, created considerable excitement. There were five acceptances, but Mana had been withdrawn the previous day. The four contesting animals were much admired as they paraded previous to the start. There was a long delay at the start caused by Julia S. refusing to join the other horses. Troubadour twice ran a considerable distance before being pulled up. At last they were off to a fairly good start, Lelekaio showing the way, with Wilhelmine second and Julia S. last. At the half mile post the latter improved her position and round the turn Wilhelmine, Lelekaio and Julia S. were running neck and neck. A few yards before the quarter pole was reached Wilhelmine went to the front and coming along full of running won in the easiest manner by ten lengths, Lelekaio third a length behind Julia S. Time, 1:23.

## 7th WAIMANALO PLATE, \$50 added.

TROTTING RACE. Three minute class. Mile heats; best 2 in 3. For all horses that have never beaten 3 minutes. Plate to become the property of the one winning it twice.

Paul Isenberg, Jr. g m Milly 1 1  
J. A. Cummins' c st Emperor 2 2  
W. M. Cunningham's c g Dick 107. Time: 2:50 1/2, 2:50 4-5.

First heat: H. G. Agnew drove Milly, C. Storms Emperor and J. Avery Dick. When the word go was given Dick took the lead, a collision very nearly taking place between the other two. Before the three quarter pole was reached Emperor got the lead but nearing the half mile pole Milly was in front and not being again headed won the heat by fully two lengths. Dick was distanced.

Second heat: Milly took the lead after the word go and maintained it to the wire, winning easily.

## 8th ROSITA CHALLENGE CUP, \$100 added.

RUNNING RACE. 1 mile dash. Free for all, winner to beat 1:45 1/2. To be run for annually.

J. Dow's g Oscurois, aged, 119. Leonard 1  
Kealia Ranch c f Miss Pritchard 4 yrs 113. Willie 2  
Kealia Ranch b m Pauahi, aged, 115. Howson 3  
Waterford Stables' b st Hancock aged, 122. Kona 4

This was looked upon as the race of the day. With Cal. Leonard on his back a good many thought favorably of Oscurois, the dark

horse from Maui, while others pinned their faith on the Kealia ranch animals. Old Hancock had many admirers. The flag fell to a capital start, Oscurois taking the lead, Miss Pritchard second and Hancock last. It was a pretty race down the far side, but Oscurois held his own and well ridden by Leonard came home a winner by two lengths. Time: 1:49.

## 9th WATERFORD CUP, \$100 added.

RUNNING RACE. 1 1/4 mile dash. Hawaiian bred horses.

J. A. Cummins, b st J. A. C. 5 yrs 122. Leonard 1  
Waterford Stables' g h Conspiracy 4 yrs 118. Kona 2

After one false start they got away. Conspiracy taking a slight lead. On passing the wire the first time J. A. C. had his head in front, and at the three quarter pole held a lead of a length. Before reaching the half mile pole Conspiracy had drawn up quite close to the leader, but soon after fell behind. Up the stretch J. A. C. increased his lead and although Conspiracy came with a rush in the last fifty yards, J. A. C. won easily by a length. Time 2:22 1-5.

## 10th KAPOLANI PARK PLATE, \$125.

TROTTING AND PACING. Free for all. Mile heats; best 3 in 5. All horses with record of 2:40 or better to be handicapped.

E. R. Miles' r g George H. 1 1 1  
Mystic Stables' b g Joe Duke 2 2 3  
Paul Isenberg, Jr. g m Milly 3 3 2  
John Sullivan's b st Toby 4 yrs. 113. Time 2:47 4-5, 2:45 1-5, 2:48.

First heat—Joe Duke having a record better than 2:40 had to trot to wagon, the others to sulkies. George H. took the lead at start and trotting in fine style with Mr. Miles holding the lines, passed under the wire an easy winner. Toby was distanced.

Second heat—Joe Duke went away with the lead, but soon gave way to George H. who again won easily. Third heat—At the word go Milly went to the front, but was soon passed by George H. and Duke. At the three quarter pole Milly passed Duke and went after George H. The latter broke near the half mile pole which let up Milly who looked like a winner. However, coming up the stretch with a fine burst of speed George H. crept up gradually and won the heat by two lengths.

## 11th KAMEHAMEHA PLATE, \$150.

RUNNING RACE. 1 1/4 mile dash. Free for all.

R. Ballentine's b g Rob Roy, aged, 120. Willie 1  
J. A. Cummins' b st J. A. C. 5 yrs 122. Noble 2

Rob Roy got a slight advantage at the start, but before many yards had been run J. A. C. closed up and was leading on passing the wire the first time. By the time the three quarter pole was reached the two horses were running neck and neck, and from there to the half mile pole a blanket would have covered them both. After passing the latter pole, Rob Roy got a lead of half a length and they ran in this position to the turn for home where J. A. C. made his effort, but Rob Roy was able to hold his own and won a pretty race by half a length. Time 2:50.

## 12th POST MATCH, \$20.

There being no entries, this event was declared off.

## 13th OCEANIC STEAMSHIP CO. CUP.

NOVELTY RACE. Running 1 mile dash. 1st, 2nd and 3rd quarter, \$25 each; 4th quarter, \$50 and Cup. Hawaiian bred horses.

Waterford Stables' g h Troubadour, 2 yrs. 77. Ferreira 2  
J. A. Cummins' g g Surprise, aged 119. Noble 1  
Kealia Ranch's b g Wilhelmine, 2 yrs. 75. Howson 3  
J. A. Cummins' g m Ivory, aged 117. Noble 4  
Waterford Stables' c g Red Oak, aged 119. Kona 5  
Cecil Brown's b g Piko Nui, aged 119. Howson 6  
E. R. Miles' b st Hancock, Jr., 4 yrs. 118. Willie 7  
R. Kalanipoo's b g Hey There, aged 119. David 8

There was considerable excitement over this race as the eight horses paraded before the stand ready for the start. Surprise was a hot favorite, though Ivory and during one Surprise fouled Red Oak. The Judges ruled Leonard, the rider of Surprise, off the track, and Joe Ferreira was given the mount. The two year old Troubadour was very restless at the post and at one time his owner thought seriously of drawing him out. At last the flag fell to a somewhat poor start, Troubadour almost being left at the post. Surprise and Wilhelmine shot out from the others and in the order named soon held a lead of fifty yards. In this position they ran to the quarter mile pole. In the meantime Troubadour, after leaving the three quarter pole, began to make up lost ground and going along with a wet sail was soon close up with the leaders. Coming up the stretch Troubadour was pushed for all he was worth and catching Surprise about twenty yards from the wire won a splendidly ridden race by a head, Wilhelmine three lengths away third, the others scattered. When Troubadour returned to weigh in, his jockey, Joe Uu, the smallest rider during the day, received a perfect ovation from the assembled crowd. The little fellow belongs to Maui and has only recently been taken in hand by the Waterford Stables, and

this was his first race in public. He certainly rode a beautiful race, and Troubadour showed that he is a horse of no mean order. Surprise took the 1st, 2nd and 3rd quarters, while Troubadour took the 4th and the cup. Time: 1st quarter, 26 sec.; 2d, 53 1/2 sec.; 3d, 1:24 1/2; the mile, 1:57.

## 14th PONY RACE, \$75.

RUNNING. 1 mile dash. For all ponies 14 hands and under. Hawaiian bred.

J. A. Cummins' g f Eleu 1

## HAWAIIAN EVANGELICAL ASSOCIATION.

This Association closed its sessions Monday morning. Every church has this year sent in its statistical report. The Association welcomed most heartily the new helpers and the delegates from every island wanted one or more to reside among them. The Young People's Associations were urged to more strenuous endeavors on lines apart from, and yet connected with, the special work of the churches and endeavor is to be made to supply every Hawaiian household this Jubilee year with a copy of the Sacred Scriptures. The new 16 no edition of the Bible is sold by the Hawaiian Board for only one dollar, the New Testament for a quarter, and the Psalms for a dime. The churches were urged to secure some regular public reading of the Bible, either in the stated services of public worship, or in the exercises of the Sunday School. Kaunakapili Church appealed to the whole sisterhood of churches for help to remove its burden of debt, hoping to raise \$1,000 towards paying it off, in addition to its ordinary yearly expenditure. The Association adjourned at noon to meet again next year on the first Tuesday in June. On Monday evening there was a general meeting in Kaunakapili church for worship and exhortation presided over by Hon. Henry Waterhouse. The church was well filled and addresses were delivered by Revs. Dr. C. M. Hyde, O. P. Emerson, H. H. Parker, J. Bicknell, J. Waiwaima and others.

## Late Foreign News.

(Per City of Peking, June 12th.)

## THE PENNSYLVANIA FLOOD.

San Francisco papers up to and including June 4th have many columns of details of the awful flood in Pennsylvania. As might have been anticipated the loss of life is greater than the first imperfect reports showed. An appeal to the Union for relief issued by Governor Beaver says the reports of the loss of life and property have not been exaggerated, the most conservative estimate placing the number of lives lost at 5,000, and the property lost at \$25,000,000, in the Valley of Conemaugh, and there have been severe losses elsewhere. Money is needed, and will be judiciously used.

Estimates of the total loss of life are as high as 15,000 souls.

A relief fund has been started in Berlin, Germany, for the sufferers, and similar action proposed in London.

Fire was sweeping over the heaps of ruins in Johnstown. An area of eight or ten acres is covered forty feet high with shattered houses from that town, and in each of these houses it is estimated that there are from one to twenty-five people.

There are fears of a plague from the decaying bodies. Physicians recommended that the fire should not be interfered with, as it would remove much cause of infection; but survivors who wanted to find their dead relatives insisted on the water hose being kept at work.

Not a small part of the horrors was the sweeping away of railway trains full of passengers in the deluge.

Human ghasts are robbing the corpses at Johnstown, and enraged citizens are shooting the villains on sight.

Grand View cemetery has buried in it 800 victims of the flood, and there were 850 corpses in Conemaugh hospitals; 300 bodies were found in one day in Stony Creek sand banks, and 182 bodies were at Nineveh.

Among a host of memorable incidents of the flood is that given below. An unknown man mounted on a grand, big bay horse came riding down the pike that passed through Conemaugh to Johnstown shouting: "Run to the hills! Run to the hills! None knew the man and some thought he was a maniac and laughed.

In a few moments, however, there came a cloud of ruin down the broad streets, down the narrow alleys, grinding, twisting, hurling, overturning and crushing and annihilating the weak and the strong alike.

It was the charge of the flood, wearing its coronet of ruin and devastation, which grew at every instant of its progress. Forty feet high, some say, thirty according to others, was this sea, and it traveled with a swiftness like that which lay hidden in the heels of Mercury.

On and on raced the rider, and on and on rushed the wave. Dozens of people took heed of his warning and ran up to the hill.

Poor, faithful rider? It was an unequal contest. Just as he turned across the railroad bridge the mighty wave fell upon him, and horse, rider, bridge and all went into chaos together.

One item in the incalculable loss of property is the irredeemable wreck of the Chesapeake and Ohio canal, which cost originally more than \$11,000,000 and on which the total expenditure has reached nearly \$40,000,000.

## THE CHAMBERLAIN'S SALARY.

Mr. Justice Preston's decision was filed this morning in the matter of the King's Chamberlain's salary for the five months from October to February inclusive, amounting to the sum of \$1,250. Geo. W. Macfarlane's draft for which endorsed over to Jas. W. Robertson was refused payment by the Minister of Finance on the ground that the Cabinet had not approved Macfarlane's appointment. His Honor holds that the appointment requires neither Cabinet approval nor a commission, but he sustains the Minister's refusal on the ground that Robertson had performed the Chamberlain's duties during the period in question. Paul Neumann and C. L. Carter for petitioner; Attorney General C. W. Ashford for respondent.

## A Step Ahead!

HAVING always been an advocate of the half-holiday system on Saturdays, I am glad to announce my ability to practically adopt it now, and will cease work from and after June 15th, on every Saturday, at 12 o'clock noon. Excepting in very urgent cases. GEO. W. LINCOLN, Contractor & Builder. 273 1w

## A GRAND PICNIC.

Annual Outdoor Festival of Central Union Sunday School.

There was a very large attendance of both children and parents at the Central Union Sunday School picnic held yesterday at the Oahu College Grounds. A large laui was erected on the grounds and flags were hung across the algaroba trees, giving a brilliant aspect to the surroundings. Several hundreds of the little ones were present and everything was done by those in charge of the occasion to make the little people happy. Groups of the children were assembled here and there enjoying themselves in various ways. At noon, after Dr. Hyde had said the blessing, refreshments were served and all sat down in the tent to eat of the innumerable things that were prepared. The young ladies were kept busy passing plates around, and Prof. Brigham was heard to remark that he had never seen such a great number of cakes—it seemed as if cakes were the prominent diet here on festive occasions. H. R. H. Princess Liliuokalani was present during part of the day.

After the luncheon the whole company was photographed in a group by Messrs. Gonsalves and Lyons, and Mesdames Jordan and Hall. Games of various kinds were indulged in by both young and old, that of baseball being the most prominent, for there were no less than four matches going at one time—one by the young men, one by the small boys, another by the girls, who were very clever in catching, and still another by the married men versus the Punahou Juniors.

This last game caused the most amusement. The married men's nine were Messrs. Westervelt, O. P. Emerson, H. S. Townsend, C. M. Cooke, W. C. Merritt, A. F. Cooke, W. E. Herrick, W. W. Hall and T. S. Southwick; while the Punahou Juniors were boys from nine to thirteen years of age. In the first innings the married men made one run to their juvenile opponents' four. In the second innings Mr. Herrick while running for first base on three strikes got out of his course and collided with Mr. Southwick, when both fell heavily. Mr. Herrick's momentum was so great that he rolled on the ground several feet.

When he got up he was minus his suspenders, and was cheered vociferously. The game was finally won by the youngsters. The other games indulged in were croquet and lawn tennis, and it was interesting to see the various groups interspersed here and there among the shady trees playing these games.

By three o'clock the gathering began to disperse, having thoroughly enjoyed the picnic, and all looking forward to a similar enjoyable festival next eleventh of June.

Ants, Mice, Moths & Roaches

In Pianos!

IN this country, especially where Ants, Mice, Moths and Roaches infest your Pianos to the destruction of the same, and the annoyance of all called upon to use them, it would be well to place your instruments in Mr. J. W. YARNDELEY'S care, who will effectually clear them of all destructive insects, etc., and cleanse the strings and tuning pins from rust. See to this before it is too late!

Let Mr. YARNDELEY tune your Pianos and keep them in tune. Many Pianos suffer greatly and become worthless for need of intelligent and more frequent attention in regard to the above.

Orders received at the office of the HAWAIIAN NEWS CO., Merchant street, will be promptly attended to. 273 2w

## AN INTERESTING LETTER FROM A VETERAN.

AS this is Jubilee year it tends to make one look back and think of the flight of time, and in this way I am reminded that I am one of the veterans in the sale of your valuable and successful medicine. I have sold it from the very first, and have sent it into every country in England and many parts of Scotland. Well do I remember the first circular you sent out some nine or ten years ago. You had come to England from America to introduce Mother Seigel's Curative Syrup, and I was struck by a paragraph in which you used these words:—"Being a stranger in a strange land, I do not wish the people to feel that I want to take the least advantage over them. I feel that I have a remedy that will cure disease, and I have so much confidence in it that I authorize my agents to refund the money if people should say that they have not benefited by its use." I felt at once that you would never say that unless the medicine had merit, and I applied for the agency, a step which I now look back upon with pride and satisfaction.

Ever since that time I have found it by far the best remedy for Indigestion and Dyspepsia I have met with, and I have sold thousands of bottles. It has never failed in any case where there were any of the following symptoms:—Nervous or sick headache, sourness of the stomach, rising of the food after eating, a sense of fullness and heaviness, dizziness, bad breath, slime and mucus on the gums and teeth, constipation, and yellowness of the eyes and skin, dull and sleepy sensations, ringing in the ears, heartburn, loss of appetite, and, in short, wherever there are signs that the systems is clogged, and the blood is out of order. Upon repeated inquiries, covering a great variety of ailments, my customers have always answered, "I am better," or "I am perfectly well." What I have seldom or never seen before in the case of any medicine is that people tell each other of its virtues, and those who have been cured say to the suffering:—"Go and get Mother Seigel's Curative Syrup, it will make you well." Out of the hundreds of cures I will name one or two that happen to come into my mind.

Two old gentlemen, whose names they would not like me to give you, had been martyrs to Indigestion and Dyspepsia for many years. They had tried all kinds of medicine without relief. One of them was so bad he could not bear a glass of ale. Both were advised to use the Syrup and both recovered, and were as hale and hearty as men in the prime of life.

A remarkable case is that of a house painter named Jeffries, who lived at Penhurst, in Kent. His business obliged him to expose himself a great deal to wind and weather, and he was seized with rheumatism, and his joints soon swelled up with dropsy, and were very stiff and painful. Nothing that the doctors could do seemed to reach the seat of the trouble. It so crippled him that he could do hardly any work, and for the whole of the winter of 1878 and '79, he had to give up and take to his bed. He had been afflicted in this sorry way for three years, and was getting worn out and discouraged. Besides, he had spent over £13 for what he called "doctor's stuff" without the least benefit. In the Spring he heard of what Mother Seigel's Curative Syrup had done for others and bought a 2s. 6d. bottle of me. In a few days he sent me word he was much better—before he had finished the bottle. He then sent me for a 4s. 6d. bottle, and as I was going that way I carried it down to him myself. On getting to his house what was my astonishment and surprise to find him out in the garden weeding an onion bed. I could hardly believe my own eyes, and said:—"You ought not to be out here, man, it may be the death of you, after being laid up all winter with rheumatism and dropsy."

His reply was:—"There is no danger. The weather is fine, and Mother Seigel's Curative Syrup has done for me in a few days what the doctors could not do in three years. I think I shall get well now."

He kept on with the Syrup, and in three weeks he was at work again, and has had no return of the trouble for now nearly ten years. Any medicine that can do this should be known all over the world.

Yours faithfully,  
(Signed) RUPERT GRAHAM,  
Of Graham & Son,  
Holloway House, Sunbury,  
Middlesex,  
June 25th, 1887.

The above wonderful cure of Rheumatism was the result of the remarkable power of Mother Seigel's Curative Syrup to cleanse the blood of the poisonous humours that arise from Indigestion and Dyspepsia.

Mother Seigel's Curative Syrup is for sale by all chemists and medicine vendors, and by the proprietors, A. J. White, Limited, 35, Farringdon Road, London, Eng.
